## SHARE RESPONSIBILITY FOR THE SAFETY OF ALL ROAD USERS

The County Executive launched Vision Zero Prince George's in July 2019 as a countywide strategy to eliminate traffic-related serious injuries and deaths. Vision Zero Prince George's focuses on supportive road and transportation design coupled with education, outreach, and safety measures for all roadway users, including people who walk, bike, drive and take transit.

- Look out for others, especially children, the elderly, persons with disabilities, and people walking or biking.
- Slow down and look around, especially at intersections and driveways.
