June 20, 2019

Mr. Jamey Modlin General Manager Transdev 8401 D'Arcy Road Forestville, MD 20747

RE: TRANSDEV – Operations General

Dear Mr. Modlin:

This serves as a follow up to our letter dated June 10, 2019 regarding defects listed in TRC's audit report. To date, we have received no documentation that buses have been serviced, repaired or scheduled for repair. Documentation of repairs should have been forwarded by June 17, 2019. In your response to the audit emailed on June 14, 2019 twenty-seven (27) of 196 defects were contested leaving 169 defects uncontested. Therefore, liquidated damages will be assessed on the June invoice per section 3.18.9 for each uncontested defect not corrected. We will review the contested defects and provide a response under separate cover.

We look forward to your prompt attention to this matter. Should you wish to discuss in further detail, please contact me on (301) 883-5656.

Sincerely,

D'Andrea L. Walker Associate Director
