Prince George's County
Department of Public Works and Transportation
9400 Peppercorn Place Suite 300
Largo, MD 20774

WHAT TO EXPECT

Specific Zones: Street Sweeping services will be conducted on a 5-week rotation and areas will be divided into zones. In total, there are 24 zones to cover the entire County. Zones will be broken down into AM and PM sections, please visit DPW&T's website or check your calendar for specific zoning information.

Relocate Vehicles: The participation of County residents will be crucial for the overall success of the program. We request that residents move their cars, trailers, motorcycles, and any other vehicles away from the curbs during the designated service hours. Kindly park on driveways, temporarily relocate to areas where services are not being provided, or use alternative methods that do not cause any disruptions.

**VISIT OUR WEBSITE,
