NOTICE:
DPIE Implements Updated Fees

Modest Increase Will Help Fund Services

DPIE will implement fee changes, effective Monday, February 14, 2022. Most fees will increase by 10 percent, meaning that an applicable fee that was previously \$50 will increase to \$55. The updated fee schedule is posted on the DPIE website. The revised fee structure was approved by the Prince George's County Council with CR-082-2021, which took effect November 2, 2021. Visit the Legislative/Zoning Information System (LZIS) to view the CR-082 legislation.

“This modest increase in fees will help the County keep pace with commerce,” said DPIE Director Melinda Bolling. “The additional revenue will have a positive impact on the County by providing funds for service delivery, as well as hiring additional staff to issue permits and licenses, perform plan reviews and enforce code and safety regulations at DPIE.”
