

"Suit Up for a New Career"

Suitland YD

Sierra Proctor, Shakayla Haynes, Lyndell Goldson & Joshua Ntoko

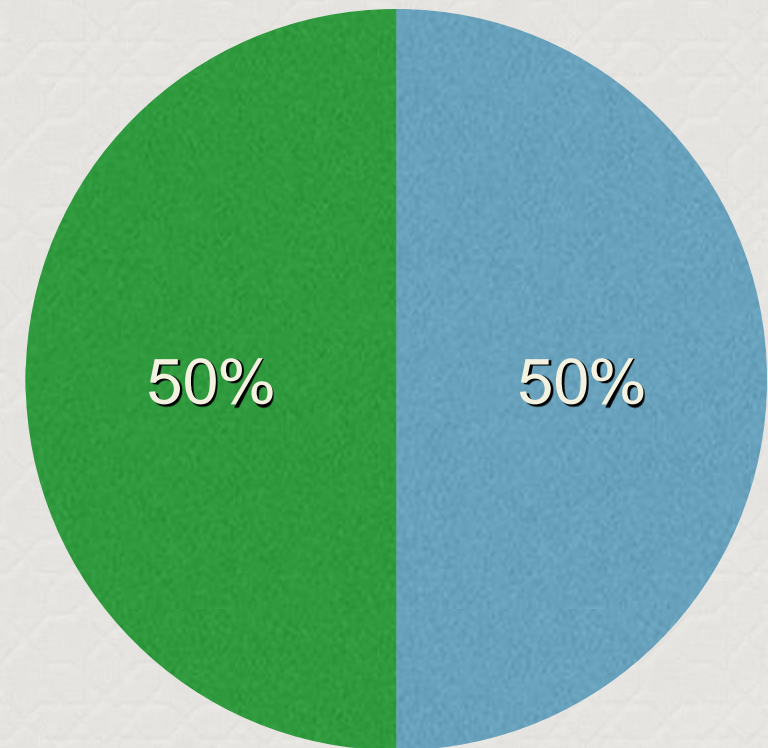

Issues in Suitland

1. Poverty in the community is high

- 50% of Suitland's students are on FARMS
- Youth resort to selling drugs

2. The community's youth are under employed

Information provided by Suitland High School
Principle Newman

How can we raise employment among youth and lower the rate of poverty in Suitland families?

