The Process

AP-05 Executive Summary – 24 CFR 91.200 (c), 91.200(b)

Introduction

Prince George’s County is qualified as an urban county entitled to receive grant funds from four (4) federal programs: Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), Emergency Solutions Grants (ESG), and Housing Opportunities for Persons with AIDS (HOPWA). Entitlement funds are appropriated by the U.S. Congress each year and distributed on a formula basis to local jurisdictions.

The Housing and Community Development Act of 1974, as amended, and the National Affordable Housing Act of 1990, require the submission of a Consolidated Plan to undertake a program and activities to meet housing and community development needs and priorities principally for low to moderate-income residents.

On March 2016, the Prince George’s County Council adopted a Resolution, CR-13-2016, to establish a Comprehensive Housing Strategy (CHS) Ad Hoc Subcommittee to develop a Comprehensive Housing Strategy (CHS) for the County, *Housing Opportunity for All*¹. Decent housing, suitable living and economic opportunities, plays a pivotal role in the County’s future and *Housing Opportunity for All* provides a roadmap to addressing a variety of County-wide and neighborhood-specific housing conditions, with communities of choice and opportunity as drivers of the County’s strategic direction.

Prince George’s County’s Consolidated Plan for FY 2021 – 2025² builds on the analysis presented in *Housing Opportunity for All*, the County’s first 10-year CHS, and directly supports implementation of more than seventeen (17) actions from the CHS. The FY 2022 Annual Action Plan supports Prince George’s County’s implementation of the FY 2021-2025 Consolidated Plan by leveraging the annual allocations of CDBG, HOME, ESG, and HOPWA entitlement fund resources to develop viable communities of choice. To ensure long-term sustainable investment, the County has established a strategic approach that supports implementation of *Housing Opportunity for All*, with intersections for broader community development goals.

Objectives and Outcomes Identified in the Annual Action Plan

In developing the FY 2022 Annual Action Plan, the County focused on how to use over \$36 million in federal funds and financing to achieve outcomes articulated in *Housing Opportunity for All*, among other local and regional planning efforts. The table below shows four (4) outcomes that will be achieved by addressing the six (6) priority needs identified in the County’s Consolidated Plan for FY 2021 – 2025 Consolidated Plan and to implement the actions detailed in *Housing Opportunity for All*.

Accessible homes and facilities	●	-	●	●
Affordable rental and homeownership opportunities	●	●	●	●
Quality/condition of housing	●	●	●	-
Housing instability among residents experiencing a housing crisis		-	●	●
Loss of existing affordable housing opportunities	●	-	-	●

Source: FY 2021 – 2025 Consolidated Plan for Housing and Community Development

The County is leveraging two additional tools to supported related goals and strategies:

- The Section 108 Loan Guarantee Program (Section 108) provides CDBG recipients with the ability to leverage their annual grant allocation to access low-cost, flexible financing for catalytic housing and/or economic development projects. Through this financing mechanism, Prince George’s County can access up to \$25 million in fixed-rate, long-term financing to support acquisition, rehabilitation for mixed-use and mixed-income housing, and catalytic economic development projects.³
- Neighborhood Revitalization Strategy Area (NRSA) is a designation under the CDBG program that encourages a coordinated approach to revitalizing a targeted neighborhood through comprehensive place-based efforts, leveraging additional flexibilities under the CDBG program. This targeted approach supports public services, economic development and housing rehabilitation activities. Potential target areas may include the Purple Line and Blue Line Corridors.

³ The County has five years to expend its Section 108 authorization; figure represents maximum amount.

Response to Coronavirus Disease 2019 (COVID-19) Pandemic

As part of the County's response to the Coronavirus Disease 2019 (COVID-19) pandemic, the County will leverage COVID Relief funding made available under the Coronavirus Aid, Relief, and Economic Security Act (Public Law 116-136) (CARES Act) and program income to support broader emergency rental assistance activities and provide funding for non-profit service providers to expand foreclosure counseling, housing counseling, eviction prevention, food pantry, as well as other activities. Priority activities may include:

- Emergency Rental Assistance;
- Mortgage Assistance/Foreclosure Prevention Counseling;
- Supportive Services for Seniors; Food Pantry and Service Delivery to Seniors (countywide); and
- Emergency Assistance for Families.

Evaluation of Past Performance

The Federal Fiscal Year 2019 (County FY 2020) Consolidated Performance and Evaluation Report (CAPER)⁴ highlights the Department of Housing and Community Development's (DHCD's) achievements in providing decent housing, suitable living environments, and expanding economic opportunities for low to moderate-income residents. The following provides a summary of accomplishments in meeting outlined goals.

- **Goal:** To increase access to affordable owner housing for 470 low and moderate-income households by FY 2020. In FY 2020, the County assisted 23 new households. To date, the County has met 39 percent of its five-year goal by serving 183 households.
- **Goal:** To increase supply of new, affordable rental housing for 75 low and moderate-income households by FY 2020. To date, the County has met 95 percent of its five-year goal by serving a total of 71 renters.
- **Goal:** To preserve existing affordable rental housing for 1,305 low and moderate-income households by FY 2020. To date, the County assisted 645 renters; meeting 49 percent of its five-year goal.
- **Goal:** To provide housing and supportive services for 1,455 families at risk of homelessness by FY 2020. To date, the County has met 47 percent of its five-year goal by serving 686 individuals/families.
- **Goal:** To provide housing, healthcare and support services for 925 individuals living with HIV/AIDS and their families by 2020. To date, the District of Columbia, Department of Health, HIV/AIDS Administration, Hepatitis, STD and TB Administration (HAHSTA) has met 77 percent of the County's goal by assisting 708 individuals living with HIV/AIDS and their families.
- **Goal:** To provide job training and economic development assistance for 795 low and

⁴ <https://www.princegeorgescountymd.gov/1039/Plans-Reports>

moderate-income individuals and 635 business by 2020. To date, the County has created and/or retained 873 jobs and assisted 155 businesses.

- **Goal:** To provide new and/or improved public services for 84,575 low and moderate-income persons by 2020. To date, the County has met 50 percent of its five-year goal by assisting 42,879 individuals.
- **Goal:** To provide rehab of owner-occupied housing for 250 low and moderate-income households by 2020. To date, the County has met 123 percent of its five-year goal by assisting 307 households.
- **Goal:** To provide new and/or improved public facilities and infrastructure for 183,830 low and moderate-income persons by 2020. To date, the County has met 71 percent of its five-year goal by assisting 131,315 individuals.

Summary of the Citizen Participation Process and Consultation Process

The County's citizen participation process plan is largely centered on community forums, public hearings, and public comment periods.

The FY 2022 Annual Action Plan was developed in accordance with the Prince George's County's "Citizen Participation Plan". See Appendix A. Residents, nonprofit organizations, municipalities, and County agencies express their concerns, seek additional County resources and provide suggestions or solutions to address housing and community development needs.

The primary goals for the citizen participation process are:

- To solicit viewpoints and concerns affected by the Consolidated Plan, Annual Action Plan or Consolidated Annual Performance and Evaluation Report;
- To invite participation by persons interested in helping identify needs and develop applicable strategies;
- To collect data that accurately describes and quantifies housing and community development needs and to suggest workable solutions;
- To obtain comments on proposals for allocating resources; and
- To ensure citizens have an opportunity to participate throughout the planning process.

Public Notice and Availability

Prince George's County publishes in one or more newspapers a summary of the proposed Annual Action Plan for public comment. The summary describes the context and purpose of these documents, and sites the locations where copies of the entire document may be examined. Copies are available at government offices, libraries, on the County's website, and by mail upon request.

A reasonable number of free copies of the proposed Annual Action Plan are made available for citizens and groups of interest upon request. When proposed versions of the Annual Action

Plan are released for comment, they are made available for comment for not less than 30 days.

The final or amended Annual Action Plan is distributed upon request and to those actively involved in developing these documents. Copies are provided to the local libraries and posted on the County's website.

Public Hearing

Prince George's County holds at least two public hearings on the Annual Action Plan. DHCD sponsors an informal public hearing, the Housing and Community Development Needs Community Forum, at the beginning of the Annual Action Plan development process. The Forum gives citizens an opportunity to identify and describe needs for consideration, and to provide the scope, urgency and financing requirements for proposals to address those needs. The County Council schedules the second, formal public hearing at the time a proposed Plan is transmitted from the County Executive to them for consideration and adoption.

The time, date, location and subject of the hearings are announced in newspapers of general circulation within the County, notifying the public with adequate advanced notice, typically no less than fourteen (14) days before the hearing. Hearings are held at handicap-accessible sites, convenient to potential and actual beneficiaries. The advertisements include TTY phone numbers so hearing-impaired people can arrange for interpreters at the hearing. Those who need sign language interpretation are requested to contact the Department of Housing and Community Development at the phone number in the notice. Non-English speakers can also plan for language translation provided courtesy of a CDBG- supported, nonprofit organization. Interpreted comments are incorporated within the Annual Action Plan as appropriate.

Comments and Complaints

Comments and complaints regarding the Annual Action Plan are accepted through all stages of document preparation until the closing of the formal comment period. Written complaints and comments are referred to the Department of Housing and Community Development (DHCD). DHCD responds to written complaints within 30 days.

Consultations

The Department of Housing and Community consults with County departments, community stakeholders, and beneficiaries of entitlement programs to introduce and develop the priorities and strategies contained within the FY 2022 Annual Action Plan.

Face-to-face and phone interviews are conducted with agencies as listed below providing health services and social and housing services, including those focusing on services to children,

elderly persons, persons with disabilities, persons with HIV/AIDS and their families, and homeless persons.

PR-05 Lead and Responsible Agencies – 24 CFR 91.200(b)

The Department of Housing and Community Development (DHCD) is the lead agency responsible for the administration of federal entitlement programs on behalf of HUD – including CDBG and HOME. DHCD subcontracts with Prince George’s County Department of Social Services (DSS) to implement the ESG program. The HOPWA program is administered by the District of Columbia, Department of Health, HIV/AIDS Administration, Hepatitis, STD and TB Administration (HAHSTA) on behalf of the Washington, D.C. Eligible Metropolitan Area (EMA) and submits an Annual Action Plan to HUD each year to receive HOPWA funds for Prince George’s County. In addition to administering the programs, DHCD is responsible for the preparation of the Consolidated Plans, Annual Action Plans (AAPs), and Consolidated Annual Performance and Evaluation Reports (CAPERs).

Table 2 – Responsible Agencies

Agency Role	Name	Department/Agency
Community Development Block Grant (CDBG) Administrator	Prince George's County	Department of Housing and Community Development
HOME Investment Partnerships (HOME) Administrator	Prince George's County	Department of Housing and Community Development
Emergency Solutions Grants (ESG) Administrator	Prince George's County	Department of Social Services
Housing Opportunities for Persons with AIDS (HOPWA) Administrator	Washington D.C.	D.C. Department of Health

AP-10 Consultation – 24 CFR 91.100(b), 91.215(l)

Overview

DHCD launched a comprehensive and collaborative effort to consult with County departments, community stakeholders, and beneficiaries of entitlement programs to introduce and develop the priorities and strategies contained within the FY 2022 Annual Action Plan. The County utilized the Citizen Participation Plan to facilitate outreach to public and assisted housing providers, private and governmental health, mental health and service agencies, and stakeholders that utilize funding for eligible activities, projects and programs.

Face-to-face and phone interviews were conducted with agencies as listed below providing health services and social and housing services, including those focusing on services to children, elderly persons, persons with disabilities, persons with HIV/AIDS and their families, and homeless persons.

- Department of Social Services
- Housing Authority of Prince George's County
- District of Columbia Department of Health, HIV/AIDS Administration
- Redevelopment Authority of Prince George's County

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness

Prince George's County's Continuum of Care (CoC) has more than 100 partners comprised of public, private, non-profit, faith and citizen representatives. Its services are provided through a combination of street outreach, prevention, diversion, rapid re-housing, hypothermia and emergency shelter, transitional housing, permanent supportive housing and permanent housing interventions. All CoC services are coordinated through a central intake system (the "Homeless Hotline") which is accessible 24 hours, 7 days a week, and 365 days a year.

In 1994, the Homeless Advisory Board was renamed the Homeless Services Partnership (HSP) and became the official advisory body to the County Executive. HSP's primary purpose is to identify gaps in homeless services, establish funding priorities, and pursue an overall systematic approach to address homelessness. HSP is responsible for implementing the County's Ten-Year Plan to Prevent and End Homelessness (2012 – 2021), which began in Prince George's County's Fiscal Year 2013.

The County's Ten-Year Plan to Prevent and End Homelessness is based upon six core strategies:

1. Coordinated entry;
2. Prevention assistance;
3. Shelter diversion;
4. Rapid re-housing;
5. Permanent supportive housing; and
6. Improved data and outcome measures.

The Plan also addresses housing for the County's special needs populations including the chronically homeless, unaccompanied homeless youth, veterans, and domestic violence survivors, as well as incorporating the 2009 federal legislation in the Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act.

Describe consultation with the Continuum of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards and evaluate outcomes, and develop funding, policies and procedures for the administration of HMIS

Through the Consolidated Plan process, the Prince George's County Department of Social Services was instrumental in collecting necessary data and in working with the CoCs.

The Prince George's County Continuum of Care (CoC) for homeless persons is coordinated through the County's Homeless Services Partnership (HSP); a coalition of more than 100 organizations inclusive of representation from the Department of Housing and Community Development (DHCD) and the Housing Authority of Prince George's County (HAPGC) that meets monthly and works collaboratively to establish strategic priorities, assess progress, and oversee full implementation of the County's Plan to prevent and end homelessness. The HSP serves as the County Executive's advisory board on homelessness and is responsible for needs assessments, gaps analysis, service coordination, resource development, policies and procedures for access, data collection (HMIS) and system performance evaluation of all homeless services.

DHCD frequently presents at HSP meetings and solicits feedback and guidance from its membership regarding County housing priorities, including but not limited to: the development and implementation of the 5 year Consolidated Plan, annual ESG allocations, home ownership and other housing grant opportunities, Family Unification Program (FUP) and other subsidized voucher policies, and predatory lending practices. In addition, as a member of the HSP, DHCD actively participated in development of the County's 10-year Plan to Prevent and End Homelessness and is currently involved in its last year of implementation. The strategies are carefully designed to achieve purposeful and intentional reduction in the incidents of homelessness and collectively they form a plan that aligns County efforts with federal goals, shifts system focus from "shelter" to "housing", prioritizes programming for special populations, enhances system accountability, builds on current success, and provides new flexibility and opportunity. Funding priorities for on-going services are determined using several factors: (1) Priority areas identified in the County's Ten Year Plan, (2) Alignment with the Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) and ESG regulations, (3) Level of need documented in HMIS (annual CAPER report), and (4) Funds currently available for similarly situated activities.

Policies, procedures, and performance measurements used by the County in the administration of ESG and other housing program activities impacting the effort to prevent, and end homelessness have been developed by DHCD in partnership with the HSP and the local Department of Social Services (PGCDSS.) PGCDSS serves as the Lead Administering Agency for the CoC to ensure alignment with the County's 10-Year Plan and Section 427 of the McKinney-Vento Act as amended by the HEARTH Act. Performance measures are universal across all members of the Continuum of Care, thereby ensuring that all members are working toward the same goals. Different program types (i.e. ES, TH, RRH, and Outreach) have different performance benchmarks but the goals for all programs are the same and are informed by HUD identified system performance measures. All efforts are routinely coordinated and reviewed to ensure:

1. Consistent evaluation of individual and family eligibility for assistance in accordance with the definitions of homeless and at risk of homelessness (24 C.F.R. § 576.2) as well as with recordkeeping requirements;
2. Coordinated and integrated service delivery among all impacted providers;
3. Clear and distinct eligibility requirements in place for homelessness prevention versus rapid re-housing assistance;
4. Single mechanism for prioritizing applicants who are eligible for assistance;
5. Matrix that identifies what percentage and / or amount (or range thereof) each participant must pay, if any, while receiving assistance, how long a single participant may receive assistance (including maximum number of months or times a participant may receive assistance), and adjustments in percentage and / or amount (or range thereof) the participant must pay (including the maximum amount of assistance a participant may receive), if any; and

6. Compliance with all rules and regulations.

Finally, PGCDSS serves as the County’s HMIS Lead Agency and is responsible for hosting and maintaining all HMIS data, ensuring data quality, reporting, training, technical user support, custom report design, and other HMIS data activities. The HMIS Policy and Procedures Manual cover general operational protocols and privacy, security and data quality; and policies are updated annually by the HMIS lead. Significant changes are discussed with the CoC membership during regular plenary sessions and implemented uniformly system wide.

Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdictions consultations with housing, social service agencies and other entities

Throughout the process, several groups, organizations, agencies and residents were involved. The list below outlines the different organizations and agencies involved in this process.

Table 3 – Agencies, groups, organizations who participated

Agency/Organization	
Department of Social Services	Homeless Needs
Housing Authority of Prince George’s County	Public Housing Needs and Non-Homeless Special Needs
Redevelopment Authority of Prince George’s County	Housing and Economic Development Needs
District of Columbia Department of Health	Non-homeless Special Needs
DHCD – Community Planning and Development	Housing and Non-housing Community Development Needs and Resources

Table 4 – Other local / regional / federal planning efforts

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Housing Opportunity for All	DHCD	HOFA provided the strategic framework for the development of the Consolidated Plan
Plan 2035	MNCPPC	Priorities in the Consolidated Plan support Plan 2035 goals
Purple Line Corridor Housing Action Plan	PLCC	Actions presented in this plan will inform housing investments in the PLC

AP-12 Participation – 24 CFR 91.105, 91.200(c)

HUD requires entitlement jurisdictions to provide for citizen participation in developing the Annual Action Plan. The County's citizen participation process plan is largely centered on community forums, public hearings, and public comment periods.

Public Hearings/Community Forums

To encourage citizen participation Annual Action Plan process, the County holds at least two (2) public hearings (informal and formal) each year. The public hearings provide an opportunity for all Prince George's County residents, non-profit organizations, and other community stakeholders to communicate their views and needs to the County.

A community forum was held during the development of the Annual Action Plan on January 14, 2021 in a virtual platform. The purpose of the forum is to give citizens an opportunity to address housing and community development needs, the development process for proposed activities, and program performances.

A public hearing was held in a virtual platform on April 12, 2021. The public hearing solicited for public comments on the Annual Action Plan.

A public hearing was held in a virtual platform on October 11, 2022. The public hearing solicited for public comments on a Substantial Amendment to the Annual Action Plan.

Technical Assistance Workshops

Prince George's County makes technical assistance available to participating municipalities, nonprofit organizations, community groups, special interest groups and citizens developing proposals for Community Development Block Grant funding. DHCD's Community Planning and Development Division (CPD) can assist with needs identification, proposal concept development, budget development, underwriting and feedback, and general project and financial management. Technical assistance can be arranged by contacting CPD at (301) 883-5540.

DHCD held three (3) Community Development Block Grant (CDBG) technical assistance sessions/workshops in a virtual platform, as listed below:

- Notice of Funding Availability (NOFA) Application/Proposal Workshop – October 22, 2020
- Two (2) Sub-recipient Workshops – Session I: October 13, 2020 and Session II: October 14, 2020
- Technical Assistance and Pre-construction virtual meetings were held with Sub-recipients and Contractors to review information including, but not limited to: Labor Standards, Davis-Bacon Wage Rate, Section 3 businesses and employment opportunities, Minority Business Enterprise (MBE) Participation, Equal Employment

Opportunity Commission (EEOC) and the Copeland Act, as required by federal rules governing the specific activity.

Public Notices

Public notices were published at least 14 days prior to the public hearings in two (2) local newspapers, Enquirer Gazette, and Prince George’s Post. A Spanish version of the public notice was also posted on the Prince George’s County Department of Housing and Community Development’s website.

In addition to the public notices published in two (2) local newspapers, email notifications were sent to the County’s network of service delivery providers inviting them to attend. Those included network providers that provide services to LMI persons, minorities, non-English speaking persons and persons with disabilities.

The proposed FY 2022 Annual Action Plan was posted on the County’s website, distributed to organizations that provide services to LMI persons and areas, provided upon request.

As referenced above, a copy of the FY 2022 Annual Action Plan was made available at the Department of Housing and Community Development (DHCD) at 9200 Basil Court, Suite 500, Largo, Maryland 20774, the County’s website at:

www.princegeorgescountymd.gov/sites/dhcd/resources/plansandreports/, or was made available upon request.

Public Comments

A comment period of no less than 30-days will be provided for citizens and other interested parties to solicit comments on the proposed Consolidated and Annual Action Plans. Prior to submitting the final Annual Action Plan to HUD, the County gave consideration, incorporated necessary changes and provided responses to the comments received during the public comment period. A summary of public comments can be found in Appendix G.

Annual Action Plan

AP-15 Expected Resources – 24 CFR 91.220(c)(1,2)

Prince George’s County is submitting this FY 2022 Annual Action Plan as the second annual action plan under the FY 2021-2025 Consolidated Plan period in accordance with Consolidated Plan regulations found at §92.220. An annual Action Plan is required by the U.S. Department of Housing and Urban Development (HUD) from all jurisdictions receiving annual entitlements of formula grants. This summary provides an overview of the goals and objectives during the FY 2021-2025 Action Plan year, including available and potential resources, funding priorities and projects, and various HUD-funded program information. The County anticipates receiving the following HUD entitlement grants during the FY 2021-2022 program year:

- Community Development Block Grant (CDBG);
- HOME Investment Partnerships Program (HOME);
- Emergency Solutions Grants (ESG); and
- Housing Opportunity for Persons with AIDS (HOPWA)

The Annual Action Plan for FY 2022 details the County’s strategy to use over \$36 million of federal entitlement funds to address the six (6) priority needs and four (4) outcomes. In addition to federal entitlement funds, the County is applying for Section 108 Loan Guarantee Funds to establish a loan pool and will leverage our locally funded Housing Investment Trust Funded (HITF) to support development efforts throughout the County. The District of Columbia, Department of Health, HIV/AIDS Administration, Hepatitis, STD and TB Administration (HAHSTA) is the Regional Grantee on behalf of the Washington, D.C. Eligible Metropolitan Area (EMA) and submits an Annual Action Plan to HUD each year to receive HOPWA funds for Prince George’s County.

This Annual Action Plan outlines activities that will be undertaken during the program year beginning July 1, 2021 and ending June 30, 2022. By addressing these priorities, the County strives to meet local objectives identified in the 2021-2025 Consolidated Plan. All proposed activities and projects are intended to principally benefit citizens of Prince George’s County who have extremely low-, low-, and moderate-incomes and populations that have special needs, such as the homeless, elderly, disabled persons, and other special needs populations.

Expected Resources

The following table identifies the entitlement allocations and program income anticipated to address priority needs, goals and specific objectives during for FY 2022.

Table 5 – Expected Resources

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 5				Expected Amount Available Remainder of Con Plan \$	Narrative Description
			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
CDBG	public-federal	Acquisition Admin and Planning Housing Economic Development Public Improvements Public Services	\$5,206,526	\$344,311	-	\$5,550,834	\$16,445,754	The expected amount available for all years is based on a three-year average of prior federal allocations and Program Income
HOME	public-federal	Acquisition Homebuyer Assistance Homeowner Rehabilitation Multifamily Rental Rehab	\$2,094,756	\$1,072,095	-	\$3,166,851	\$12,363,411	The expected amount available for all years is based on a three-year average of prior federal allocations and Program Income
ESG	public-federal	Rapid Re-housing Rental Assistance Transitional Housing	\$440,276	-	-	\$440,276	\$1,324,140	The expected amount available for all years is based on a three-year average of prior federal allocations.

Leverage from additional resources (private, state and local funds) including matching requirements:

Community Development Block Grant (Dollar-for-Dollar Match) – The CDBG Program operates on a reimbursement basis. The prospective applicant uses CDBG funds as leverage when seeking other funding sources in efforts to successfully carry out their project. CDBG funds are leveraged dollar-for-dollar.

HOME Investment Partnerships Program (25% Match Requirement) - The County uses multi-family bond proceeds, State funds, and waivers and/or deferment of State and local taxes, charges or fees, as contributions to housing total development costs pursuant to matching requirements.

Emergency Solutions Grants Program (100% Match Requirement) - The ESG Program requires the County to provide a match of not less than 100 percent of the ESG funds. Other funds include Local (General Funds), State (Emergency & Transitional Housing Services), Department of Family Services Special Funds, and private funds.

Neighborhood Stabilization Program (NSP) – Upon approval from the U.S. Department of Housing and Urban Development (HUD), DHCD may convert any program income received from the NSP1 program to Community Development Block Grant (CDBG) program income.

Response to COVID-19 Pandemic - The Coronavirus Aid, Relief, and Economic Security (CARES) Act provides for payments to governments navigating the impact of COVID-19.

- Coronavirus Relief Fund (CRF) – During FY 2021, the Department of Housing and Community Development (DHCD) will receive \$27 million in Coronavirus Relief Funds (CRF) to provide economic support to tenants suffering from income loss due to the pandemic.
- Community Development Block Grant – COVID (CDBG-CV) – During FY 2021, DHCD was awarded \$7,123,178 in CDBG-CV funds. DHCD plans to use the funds in FY 2021 and FY 2022 to provide emergency rental assistance, health care, housing counseling, street outreach and emergency food distribution benefitting primarily low to moderate-income individuals and families impacted by the pandemic.
- Emergency Solutions Grants – COVID (ESG-CV) – During FY 2021, DHCD was awarded \$6,468,822 in ESG-CV funds. DHCD plans to use the funds in FY 2021 and FY 2022 to provide emergency shelter, street outreach, rapid re-housing (tenant-based rental assistance) for homeless individuals and families and homeless prevent (tenant-based rental assistance) for individuals and families at risk of homelessness impacted by the pandemic.

Other Resources:

Other CDBG Resource: Section 108 – The County is applying to HUD to establish a \$25 million Section 108 Loan Guarantee Pool to support housing rehabilitation, economic development, and mixed-use and mixed-income housing development. Section 108 provides communities with a source of financing for economic development, housing rehabilitation, public facilities, and large-scale physical development projects. Local governments may borrow funds, guaranteed by HUD, through the Section 108 program and must pledge current and future CDBG allocations as security for the loan. The County will use approximately \$12 to \$14 million of the requested amount, initially.

Housing Opportunities for Persons with AIDS (HOPWA) -

HUD distributes HOPWA Program funds using a statutory formula based on AIDS statistics from the Center for Disease Control and Prevention (CDC). Three quarters of HOPWA formula funding is awarded to qualified states and metropolitan areas with the highest number of AIDS cases. One quarter of the formula funding is awarded to metropolitan areas that have a higher-than-average per capita incidence of AIDS. Prince George’s County is eligible to receive approximately \$1,880,000 under the formula allocation for FY 2022.

The District of Columbia, Department of Health, HIV/AIDS Administration, Hepatitis, STD and TB Administration (HAHSTA) is the Regional Grantee on behalf of the Washington, D.C. Eligible Metropolitan Area (EMA). The Washington, D.C. EMA comprises the District of Columbia and neighboring counties, suburban and rural Maryland, Northern Virginia, and rural West Virginia.

HAHSTA serves as the administrative agent for Suburban Maryland. This region includes Prince George’s County, Calvert County, and Charles County.

All rental units in Suburban Maryland are available to individuals with HIV/AIDS provided the rents are reasonable as defined by the HUD Fair Market Rents (FMRs) and as required by federal HOPWA regulations. The most common type of housing units available for rent in Suburban Maryland are in apartment buildings, single family homes, and townhomes.

