Department of Permitting, Inspections and Enforcement

# The Hub

A publication of the Information Technology Division

June 8, 2020

**MOMENTUM**

Momentum is the name of the new enterprise system. ePermits, the current system of record which has served the County well for over a decade, is in the process of being replaced in phases.

- Phase I — Licensing go-live September 2020
- Phase II — Health and Enforcement
- Phase III — Building and Site/Road
- Phase IV — DoE and Fire

Momentum embodies action, boldness, delivery, forward thinking, and forward moving! Momentum sums up the new enterprise system that will manage permitting,

licensing, inspections and enforcement for the County. The teams collaborating to deploy Momentum are all that and more!

In the age of digital transformation, Momentum couldn't be timelier and we're excited!

## SKYPE FOR BUSINESS & TEAMS

Microsoft has cool tools:

- Skype For Business, and
- Teams

When working with internal staff members, Microsoft's Skype for Business and Teams works extremely well for quick conference calls and team huddles. Be sure to take OIT's class (provided monthly) to familiarize yourself with the tools available. You can also view

[Skype for Business tutorial](#) and/or [Teams tutorial](#).

---

## VOICE MAIL TO EMAIL

Were you aware you can get your voice mails emailed to you? To enable, go to the Telework Folder in the shared drive at S:\DPIE\Telework and locate the PDF file for voice mail to email.

## THANK YOU, DPIE IT!

DPIE would like to thank Ed Hall, Susan Tayman and Connie (CJ) Byrums for their hard work and diligence during this unprecedented time.

When we left the offices in March, we left in short order leaving much to be desired. The DPIE IT team worked tirelessly to make sure DPIE was virtually set and we want to thank them as they continue to deliver every day!

## WHAT IS THE U.S. CENSUS?

By law, every 10 years the U.S. Census counts every resident in the United States. Your participation determines representation and how billions in federal funds are distributed. If our community is undercounted, friends and neighbors miss out on an estimated **\$18,250 per person over a 10-year period**. Statewide, that's a total of **\$26.6 billion over a 10-year period**.
