

**Announcing
Revised Scheduling of the
September 2022 Cycle of Amendments
to the
*2018 Water and Sewer Plan***

BULLETIN 2022-01

The Department of Permitting, Inspections and Enforcement (DPIE) announces the preemption of the September 2022 Legislative Cycle of Amendments due to County Legislative Calendar year end dates and County elections.

The next Legislative Cycle of Amendment will be the **December 2022 Cycle**, for applicants requesting to advance their projects from Category 5 to Category 4, with a filing deadline of **December 1, 2022**. Applicants are encouraged to file applications electronically to sbranch@co.pg.md.us, prior to the filing deadline, to ensure all requested information is submitted. The filing deadline for the December 2022 Cycle will not be extended.

Please note that this preemption does not affect the Administrative Cycles of Amendments that are available throughout the year excepting the months of August and December. The Administrative Cycles are for applicants requesting to advance their projects from Category 4 to Category 3.

Plan 2018 application forms provided by DPIE are required for all plan amendments, final plat reviews and residential waivers. DPIE application forms and amended "Appendix 6-2, Fee Schedule" from the *2018 Water and Sewer Plan* can be found at:

<https://md-princegeorgescounty.civicplus.com/1395/SiteRoad-Plan-Review-Forms-Checklists>

Please take a moment to review the application forms, fee schedule and processes as they relate to your specific project. For further information on the *2018 Water and Sewer Plan* and its components, please feel free to contact:
