It is your sole responsibility for ensuring all amended projects are resubmitted, approved and ranked (if applicable) or rejected on this project listing BEFORE submitting the CoC Priority Listing in e-snaps.

As stated in the FY 2026 CoC NOFO, YHDP Renewal and YHDP Replacement applications are competitive and must be ranked.

The Collaborative Applicant certifies that there is a demonstrated need for all renewal permanent supportive housing and rapid rehousing projects listed on the YHDP Renewal Project Listing.

X

The Collaborative Applicant certifies all renewal permanent supportive housing and rapid rehousing projects listed on the YHDP Renewal Project Listing comply with program requirements and appropriate standards of quality and habitability.

X

The Collaborative Applicant does not have any renewal permanent supportive housing or rapid rehousing YHDP renewal projects.

WARNING: If you amend project applications back to project applicants to make changes or corrections in e-snaps, you must approve the resubmitted project applications. If you do not approve the resubmitted project applications, they will not be included on your CoC's Priority Listings, which could result in your CoC losing funding. HUD lacks the authority to fund projects unless they are included on the Priority Listings, which informs HUD which projects your CoC is accepting.

4. Consolidation & Expansion

Instructions:

For guidance on completing the CoC Priority listing, please reference the CoC Priority Listing Detailed Instructions on HUD's website.

1. Is the CoC consolidating renewal projects that will expire in Calendar Year 2027? Yes
2. Is the CoC expanding renewal projects that will expire in Calendar Year 2027? No

Alert:

Applicants applying to Expand or Consolidate existing renewal grants will not be required to submit a combined version of the application.

Projects are prohibited from being included in a consolidation and an expansion in the same fiscal year competition.

4A. Consolidations

Instructions:

HUD encourages the consolidation of renewal grants. Project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 10 renewal grants into 1 consolidated grant with the final fully consolidated grant completed in the CoC post award process. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2027, as confirmed on the FY 2026 GIW and also confirmed with dates from eLOCCS. In addition, the project must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

The Collaborative Applicant certifies that all projects listed are part of a CoC approved Consolidation(s) ☒

The Collaborative Applicant certifies the accuracy of all the individual renewal project applications related to this consolidation request(s) ☒

The Collaborative Applicant certifies they have reviewed eLOCCS Operating Start Dates and Expiration dates for all grants listed ☒
