This payment will be effective the first full pay period after August 1, 2024.

Employees covered by this Agreement who are at the maximum for their pay grade and are actively employed by the Department on July 1, 2025, will receive a lump sum payment of one and one-half percent (1.5%). This calculation shall be made based on the employee's base salary paid the first full pay period following July 1, 2025. This payment will be effective the first full pay period after August 1, 2025.

The lump sum payment is considered regular earnings for income, withholding, and employment tax purposes. The payment will not be added to the employee's base salary. These payments are not considered "regular earnings" for retirement/life insurance purposes and employees will not receive any retirement/life insurance benefits based on these payments.

NOTE: Sections C. 2 through C. 10 have been archived. See CB-112-2017 for prior language pertaining to Wage Scale for Bargaining Unit Members.

D. Shift Differential

1. Effective the first full pay period beginning on or after County Council enactment of this agreement, 2017, a shift differential of two dollars (\$2.00) per hour shall be paid to any employee whose regularly assigned tour of duty requires them to work between the hours of 6 p.m. to 6 a.m.

2. No shift differential will be considered to be a part of the employee's base rate, nor shall it be applied to pay for non-productive hours such as holiday pay, annual and sick leave pay nor shall it be used for the purpose of computing retirement deductions or for retirement or insurance benefits.

E. Acting Pay

When an employee assumes a higher rank in an acting capacity for a period greater than fourteen (14) consecutive days, he/she shall be paid at a rate which is ten percent (10%) above his/her regular rate of pay, and shall continue to be paid at that rate until relieved by the person for whom he/she is acting, or by a person of equal rank to that position, who is permanently assigned to that office/bureau.

F. Filling Vacancies

1. A "vacancy" is a permanent opening created by the termination, transfer, promotion or retirement of an incumbent bargaining unit employee which the County intends to fill or which is created when the County determines its operational needs require additional bargaining unit employees. Whenever a vacancy occurs, and the County elects, in its discretion, to fill the vacancy through the competitive process, the County will advertise the specific position and the Department will inform bargaining unit employees through email notification. The Union at the same time will be notified of the vacancy in writing. Any employee covered by this Agreement may apply for any vacancy, as defined in this Section 5.1.F. The Department may, at its discretion, fill vacancies for General Clerk I/II or Administrative Aide I/II by requesting a list of eligibles from an open and continuous register maintained by the County, without being required to create a new register to fill these positions. However, the County will notify all bargaining unit members by email of the opening of any open and continuous register from which the County may fill bargaining unit positions, and inform the members that a bargaining unit position may be filled from that register without further opportunity for the members to apply for that position. Members will be so notified when the announcement opens, but in no event less than ten (10) days before the announcement closes.

2. When a bargaining unit member applies for a vacancy through the normal competitive process and is determined to be qualified for the position, the name of the qualified bargaining unit employee will be placed on the list of eligibles sent to the Fire/EMS Department for its consideration. The Fire/EMS Department will ensure that any bargaining unit member on any list of eligibles will be granted an interview for the position vacancy. The interview panel shall include the Union President or his /her designee and shall not be a voting member.

3. The County, at all times, shall have the right to:

a. determine which candidates meet the standards and qualifications set forth for any position/vacancy.

b. advertise/communicate position vacancy announcements simultaneously to all available sources, including employees within the bargaining unit, the County employee population, and to the public at large.

c. to interview candidates for vacant positions from any applicant pool in a single unified process or from any bargaining unit/County employee applicants first as the County determines appropriate under the circumstances.

4. If a bargaining unit employee meets all standards and qualifications set forth in the position, has no disciplinary action(s) in the employee's personnel file and is rated at least satisfactory in performance, the bargaining unit employee shall be selected for the position. A bargaining unit employee who has disciplinary action(s) in the employee's personnel file shall still be eligible for promotion although, not subject to the preference described herein.

5. Anything in this Agreement to the contrary notwithstanding, for the purpose of this preference provision, the term "all standards and qualifications" include minimal qualifications and requirements set forth in the position as well as all preferred, additional qualifications as determined by the County for the position, both objective and subjective.

6. If more than one bargaining unit employee meets the requirements set forth in 4 above, the County shall not be obligated to select the senior employee, but may make the selection which best suites the need of the County in the discretion of the County.

