GENERAL TERMS AND CONDITIONS

The following standard General Terms and Conditions of contract shall apply to this solicitation and shall be incorporated by reference in the contract documents.

1. **AVAILABILITY OF FUNDS:** A contract shall be deemed executory only to the extent of the appropriations available to each agency for the purchase of such commodities or services. RAPGC's extended obligation of those contracts which envision extended funding through successive fiscal periods shall be contingent upon actual appropriations for the following fiscal year. RAPGC shall notify the Contractor as soon as it obtains knowledge that funds may not be available for continuance of the contract for each succeeding fiscal year beyond the first year.
2. **PREVAILING LAW:** The Request for Proposals and any resulting contract shall be governed by the laws of Prince George's County and the State of Maryland. By submitting a Proposal in response to this Request for Proposals, the Offeror, if selected for award, agrees that it will comply with all Federal, State, and local laws applicable to its activities and obligations under the Contract.
3. **CONTINGENCY FEE PROHIBITION:** The Contractor hereby represents that they have not retained anyone to solicit or secure this contract from RAPGC upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, except for bona fide employees of bona fide established commercial selling agencies maintained by the person so representing for the purpose of securing business, or any attorney rendering professional legal service consistent with applicable canons of ethics.
4. **RAPGC HELD HARMLESS:** It is agreed that the Contractor shall be responsible for any loss, personal injury, deaths and/or damages that may be done or suffered by any persons solely by reasons of the Contractor's negligence or failure to perform any of the obligations which this contract obligates them to perform, and the Contractor hereby agrees to indemnify defend and hold RAPGC harmless from any loss, cost damages, and other expenses suffered or incurred by RAPGC solely by reason of the Contractor's negligence or failure to perform any of the said obligations. The Contractor shall take proper safety and health precautions to protect their work, their employees, the public and the property of others from any damages or injury resulting solely from the performance of their work described herein.
5. **MARYLAND STATE DISCLOSURE:** The Contractor shall comply with the provisions of Article 33, Sections 14-101 through 14-104 of the Annotated Code of Maryland, entitled "Disclosure By Persons Doing Public Business" which requires that every person that enters into contracts, leases, or other agreements with RAPGC, including its agencies, or a political subdivision of the State, under which the person receives in the aggregate either during the two years preceding or after the completion of said contract, lease or agreement, \$100,000 or more, shall file with the State Board certain specified information to include disclosure of political contributions in excess of \$500 to a candidate for elective office.

6. **PROMPT PAYMENT:**

(b) The Contractor shall pay each of its subcontractors (including a material supplier) for satisfactory performance under the respective subcontract within seven (7) calendar days after receipt of such amounts that are paid to Contractor by RAPGC for such work performed under the contract. In the event that there is a good faith dispute over all or any portion of the amount due on a payment from Contractor to a subcontractor, Contractor may withhold the disputed amount but shall pay the undisputed amount. A subcontractor who further subcontracts work on procurement projects is responsible for the same requirements and interest penalties for payment to its subcontractors (lower tier subcontractors) after receiving payment as applicable to Contractor.

(c) Interest penalties. In the event Contractor violates Paragraph (b), above, Contractor shall pay to the subcontractor a penalty of one and a half percent (1.5%) of the amount due per month for every month (or such other percentage as identified in County Code Section 10A-153) to the subcontractor owed payment or portion thereof that payment is not made. Interest penalties shall accrue daily beginning eight (8) calendar days after payment is received by the Contractor (or higher tier subcontractor) and ending on, but excluding, the payment date, using the rate established in this paragraph calculated on a monthly (30-day) basis. This requirement is enforceable in the Circuit Court of Prince George's County, and is not intended to create a private right of action against RAPGC. Willful violations of this requirement may also result in Contractor (or higher tier subcontractor) being suspended or debarred.

(d) Subcontract Clause Requirements. Contractor shall include in each of its subcontracts:

(1) a payment clause which obligates Contractor to pay the subcontractor for satisfactory performance under its subcontract within seven (7) days out of such amounts as are paid to Contractor by RAPGC for such work performed under such contract; and

(2) an interest penalty clause which obligates Contractor to pay to the subcontractor an interest penalty on amounts due (or such other percentage as identified in County Code Section 10A-153) in the case of each payment not made in accordance with the payment clause included in the subcontract (i) for the period beginning on the day after the required payment date and ending on the date on which payment of the amount due is made; and (ii) computed at a rate of one and a half percent (1.5%) (or such other percentage as identified in County Code Section 10A-153) of the amount due per month for every month.

(3) a clause requiring the subcontractor to (i) include a payment clause and an interest penalty of one and a half percent (1.5%) of the amount due per month for every month (or such other percentage as identified in County Code Section 10A-153) in each of its subcontracts and (ii) shall require each of its subcontractors to include such clauses in their subcontracts with each lower-tier subcontractor or supplier.

RAPGC will compensate Contractor for all monies earned up to the date of termination. However, the Contractor shall not be paid any damages or reimbursed for any anticipatory profits that have not been earned up to the date of termination.

Discriminatory practices based upon the foregoing are declared to be contrary to the public policy of RAPGC. Contractor and subcontractors shall post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause.
