Estate and Will Preparation Through MetLife Legal Plans

Top 5 Reasons Why Having A Will is Important

- 1 • You decide how your estate will be distributed
- 2 • You decide who will take care of your minor children
- 3 • Avoid a lengthy probate process
- 4 • Disinherit individuals
- 5 • Provide Funeral Instructions

Planning for the future

Will Preparation¹

Do you have a will? Many put this off because they believe it's too expensive, too complicated or simply think they don't own enough assets to make a one worthwhile.

Unfortunately, this may mean that your last wishes aren't carried out.

You and your spouse have unlimited access to a variety of Will Preparation Services including online and in-person consultation.

WillsCenter.com

The screenshot shows the WillsCenter.com website. At the top left is the logo "WillsCenter.com" with the tagline "POWERED BY SMARTLEGALFORMS, INC." Below the logo is a navigation bar with links for "Home", "How It Works", "FAQ", "Glossary", and "Support". To the right of the navigation bar are three images: a family of four, a gavel on a document, and another family. On the left side, there is a "Current User Sign In" box with fields for "E-mail:" and "Password:", a "Sign In" button, and a link for "Forgot your password?". Below that is a "New Users" box with a "Register here" button. The main content area features the heading "WillsCenter.com is made available by MetLife" followed by a paragraph describing the service: "Create your will, living will and power of attorney documents using this online service. It's easy to use, secure, and available 24 x 7 at no cost to you. Access to technical assistance is available by phone through a toll-free number (1-888-861-1089) and online through a dedicated support portal." Below this is a section titled "Within this secure web space you can:" followed by a bulleted list of features: "Easily create and store personalized state-specific documents for you and your spouse.", "Use the interactive question and answer process to create your documents.", "See your documents assembled as you enter your answers into the online questionnaire.", and "Edit, download and print your legal documents along with directions for easy execution." A red "Register Today!" button is highlighted with a blue arrow pointing to it. At the bottom of the screenshot, a line of text reads: "This Website allows you to easily complete the following documents online, with educational resources".

- Wills
- Living Will and Health Care Power of Attorney
- Property Power of Attorney
- HIPAA Authorization

Visit www.willscenter.com² and register as a new user. Be sure to enter your Employer name.
Follow the simple instructions to create your online document
Return at your convenience to complete or update stored documents

WillsCenter.com

Step 1: Choose the document you want to work on and click "Answer questionnaire"

Step 2: See your document being tailored as you answer the questions.

Step 3: When you have finished answering questions click "My Documents" to return to the homepage.

Step 4: Click "Download document" to download the finished document.

Step-by-Step

Welcome to MetLife Legal Plans

Your benefit plan provides the option to purchase employee-paid supplemental life coverages (i.e. Group Optional life, Group Universal Life, or Group Variable Universal Life). Estate Planning services are provided with these supplemental life coverages at no additional cost, which includes creating estate planning documents online or with an attorney in your area.

I attest that either me or my spouse are currently enrolled for employee supplemental life coverage.