Non-entitlement resources include:

- Low-Income Housing Tax Credits (LIHTC): The federal Low-Income Housing Tax Credit Program (LIHTC) is the principal funding source for the construction and rehabilitation of affordable rental homes. The County currently projects a total of 199 units will be built utilizing this federal source in 2022, totaling approximately \$28,500,000 in LIHTC financing; and 405 units in 2024 totaling approximately \$41,100,000. Based on the average of these two years, the County projects an additional 604 units utilizing approximately \$69,600,000 in LIHTC funding over the three - year span of 2022 - 2024.
- Housing Investment Trust Fund (HITF): Local funds through the Housing Investment Trust Fund (HITF) will provide gap financing loans of up to \$3 million per project for the

new construction of rehabilitation of projects of scale. The County currently anticipates a total of 306 workforce units in 2022 that will be reserved for residents with household incomes between forty percent (40%) and eighty percent (80%) of AMI.

- Housing Choice Voucher Program (HCV) The Housing Authority of Prince George's County administers the Housing Choice Voucher Program for the County which provides rent subsidies up to 5,837 low income households. The HUD anticipated budget for the Housing Choice Voucher in FY 2022 is \$85,995,214.
- Public Housing: The U.S. Department of Housing and Urban Development provides funding to support management of the County's public housing sites: Owens Road (123 units); Marlborough Towne (63 units); Kimberly Gardens (50 units); Rollingcrest Villages (40 units); and Cottage City (100 units). Based on the Capital Fund Program (CFP) averaging over the last three years, the Housing Authority anticipates approximately \$512,268 through HUD's CFP allocations on an annual basis throughout the remainder of the Consolidated Plan period.

If appropriate, describe publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

Development Project for Low-Income and Market Rate Senior Community at 1313 Southern Avenue, Oxon Hill, MD.

This development concept will transform the former McGuire House site into a robust, thriving contemporary mixed-income senior housing community including a retail component that will serve the greater community. The property will be a major component for the revitalization of the Southern Avenue Green Line area. The developer has a proven history of creating and preserving high quality affordable housing communities which enhance resident services and programs.

The 163-unit mixed-income community will be age-restricted to households in which one member is 62 years and older. The apartment mix will consist of 20% market-rate apartments with the remaining apartments restricted to 50% of Statewide Median Income in accordance with the Partnership Rental Housing Program regulations, and 60% Area Median Income. There will also be 24 (15%) fully accessible units for persons with disabilities that will comply with Uniform Federal Accessibility Standards. The proposed design allows the structure to create separate outdoor spaces, offering a variety of uses and amenities for residents. The building shape also helps create conditions where resident activities will be offered, including a community room and a centrally located lobby.

Develop or Dispose of Authority Owned Property

- Plan to submit a Repositioning Application for five (5) Public Housing developments to the Special Application Center (SAC), for the conversion of public housing properties using one or a combination of HUD's Repositioning options (Rental Assistance Demonstration (RAD), Demolition and Disposition (Section 18), Streamline Voluntary Conversion); to establish eligibility for Tenant Protection Vouchers (TPV) and achieve long-term viability of affordable housing.
- Issue Request for Qualifications (RFQ) to develop/redevelop public housing owned sites.
- Strategically sell surplus properties held in the inventory with the intent to use acquisitions towards various repositioning strategies to develop a plan to move the Housing Authority towards a Demolition and/or Disposition housing portfolio transition; or proceeds may be used for public housing renovations/operations.

AP-20 Annual Goals and Objectives – 24 CFR 91.220(c)(3) & (e)

Goals Summary Information

Consistent with the Consolidated Plan, through its 2022 Annual Action Plan activities Prince George's County aims to accomplish the following goals:

1. Increase supply of affordable rental homes
2. Stabilize and improve rental properties
3. Increase homeownership opportunities
4. Increase supply of accessible and affordable homes
5. Prevent displacement of long-time residents
6. Support independent living for seniors and persons living with disabilities
7. Prevent homelessness
8. Increase access to job training and economic development assistance
9. Improve quality of life/livability
10. Support high-quality public infrastructure improvements
11. Improve communications and information-sharing

Having more affordable and accessible rental and homeownership opportunities; stabilizing existing residents and properties; and improving quality of life and critical connections to services will help achieve the overarching goals of Housing Opportunity for All: 1) support existing residents; 2) attract new residents; and 3) build on strategic investments. The following chart summarizes FY 2022 goals and outcomes:

Table 6 – Goals and Objectives

Sort Order	Goal Name	Start Year	End Year	Category	Geographic Area	Needs Addressed	Funding	Goal Outcome Indicator*
1	Increase supply of affordable rental homes	FY2021	FY2025	New Unit Production	Countywide	Diverse, affordable rental and homeownership opportunities	HOME	Number of rental units constructed: 21 units
2	Stabilize and improve rental properties	FY2021	FY2025	Rehabilitation Acquisition, including preservation	Targeted	Diverse, affordable rental and homeownership opportunities Quality/condition of housing Loss of existing affordable housing opportunities	HOME CDBG	Number of rental units rehabilitated: 52 units
3	Increase homeownership opportunities	FY2021	FY2025	New Unit Production	Countywide	Diverse, affordable rental and homeownership opportunities	HOME	Number of households receiving direct financial assistance: 72 households
4	Increase supply of accessible and affordable homes	FY2021	FY2025	Rehabilitation	Countywide	Accessible homes and facilities Diverse, affordable rental and homeownership opportunities	HOME CDBG	Number of households served: 60 households
5	Prevent displacement of long-time residents	FY2021	FY2025	Rehabilitation Tenant Based Rental Assistance (TBRA) Emergency Rental Assistance (in response to the Covid-19 pandemic)		Accessible homes and facilities Diverse, affordable rental and homeownership opportunities Quality/condition of housing Housing instability among residents experiencing a housing crisis Loss of existing affordable housing opportunities	HOME CDBG	Number of rental units rehabilitated: 52 units Number of households assisted: 150 households

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

In developing the FY 2022 Annual Action Plan, Prince George's County focused on how to use its federal entitlement funds to achieve outcomes articulated in *Housing Opportunity for All*, among other local and regional planning efforts. The four (4) outcomes that will be achieved by addressing the six (6) priority needs discussed in more detail in Consolidated Plan

are: expanded partnerships and capacity; increased access to jobs, goods, and services; additional supports for vulnerable residents; and increased housing stability. The activities and programs funded detailed in this first annual action plan are designed to address these needs and achieve these outcomes, and to implement the actions detailed in *Housing Opportunity for All*.

This Annual Action Plan outlines activities that will be undertaken during the program year beginning July 1, 2021 and ending June 30, 2022. By addressing these priorities, the County strives to meet local objectives identified in the 2021-2025 Consolidated Plan. All proposed activities and projects are intended to principally benefit citizens of Prince George's County who have extremely low-, low-, and moderate-incomes and populations that have special needs, such as the homeless, elderly, disabled persons, and other special needs populations.

Project Summary Information

Below is a detailed description of each project or activity planned for FY 2022 with the use of CDBG, HOME and ESG funding, including national objective and output targets.

Table 8 – Project Summary

1	Project Name	DHCD - Housing Rehabilitation Assistance Program
	Target Area	County-Wide
	Goals Supported	Prevent displacement of long-time residents
	Needs Addressed	Quality/condition of housing, Housing Instability among residents experiencing a housing crisis
	Funding	CDBG Program Income: \$240,071
	Description	The Department of Housing and Community Development will use CDBG Program Income to provide approximately four (4) income-qualified households with an affordable rehabilitation loan for the purpose of upgrading the quality of deteriorated dwellings to contemporary minimum property standards, including the elimination of all housing code violations. The majority of the applicants are households with special needs (seniors, disabled, etc), on a fixed-income, who cannot afford the upkeep of their property. The rehabilitation entails in most cases, roofing, plumbing, electrical, carpentry, window replacements, interior and exterior painting, doors, etc.
	Target Date	12/31/2022
	Estimate the number and type of families that will benefit from the proposed activities	4 - Households
	Location Description	Agency: Prince George's County Department of Housing and Community Development 9200 Basil Ct, Suite 306, Largo, MD 20774
	Planned Activities	Local ID: AH-1-5-47 Type of Recipient: Local Government Agency HUD Matrix Code: 14A - Rehab, Single-Unit Res. CDBG National Objective: LMH
2	Project Name	DHCD - Housing Rehabilitation Assistance Program Administration
	Target Area	County-Wide
	Goals Supported	Prevent displacement of long-time residents
	Needs Addressed	Quality/condition of housing, Housing Instability among residents experiencing a housing crisis
	Funding	CDBG: \$477,787

	Description	The Department of Housing and Community Development will use CDBG funds to provide administrative oversight of a third-party entity administering the Housing Rehabilitation Assistance Program. This Program provides income-qualified residents with an affordable rehabilitation loan for the purpose of upgrading the quality of deteriorated dwellings to contemporary minimum property standards, including the elimination of all housing code violations, and to physically revitalize declining neighborhoods and communities. The Program anticipates rehabilitating four (4) housing units which will be funded with CDBG Program Income in FY 2022. Up to twenty percent (20%) of the Housing Rehab Assistance Program Income can be used to support the Housing Rehab Assistance Administration project.
	Target Date	12/31/2022
	Estimate the number and type of families that will benefit from the proposed activities	4 - Households
	Location Description	Agency: Prince George's County Department of Housing and Community Development 9200 Basil Court, Suite 306, Largo, MD 20774
	Planned Activities	Local ID: AH-2-5-47 Type of Recipient: Local Government Agency HUD Matrix Code: 14A - Rehab; Single-Unit Res. CDBG National Objective: LMH
3	Project Name	Housing Authority - Infrastructure Improvements
	Target Area	County-Wide
	Goals Supported	Stabilize and improve rental properties
	Needs Addressed	Quality/condition of housing
	Funding	CDBG: \$119,999
	Description	The Housing Authority of Prince George's County will use CDBG funds for infrastructure improvements at the following public housing sites: Kimberly Gardens, Marlboro Towne, and Rollingcrest Village. Approximately 75 households will benefit from this project.
	Target Date	12/31/2022
	Estimate the number and type of families that will benefit from the proposed activities	75 - Households
	Location Description	Agency: Housing Authority of Prince George's County 9200 Basil Court, Suite 208, Largo, MD 20774

	Planned Activities	Local ID: AH-3-2-47 Type of Recipient: Local Government Agency HUD Matrix Code: 14C - Public Housing Modernization CDBG National Objective: LMH
4	Project Name	HIP - Homes Single-Family Acquisition
	Target Area	County-Wide
	Goals Supported	Increase supply of accessible and affordable homes
	Needs Addressed	Diverse, affordable rental & homeownership opportunities
	Funding	CDBG: \$430,430
	Description	Housing Initiative Partnership, Inc. (HIP) will use CDBG funds to support the direct costs associated with the acquisition of four (4) vacant, distressed or foreclosed single-family houses. The houses will be substantially renovated using local and minority contractors and vendors and then sold to qualified first-time homebuyers.
	Target Date	12/31/2022
	Estimate the number and type of families that will benefit from the proposed activities	4 - Households
	Location Description	Agency: Housing Initiative Partnership, Inc. 6525 Belcrest Rd, Suite 555, Hyattsville, MD 20782
	Planned Activities	Local ID: AH-4-4-47 Type of Recipient: Non-profit Organization HUD Matrix Code: 14G - Acquisition for Rehabilitation CDBG National Objective: LMH
5	Project Name	HIP - Homes Single-Family Rehabilitation
	Target Area	County-Wide
	Goals Supported	Increase supply of accessible and affordable homes
	Needs Addressed	Diverse, affordable rental & homeownership opportunities
	Funding	CDBG: \$241,997
	Description	Housing Initiative Partnership, Inc. (HIP) will use CDBG funds to support the direct costs associated with the rehabilitation of four (4) vacant, distressed or foreclosed single-family houses. HIP utilizes local and minority contractors and vendors to rehab each house in accordance with the CDBG Rehab Standards and CDBG Green Addendum.
	Target Date	12/31/2022

	Estimate the number and type of families that will benefit from the proposed activities	4 - Households
	Location Description	Agency: Housing Initiative Partnership, Inc. 6525 Belcrest Rd, Suite 555, Hyattsville, MD 20782
	Planned Activities	Local ID: AH-5-4-47 Type of Recipient: Non-profit Organization HUD Matrix Code: 14F - Energy Efficiency Improvements CDBG National Objective: LMH
6	Project Name	Mission First Housing Development Corporation
	Target Area	County-Wide
	Goals Supported	Support Independent living for seniors and persons living with disabilities
	Needs Addressed	Diverse, affordable rental & homeownership opportunities
	Funding	CDBG: \$65,000
	Description	Mission First Housing Development Corporation will use CDBG funds to add security measures on the property perimeter to deter trespassers from entering the property. Perimeter fencing along St. Barnabas Road as well as lighting along adjacent commercial properties and additional key fob access points on exterior doors are proposed. Approximately 122 households will benefit from this project. All of the units are below 80% AMI.
	Target Date	12/31/2022
	Estimate the number and type of families that will benefit from the proposed activities	122 - Households
	Location Description	Agency: Mission First Housing Development Corporation 1330 New Hampshire Ave, NW #116, Washington, DC 20036
	Planned Activities	Local ID: AH-6-6-47 Type of Recipient: Non-Profit Organization HUD Matrix Code: 14B – Rehab; Multi-Unit Res. CDBG National Objective: LMH
7	Project Name	RAPGC - Homeowners Assistance Program Operating Support
	Target Area	County-Wide
	Goals Supported	Increase homeownership opportunities
	Needs Addressed	Diverse, affordable rental & homeownership opportunities

