

# Large Gatherings

As we celebrate our religious holidays, we would like to remind our residents of Governor Hogan's Stay-at-Home Executive Order prohibiting large gatherings and events.

## *Drive-In Services*

Churches, synagogues, mosques, temples, and other similar religious facilities of any faith may conduct "drive-in" services.

- Participants may leave their homes to travel by vehicle to and from the religious facility and must remain in their vehicle at all times.
- No vehicle may contain more than 10 persons.
- Participants may not interact physically with clergy, staff, or participants in other vehicles. This includes, but is not limited to, collecting donations by basket or plate.

## *Virtual Services*

Clergy may conduct virtual services at their respective religious facilities.

- No more than **10 persons**, including clergy and staff, may be present inside the religious facility.
- Clergy and staff must be at least six feet apart from one another at all times while conducting the virtual service.

Please check with your religious facility for virtual service times.
