**Commissioner Camacho:** At the Board of License Commissioners, we endeavor to be as efficient as possible in our virtual environment. Thank you for your patience. This is a public meeting subject to the Maryland Open Meetings Act so a truthful, transparent, open, and honest dialogue and record is required. As such, there are some formalities that will take place that may appear redundant but nonetheless are important and required to ensure compliance with the law.

**Director Sheppard:** During a typical hearing, there would be an exchange between the Board and the attorneys to exchange information as exhibits. Because this hearing is now virtual, we have implemented a 10-day rule to give those individuals here today, 10-days from today's date to add to the official record. I would ask that you email myself or the administrative staff of the BOLC. You may add information to the record long as it is information that has been discussed in this hearing.
