

Summer is almost here and [Level Up](#) is excited to bring you a full guide of fun that we have planned for *The Summer of Wellness*!

Wellness is about making healthy choices and practicing healthy habits that contribute to feeling good and prioritizing what you need to make you look and feel your best—physically as well as mentally. [Level Up's 5 dimensions](#) encourage you to exercise, adopt healthy eating habits, focus on mindfulness, and much more.

We hope you can reset your health goals with relaxation and restoration. No matter what you're in the mood for this summer, Level Up has got you covered with a variety of activities.
