HOJA DE INFORMACIÓN PÚBLICA (5 de octubre, 2020)

El Departamento de Obras Públicas y Transportes del Condado de Prince George (DPW&T), en asociación con CASA, ofrecerá ayudas para rehabilitación de pavimentos de hormigón y asfalto, mejoras paisajísticas, refuerzo del alumbrado y regulación de tráfico en la comunidad de Langley Park, a lo largo de Langley Way, 14th Avenue, Kanawhat Street y 15th Avenue. Las diversas mejoras derivan de estrategias para la Prevención del Crimen a través del Diseño Ambiental (CPTED) y forman parte del compromiso del Condado con Vision Zero y la seguridad de nuestros ciudadanos. El Proyecto está programado para comenzar dentro de los próximos 60 días. Por favor tenga en cuenta que durante el periodo de construcción habrá restricciones de estacionamiento y regulaciones en el tránsito. Agradecemos su cooperación mientras las obras tienen lugar.

Limites del Proyecto

CONTACTO:

Para información sobre el proyecto contacte con:

Caleb Hii, P.E. Gerente del Proyecto Departamento de Obras Públicas y Transportes 9400 Peppercom Place, Suite 400 Largo, Maryland 20774 Teléfono: (301) 883-5636 Correo electrônico: CHii@co.pq.md.us

www.VisionZeroPrinceGeorges.com

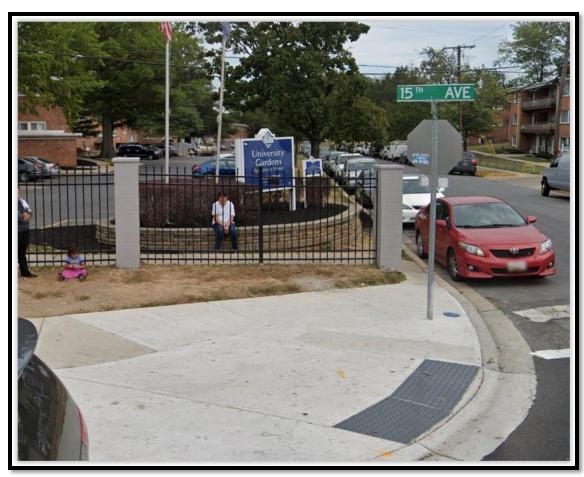

- CASA notified their contacts
- Contractor posted flyers along the road and distributed them to the residential units
- Flyers had both Spanish and English translations
