**Purpose**

Section 9-1A-27 and Section 9-1A-31 of the State Government Article govern the imposition and distribution of video lottery terminal (VLT) taxes and table game (TG) taxes in Maryland. This monthly report series is designed to show the actual VLT taxes and Table Game taxes paid by the State of Maryland to Prince George's County in FY 2026 (July 1, 2025, through July 30, 2026).

**Summary**

In January 2026 for MGM National Harbor operations, Prince George's County received \$2.5 million in revenue from the State for Video Lottery Terminal (VLT) (e.g., "local impact grants")<sup>1</sup> and Table Game (TG) local taxes. Approximately \$1.3 million was paid for the County share of VLT revenue. A "hold harmless" provision which redistributed funds to ensure minimum revenue levels in Anne Arundel County and Baltimore City, was repealed by Chapter 692 of 2021. Although the provision is still in effect, it does not reduce County gaming revenues. The County also received \$1.2 million from its share of TG revenue.