	Funding	CDBG: \$375,000
	Description	The Redevelopment Authority of Prince George's County will use CDBG funds to cover operating expenses, including staff cost to administer the HOME-assisted project "Pathway to Purchase". Pathway to Purchase provides loans to low and moderate-income first-time homebuyers. Approximately fifty (50) households will benefit from this project.
	Target Date	12/31/2022
	Estimate the number and type of families that will benefit from the proposed activities	50 - Households
	Location Description	Agency: Redevelopment Authority of Prince George's County 9200 Basil Court, Suite 504, Largo, MD 20774
	Planned Activities	Local ID: AH-7-3-47 Type of Recipient: Local Government Agency HUD Matrix Code: 14J - Housing Services, excluding Housing Counseling CDBG National Objective: LMH
8	Project Name	UCAP – Flag Harbor Rehabilitation Project
	Target Area	County-Wide
	Goals Supported	Increase supply of accessible and affordable homes
	Needs Addressed	Diverse, affordable rental and homeownership opportunities
	Funding	CDBG: \$240,000
	Description	United Communities Against Poverty, Inc. (UCAP) will use CDBG funds to rehab two (2) vacant properties in District Heights. Upon completion, the properties will be sold to first-time low to moderate-income homebuyers.
	Target Date	12/31/2022
	Estimate the number and type of families that will benefit from the proposed activities	2 - Households
	Location Description	Agency: United Communities Against Poverty, Inc. 1400 Doewood Lane, Capitol Heights, MD 20743
	Planned Activities	Local ID: AH-8-4-47 Type of Recipient: Non-profit Organization HUD Matrix Code: 14A – Rehab; Single Family Unit – Res. CDBG National Objective: LMH
9	Project Name	UCAP – Rehabilitation of Acquired Properties Admin.
	Target Area	County-Wide

	Goals Supported	Increase supply of accessible and affordable homes
	Needs Addressed	Diverse, affordable rental and homeownership opportunities
	Funding	CDBG: \$60,000
	Description	United Communities Against Poverty, Inc. will use CDBG funds for rehab admin costs associated with its Flag Harbor Rehabilitation Project. Approximately two (2) households will benefit from this project.
	Target Date	12/31/2022
	Estimate the number and type of families that will benefit from the proposed activities	2 - Households
	Location Description	Agency: United Communities Against Poverty, Inc. 1400 Doewood Lane Capitol Heights, MD 20743
	Planned Activities	Local ID: AH-9-4-47 Type of Recipient: Non-profit Organization HUD Matrix Code: 14H – Rehabilitation Administration CDBG National Objective: LMH
10	Project Name	Hyattsville CDC - Econ Dev/Organizational Capacity Building Program
	Target Area	County-Wide
	Goals Supported	Increase access to job training & economic dev. assistance
	Needs Addressed	Connections btw residents & businesses to services
	Funding	CDBG: \$100,000
	Description	Hyattsville Community Development Corporation (CDC) will use CDBG funds to provide one-on-one small business consultation resource development, and project management. The organization also work in tandem with developers to rehabilitate and tenant floundering properties to stoke investment and interest in the region. Approximately thirty (30) jobs and twenty (20) businesses will be assisted.
	Target Date	6/30/2022
	Estimate the number and type of families that will benefit from the proposed activities	30 - Jobs will be created and/or retained for low to moderate-income individuals 20 - Low to moderate-income small businesses
	Location Description	Agency: Hyattsville CDC 4314 Farragut Street, Hyattsville, MD 20781

	Planned Activities	Local ID: ED-1-8-47 Type of Recipient: Non-profit Organization HUD Matrix Code: 18B - Economic Development - Technical Assistance CDBG National Objective: LMJ
11	Project Name	Micro-Enterprise Assistance in Mt. Rainier
	Target Area	County-Wide
	Goals Supported	Increase access to job training & economic dev. assistance
	Needs Addressed	Connections btw residents & businesses to services
	Funding	CDBG: \$53,663
	Description	The City of Mt. Rainier will use CDBG funds to provide business assistance to thirty (30) small businesses and entrepreneurs in Mt. Rainier. The assistance will include website and e-commerce development, one-on-one small business consultations, and entrepreneurial development with technical assistance. Approximately twenty-five (25) jobs will be created and/or retained.
	Target Date	6/30/2022
	Estimate the number and type of families that will benefit from the proposed activities	30 - New and existing businesses 25 - Jobs created and/or retained
	Location Description	Agency: City of Mt. Rainier One Municipal Place, Mt. Rainier, MD 20712
	Planned Activities	Local ID: ED-2-8-47 Type of Recipient: Non-profit Organization HUD Matrix Code: 18C - Economic Development - Micro-Enterprise Assistance CDBG National Objective: LMC
12	Project Name	Export Business Technical Assistance
	Target Area	County-wide
	Goals Supported	Increase access to job training & economic dev. assistance
	Needs Addressed	Connections btw residents & businesses to services
	Funding	CDBG: \$250,000
	Description	Prince George's County Economic Development Corporation will use CDBG to provide technical assistance to twenty (20) export-ready businesses in the County and anticipate fifteen (15) jobs created that will provide employment opportunity for low to moderate-income residents.
	Target Date	6/30/2022

	Estimate the number and type of families that will benefit from the proposed activities	20 - New and existing businesses 15 - Jobs created and/or retained
	Location Description	Agency: Prince George's County Economic Development Corp. 1801 McCormick Drive, Ste 350, Largo, MD 20774
	Planned Activities	Local ID: ED-3-8-47 Type of Recipient: Non-profit Organization HUD Matrix Code: 18B - Economic Development - Technical Assistance CDBG National Objective: LMJ
13	Project Name	DHCD - CDBG Administration
	Target Area	N/A
	Goals Supported	N/A
	Needs Addressed	N/A
	Funding	CDBG: \$821,504
	Description	The Department of Housing and Community Development administers the CDBG program (including oversight, monitoring, compliance and technical assistance). The Department coordinates and prepares the County's 5-Year Consolidated Plans, Annual Action Plans, and Consolidated Annual Performance and Evaluation Reports as required by HUD to receive federal funds. The CDBG funds will cover reasonable administrative and planning costs. In addition, twenty percent (20%) of CDBG Program Income received from Multi-family and Commercial Loans and Lead Identification Field Testing program will be used for training, staff development, and other program enhancements.
	Target Date	6/30/2022
	Estimate the number and type of families that will benefit from the proposed activities	N/A - Planning activity
	Location Description	Agency: Department of Housing and Community Development 9200 Basil Court, Suite 306, Largo, MD 20774
	Planned Activities	Local ID: PA-1-CDBG-47 Type of Recipient: Local Government Agency HUD Matrix Code: 21A - General Program Administration CDBG National Objective: N/A - Planning activity
14	Project Name	HSC - Nonprofit Capacity Building Initiative
	Target Area	County-Wide
	Goals Supported	Improve communications and information-sharing

	Needs Addressed	Connections btw residents & businesses to services
	Funding	CDBG: \$106,937
	Description	Human Services Coalition of Prince George's County dba Nonprofit Prince George's will use CDBG funds to improve the capacity of nonprofit organizations in the County who serve low to moderate-income households by providing training and development, advocacy, and networking and collaboration opportunities.
	Target Date	6/30/2022
	Estimate the number and type of families that will benefit from the proposed activities	175 - Organizations
	Location Description	Agency: Human Services Coalition dba Nonprofit Prince George's 10201 MLK Jr., Hwy, Suite 270, Bowie, MD 20720
	Planned Activities	Local ID: PA-3-CDBG-47 Type of Recipient: Non-profit Organization HUD Matrix Code: 21C - Public Information CDBG National Objective: N/A - Planning activity
15	Project Name	NDC - Community Design and Planning Services
	Target Area	County-Wide
	Goals Supported	Improve communications and information-sharing
	Needs Addressed	Connections btw residents & businesses to services
	Funding	CDBG: \$112,864
	Description	The Neighborhood Design Center, Inc. will use CDBG funds to provide planning and design assistance to approximately twenty-six (26) projects serving low to moderate-income residents of the County. The organization will provide highly trained design staff to manage ethical community engagement, project timelines, quality of deliverables, meeting coordination, and client relationship management.

AP-50 Geographic Distribution – 24 CFR 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

Minority Concentration

Areas with concentrations of Black residents are most common along the east-west Central Avenue corridor. Areas with concentrations of White residents tend to fall on the periphery of the County around and outside Route 301 (Crain Highway). Areas with concentrations of Hispanic residents are clustered in the inner-ring of North County, adjacent to Montgomery County (See Appendix C – Minority Concentration Maps). Areas with concentrations of Asian American residents are largely clustered in the northern corner of this edge.⁵

Geographic Areas for Investment

Prince George's County will consider the following two factors when prioritizing its federal investments for FY 2022: 1) areas with concentrations of at least 51 percent low-or-moderate-income persons; and 2) target areas from Housing Opportunity for All. (See Appendix C – Geographic Distribution Maps)

Alignment with target areas in Housing Opportunity for All will result in an explicit emphasis on building access to opportunity through the County's use of federal funds and assist with broader local and regional goals to increase affordability near high-frequency transit.

The following factors will be considered when prioritizing investments geographically over the next five years:

- **Access to jobs, goods, and services** – Index score that measures walkability, transit access, and commute times by car and transit
- **Social capital** – Index score that measures overall economic indicators, such as household income, poverty status, educational attainment, and labor market engagement
- **Community institutions** – Index score that measures educational indicators related to performance on standardized tests and poverty status of students
- **Proximity to Metrorail stop** – ½-mile radius around Metrorail stops that have been prioritized by the County for transit-oriented development
- **Proximity to Purple Line light rail stop** – ½-mile radius around Purple Line light rail stops
- **Opportunity Zones** – Census Tracts eligible for the Opportunity Zones Program
- **Neighborhood Revitalization Strategy Areas (NRSAs)** – targeted areas for

⁵ ibid

comprehensive revitalization.

Priority Need: Connections between residents and businesses to services

- Geographic Priorities – Access to jobs, goods, and services, including areas where households are underserved by current transit service; proximity to transit stops; opportunity zones; NRSAs

Priority Need: Accessible homes and facilities

- Geographic Priority – Countywide

Priority Need: Diverse, affordable rental and homeownership opportunities

- Geographic Priority – Countywide; opportunity zones

Priority Need: Quality/condition of housing

- Geographic Priority – Countywide

Priority Need: Housing instability among residents experiencing a housing crisis

- Geographic Priority – Countywide

Priority Need: Loss of existing affordable housing opportunities

- Geographic Priorities – Access to jobs, goods, and services; social capital; community institutions; proximity to transit stops

Table 9 - Geographic Distribution

Target Area	Percentage of Funds
County-Wide	100%

Rationale for the priorities for allocating investments geographically

It should be noted that the emphasis on access to opportunity does not mean that Prince George’s County will only make investments in areas with lower access to opportunity (those areas with scores below the regional score) or higher access to opportunity (those areas with scores below the regional score).

Instead, these geographic priorities will inform the level and type of investment needed to improve opportunities in areas where existing access is not as strong relative to the rest of the Washington, D.C. region and expand housing opportunities in areas where access to

opportunity is stronger relative to the region as a whole.

AP-55 Affordable Housing – 24 CFR 91.220(g)

According to Title II of the Cranston - Gonzalez National Affordable Housing Act, as amended, Prince George’s County must describe the projected number of households that meet the Section 215 Qualifications as Affordable Housing requirements with federally-funded programs (CDBG, HOME, and ESG). The accepted definition of affordability for a household is generally described as spending no more than 30 percent of annual income on housing (including rental and owner housing).

In FY 2022, the annual goal is to assist 1,205 LMI individuals/families (homeless, non-homeless, and with special needs) in the production of new units, rehabilitation of existing units, homebuyer assistance, and/or rental assistance.

The following tables provide the projected number of households the County expects to serve with the use of CDBG, HOME, ESG funds, including CDBG-CV and ESG-CV funds.

Table 10 – Affordable Housing Goals

One Year Goals for the Number of Households to be Supported	
Homeless	270
Non-Homeless	935
Special-Needs	0
Total	1,205
One Year Goals for the Number of Households Supported Through	
Rental Assistance	1,070
The Production of New Units	21
Rehab of Existing Units	104
Acquisition of Existing Units	10
Total	1,205

The County plans to use CDBG, HOME, and ESG funds in FY 2022 to provide affordable housing options to LMI households utilizing the following strategies:

- Rental Assistance – The County anticipates ESG and ESG-CV funds will assist in providing rental assistance benefiting approximately 270 homeless families and 650 families at risk of homelessness. Additionally, the County will provide emergency rental assistance using CDBG-CV funds to support approximately 150 households experiencing a housing crisis as a result of the Covid-19 pandemic.
- Production of New Units – The County does not anticipate any HOME projects will be completed during FY 2022 to assist persons with special needs (i.e., seniors).
- Rehab of Existing Units – The County anticipates CDBG funds will assist in the rehabilitation of existing single-family homes and rental units, benefiting approximately 170 LMI families.

- Acquisition of Existing Units – The County anticipates CDBG funds will be used to acquire and/or rehabilitate homes to preserve affordable housing for approximately 10 LMI families. All 10 units are for non-homeless individuals/families.

AP-60 Public Housing – 24 CFR 91.220(h)

Introduction

Actions planned during the next year to address the needs to public housing

Activities that will be undertaken by the jurisdiction to address the housing and supportive services needs identified in accordance with 24 C.F.R. §91.215 (e) are as follows:

- Provide housing for 185 persons with HIV/AIDS;
- Provide HIV/AIDS operational services for 185 persons;
- Provide TBRA/Rapid Re-housing assistance for 61 homeless persons;
- Provide homeless prevention services to 230 persons;
- Provide financial assistance to 94 homebuyers; and
- Provide various public services to support seniors, persons with disabilities (mental, physical, and developmental), persons with alcohol or other drug addictions and public housing residents.
- Evaluate repositioning of Public Housing alternatives provided by HUD for the Conversion of Public Housing over the next three (3) to five (5) years;
- Develop a 163-unit multifamily/mixed-income dwelling for families and individuals age 62 and above as redevelopment for the 1313 Southern Avenue property (formerly known as McGuire Housing; and
- Provide Housing Authority goals and objectives consistent with the 2021 – 2025 Consolidated Plan, to include, the Voluntary Compliance Agreement (VCA) and the Disability Rights Maryland (DRM) Settlement Agreement.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

The Housing Authority of Prince George’s County (HAPGC) will continue to address all compliance findings, as identified by HUD under the VCA and DRM Agreement to satisfy Section 504 Program requirements. The HAPGC will continue to execute the following actions in FY 2022:

- Hire technical assistance staff to aid with policy and compliance concerns;
- Update existing Administrative Plan and Admissions and Continue Occupancy Policies;
- Subject to approval of its Reasonable Accommodation Policy, posted a copy of the policy and provided notice to tenants;
- Provide exterior accessible routes at Public Housing developments, where applicable;
- Perform a self-evaluation of current policies and practices, and execute corrective steps to remedy any discrimination, as appropriate;
- Provide a copy of complaint and grievance procedures to tenants, subject to approval;
- Provide training to all employees with direct contact with tenants, including maintenance staff, regarding the federal Fair Housing Act, Section 504 of the

- Rehabilitation Act, and the Americans with Disabilities Act; and
- Display fair housing posters in all locations where business is conducted.

Activities to Increase Resident Involvement

The HAPGC executes the following actions to increase resident involvement:

Resident Boards & Councils

- Provide periodic Board meetings at public housing properties as a mechanism for increasing resident involvement;
- Provide virtual access to monthly board meetings; and
- Monthly Resident Advisory Board and Resident Council meetings are held by the residents.

Resident Services

- Provide a comprehensive network or supportive services through collaboration with County agencies and community-based organizations for resident services. Services are targeted for at-risk seniors and individuals with disabilities at four (4) public housing properties.
- Operate as Family Resource Academies, in public housing converted community spaces used for effective enrichment activities, primarily geared to school-age children. Major projects include: computer classes with trained certified instructors, youth councils, and structured leisure and recreational activities.

Is the public housing agency designated as troubled, under 24 C.F.R. part 902?

The HAPGC is designated as a standard performer.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

Not applicable

AP-65 Homeless and Other Special Needs Activities – 24 CFR 91.220(i)

The Prince George’s County Ten Year Plan to Prevent and End Homelessness is designed to:

- Prevent homelessness whenever possible and when it is not possible, to ensure that episodes are brief and one time only;
- Ensure easy access to communitywide, culturally competent, safe and effective housing and homeless services;
- Ensure people exit homelessness as quickly as possible;
- Connect people to communities and the resources needed to thrive; and
- Build and sustain the political will and community support needed to permanently end homelessness.

As part of the County’s Consolidated Plan, the CoC is focusing on six (6) key strategies that have proven to be effective in reducing homelessness: 1. coordinated entry, 2. prevention assistance, 3. shelter diversion, 4. rapid re-housing, 5. permanent housing, and 6. improved data collection and performance measures. These strategies are carefully designed to achieve purposeful and intentional reduction in the incidents of homelessness and collectively they form a plan that aligns County efforts with federal goals, shifts system focus from “shelter” to “housing”, prioritizes programming for special populations, enhances system accountability, builds on success, and provides flexibility and opportunity.

Meeting people where they are—geographically, philosophically, and emotionally—is the first step in actively engaging people experiencing homelessness and creating the relationships needed to allow them to trust, understand and accept help. To streamline that connection, the County has two primary methods of outreach – an in-person system of street outreach and a centralized homeless hotline which operates 24/7/365.

Street Outreach: Outreach workers are often the first and only point of contact for people who might otherwise be disconnected and there are several ways in which the County currently engages its homeless - the annual Point in Time (PIT) Count, the Veterans Stand Down and Homeless Resource Day (VSDHRD), the SOAR team, Crisis response teams, faith ministries, Warm Nights (the County’s hypothermic church based shelter), Soup kitchens and other individual outreach to known encampments. These efforts are crucial to developing trust among many of the CoC’s unsheltered and stable funding is essential to long term sustainability of this effort. Of particular concern to the CoC, is the lack of immediate behavioral health crisis beds with intensive treatment services available for those unsheltered persons experiencing a crisis. Development of these resources which has proven so successful in other parts of the Country, is – and remains - a CoC funding priority.

Centralized intake and assessment / Homeless Hotline: The County’s Homeless Hotline provides additional opportunities for identification of those who are homeless or at imminent risk of becoming homeless. This process, available 24/7/365, has standardized the intake and assessment process for accessing homeless assistance and housing services, creates a faster

match between a household's needs and the program that fits those needs best, and moves households quickly from a state of housing crisis to permanent housing whenever possible. The hotline is staffed by trained workers capable of conducting an initial intake, connecting callers (clients and providers), and entering initial data into HMIS. Staff are trained on a regular basis to ensure they are aware of all the resources available for callers' needs and can act quickly to resolve crisis situations (e.g., for households fleeing domestic violence). The hotline also provides 2-1-1 diversion and prevention services.

Once a person has entered the homeless system, shelter personnel are responsible to develop rapid exit strategies designed to move individuals and families into stable housing as quickly and efficiently as possible. In the event these efforts are unsuccessful, the CoC then relies on its Coordinated Entry system to engage in a higher level of acuity testing and prioritization to ensure that those with the highest intervention needs are served first when more permanent system resources become available. The CoC's Coordinated Entry Team provides an in-depth and individualized analysis of each homeless household and establish a uniform way for the CoC to evaluate them based on actual level of need, with referrals and admissions to more intensive services and programs being reserved for those who present with the highest mortality risk and/or greatest barriers to permanent housing. The process also helps evaluate the system's ability to serve consumers properly by tracking where households were sent and whether the selected intervention was successful. This data is vital to the CoC's ability to identify and address potential system gaps in services and programming and to find the fastest path out of homelessness with the lowest level intervention possible for each and every person.

Finally, the CoC is working on a plan to open one or more drop-in centers that will provide one-stop access to resources for individuals and families experiencing homelessness with the aim of quickly ending their homelessness. This provides a critical physical location for providing 1-on-1 assessments that will enhance the "warm hand-off and referral" process. The primary purpose of this effort will be to triage and facilitate the quickest route to permanency for all consumers. It is important to note that the County currently has very limited non COVID prevention and diversion resources as well as a severe lack of funding for Rapid Re-housing efforts where the subsidy lasts for more than one month; both of which are widely recognized as the most cost-effective solution to homelessness for most individuals. In addition, there are currently no funds set aside for a housing bonus or landlord mitigation fund – both of which have proven successful elsewhere in encouraging local landlords to partner with the CoC on rapid exit strategies and to incentivize landlords to support the housing needs of persons experiencing homelessness, particularly those with poor credit or eviction histories. This is a challenge that will need to be addressed in order to fully reap the benefits of a coordinated entry and assessment system and ensure these particular goals in the County's 10-year plan are reached.

Addressing the emergency and transitional housing needs of homeless persons

The County currently operates 386 regular emergency shelter beds (162 for families, 154 for individuals, 20 for unaccompanied youth, 15 for veterans and 35 overflow for individuals and families during the hypothermic season), 43 domestic violence survivor emergency shelter beds (all for families), 153 transitional shelter beds (85 for families, 12 for individuals, and 56 for

unaccompanied youth), and 190 rapid re-housing beds (150 for families, 31 for singles and 9 for veterans). Unfortunately, while this network is strong, it is insufficient to meet the daily demands of persons in crisis; sheltering less than 40% in any given year, and while there is clearly a place within the Continuum of Care for emergency and transitional sheltering, they are not universally necessary in everyone's journey from homelessness to permanent housing. Rather they are seen as one of many possible system responses to homelessness and deployment is entirely dependent on individual circumstances. It is hoped that as additional alternative housing responses are implemented, some shelter savings will occur which can be reallocated to service gaps that remain in the system.

There are several efforts underway to reframe this segment of the County's response system to add bed space and more effectively meet the changing dynamics of the County's current homeless population. These efforts include, but are not limited to: 1. Funding in the County's capital improvement budget for replacement and redesign of two older emergency facilities as well as a new building for homeless youth which provides the CoC with a unique opportunity to design emergency shelters that are highly flexible, aligned with the 10-Year Plan, and eliminate design barriers currently inhibiting certain services and/or population mixes inherent in the older facilities; 2. A strategic focus on lower cost and often more effective alternatives to traditional shelter including prevention, diversion, rapid re-housing and housing first strategies as well as housing solutions targeted to special populations presenting unique challenges to the Continuum; 3. Increase in deeply affordable permanent housing opportunities, particularly for the CoC priority sub-populations; and 4. Increased access to housing vouchers to support CoC move on strategies from its' PSH programs.

Under the current CoC system, the shelter pathway is no longer linear. The household is now at the center of the response system and the initial intervention identified is intended to be their last whenever possible. The CoC uses a combination of tools including the locally developed Housing Prioritization Tool and composite scoring structure and the Vi-SPDAT as a part of the assessment process for anyone requesting housing assistance in the County. These tools help the CoC identify which intervention(s) are most likely to produce results in the least amount of time for the least amount of money. For those that score into a permanent supportive housing response, an additional vulnerability index is calculated that prioritizes within that subset by level of risk and likelihood of imminent mortality.

The CoC relies on three strategic priorities to ensure long term success: 1. Centralized triage to facilitate timely assessment and placement in the quickest route to permanency ; 2. Significantly increased funding for prevention and rapid re-housing that provide decreasing subsidies on a medium to long term basis (up to 24 months) and creation of strong trusting relationships with landlords willing to provide second chance leases that are so vital to households whose debt history is either non-existent or severely compromised; and 3. Expansion of permanent housing options for persons with significant challenges to long term stability.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again.

Shelters of any kind are never a replacement for a home and homelessness is not limited to a unique place or class of people. It is an outward symptom of a wide array of socio-economic, episodic factors that result in people facing the loss of shelter. Since “one size does not fit all”, the County’s plan contains a range of options that are needed – some of which are in place and others which are targeted for development – to reduce the amount of time a household remains homeless, expedite their transition to permanent housing and independence, and prevent recidivism.

Using best practices learned from communities nationwide, this part of the County’s plan focuses on three key strategies; diversion/prevention, rapid re-housing (RRH) and permanent housing (PH). In addition, accommodations are made for six subpopulations that are identified by the CoC as presenting unique challenges under these three strategies: Unaccompanied youth; Veterans; Chronically homeless and persons with severe somatic and behavioral health challenges; Survivors of Domestic violence, human trafficking and sexual assault; Vulnerable elderly and disabled; and Returning residents. To that end, the CoC has created subcommittees for each of these populations and each subcommittee is charged with designing and implementing additional sustainable strategies that address the unique barriers to permanent housing for their particular sub-population. Finally, the County has a small housing retention initiative (2 Resident Advocates) that follow up with households for up to 18 months after a diversion or prevention intervention has been used to help ensure newly stabilized households remain housed and expansion of this team has been targeted as essential to the continued reduction in recidivism.

Rapid Re-Housing: Recognizing that RRH is a national best practice with a high level of success at a lower cost than traditional shelter-based interventions and bolstered by experience gained during the CoC’s implementation of a stimulus funded RRH program (963 households were diverted at an average per household cost of \$2,580 with a recidivism of less than 1%), the County’s plan contains strategies for significant expansion of funding for its current RRH response including:

- Identification of new or expansion of existing funding opportunities including but not limited to the Emergency Solutions Grant (ESG), Community Development Block Grant (CDBG), HOME Investment Partnerships Program (HOME), Housing Trust Fund (HTF) and Housing Opportunities for Persons with AIDS (HOPWA) funding;
- Evaluation of current sheltering funds for potential re-allocation;
- Improved utilization of the County’s Community Benefits Agreement (CBA) legislation;
- Targeted landlord outreach and partnerships, including a damage mitigation fund; and

- Reunification when possible (in certain cases, the best PH solution may be reunification with a family member, friend, or other person; especially in the case of an unaccompanied youth);

Keys to the success of this approach include, but are not limited to: a well-developed housing barrier assessment process, good relationships with landlords, the presence of staff skilled in negotiation, housing location, and case management, and the availability of funds for short-to-medium rental and utility subsidies, landlord mitigation, and other costs associated with moving to – and sustaining – stable housing.

Permanent Housing: The longer a household remains in a state of homelessness, the less likely they are to prevent the cycle from re-occurring and the greater their risk for recidivism so timely and appropriate intervention is critical. While all housing solutions are important, the County’s plan focuses on two priority areas of permanent housing - subsidized housing and permanent supportive housing (PSH) - both of which are designed to address the complex needs of those identified as least likely to be successful without a long-term sustainable housing solution and for whom multiple RRH interventions have failed. These solutions are yet one more way to “open the back door” of the homeless assistance system and have proven very successful in providing a permanent solution to homelessness for chronically homeless households and other households with very high barriers. By pairing a housing subsidy with wraparound services as long as it’s necessary for the household, these solutions provide a supportive setting for these households while significantly reducing the costs to other systems (i.e.; jails and emergency rooms). To ensure these housing solutions are targeted appropriately and are as effective as possible, the County’s plan includes:

- Administration of a vulnerability test and case review by a centralized multi-disciplinary team that targets deeply, ensuring higher-barrier and chronically homeless households are prioritized for vacant units and the highest risk is served first;
- Creation of new units including: Expansion of voucher set asides and/or priorities, property owner tax credits and landlord incentives, and application for new vouchers including mainstream, 811, FUP, FUP-Y, Section 202, Pay for Success, and other federal opportunities; and
- Utilization of Medicaid reimbursable activities to fund PSH activities and expand units.

Special Populations: Permanent Housing for these populations presents a unique set of barriers that further complicate services to persons who are homeless and require additional strategies that are customized to remove these challenges and facilitate transition to permanency.

- *Unaccompanied youth and young adults:* The County has identified unaccompanied young people ages 13-24 as deserving of separate attention and development of a single integrated system of care that is based upon meeting their immediate needs, connecting them with appropriate support systems, and supporting their personal

development along their transition to adulthood is essential to reducing the numbers of youth and young adults experiencing homelessness. The County began development of this system in FY 2012 and since that time, has conducted 6 annual housing instability counts, created 24 beds of emergency shelter and 56 beds of transitional housing, participated on a statewide task force to study housing and supportive services for unaccompanied homeless youth and make recommendations for action by the Maryland General Assembly and State executive agencies⁶, helped pass legislation that resulted in Youth REACH MD - a statewide enumerative effort to count this sub-population - as well as adding homeless youth to the list of those eligible for tuition waivers and Maryland's Ending Youth Homelessness Act of 2018. Additional strategic targets include closing gaps in housing for youth who identify as Lesbian, Gay, Bi-sexual, Transgender and Questioning (LGBTQ), are attending college and need more than 2 years of housing assistance to achieve independence, and / or cannot live independently without long-term housing subsidies and wrap around supportive services. The County was selected in Round 3 as a federal Youth Homeless Demonstration Program site, has completed the Coordinated Community Plan (the goals, programs and strategies of which are incorporated here by reference as County recognized priorities in the 2020-2025 consolidated plan), and is in the implementation phase with 6 separately funded UHY programs including street outreach, a drop in center, two transitional –rapid rehousing programs, a TH crisis program and a permanent supportive housing program.

