MISSION STATEMENT

To promote and assist positive transitions for our youth in recovery. We are committed to providing a holistic approach to substance abuse treatment. We promote autonomy and leadership to assist our youth in becoming contributing members of our community.

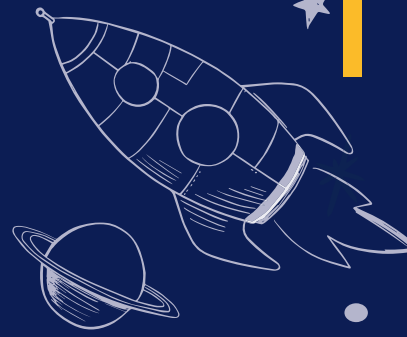

WHAT WE DO

The Adolescent Recovery Clubhouse of Prince George's County provides complementary support to youth ages 12 to 17 with primarily substance use. The Clubhouse focuses on strengths, talents, and abilities; therefore, we have a nonclinical or not treatment setting.

Youth's empowering experiences through our programs and activities lead to reduce and prevent substance use and decrease juvenile delinquency, while developing age-appropriate living skills which assist them in a healthy and productive transition into adulthood. The youth and family are also connected to resources that will empower them to make informed decisions about their recovery.

ELIGIBILITY CRITERIA

- ★ Resident of Prince George's County
- ★ 12 to 17 years of age
- ★ Displays a strong desire to begin the recovery process
(Referral to treatment before attending the clubhouse)
