

Community  
Impact Grant  
Program

# Redevelopment Authority

of Prince George's County

Presented By:  
Andrea D. Anderson  
CIG Program Manager, RDA

Pre-Application Meeting  
April 24, 2024

# Community Impact Grants

Provide small capital grants to community-based organizations in Prince George's County to implement small, innovative projects within priority areas as identified by the Redevelopment Authority (RDA)

Help strengthen communities while building organizational capacity.

# Community Impact Grants (CIG) Guidelines

# ELIGIBILITY REQUIREMENTS

- Any civic/neighborhood association or community-based organization that is an incorporated 501©3, located within the County.
- In good standing with the State of Maryland, may apply for funding.
- Prince George's County Government and affiliated entities are not eligible to apply.

# MAXIMUM GRANT AMOUNT

- Varies, depending on the amount of funding approved by the Prince George's County Council.
- Current individual award maximum is \$50,000. Total amount to be awarded is \$200,000.

# GRANT CATEGORIES AND USAGE

- This is a reimbursable grant. The RDA will reimburse organizations for funds spent up to the maximum amount of the grant.
- The grant award recipient MUST provide proof of payment.
- Previously funded applicants may reapply two years from the date of their formerly approved application. The grant cannot be used for projects funded in the past through the CIG.
- All prior CIG funds must be expended before submitting a new application.

# Neighborhood Beautification

- Streetscape, street furniture, pedestrian enhancements and recreational improvements.
- Signage, banner and way-finding systems.
- Commercial façade improvements.
- Internal and/or external improvements to commercial buildings used by the public.
- Permanent public art installations.

# Environment, Natural Resources and Sustainability

- Restoration of parks, streams and open space.
- Urban agriculture and replenishment of tree canopy.
- Green roofs, low impact development and storm water management.
- Preservation of historic landmarks, structures and sites.

# Before and After

College Park City University  
Partnership mural project....

Art Works Now safety and sustainability project ....

Northern Estates HOA end cap monument project ....

The following criteria will be used to evaluate and rank applications:

<b>Criteria</b>	<b>Points</b>
<b>Leverage of additional funds and in-kind contributions: The higher the demonstrated leverage of additional resources, both cash and in-kind, the more points awarded for this category</b>	<b>10</b>
<b>Physical impact and enhancement of a community: The greater the demonstrated physical impact and enhancement, the more points awarded for this category.</b>	<b>30</b>
<b>Applicant's track record of completed projects: Applicants with an appreciable track record of completing projects will be awarded more points for this category.</b>	<b>20</b>
<b>Demonstrated community and/or municipal support: Applicants will score more points for the greater amount of community support they can demonstrate through letters, petitions, resolutions and other means of documented public support.</b>	<b>20</b>
<b>Readiness and likelihood of the project to be implemented: Projects that can demonstrate more readiness through plans, bids, permits or some other documentation will score higher in this category.</b>	<b>20</b>
<b>Minimum Points to Qualify - 75</b>	<b>100</b>

**Conclusion**
