## Stream to your heart's content. At a great price.

Connect to your favorite content with superfast internet today.

Dear <First Name>,

With our 100% fiber-optic network, you can connect to everything you love with superfast internet. Your friends. Your news sources. Your favorite shows and movies. And since no network is better equipped to support multiple devices and users simultaneously, everyone in your home can connect at the same time.

That's because we're wired differently.

### Connect to what you crave.

Fios® gives you the fastest internet and Wi-Fi available.\* So you can connect to your favorite music, movies and moments even faster. Plus, with upload speeds as fast as download speeds, you can share just as fast as you stream.

### Change the way you watch TV.

Fios delivers incredibly sharp HD picture quality that brings your local news, sports and primetime content to life. And with the Fios Mobile app,\*\* you can watch your favorites in any room in your home on any compatible device. Plus, if you sign up for our Double Play, you'll get HBO® included for three months. So you can binge watch every episode of your favorite shows.

### Switching made simple.

Call us or go online today to order, and choose an installation day that works with your schedule. A highly trained technician will get you up and running, and even help set up your Wi-Fi devices. There's a world of content to watch. And with Fios, you can watch it better.

Sincerely,

Anne Hogan  
Executive Director, Fios by Verizon