- *Chronically homeless and persons with severe somatic and behavioral health challenges:* Studies show that although chronically homeless people represent a small share of the overall homeless population, their effect on the homeless system and the community is considerable. Emergency shelters are not designed to address the extensive needs of people with serious mental illness or other disabilities and they tend to be difficult to place in permanent housing without supportive services. The result is they stay homeless in shelters for long periods of time and use a disproportionate amount of shelter resources. Further, many individuals in these subpopulations do not access emergency shelter because they are not willing or cannot comply with the shelter regulations. Strategic efforts to provide permanent housing for this subpopulation include: Development of a registry of all homeless individuals who are chronic and/or experiencing a behavioral health crisis that prevents them from maintaining housing stability without intense intervention and support; County-wide implementation of the vulnerability index and multidisciplinary review panel to determine placement prioritization; Creation of crisis beds (medical and psychiatric); and Development of high acuity housing options for high system utilizers (i.e.; Pay for Success).
- *Veterans:* Prince George's County has the largest number of veterans in the State and yet few access the homeless services system. Out of nearly 70,000 veterans living in the County only 28 were identified as homeless during the FY 2019 Point in Time count.

⁶ Report of the SB764/HB823 Task Force to Study Housing and Supportive Services for Unaccompanied Homeless Youth, Governor's Office for Children, November 1, 2013.

There is a national commitment to end homelessness among veterans and the County's plan includes strategies designed to help achieve this goal, including: Collaborative relationships with the VA, community colleges, workforce organizations, housing developers and service providers which put the County in position to take advantage of upcoming funding opportunities; A single point of access to veteran service providers - including Supportive Services for Veteran Families (SSVF), Homeless Veterans' Reintegration program (HVRP) and Grants Per Diem (GPD) grantees - that enable veterans to easily access supportive and housing support services and link simultaneously to multiple service organizations; Application for new Veterans Affairs Supportive Housing Program (VASH) vouchers and other housing subsidies; landlord approved leasing discounts for veterans; and expansion of private donations supporting rapid re-housing assistance specifically for veterans.

- *Re-Entry*: Approximately 4,000 inmates are released from the Department of Corrections each year and when this occurs without a structured reentry plan, they place additional stress on communities and service systems that are ill-equipped and/or lack funding to support them. Many do not go back to family or friends, resulting in homelessness and/or an increased risk for returning to a life of crime. The County's plan calls for a collaboration of criminal justice agencies, community organizations and service providers to promote successful re-integration of returning citizens facing homelessness and includes strategies that include: A structured and coordinated re-entry process that prioritizes planning for returning citizens whose were identified as homeless at the time of arrest and who are likely to remain in a County facility (many of those who are incarcerated will be sentenced to a facility outside of the County); Establishment of a County discharge plan that ensures returning citizens are not discharged into homelessness; Applications for new funding opportunities focused on this sub-population; Creation of a step down criminogenic transition program with supports, and Development of relationships with an increased number of landlords willing to offer second chance housing to residents with a criminal history typically precluded from traditional housing resources.
- *Survivors of domestic violence, human trafficking and sexual assault*: There is a significant lack of emergency shelter beds for domestic violence survivors in general and a complete lack of specialized shelter for survivors who meet the following criteria: human trafficking, sexual assault, undocumented immigrant populations, domestic violence by a non-partner and LGBTQ domestic violence survivors. In fact, in FY 2020 the specialized shelter was only able to serve 158 survivor households while the regular shelter system served an additional 192 survivor households in the same reporting period demonstrating the significant need for additional resources for these residents. The County's plan includes strategies designed to address those challenges and ensure every person trying to flee domestic violence has a safe, secure place to stay regardless of their family configuration, and include: Simplified access to services and housing; Re-design of existing shelter facilities to include un-served populations; Trauma-informed training for housing providers to create competency within the regular homeless system

to address the unique needs of survivors; Application for new CoC funding and/or other housing subsidies for survivors; and a collaboration with the National Alliance for Safe Housing to develop a Countywide strategic plan for a comprehensive survivor response system, the goals, programs and strategies (incorporated herein by reference) as County recognized priorities in the 2020-2025 consolidated plan.

- *Vulnerable Elderly and Aging:* Elderly and aging accounts for the largest subpopulation growth in the County's homeless population (a 72% increase in 2020 alone which is significantly above the national average of 30%) and the oldest unsheltered person identified by the street outreach team last year was 83 years old. Elderly persons experiencing homelessness face unique vulnerabilities due to health or mobility limitations. They may also have more significant health concerns not typically seen in homeless services systems, such as Alzheimer's disease or cancer causing significant system challenges related to supporting aging in place within a traditional homeless shelter setting and leading to a significant surge in cost increases associated with health care and housing needs (estimated at more than 5 billion dollars a year). It's important to note that older adults experiencing homelessness already have medical ages that exceed their biological ages. Multiple studies have demonstrated that older adults experiencing homelessness have age-related medical conditions, such as decreased mobility and cognitive decline, on par with housed counterparts who are 20 years older. The average life expectancy of a person experiencing homelessness is estimated between 42 and 52 years, compared to 78 years in the general U.S. population. While relatively new, this local trend is not unique to Prince George's. National demographic trends suggest that there will be a dramatic increase in the number of people age 65 or older as the Baby Boomer generation reaches retirement age and the National Alliance to End Homelessness projects that homelessness among the elderly may "more than double between 2010 and 2050, when over 95,000 elderly persons are projected to be homeless." To combat this, the CoC is pursuing a number of housing interventions—including home modification funding, Section 202, permanent supportive housing and rapid re-housing—which could offset issues of homelessness, declining health statuses, and excessive health care spending.

Help low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families who are likely to become homeless after being discharged from a publicly funded institution or system of care, or who are receiving assistance from public and private agencies that address housing, health, social services, employment, education or youth needs

The first defense against homelessness is prevention and/or diversion both of which are highlighted as priorities in the County's strategic plan. It is much more cost effective for many households to keep them housed rather than take them into the homeless emergency system and then re-house them. The County has a very strong system of prevention and intervention but unfortunately does not have the funding necessary to fully realize its potential in the fight to end homelessness. Currently, individuals and families at risk of becoming homeless can

request help and receive support 24/7/365 through the County's 211 hotline. Trained counselors work with individuals and families to mediate family and/or landlord disputes, link to them to mainstream resources, and solve short-term challenges that can eliminate the emergency. In the event diversion is not possible, direct case management and financial assistance can often be provided (rental arrears and utility assistance) to resolve the crisis and prevent homelessness from occurring.

Shelter diversion: The goal of this strategy is to help at-risk households seeking shelter to identify alternative housing options (avoiding entry into a shelter) and to offer support and services that will help them stabilize until a permanent housing opportunity becomes available. Shelter diversion is handled through the coordinated intake process and is used in cases where it is a safe and practical alternative to shelter. Intake workers identify all possibilities that might exist to help prevent unnecessary shelter entry, including staying with friends, relatives, or coworkers and where possible and practical, to permanently re-house the household into a more affordable or appropriate unit. Households needing funds or services to make an alternate housing solution work are provided with financial assistance (when available), case management, mediation, and other services as needed.

Prevention: Prevention assistance, usually in the form of immediate and short-term rental and/or utility assistance, provides a means of preserving permanent housing situations and saving households from having to enter the homeless assistance system. Prevention and diversion programs are of critical importance to keeping people from ever becoming homeless in the face of a personal crisis and the County's plan includes creation of a publicly and privately funded and coordinated intervention system focused on preventing homelessness in a way that maximizes the effectiveness of this limited pool of resources. Strategies to support this include an intentional focus on performance measurement, careful targeting of resources to the households most at risk of homelessness, and coordination with mainstream agencies that may be able to provide financial support to homeless households.

Prince George's County envisions a comprehensive housing crisis response system through which homelessness can be prevented, and when this is impossible, episodes of homelessness can be quickly ended. The plan is designed to identify and align homeless support systems to meet the distinct needs of people at risk of, or experiencing homelessness, make additional affordable housing resources available either through development and/or subsidy programs, realign existing resources with prevention and rapid re-housing initiatives, and target permanent supportive housing for those deemed most vulnerable.

Discuss the size and characteristics of the population with HIV/AIDS and their families within the Eligible Metropolitan Statistical Area:

Based on data from the Maryland Department of Health and Mental Hygiene, there were 311 persons diagnosed with HIV in Prince George's County in 2018. Of the 311 HIV diagnoses in 2018, 34.7% were among adults ages 20-29 years old, 25.7% were among those ages 30-39, and

15.1% were among those ages 40-49 years old.

The supply of affordable rental units is very limited. Declines in vacancy rates and increases in average rents create an affordability barrier for residents. Individuals who do not receive rent subsidy have difficulty finding appropriate places to live. Apartments are generally too expensive for many low-income residents. Renters in this region often incur housing cost burdens.

It is projected that the need for services will continue to increase as the life span of persons living with HIV/AIDS continues to improve. Every effort must be made to stabilize adequate living conditions to prevent homelessness and premature placement of dependent children into foster care. Through the HOPWA Program, tenant-based rental assistance and housing related short-term assistance are offered to individuals and families living in shelters or who are in imminent danger of becoming homeless. HOPWA provides ongoing housing assistance to households with family members affected by the virus. It also provides emergency assistance on a case-by-case basis for HIV/AIDS-affected households.

As stated, the HAHSTA is the administrative agent for Suburban Maryland. This region includes Prince George's County, Calvert County, and Charles County. Suburban Maryland jurisdictions operate HOPWA programs in collaboration with nonprofit organizations that help clients meet their daily needs for housing, mental health, substance abuse treatment, and other supportive services. Each HOPWA agency assists participants toward self-sufficiency by providing referrals to job training and rehabilitation programs. All HOPWA agencies in Suburban Maryland participate in their respective County's Continuum of Care (CoC) Plan. The priorities and allocations of the Suburban Maryland region correlate with those of the Washington, D.C. Eligible Metropolitan Statistical Area.

All rental units in Suburban Maryland are available to individuals with HIV/AIDS as long as the rents are reasonable as defined by the HUD Fair Market Rents (FMRs) and as required by federal HOPWA regulations. The most common type of housing units available for rent in Suburban Maryland are in apartment buildings, single-family homes, and townhomes.

It is anticipated in FY 2022 with the use of available HOPWA funds, 175 individuals and families will receive housing assistance. Approximately 115 individuals and families will receive tenant-based rental assistance and 60 individuals and families will receive housing related short-term assistance (short-term rent, mortgage, and utility assistance). Currently, Suburban Maryland does not use HOPWA funds for supportive services due to funding availability. However, Suburban Maryland provides a link to supportive services.

Currently, there are over 200 clients on the waiting list for housing. The housing gaps are emergency housing, transitional housing, long-term housing facilities, and supportive services. The County considers this need a "high priority". Therefore, the five-year goal is to provide housing opportunities for 212 additional persons with HIV/AIDS and their families and to

provide supportive services for existing and new clients.

HAHSTA subcontracts with the Housing Counseling Services, Inc. (HCS). HCS administers the Metropolitan Housing Access Program (MHAP), the centralized source for housing services and housing information for persons living with HIV/AIDS (PLWHA) in the District of Columbia, Prince George's County, and Charles County. MHAP services differ depending on where you live. Find out which MHAP services are available in Prince George's County, Maryland: <http://housingetc.org/metropolitan-housing-access-program-mhap-prince-georges-county-md/> or contact the Housing Counseling Services, Inc. at 202-667-7006 for more information.

AP-75 Barriers to affordable housing – 24 CFR 91.220(j)

Introduction:

Introduction:

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Introduction:

Prince George’s County conducted an Analysis of Impediments to Fair Housing Choice (AI) in alignment with the County’s FY 2021-2025 Consolidated Plan cycle.⁷ The AI requires that the County consider how funds by the U.S. Department of Housing and Urban Development will “affirmatively further fair housing” as required under the Fair Housing Act of 1968 and the Housing and Community Development Act of 1974, as amended.

The AI analyzes the disparities in access to housing as well as policies, practices, and procedures that limit housing choice to protected classes. The Fair Housing Act ensures that no person will be denied the sale or rental of housing because of their race, color, religion, sex, familial status, and persons with disabilities (protected classes). The County also includes protection for: age, occupation, political opinion, personal appearance, and most recently, source of income. The AI includes a market analysis, and a review of policies, practices, and procedures that impede or limit housing choice. Some examples of topics that are barriers to housing and impede housing choice include:

- Racial and ethnic segregation especially concentrated areas of poverty;
- Gentrification and displacement of residents from their communities;
- Access to communities with high quality schools, good jobs, and public transportation;
- Access barriers for people with disabilities;
- Zoning regulations that limit housing types;
- Fair housing rights and enforcement; and
- Seniors, families with children, Housing Choice Voucher holders, and persons with disabilities face unique housing challenges.

The County has identified the following barriers to fair housing choice:

Demographics

The AI includes an analysis of demographic, economic, and housing information for Prince George’s County and the City of Bowie, along with comparisons with the Washington DC metropolitan area and the State of Maryland. The demographic analysis is designed to describe the underlying conditions that shape housing market behavior and access to housing opportunities in Prince George’s County and the City of Bowie. This analysis is also intended to help the County and City plan for where there are likely to be growing housing needs in the future.

Among the key findings from the demographic analysis:

Population

⁷ Adopted by the Prince George’s County Council on November 10, 2020 through Council Resolution CR-092-2020.