7. When the Department temporarily, via an acting position, places a bargaining unit employee into a vacancy ("vacancy" has the same meaning as defined in Section 5.1.F.1 of this Agreement), the Department shall adhere to the following procedures:

a. The position shall be announced by Department wide email. Instructions and qualifications for applying for transfer to the Acting Position shall be included in the announcement.

b. The application period shall be open for a minimum of seven (7) days.

c. The Department shall allow members of the bargaining unit to apply for the Acting Position and shall interview all qualified applicants for the position.

d. The interview panel shall include the Union President or his /her designee, who shall not be a voting member.

e. The Department retains the sole discretion to make the decision regarding which employee shall be selected for the acting position. Nothing in this section affects the Department's and/or County's ability to choose which employee, if any, will ultimately be

promoted to that position. The fact that an employee is granted an acting position does not create an entitlement to promotion to that position.

f. The parties agree that the Department will not be prohibited from immediately filling this position pending the process outlined in this Section (5.1.F.7).

Section 5.2 Supplemental Retirement Benefit

A. Benefit Accrual and Amounts

1. Effective July 1, 1992, employees covered by this Agreement shall commence participation in a supplemental retirement benefit program. a. Benefit accrual is at the rate of 0.6% times the number of years of actual and continuous service the employee has as a full-time Prince George's County employee, to a maximum of twenty-five (25) years of actual and continuous service, multiplied by the employee's average annual compensation, as determined pursuant to paragraph E., below.

An employee completing the minimum continuous service requirements of paragraph B.1., above, shall be entitled to receive a monthly benefit as determined pursuant to paragraph 1, above; provided, however, that no employee terminated for disciplinary reasons will be entitled to any benefit under this Section.

C. Benefit Payment

The benefit accrued by an employee under either paragraphs A. or B., above, shall not be payable until retirement at the earlier of age fifty-five (55) and fifteen (15) years of service or age sixty-two (62) and five (5) years of service; or after thirty (30) years of service regardless of age.

D. Funding

Except for the cost of the benefit increase effective July 1, 2001, as provided in paragraph G, below --which cost shall be the responsibility of the County-- the cost of funding this supplemental retirement plan for all participating employees, as determined by the Plan's actuary, will be shared on an equal basis by the employees and the County through regular contributions each pay period.

E. Definitions

H. Hold Harmless Benefit Calculation.

For any employee covered by this Agreement who retires during the period July 1, 2024 through June 30, 2026, "Average Annual Compensation" as that term is defined in the Supplemental Retirement Plan, will be calculated as if the employee had received all merit step increases the employee would have otherwise been eligible to receive during the period covering Fiscal Years 1996 through 2026.

I. IRS Pickup Plan

1. The County shall pick up, within the meaning of Section 414(h) (2) of the Internal Revenue Code, the employee contributions required by Section 5.2.D. (Funding) hereof. Such amounts:

The County shall apply to the Internal Revenue Service for a private letter ruling with respect to the pickup plan, but neither the application nor the receipt of such a ruling are prerequisites to the implementation of the pickup plan.

3. Effective beginning with the 1997 leave year, new annual leave in excess of the three hundred sixty (360) hours limit will convert to new sick leave.

Section 6.3 Sick and Annual Leave Disposition Upon Separation

A. Effective beginning with the 1997 leave year (i.e. January 5, 1997), the annual and sick leave balances accumulated by an employee shall, upon the employee's separation from employment, with proper notice of separation, be liquidated in the following manner:

1. The employee may elect to retain all or any portion of the employee's sick and annual leave balances credited to the employee's leave record for the period of time equal to the employee's eligibility for reappointment as determined in accordance with Section 16-148(a)(8).
2. The employee may elect to apply all or any portion of the employee's sick and annual leave balances to employment elsewhere, provided another employer has agreed to accept accumulated sick or annual leave balances for credit on behalf of the employee.

3. The employee may elect to receive cash payment for all or any portion of the employee's annual leave balance in an amount equal to the total number of unused annual leave hours multiplied by the employee's final base hourly rate of pay, subject to the following:

a. Upon separation from employment, employees who participate in the Maryland State Retirement Systems (MSRS) may elect to receive a cash payment for the remainder of their annual leave hours that were accumulated as of the end of the 1996 leave year OR up to three hundred sixty (360) hours of accumulated annual leave, whichever is greater. Any remaining amount would be converted to sick leave and could be applied to purchase MSRS pension credit at the applicable rate.

4. Upon separation from employment for non-disciplinary reasons (including but not limited to retirement, disability and death), eligible employees will receive cash payment for unused sick leave accumulated as of the end of the 1996 leave year at two and one-half percent (2.5%) for each year of service (through the date of separation) at the employee's base hourly rate of pay as of January 1, 1997. However, if a fire fighter with less than twenty (20) years of actual service terminates employment as a result of death or disability, he/she shall receive a fifty percent (50%) cash-out of unused accumulated sick leave as of the end of the 1996 leave year.

5. For individuals who participate in the MSRS plan, sick leave earned beginning with the first pay period in the 1997 leave year is not subject to cash payment but may be used to purchase MSRS pension credit at the applicable rate.

6. Notwithstanding any provision in this Section to the contrary, an employee who is involuntarily separated from employment with the County for disciplinary reasons is not entitled to any payment for unused sick leave.

Section 6.4 Personal Leave

Twenty-eight (28) hours of paid personal leave per leave year, including the additional four (4) hours of personal leave each wage reporting year in lieu of the former General Election Day Holiday, shall be granted to each employee eligible for annual leave. A personal leave day shall be requested and approved in advance of use. There shall be no accumulation of personal leave days and unused personal leave shall be forfeited at the end of the leave year or upon termination of employment. A personal leave day equals eight (8) hours. Personal leave may be taken in increments of one (1) hour.

Section 6.5 Bereavement Leave

Members of the Unit shall be entitled to use accumulated sick leave for the purpose of bereavement when a death occurs in a member's family. A maximum amount of sick leave used shall not normally exceed three (3) working days. The term "family" shall mean and include the member's spouse, child, sister, brother, parent, mother and father-in-law, grandparent and aunt or uncle. Leave needed beyond three (3) days because of travel distance, religious requirements or other extenuating circumstances may be extended on a case-by-case basis, but in no instance shall such bereavement leave be approved beyond seven (7) working days. The first three (3)

days of bereavement leave taken upon the death of a parent, spouse or child will be administrative leave rather than sick leave.

Section 6.6 Additional Leave Provisions

In the event the County Executive closes the County offices for an entire day, or any portion thereof, because of extreme inclement weather, other emergencies producing hazardous conditions, or for any other reason which may prevent County employees from reporting to work or which may require early release from work, those employees required by the Fire/EMS Department to perform duties during the period that the County offices are closed will be entitled to receive one (1) hour of compensatory time for each hour worked each day during the emergency (not to exceed ten (10) hours per employee per twenty-four (24) hour period), in addition to any pay to which they are entitled for that period.

Section 6.7 Sick Leave Bank

A. The Union shall have the right to maintain a "Sick Leave Bank" for the employees covered by this Agreement. Such sick leave shall be accumulated through voluntary donations of sick leave by bargaining unit members. This leave may then be transferred to the account of another bargaining unit member with a zero annual and sick leave balance. Use of such transferred leave shall be limited to sickness or disability which incapacitates the employee.

B. The administration of this leave bank shall be the responsibility of the Union. The parties agree to develop an agreed-to form to be used for transferring sick leave under this provision. The County agrees to maintain the records of the sick leave bank and shall only transfer sick leave from this bank to the account of an employee upon receiving written authorization from the Union.

C. The parties agree to participate in a Joint Study Committee in Fiscal Year 2004, to develop more efficient ways to administer the Sick Leave Bank. A final report shall be submitted by March 31, 2004.

Section 6.9 Discretionary Leave

A. Employees covered by this Agreement are eligible for and may take one (1) day of discretionary leave per leave year. Discretionary leave may be taken in increments and must be taken with reasonable advance notice and approved prior to use. B. Employees covered by this Agreement who have been employed as employees of Prince George's County for ten (10) or more years shall be eligible for one (1) day of discretionary

leave per leave year in addition to the one (1) day of discretionary leave described in the above paragraph A, subject to the same limitations described in that paragraph.

C. Employees covered by this Agreement who have been employed as employees of Prince George's County for fifteen (15) or more years shall be eligible for two (2) days of discretionary leave per leave year in addition to the one (1) day of discretionary leave described in the above paragraph A, subject to the same limitations described in that paragraph.

D. Employees who are receiving a pension for previous County service are prohibited from counting their pensioned years of service for paragraphs A., B., and C. above.

Section 6.10 Disability Leave

When an employee covered by this Agreement has been determined to be temporarily totally disabled or medically capable of only working in a light-duty status by his/her physician or by the County Fire Chief due to an injury or illness sustained directly in the performance the employee's work, the employee will be placed on disability leave until the earlier of:

1. Medical Review Officer determines that the employee is medically capable of working in a full duty or light-duty status. In the case of the latter, the employee will only be entitled to four (4) hours of disability leave for related medical appointments;

2. The employee's physician determines that the employee is medically capable of working in a full duty or light-duty status. In the case of the latter, the employee will only be entitled to four (4) hours of disability leave for related medical appointments); or

3. Until the disability leave period expires as set forth in Personnel Law Section 16-224.

The employee will not be charged with using his/her own accrued leave until such time as one of the conditions identified above has occurred. The parties acknowledge that unless expressly modified by provisions of this section, all other provisions of Personnel Law Section 16-224 or applicable Personnel Procedures shall continue to govern disability leave for employees covered by this Agreement.

Section 9.3 Grievance Procedure

Grievances shall be presented and adjusted in the following manner:

1. Step One: Within seven (7) days after the event giving rise to the grievance or within seven (7) days following the time when the employee should reasonably have known of its occurrence, the employee aggrieved, and if the employee desires, the employee's union steward, may discuss the grievance with the employee's immediate supervisor. The Joint Committee may also look at pay for performance systems in use in other jurisdictions. The Committee will issue its findings and recommendations to the IAFF Local 1619 President, the Chief of the Fire/EMS Department and the Director of OHRM by January 31, 2022.

ATTACHMENT E - RANDOM DRUG AND ALCOHOL TESTING PROVISION**PURPOSE**

The Fire/Emergency Medical Services Department (Department) recognizes that illegal drug use and/or legal substance misuse may not only negatively affect the person involved but jeopardize departmental operations and public safety. The Department is also concerned with the overall health, as well as the physical and emotional well-being of all its employees/members.

It is the goal of this provision to eliminate the unauthorized use of drugs and/or alcohol and to prevent the adverse impact such use has upon job performance, productivity, safety, and work environment.

Before being held accountable for this provision, all employees will be provided their own copy of this provision and trained regarding its requirements. All employees will be required to read and sign a notification form.

All employees/members will be subject to random, for cause, and other appropriate testing during all hours when they are on duty.

DEFINITIONS

Random Testing - Drug and alcohol tests performed on employees/members while on duty and without advanced warning. Employees/members shall be selected randomly by a scientifically valid method that conforms to Department of Transportation Best Practices for DOT Random Drug and Alcohol Testing. The use of a computer-generated list of random employee/member names shall be used to determine whether the employee/member has used alcohol, controlled substance(s), or drugs in a manner that violates this policy.

POLICY**I. Prohibited Conduct**

- A. Illegal substance use by an employee/member, whether on or off duty, is prohibited and may result in disciplinary action up to and including dismissal from employment/membership.
- B. Prescribed or over-the-counter drug usage that may result in an employee/member's on-duty impairment is prohibited and may result in disciplinary action up to and including dismissal from employment/membership. It is employee/member's responsibility to consult with their health care provider concerning the possibility of on-duty impairment and report any possible impairment to their supervisor prior to commencing work, functions, and/or services.

Illegal alcohol use by an employee/member is prohibited. In addition, the use of alcohol which leads to on-duty impairment and/or blood alcohol levels elevated beyond acceptable legal federal standards is also prohibited. Alcohol screening will be in accordance with the Department of Transportation Regulations, 49 CFR Part 40. Illegal alcohol usage and/or on-duty impairment from alcohol may result in disciplinary action up to and including dismissal from employment/membership.

