

Rushern L. Baker, III
County Executive

THE DEPARTMENT OF THE ENVIRONMENT
is giving away

FREE MULCH
to County citizens, residents and employees

A Source Reduction Event

Learn to reduce water usage, prevent soil erosion and reduce the use of herbicides in your home gardens by applying mulch.

SOURCE REDUCTION TIPS

Use mulch to suppress weed growth and provide nutrients.

Grass Cycle: Use a mulching mower to finely shred your mowed grass and leave it on the lawn.

Start a backyard compost pile.

SATURDAY
APRIL 21 2018

8 a.m. to **1** p.m.

Prince George's County Organics
Composting Facility

**6550 S.E. Crain Highway,
Upper Marlboro**

(From Crain Highway, proceed on Maude Savoy Brown Road and follow the signs to the Visitors Center)

The quality of the mulch is good. The mulch is primarily derived from the Christmas trees collected after the holiday that have been shredded at our facility and is accepted "as is."

A skid loader is available to load mulch into pickup trucks, or residents may bring their own containers and tools.

This event is restricted to non-commercial vehicles, 3/4 ton maximum weight.
