

WHISKER PATROL (BARN CAT) ADOPTION QUESTIONNAIRE

Welcome to the Prince George's County Animal Services Facility and Adoption Center. We're happy you chose our facility to adopt your new pet. It's our mission to unite the right pet with the right owner, so please fill out this application in detail. Once you've finished, a staff member will review the application with you. While we carefully monitor all of our animals, we have limited knowledge of their backgrounds. Therefore, we cannot guarantee the health, behavior, temperament, age or breed of any animal adopted from the Animal Services Facility and Adoption Center. In addition, please understand that once an animal is adopted, the new owner assumes full financial responsibility for that pet including any health care and training. Applications are often approved pending current pet vaccinations and landlord verification. I certify that the information provided is true, and I understand that false information may result in denying this application.