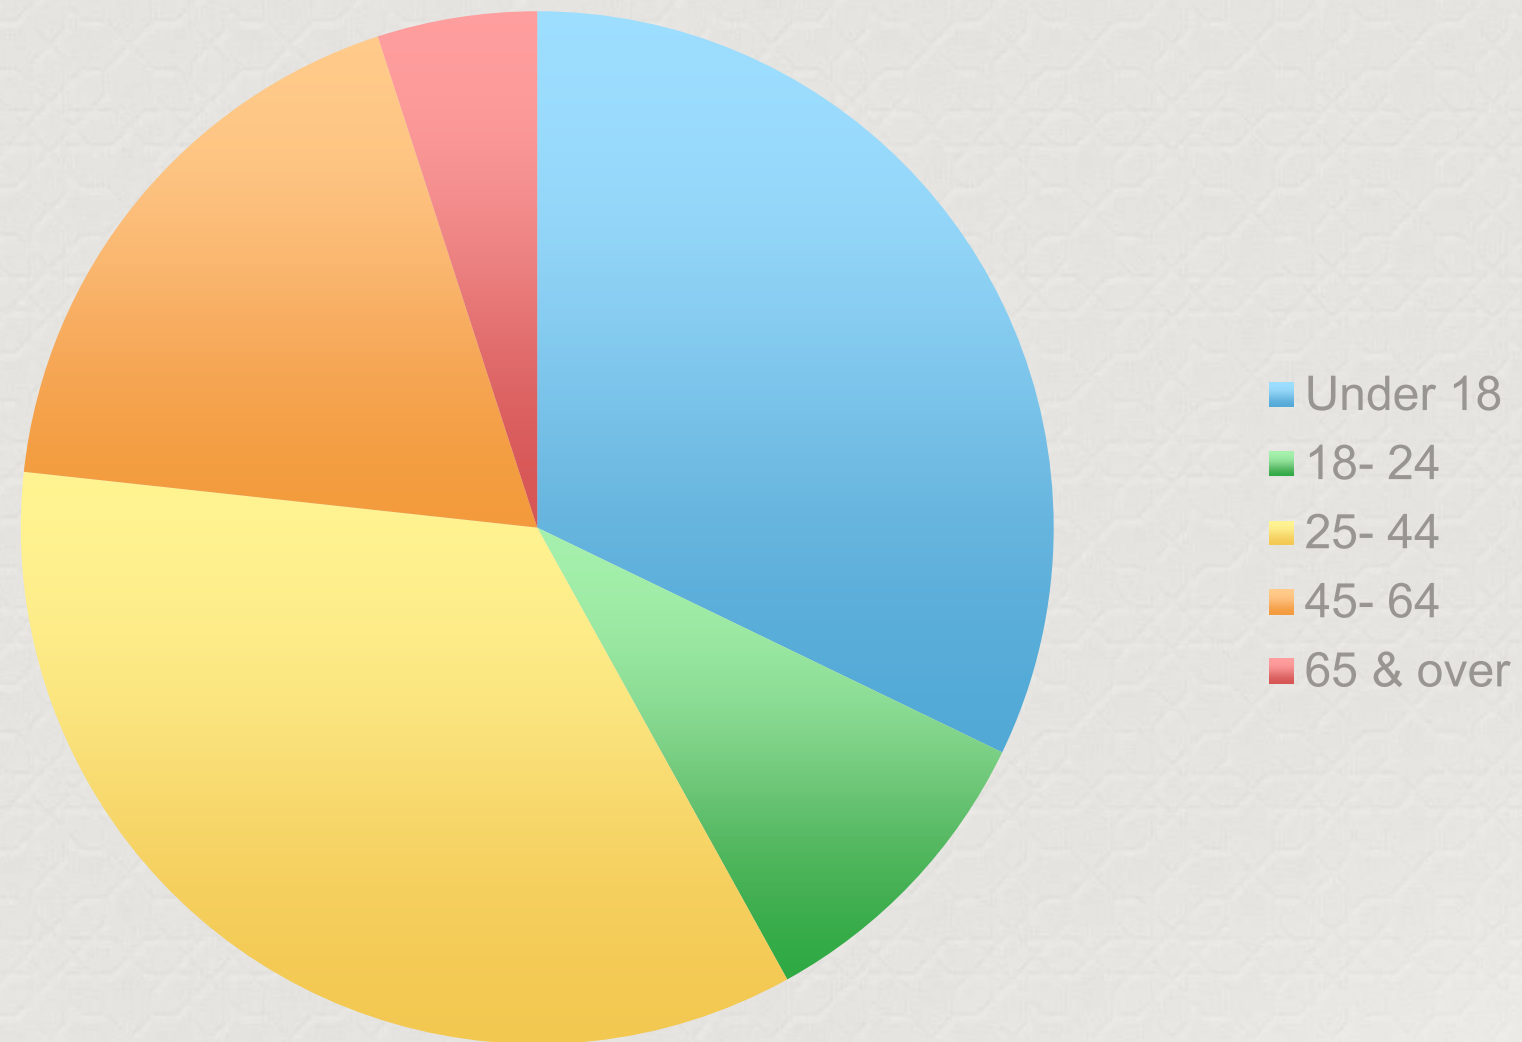

Hypothesis

- ✿ If Suitland YD creates a portal page that provides necessary information for youth to enter the work force and find jobs then:
 - ✿ There will be a reduction in poverty and crime
 - ✿ Because there is more money flowing through the community

Suitland YD will create a portal page, teaching youth in the community about multiple career paths, how to build resumes, apply for jobs, as well as allow employers to view a database of resumes.

Targeted Age Group

Percentage Composition

Suitland YD's targeted age group is 18 and under to 24

Goals & Outcome

- ✿ Raise the income in families
- ✿ Reduce the amount of students on FARMS
- ✿ Reduce the need for youth to sell drugs
- ✿ Employ the communities youth
- ✿ Provide positive information and options for youth in the community
- ✿ Keep money and jobs in Suitland

Military Options

Thinking about a career in the military? You have plenty of options in the five branches of the U.S. armed services. Each has a unique mission.

- **U.S. Army** - Defends U.S. interests and those of its allies through land-based operations anywhere in the world. Army personnel work in jobs ranging from general administration to the operation and maintenance of weapons, vehicles, aircraft carriers, and electronic systems.
- **U.S. Navy** - Defends the right to travel and trade freely on the world's oceans and protects U.S. interests overseas during times of international conflict. They serve on ships, submarines, in aviation positions on land and sea, and at shore bases around the world.
- **U.S. Air Force** - Flies aircraft, such as long-range bombers, supersonic fighters, and many others, to protect the interests of America and its allies.
- **U.S. Marine Corps** - One of the most elite fighting forces in the world. Marines fly planes and helicopters, operate radar equipment, drive armored vehicles, and gather intelligence. Training programs emphasize the development of mental strength and physical prowess.
- **U.S. Coast Guard** - Protect U.S. coastlines and inland waterways by enforcing customs and fishing laws, combating drug smuggling, conducting search and rescue missions, maintaining lighthouses, and promoting boat safety.

Coming out of high school

10. **Captains, Mates, Pilot of Water Vessel**
Median annual income: \$64,180
High-end annual income: \$117,310
