Types of Illegal Businesses That CAN Be Brought into Compliance

There are some types of businesses that are considered illegal because they are either unlicensed, are operating without a Use & Occupancy Permit, or are operating in a residential area or on a public road. Many businesses are allowed to operate in areas zoned for business. Some of these businesses can take simple steps to become a legal business in the County.

**Take Steps to Bring Your
Business into Compliance!**

**Operating a legal business requires a license or permit from the
Department of Permitting, Inspections and Enforcement (DPIE).**
