

Behavioral Health Services Division

REQUEST FOR APPLICATIONS: CC001-2016

The Behavioral Health Division of the Prince George's County Health Department (PGCHD) is responsible for the planning, provision, coordination, contracting, and monitoring of publicly funded substance abuse, mental health, and other drug prevention and treatment services. RFA CC001-2016 solicits applications to provide care coordination services to County residents receiving treatment through the Behavioral Health Administration (BHA) residential treatment center, or a PGCHD) crisis provider and for other priority populations as identified by the PGCHD.

RFA Opening Date is June 22, 2015 8:00 A.M.

Letter of Intent is due July 6, 2015

RFA Closing Date is July 13, 2015 5:00 P.M.

Pre-Application Conference Date is June 26, 2015

Scope of Work:

Care Coordination services include performing an intake interview while the recipient is still in residential treatment or actively engaged in outpatient services and direct services from the County's crisis provider. Requirements of the interview will consist of reviewing referral and contact information, completion of an Individualized Recovery Plan (IRP), establishing a Care Coordination (CC) schedule, and accessing recovery support services as identified by the Recipient.

The CC schedule will provide, at minimum, biweekly ongoing face-to-face or telephone meetings conducted to update Recipient's recovery support plan and coordinate recipient access to, participation in, and continuation of services.

RFA documents containing instructions and specifications may be reviewed and/or downloaded through the County's website www.princegeorgescountymd.gov. Documents may also be obtained from the Prince George's County Health Department, Prevention, Recovery and Tobacco Control Office located at 425 Brightseat Road, Suite 101D, Landover, MD 20785, (301) 333-4803.
