OFFICE USE ONLY

Make Checks/Money Orders Payable to Prince George's County Maryland

REQUEST FOR REFUSE COLLECTION VEHICLE LICENSE:

Print or Type Company Name

Requests the issuance of a refuse collection vehicle license to collect refuse in Prince Georges County. It is understood this permit will be valid only in Prince George's County and that no refuse from outside the limits of Prince George's County will be disposed of within the County (reference County Code, Section 21-122 and Section 21-123).

I certify that the name and addresses of some of my current customers within Prince George's County are:

Names

Addresses

The applicant must attach or include with this statement a routing sheet for the vehicle being licensed showing the days of collections and location of service units.

It is understood that verification of these customers to the extent deemed necessary by the Department of the Environment will be made before the requested license is issued. It is also understood that any attempt to dispose of trash collected from outside the county may result in the loss of this license.
