

Your CALL TO ACTION TAKE THE ANACOSTIA RIVER SURVEY

The Metropolitan Washington Council of Governments (COG), in support of the environmental offices of Prince George's County, Montgomery County and the District of Columbia want to understand how much their residents know about the Anacostia River, including what their beliefs and opinions are about how healthy the river is, and who or what influences the river's health. The findings of this survey will help these local governments enhance how they communicate about the Anacostia River and the smaller streams that flow into it.

Take the survey today and you could be entered in to win one of three \$100 gift certificates, courtesy of Raftelis.
