Basic Term Life and Accidental Death and Dismemberment (AD&D) Insurance

Your employer provides you with Basic Term Life in the amount of 2 times your base annual earnings and AD&D insurance coverage of \$50,000

Supplemental Term Life Insurance Coverage Options

Provided to You	For You (Option)	Combined
50 times your Monthly earnings, to a maximum of \$600,000	1 to 4 times your basic annual earnings, to a maximum of \$600,000	50 times your Monthly earnings PLUS 1 to 4 times your basic annual earnings, to a combined maximum of \$1,400,000

What's Not Covered?

Like most insurance plans, this plan has exclusions. Supplemental Life Insurance does not provide payment of benefits for death caused by suicide within the first two years of the effective date of the certificate or an increase in coverage. This exclusionary period is one year for residents of Missouri and North Dakota.

Accidental Death & Dismemberment (AD&D) coverage complements your Basic and Supplemental Life insurance coverage and helps protect you 24 hours a day, 365 days a year.

Accidental Death & Dismemberment Coverage Options

This valuable coverage benefits beyond your disability or life insurance for losses due to covered accidents — including while commuting, traveling by public or private transportation and during business trips. MetLife's AD&D insurance pays you benefits if you suffer a covered accident that results in paralysis or the loss of a limb, speech, hearing or sight, third degree burn, or brain damage or coma. If you suffer a covered fatal accident, benefits will be paid to your beneficiary.

Covered Losses

This AD&D insurance pays benefits for covered losses that are the result of an accidental injury or loss of life. The full amount of AD&D coverage you select is called the "Full Amount" and is equal to the benefit payable for the loss of life. Benefits for other losses are payable as a predetermined percentage of the Full Amount, and will be listed in your coverage in a table of Covered Losses. Such losses include loss of limbs, sight, speech and hearing, various forms of paralysis, third degree burn, brain damage and coma. The maximum amount payable for all Covered Losses sustained in any one accident is capped at 100% of the Full Amount.