- Since 2000, the Black population in Prince George’s County has stayed relatively stable, while the White population has continued to decline. The biggest change in the racial/ethnic composition of both Prince George’s County and the City of Bowie has been the dramatic growth of the Hispanic population.
- An estimated one of out of ten Prince George’s County residents age five and older speak English less than “very well,” with Spanish being, by far, the most common language spoken. The number of non-English speakers has increased dramatically since 2000.
- Nearly one in 10 County and City residents has a physical or cognitive disability, comparable to rates in the Washington DC region and the State of Maryland. Because disability status and age are highly correlated, the disabled population likely will increase significantly in the next two decades as the population ages.

Income and Poverty

- In Prince George’s County and the City of Bowie, Black households have a higher median household income than the overall median. In addition, poverty rates for Black residents in Prince George’s County are lower than for other racial and ethnic groups. Rates of poverty among Hispanic residents are higher in Prince George’s County, but are lower in the City of Bowie.

Employment

- Since 2015, job growth in Prince George’s County has outpaced growth in both Montgomery County and the State of Maryland. However, the County’s economy continues to be more highly concentrated in public sector employment and lower-wage industries.

Housing Market

- Prince George’s County felt the effects of the 2006 to 2009 housing market downturn more acutely than most of the rest of the Washington DC metropolitan area, and the County took longer to recover. However, home prices have been up strongly in recent years, which is a positive for current homeowners, but is making it more difficult for first-time buyers.
- In both Prince George’s County and the City of Bowie, there has been a substantial decrease in the number of rental units with rents below \$1,000. At the same time, new high-rent units have been added to the stock, often with rents of \$2,000 or more. Rising rents have created significant affordability challenges for individuals and families with low and moderate incomes.

Segregation/Integration

Measures of racial segregation are important for understanding how historic residential settlement patterns have had an impact on the ability for individuals and families in Prince George’s County and the City of Bowie to access opportunity. This section uses segregation indices and mapping to evaluate patterns of segregation and integration within the County and City. Key findings from the segregation/integration analysis include the following:

- There remains persistently high racial and ethnic segregation in Prince George’s County, with residential segregation levels virtually unchanged over the past two decades. Across the region, levels of Black-Hispanic segregation are highest in the District of Columbia and Prince George’s County. The Hispanic-White segregation measure is higher in Prince George’s County than in other Washington DC area jurisdictions.
- The residential locations of the foreign-born population are strongly associated with the locations of the County’s Hispanic population, with high concentrations of foreign-born residents in Langley Park, Chillum, and Adelphi. These are neighborhoods where Limited English Proficient (LEP) residents also are highly concentrated.
- There are more than 83,000 residents in Prince George’s County with one or more disabilities, including about 5,350 residents of the City of Bowie. There are neighborhoods with large populations of disabled persons in many parts of the County, including many areas with relatively high levels of poverty.

Racially and Ethnically Concentrated Areas of Poverty (R/ECAPs)

Analyzing the locations and population characteristics of R/ECAPs in Prince George’s County can help to better understand entrenched patterns of segregation and poverty, which is critical in assessing where public- and private-sector investments are most needed, and whether local policies and programs are helping to alleviate—or, alternatively, have the effect of increasing—income and racial segregation.

- Only four Census tracts in Prince George’s County, fewer than 2% of all Census tracts, meet HUD’s definition of racially and ethnically concentrated areas of poverty. There are no R/ECAPs located in the City of Bowie.
- Hispanic residents and Asian residents make up disproportionately high shares of individuals living in the County’s R/ECAPs. Black Prince George’s County residents are less likely than residents of other races/ethnicities to live in racially and ethnically concentrated areas of poverty.
- Persons with a disability in Prince George’s County are modestly more likely to reside in a R/ECAP than are residents without a disability.

Disparities in Access to Opportunity

There is a broad set of research that has documented the important links between health, education, and economic outcomes of individuals and families and the quality of the neighborhoods in which they live. Access to a wide range of education, employment, transportation, and health services and amenities is critical for ensuring successful outcomes for families and children. When segments of the population do not have access to these opportunities, then the entire community is negatively impacted.

The AI examined access to various types of opportunities—education, employment, transportation, low-poverty neighborhoods, and environmentally healthy neighborhoods. The analysis included a synthesis of the barriers faced by members of protected classes in accessing opportunities in Prince George’s County and the City of Bowie.

Education

Access to education is critical for ensuring opportunities for economic mobility and success. There are indicators that patterns of residential segregation in Prince George’s County have left some individuals, children, and families with a lack of access to high-quality education, while others benefit from high-quality educational opportunities.

Employment

When individuals have good access to jobs, there is a wide range of beneficial outcomes, including family and housing stability, dismantling of intergenerational poverty, and opportunities for upward economic mobility. In Prince George’s County, there remain disparities in employment opportunities and outcomes.

- Neighborhoods in Prince George’s County with higher shares of Black residents tend to have access to fewer jobs, based on HUD’s Jobs Proximity Index, compared to neighborhoods with lower shares of Black residents. By contrast, neighborhoods in the County with relatively high concentrations of Hispanic residents, who tend to reside in a handful of close-in neighborhoods near major transportation routes, tend to have higher employment access.
- There is an on-going need for greater job skills training, especially among protected classes and public housing residents. The City of Bowie is focusing its attention on City youth, especially those disengaged from work or school, through its Life Skills and STEM program that prepares youth for higher-paying professional jobs in industries such as information technology, cybersecurity, aeronautics, science, and the medical field. Expanding access to employment centers also remains essential. Construction of the Purple Line from New Carrollton to Bethesda is supposed to improve access to job opportunities; however, much will depend on the fare and operating hours, as well as future redevelopment along the Purple Line corridor.

Transportation

Disparate access to transportation options can often be a major impediment to economic mobility. In fact, a comprehensive study of economic mobility found that “the relationship between transportation and social mobility is stronger than that between mobility and several other factors, like crime, elementary-school test scores, or the percentage of two-parent families in a community.”

- In Prince George’s County and the City of Bowie, lower-income residents and non-White residents are more likely than more affluent residents and White residents to rely on public transportation and to have longer commutes. Transportation opportunities depend on both household income and place of residence within the County or City. Disparities in these opportunities can exacerbate gaps in economic mobility.

Low-Poverty Exposure

Researchers, advocates, educators, health care professionals, and others all know how neighborhood environments—particularly the presence of poverty—has long-lasting impacts on children’s eventual success in adulthood.

- There are significant variations in poverty rates across the County. Census tracts with higher shares of Black residents have a somewhat lower average poverty rate than the overall rate for the County. By contrast, neighborhoods with relatively high shares of Hispanic residents tend to have more concentrated poverty.

Environmentally Healthy Neighborhoods

Environmentally healthy neighborhoods are defined as places with healthy physical environments, free from pollutants, with limited exposure to crime, and availability of healthy options. However, lower-income families, persons of color, and disabled individuals are often disproportionately negatively impacted by unhealthy neighborhoods. Research has demonstrated important links between environmentally healthy environments and individual health outcomes. For example, one study found that exposure to health hazards accounts for up to 60% of racial disparities in intergenerational inequality.

Disproportionate Housing Needs

The AI included assessments of housing challenges in Prince George’s County and the City of Bowie, including housing cost burden, evictions, homelessness, and housing vacancies, which are important issues to evaluate, particularly as members of protected classes are routinely more severely impacted by these challenges. In addition, the evaluation includes an analysis of homeownership and access to home mortgages.

Disability and Access

Based on the data, interviews, and focus groups analyzed, it was determined that the protected class with the most underserved needs in Prince George’s County are disabled persons.

Summary of Fair Housing Goals and Strategies

The AI Fair Housing report identified the following top fair housing issues based on the Analysis of Fair Housing Issues, Disparities in Access to Opportunity, and Disproportionate Housing Needs:

1. Inadequate Fair Housing Enforcement
2. Limited Housing Choices for Persons with Disabilities
3. Persistent Housing Challenges Among Hispanic Residents
4. Insufficient Funding for Nonprofit Organization
5. Limited Homeownership Options for Subgroups of County and City Residents
6. Need for Affordable Housing for Vulnerable Populations
7. Limited Access to High-Quality Neighborhoods for Residents of Many Parts of the County

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing:

The County continues to reduce the barriers identified in its 2019 AI update by assigning specific tasks and recommended actions to address each identified impediment. Additionally, the County is in the process of developing a Language Access Plan (LAP), which will help address the goal to better reach persons with Limited English Proficiency (LEP). Currently, the DHCD has taken steps to broaden its outreach with translation of its public notices from English to Spanish, as well as providing translation

services as public meetings.

The following are the fair housing goals and actions that address the fair housing issues and impediments listed above.

Goal 1: Complete steps to create a fair housing enforcement ecosystem for Prince George’s County

Action Taken:

- Attain Fair Housing Assistance Program (FHAP) status for the HRC and amend Division 12 to allow HRC to investigate cases.
- Identify and fund a nonprofit partner as a certified fair housing organization able to conduct fair housing testing.
- Increase training on fair housing, the Americans with Disabilities Act, Section 504, and other applicable laws and regulations.
- Share data and findings with Washington metro region’s Regional Analysis of Impediments effort.

Goal 2: Address deficiencies related to the Ripley settlement

Action Taken:

- Expand the capacity of the County’s 504 Coordinator by adding resources.
- Prioritize the County’s Housing Rehabilitation Assistance Program (HRAP) for persons with disabilities and seniors.
- Create a Visitability Advisory Board to ensure that that all CDBG and HOME-assisted units comply with visitability standards.
- Consider developing an online tools to assist in the identification of accessible housing units.

Goal 3: Prioritize programs and funding for persons with disabilities, homeless individuals and families, and seniors

Action Taken:

- Convert HOME funding to Tenant-Based Rental Assistance Program (TBRA) to prioritize disabled persons, seniors, and single-headed households in danger of homelessness.
- Add priority points in the CDBG grant selection process for organizations that provide public services that serve disabled, Latino, and senior communities.
- Prioritize Housing Trust Fund dollars for the construction of affordable housing for individuals and families at 30% AMI and below, especially persons with disabilities and seniors.
- Develop new senior housing developments with greater access to transportation, retail, and services.

Goal 4: Ensure language access especially for the county’s Spanish speaking population

Action Taken:

- Complete the four-factor analysis to determine whether programs are adequately accessible to those with limited English proficiency (LEP).
- Identify and fund a HUD-certified nonprofit housing counseling partner that can increase the number of bilingual counselors and provide education on tenant rights and rental counseling.
- Increase and improve code enforcement efforts.

Goal 5: Balance investments in revitalizing distressed communities (including R/ECAPs) with investments to expand affordable housing options in neighborhoods of opportunity

Action Taken:

- Support Plan 2035's vision by targeting funds identified in the plan's Growth Policy
- Engage in transportation equity issues.
- Consider environmental justice concerns in the siting and location of new affordable housing developments, as well as opportunities for the relocation of affected lower-income residents, particularly seniors and children with health concerns.
- Fully launch Right of First Refusal Program (ROFR).
- Establish clearer standards for the County's Payment in Lieu of Taxes (PILOT) program.
- Reconsider adoption of an Accessory Dwelling Unit (ADU) policy.

AP-85 Other Actions – 24 CFR 91.220(k)

Introduction:

Actions planned to address obstacles to meeting underserved needs

Households with extremely low-income (0-30) percent of their median family income) and who spend more than half of their income on housing, are considered under-served and have the “worst-case needs.” Most of these households are renters. Funding remains the largest obstacle to meeting these under-served needs. To address this issue, County leverages limited HUD funds by encouraging and forming partnerships with nonprofit organizations, local government agencies, municipalities, and for-profit organizations for housing projects that will serve households at or below 30 percent of the area median income (AMI). The following are CDBG, HOME, ESG, HOPWA, Public Housing, and Housing Choice Voucher projects that will serve under-served households during FY 2022.

Table 11 – FY 2022 Projects Serving Households at or below 30 Percent of the AMI

Resource	Project Types	Income Limits	Proposed Number of Households Served
CDBG and CDBG-CV	Homeowner Rehab Rental Assistance	0 – 80% AMI	170 - Households
HOME	Multi-Family Housing Rental Rehab and Construction	0 – 80% AMI	21 - Seniors, Persons with Disabilities and/or Low to Moderate Income Households
ESG and ESG-CV	Rental Assistance	0 – 50% AMI	920 - Individuals and Families experiencing homelessness or at risk of homelessness
HOPWA	Rental Assistance	0 – 80% AMI	235 - Persons living with HIV/AIDS and their Families
Public Housing	Rental Assistance	0 – 30% AMI	376 - Households
Housing Choice Voucher	Rental Assistance	0 – 30% AMI	5,837 – Households
Coronavirus Relief Fund (CRF)	Rental Assistance	0 – 80% AMI	2,450 - Households

Note: Extremely Low (0-30% AMI), Very Low (31-50% AMI), and Low (51-80% AMI)

Actions planned to foster and maintain affordable housing

Through Housing Opportunity for All, the County is taking a dual approach to housing investments over the next 10 years. First, it will remove regulatory barriers and other hurdles to make development easier across the board. Second, it will use public policy and resources to help produce new housing options, especially for lower income households that the private market may not serve. The Housing Opportunity for All working group prioritized exploring increases to the HITF (Cross-cutting Action 3.1), establishing stronger, market informed inclusionary housing requirements (Cross-cutting Action 1.5), strengthening the right-of-first refusal provisions (Targeted Action 2.6) and establishing a land bank to support redevelopment

of abandoned residential properties (Targeted Action 3.2).

Actions planned to reduce lead-based paint hazards

The State of Maryland's approach to reducing and eliminating childhood lead poisoning was significantly revised with the October 2015 update of the "Maryland Targeting Plan for Areas at Risk for Childhood Lead Poisoning" (Targeting Plan). The Executive Summary of the Plan describes its key recommendations as:

- Testing of all Maryland children ages 12 and 24 months: For a period of three years, all Maryland children under the age of 6 years should be tested for lead exposure at 12 and 24 months of age, based on a determination by DHMH that all ZIP codes and census tracts in the State should be considered "at risk" under the requirements of Maryland Code Annotated, Health-General Article, § 18- 106, and Code of Maryland Regulations (COMAR) 10.11.04;
- Re-evaluation of recommendations based on surveillance findings: At the end of three years, DHMH will re-evaluate these recommendations, based on the analysis of blood lead testing data developed over the three-year period; and
- Clinical management: Like children with higher blood lead levels, children with blood lead levels of 5 to 9 micrograms per deciliter (mcg/dL) should have a confirmatory test, an assessment of possible sources of lead exposure, an assessment of other vulnerable individuals in the home, and a repeat blood test until it is clear that they do not have ongoing lead exposure.

