## *DISCLAIMER OF LIABILITY*

The information in this Minority Business Enterprise (MBE) Directory was compiled by the Office of Central Services, Supplier Development & Diversity Division (SDDD). The compiled information is based upon data received from minority business owners.

Each entry is presented to you for informational purposes and may be used in assisting potential prime contractors and subcontractors in their selection of MBEs. The information provided should not be construed as an endorsement of the business, their products or services.

The businesses listed in this Directory are subject to recertification by the State of Maryland Department of Transportation, the Washington Metropolitan Area Transit Authority and the Prince George's County Supplier Development & Diversity Division on an annual basis. Businesses who have not met the established requirements/criteria for certification may not be listed in this Directory.

Prime contractors using MBEs as subcontractors, must confirm with the companies, their current MBE status at the time of the Bids or Proposals. Your assistance in keeping this Directory information current is appreciated. Please direct all comments or inquiries to:

**OFFICE OF CENTRAL SERVICES**

Dear Vendors:

It is with pleasure that the Prince George's County Office of Central Services, Supplier Development & Diversity Division is able to offer our business owners a management tool that may be able to assist you in meeting the County's overall goal of 30% towards minority business enterprise (MBE) participation in your contracting activity.

It is the intent of Prince George's County to continue our strong working relationship with all State and Federal governments, County agencies, quasi-County entities, corporations, associations and businesses. By doing so, we hope that through the utilization of the County's MBE Directory, we will increase the utilization of MBEs participation in our Program, as well as, the County's commitment to meeting the 30% overall goal.

This directory is provided for your convenience. The directory consist of firms that have met the criteria for minority-owned businesses who are at least 51% owned and controlled by African American, Asian Americans, Females and Hispanic Americans individuals and whose management and daily operations are controlled by one or more of such individuals.

As we strive to improve our MBE Program, the team of professionals that are assembled in the Supplier Development & Diversity Division, are available to assist you in your efforts to find qualified minority businesses to assist you in achieving and increasing MBE participation in the County's contracting efforts.

We look forward to continuing to enhance our customer service to businesses and the citizens of Prince George's County.

Sincerely,
Roland L. Jones
Director, Office of Central Services

***SUPPLIER DEVELOPMENT & DIVERSITY DIVISION***

We are pleased to present the Prince George's County Minority Business Development Directory of certified minority-owned companies as of August 2014. This Directory is accessible to everyone electronically and we hope that it will be a tool used by both minority and non-minority companies, as well as government agencies, quasi-government organizations and private individuals who want to use the Minority Business Enterprise (MBE) companies as providers of goods and services.

The Supplier Development & Diversity Division advocates the use of the MBE firms as contractors and subcontractors for all types of projects. We believe that the MBE's have the capability and expertise to deliver excellent services as well as products through their day to day operations. Our efforts are geared toward the use of these MBE firms to achieve and surpass the County's procurement goal of 30% MBE participation.

Sincerely,

Sharon Moore Jackson
Acting Executive Director,
Supplier Development & Diversity Division

***HOW TO USE THIS DIRECTORY***

The Minority Business Enterprise (MBE) Directory is provided to assist interested persons with the identification of minority business enterprises who may be eligible to participate in Prince George's County Minority Business Enterprise Program for contracts in goods, services and construction. The Directory contains firms that have been certified as MBEs by the Prince George's County Supplier Development & Diversity Division (SDDD), the State of Maryland, Department of Transportation (MDOT) and the Washington Area Transit Authority (WMATA).

For easy access, the certified MBEs have been grouped under the most appropriate categories related to the nature of their core competencies. The directory is organized alphabetically within each category, both for Services and Commodities.

To identify the MBEs who may be eligible to participate on a contract, the user of this Directory should take the following steps:

1. Become familiar with the "Table Of Contents" outlining the types of Services or Commodities where you will find the page number with the list of MBE vendors providing these Services/Commodities.

2. Use the Directory as you would use the "Yellow Pages." Consult the "Table of Contents" (a) identify the kind or type of firm which is most likely to furnish it; and (b) to locate the page at which a list of the MBEs engaged in that particular category may be found.

3. The certification of new firms and the process of recertification are continuous. As a result, the SDDD may have certified additional firms that were not included in this directory at the time of printing. To obtain any additional firms or supplemental listing by telephone or facsimile, you may contact the Supplier Development & Diversity Divisional (301) 883-6480.

4. To search for a vendor name in the Directory you can do one of the following:

    a. Look for the corresponding page number of the commodities or services provided by the vendor and scroll down to it. Or
    b. Look for the corresponding page number of the commodities or services provided by the vendor, hold down the Control key, and click on the page number.
