Summary

In June 2025 for MGM National Harbor operations, Prince George's County received \$2.7 million in revenue from the State for Video Lottery Terminal (VLT) (e.g., "local impact grants")¹ and Table Game (TG) local taxes. Approximately \$1.4 million was paid for the County share of VLT revenue. A "hold harmless" provision which redistributed funds to ensure minimum revenue levels in Anne Arundel County and Baltimore City, was repealed by Chapter 692 of 2021. Although the provision is still in effect, it does not reduce County gaming revenues. The County also received \$1.3 million from its share of TG revenue.

¹ Section 9-1A-27(a)(3) of the State Government Article requires that 5.5% of the proceeds from video lottery terminals be distributed to the jurisdiction where the video lottery facility is located, subject to specified deductions. It also defines these allocations as "local impact grants". Effective October 2017, the local tax rate on video lottery terminal expired ticket revenues increased from 5.5% to 9.5%.
