## PRINCE GEORGE'S COUNTY GOVERNMENT

August 21, 2018

Dear Community Partner,

Please save the date of Thursday, September 27, 2018, from 9:00 – 11:00 a.m. for our Fall Community Partners' Meeting. As in the past, the meeting will be held at the Department of Public Works and Transportation's (DPW&T) Maintenance Operations Center (MOC) located at 8400 D'Arcy Road, Forestville, Maryland. Light refreshments will be served at 8:45 a.m. prior to the start of the meeting.

The Department of Permitting, Inspections and Enforcement (DPIE) is hosting the meeting, which will include updates from our sister agencies, the Department of the Environment (DoE) and DPW&T.

Our program agenda will include:

- A report from the Maryland State Highway Administration (SHA)
- The new DPIE Administrative Hearing Process for adjudication of code violations
- Updates from the Nuisance Abatement Board
- Temporary residential rentals
- Preparing your property for winter
- Code enforcement/compliance for commercial, residential and vacant properties
- The current permitting process for homeowners
- Pedestrian and bicycle safety
- Upcoming dates for Snow Summits
- Clean Up, Green Up

After the presentations, agency representatives will answer questions posed by the audience. For the first time at this Community Partners' Meeting, we will take questions in writing only. The format was changed to written questions, as opposed to taking questions from the floor, to allow more attendees to have their questions answered. You may submit as many questions as you like ahead of time by emailing or scanning them to DPIE at [kicorbett@co.pg.md.us](mailto:kicorbett@co.pg.md.us) or by sending them via U.S. mail to:

Kiara Corbett/Office of the Director  
Department of Permitting, Inspections and Enforcement (DPIE)  
9400 Peppercorn Place, Suite 500  
Largo, Maryland 20774

**9400 Peppercorn Place, Largo, MD 20774**

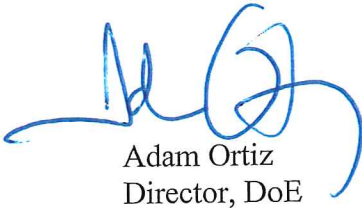

You will find a question form attached. Please feel free to submit any additional questions on half-sheets of paper. We will have question forms available for you to complete on the day of the event, as well. If for any reason we are unable to answer any questions, they will be answered by agency personnel and the responses posted on the DPIE website by October 8, 2018. You may also call DPIE at 301-636-2020 and request a copy of the answers be mailed to you.

Your continued participation in our shared Community Partners' Program is appreciated. Please let us know if you will be able to attend by contacting Kiara Corbett at 301-636-2020 or via email at [kicorbett@co.pg.md.us](mailto:kicorbett@co.pg.md.us) no later than Friday, September 14, 2018.

For your convenience, directions to the Maintenance Operations Center (MOC) are provided below. Directional signs along the route will direct you to the parking area.

We look forward to seeing you on September 27th!

Sincerely,

Adam Ortiz  
Director, DoE

Haitham A. Hijazi  
Director, DPIE

Gwendolyn T. Clerkley  
Acting Director, DPW&T

#### **DIRECTIONS:**

From the Beltway/SOUTH, take Pennsylvania Avenue (MD4) west to the Forestville Road exit (at Marlo Furniture). Make a right onto Forestville Road and travel through two traffic lights. Please note that Forestville Road turns into Ritchie Road. At the third light, D'Arcy Road, turn right. You will see signs indicating DPW&T Facilities. Continue on D'Arcy Road through the residential section and up the hill. Take the second left turn into the DPW&T Complex. The MOC is the last building on the left. Directional signs to the parking area will be posted.

From the Beltway/NORTH, take the Ritchie-Marlboro Road exit, bear right at the traffic circle and proceed to the first major intersection (Ritchie Marlboro/Walker Mill/Ritchie roads). At the light, turn left onto Ritchie Road. Travel to D'Arcy Road and turn left. You will see signs indicating the DPW&T Facilities. Continue on D'Arcy Road through the residential section and up the hill. Make the second left into the DPW&T Complex. The MOC is the last building on the left. Directional signs to the parking area will be posted.