II. Random Testing

- A. All employee/members in safety sensitive positions are subject to random drug and alcohol testing.
- B. At unspecified times, a list of employee/member names required to undergo random testing will be generated by a computer and will be provided to the Department's Health and Wellness Office (HWO) by a third-party vendor contracted by OMS that is beyond the control of the Department.
 - 1. Each employee/member of the population subject to testing has an equal chance to be selected for testing on each occasion random testing is conducted. The selection process will not be affected by or related to any pre-employment testing, testing based on reasonable suspicion, or disciplinary action.
 - 2. Selection of employee/members subject to random testing will be conducted at the rate of 25% of the total number of eligible staff, career personnel, and volunteer members respectively, per fiscal year.
 - 3. Selected employee/members must sign a consent form at the test facility prior to the random drug/alcohol screening and shall disclose usage of any prescribed or over-the-counter medications for non-negative test validation purposes.
 - 4. A selected employee/member's refusal to fully participate in and comply with a random drug and alcohol test without a compelling reason as determined by the HWO will be considered an admission of illegal substance use and is grounds for dismissal from employment/membership.
- C. HWO will immediately contact the affected Duty Chief so that proper notice to the selected employee/member is effectuated and staffing relief for the selected employee/member is initiated. Random drug testing will not negatively impact minimum staffing levels described in the parties' Collective Bargaining Agreement. If staffing coverage for the selected employee/member is not possible, the entire company/station must be taken out of service until the selected employee/member completes the random test process and returns to the company/station. The selected employee/member will have two (2) hours to report to the test facility for random testing upon relief and/or company/station closing.
- D. If the employee/member is on duty but is not in his/her/their assigned workplace, the Staffing Office will use the on-duty roster and/or the assistance of the affected Duty Chief to locate and give notice to the selected employee/member. In this case, the supervisor must ensure the selected employee/member completes the random testing process. Under no circumstances may the supervisor disclose to any other person that the employee/member has been ordered to report for random testing before the Duty Chief notifies the selected employee/member.
- E. An employee/member selected for testing who is on duty or an employee/member in an administrative leave status pending disciplinary action, will not be excused from testing, allowed to reschedule testing, and/or allowed to take sick or any other leave after being notified of testing, except in extremely unusual circumstances that must be approved by the Fire Chief/designee. Extended time to report to the test facility may be authorized by the Duty Chief if the employee/member resides outside of the Metropolitan area. Such

circumstances must be documented by the HWO.

- F. If an employee/member is not scheduled to work, or if an employee/member is on previously approved administrative, annual, compensatory, personal, or sick leave, when selected for random testing, they will not be required to test that day. The selected employee/member will be notified and must be tested on their next scheduled workday that the test site is open. Under no circumstances should anyone other than HWO and the affected Duty Chief, including selected employee/member, be informed that employee/member was selected for random testing prior to selected employee/member's return to work/service. The selected employee/member that was previously not scheduled to work is not authorized to resume duties/service until a random test sample is provided.
- G. An employee/member on military leave, approved disability, family medical or sick leave for their own condition, or leave without pay for more than 30 calendar days, shall not be subjected to random testing.

III. Testing Procedures and Reporting Results

- A. Any individual attempting to circumvent the screening process via deception or fraud will be subject to disciplinary action up to and including dismissal.
- B. All sample collections and testing will be conducted in accordance with Department of Transportation Regulations, 49 CFR Part 40.
- C. Drug Tests:
 - 1. Employees/members unable to provide an adequate urine sample will be deemed to have refused to submit unless they provide medical documentation of their inability to submit and further agrees to submit to an alternate test.
 - 2. All departmental employees/members will be advised in writing of their right to obtain an independent testing of their previously collected split sample.
 - a. This independent testing will be conducted at the full expense of the requesting employee/member.
 - b. Written requests for split sample testing must be received by the HWO no later than seven (7) calendar days from employee's/member's notification from the HWO of their positive test result.
 - c. The County's designated MRO will facilitate all requests for independent testing of the split sample, which will be conducted by a federally certified Substance Abuse Mental Health Services Administration (SAMHSA) laboratory.
- D. Alcohol Tests:

All alcohol tests will be conducted in accordance with the Department of Transportation Regulations, 49 CFR Part 40.