The second element of the State Elimination Plan is to identify children who may be at risk of lead exposure. The State of Maryland requires testing children at the ages of one and two.

Actions planned to reduce the number of poverty-level families

The 2013-2017 ACS data shows Prince George's County poverty level is 9.3%. The chart breaks down the total population for whom poverty status is determined based on race and Hispanic or Latino origin, the general population with any disability, and veterans. The Hispanic or Latino population for whom poverty status is determined is 155,904. Of which, 13.3% are living below the poverty level. Of the White population for whom poverty status is determined, 10% are living below the poverty level. The population with the largest population for whom poverty status is determined is the Black or African American population, 565,323. Of which, 8.2% are living below the poverty level. The poverty rate for any persons with a disability is far higher than the County's rate – 13.8%. Looking at the veteran population for whom poverty status is determined, there are 56,520 veterans. Four percent (2,260/4%) have incomes in the past 12 months below poverty level.

The previous Consolidated Plan was amended to include a Section 3 Action Plan that addresses policies and procedures for all HUD covered activities such as: 1) programs that may include multiple contracts, contracts with parts of HUD funding of public or residential construction projects; 2) services and professional service activities generated by construction, such as roads, sewers, sidewalks, community centers, etc.; and 3) all public housing authority covered

activities such as maintenance, development, modernization, and operations.

The purpose of the County's Section 3 Action Plan is to ensure that local low- and very low-income residents and local businesses, to the "greatest extent feasible," are beneficiaries of Section 3 covered projects administered by the County, specifically the Department of Housing and Community Development, the Housing Authority of Prince George's County and the Redevelopment Authority of Prince George's County.

The County may demonstrate compliance with the "greatest extent feasible" requirement of Section 3 by meeting the following HUD numerical goals:

1. Employ qualified Section 3 residents, as thirty percent (30%) of aggregate number of new hires resulting from contracts and subcontracts on a covered activity;
2. Award to Section 3 business concerns at least ten percent (10%) of the total dollar amount of all Section 3 covered contracts for building trades work; and
3. Award to Section 3 business concerns at least three percent (3%) of the total dollar amount of all Section 3 covered contracts for non-construction work.

The County and its partners implement a variety of programs to eliminate poverty through increasing the affordability of housing, increasing the wherewithal of residents to afford more house in relation to their income, stemming neighborhood decline and blight, thus helping residents grow value in their owned or rented real estate assets, and by protecting vulnerable populations and minority communities from predatory financial lending practices and discrimination. These programs meet the various needs of individuals and families as they progress toward financial self-sufficiency.

Actions planned to develop institutional structure

Cross-cutting Action 2.8 in Housing Opportunity for All helps to increase internal capacity to support implementation of CHS goals and strategies, by assessing the existing delivery systems and organizational structures, and aligning them to support strategy implementation. This effort will be ongoing during the FY 2021-2025 Consolidated Plan.

Actions planned to enhance coordination between public and private housing and social service agencies

Cross-cutting Action 2.1 in Housing Opportunity for All supports cross-departmental coordination and communication. By implementing this action, the County will establish a cross-departmental team to coordinate on housing development and capital improvement and related planning projects, geographic targeting and priorities, evaluating the impact of policies and leveraging cross-sector resources, capacity and tools, including social service providers.

AP-90 Program Specific Requirements – 24 CFR 91.220(l)(1,2,4)

Community Development Block Grant Program (CDBG)

Reference 24 CFR 91.220(l)(1)

DHCD administers the CDBG program. The federal CDBG program provides annual grants on a formula basis to entitled cities and counties to develop viable urban communities by providing decent housing, a suitable living environment, and expanding economic opportunities, principally for LMI persons. Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table.

The following identifies program income that is available for use that is included in projects to be carried out.

The County anticipates it will earn \$344,311 in CDBG Program Income, which must be disbursed before any new entitlement funds are used. Up to twenty percent (20%) of the program income received may be, as allowed under the regulations, deposited into DHCD's account(s) for administrative related costs.

The County anticipates program income will be generated from the following sources in FY 2022:

- **Housing Rehabilitation Assistance Program (HRAP):** The County anticipates \$240,071 in program income will be generated from the Housing Rehabilitation Program;
- **Multi-family and Commercial Loans:** The County anticipate receiving \$20,848 in program income will be generated from CDBG commercial loans. The program income will be used for CDBG training, staff development, and other program enhancements; and
- **Lead Identification Field Testing (LIFT):** The County anticipates \$83,392 in program income will be generated from any CDBG commercial loans and will be used for eligible affordable housing, economic development, public facilities and infrastructure, planning and administration and public services activities.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	\$344,311
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	N/A
3. The amount of surplus funds from urban renewal settlements.	N/A
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan.	N/A
5. The amount of income from float-funded activities	N/A
Total Program Income	\$344,311

Other CDBG Requirements

1. The amount of urgent need activities	N/A
---	-----

HOME Investment Partnership Program (HOME)

Reference 24 CFR 91.220(l)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

Prince George's County does not use HOME funds in any other manner than those described in 24 C.F.R. § 92.205.

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

DHCD administers one HOME funded homebuyer program, the Pathway to Purchase Program (formerly known as My HOME Program), which assists income-eligible first-time homebuyers to purchase eligible residential properties by providing homeownership assistance.

The Program offers zero percent (0%) interest, deferred payment of up to the maximum of \$10,000 as needed, for mortgage principle reduction, and/or down payment and/or closing costs. To be eligible, applicants must comply with monthly housing costs burden and total debt ratio requirements set administratively by the Department of Housing and Community Development. All properties must pass a Housing Quality Standards (HQS) Inspection.

When using HOME funds in any County program involving homebuyer activities, the County will incorporate the following provisions as appropriate:

Recapture Provision

For all programs providing a direct HOME subsidy to enable the homebuyer to buy a housing unit, the recapture provision will be enforced. Direct HOME subsidy includes down payment, closing costs, interest subsidies, or other HOME assistance provided directly to the homebuyer. In addition, direct subsidy includes any assistance that reduces the purchase price from fair market value to an affordable price.

If the HOME recipient decides to sell the house within the affordability period, based upon the direct HOME subsidy provided to the homebuyer which enabled the homebuyer to purchase the unit, the County will recapture all or a portion of the direct HOME subsidy. However, the amount recaptured by the County cannot exceed what is available from net proceeds. Net proceeds are defined as the sales price minus superior loan repayments (other than HOME funds) and any closing costs. Under no circumstances will the County recapture more than is available from the net proceeds of the sale.

The County enforces the recapture provision with a HOME Regulatory Agreement, Declaration of Covenants and Deed of Trust to be recorded in the County's land records. For all homebuyer assistance programs providing a direct HOME subsidy, the County will execute and record similar legal documents to enforce the recapture provision.

DHCD also administers the Prince George's County Purchase Assistance Program (PGCPAP) funded by the Prince George's County Housing Investment Trust Fund (HITF). PGCPAP will assist income-eligible, up to 120% of the Area Median Income (AMI), first-time homebuyers to purchase eligible residential properties by providing homeownership assistance. PGCPAP homeownership assistance will be zero percent (0%) interest, deferred payment of up to the maximum of \$15,000 with an optional \$5,000, as needed, for down payment and/or closing costs. Applicants must comply with monthly housing costs burden and total debt ratio requirements set administratively by the Department of Housing and Community Development.

NOTE: Exception: Development subsidies (i.e., the difference between the cost of producing the unit and the fair market value of the unit) are not subject to recapture as the homebuyer does not realize a direct benefit from these funds. For properties that receive development subsidies only, and there is no direct financial assistance to the homebuyer, the resale requirements below will apply.

Resale Provision

Subject to underwriting, certain County programs, specifically those involving newly constructed or substantially rehabilitated HOME-assisted units must remain affordable over the entire affordability term, and therefore those units will be designated as "affordable units." If a

unit is so designated, and is sold during the affordability period, the sale must meet the following criteria:

- The new purchaser must be low-income, defined as a family at seventy to eighty percent (70% to 80%) of area medium income paying no more than thirty percent (30%) of income for principal, interest, property taxes and insurance.
- The new purchaser must use the property as the family's principal residence and agree to assume the remainder of the original affordability period.
- The sales prices will be controlled by the County so as to be "affordable" to the new purchaser.
- The original homebuyer, now the home seller, must receive a "fair return" on their investment, as defined by the County.
- Fair return will be measured by the percentage change in the Consumer Price Index (CPI) over the period of ownership.
- The basis for calculating fair return will include a return on: 1) the HOME-assisted buyer's original investment, plus 2) capital improvements made by the original buyer based on the actual costs of the improvements as documented by the homeowner's receipts.
- These improvements will include: window and roof replacements; electrical and plumbing systems upgrades; infrastructure improvements; kitchen and bathroom remodels; finishing of basement and energy efficient upgrades.
- In some instances, it may be necessary for the County to provide HOME assistance to the subsequent purchaser to ensure that the original buyer receives a fair return and the unit is affordable to the low-income population, as defined.
- The County will use applicable deed restrictions and land covenants to enforce the resale restrictions.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

The County will enforce the recapture/resale guidelines during the applicable affordability with a deed restrictions and land covenants to be recorded in the County's land records.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

Prince George's County does not use HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds.

Emergency Solutions Grant (ESG)

Reference 91.220(l)(4)

DHCD is the administering agency of the Emergency Solutions Grants (ESG) program. DHCD subcontracts with the Prince George's County Department of Social Services (DSS) to implement the ESG program.

1. Include written standards for providing ESG assistance (may include as attachment)

Written standards to be used in administering ESG activities have been developed in partnership with DHCD, DSS, and the CoC (HSP) and ensure:

- Consistent evaluation of individual and family eligibility for assistance in accordance with the definitions of homeless and at risk of homelessness (24 C.F.R. §576.2) as well as with recordkeeping requirements;
- Coordinated and integrated service delivery among all impacted providers;
- Clear and distinct eligibility requirements in place for homelessness prevention versus rapid rehousing assistance;
- Single mechanism for prioritizing applicants who are eligible for assistance;
- Matrix that identifies what percentage and/or amount (or range thereof) each participant must pay, if any, while receiving assistance, how long a single participant may receive assistance (including maximum number of months or times a participant may receive assistance), and adjustments in percentage and/or amount (or range thereof) the participant must pay (including the maximum amount of assistance a participant may receive), if any; and
- Compliance with all ESG rules and regulations.

See Appendix F – ESG-CV Written Standards.

2. If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.

The Prince George's County Continuum of Care (CoC) for homeless persons is coordinated through the County's Homeless Services Partnership (HSP) which includes over one hundred (100) public and private agencies, faith-based organizations, service providers, mainstream programs, consumers and concerned citizens which meet monthly and work collaboratively to establish strategic priorities, assess progress, ensure compliance with HUD and other funder requirements and oversees full implementation of the County's Ten Year Plan to Prevent and End Homelessness.

The CoC is fully compliant with HUD's requirements for centralized intake and assessment. The CoC operates a 24-hour hotline for calls related to housing instability and homelessness. Entrance to all County emergency shelters, as well as diversion and prevention measures, are accessed through this hotline. The central point of entry allows homeless persons to gain services and shelter without having to navigate several different systems and application

procedures. Residents are screened, assessed and linked to a prevention/diversion program or an appropriate emergency shelter based on gender, family composition, need, and bed availability. This centralized process includes system wide coordinated entry protocols for prioritizing and customizing homeless services based on the identified needs of the individual. These protocols create a prioritization code for all those currently in or entering the system which is used to help determine which response – RRH, Emergency Shelter, Transitional Shelter, or PSH is best suited to the household and will help reduce the time spent in homelessness as well as reducing the cost per successful placement. As part of this approach, the CoC also maintains a registry of all known chronically homeless persons and uses a vulnerability index to prioritize those most in need of long-term subsidies and support. The centralized assessment team meets weekly to review all cases.

3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

Through direct operations, as well as publicly procured contracts with private non-profit agencies in the County, DSS currently uses ESG funds to provide emergency shelter, street outreach, HMIS, and homeless prevention and rapid re-housing services. Services are provided through the HSP provider network and all financial assistance funds are issued by DSS. Funding priorities for services are determined using several factors: (1) priority areas identified in the County Ten Year Plan to prevent and end homelessness, (2) alignment with HEARTH and ESG regulations, (3) level of need documented in HMIS (annual CAPER report), and (4) funds currently available for similarly situated activities.

4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.

The County meets the homeless participation requirement. Several members of the HSP are individuals who were homeless or formerly homeless.

5. Describe performance standards for evaluating ESG.

Written standards to be used in administering ESG activities have been developed in partnership with DHCD, DSS, and the CoC (HSP) and ensure:

- Consistent evaluation of individual and family eligibility for assistance in accordance with the definitions of homeless and at risk of homelessness as well as with recordkeeping requirements;
- Coordinated and integrated service delivery among all impacted providers;
- Clear and distinct eligibility requirements in place for homelessness prevention versus rapid

- rehousing assistance;
- Single mechanism for prioritizing applicants who are eligible for assistance;
- Matrix that identifies what percentage and/or amount (or range thereof) each participant must pay, if any, while receiving assistance, how long a single participant may receive assistance (including maximum of months or times a participant may receive assistance), and adjustments in percentage and/or amount (or range thereof) the participant must pay (including the maximum amount of assistance a participant may receive), if any; and
- Compliance with all ESG rules and regulations.

DHCD also uses monitoring standards governing activities set forth in HUD’s monitoring guidebook for the ESG program for making judgments about the program effectiveness and management efficiency; which includes performance expectations (i.e., number of persons in overnight shelter, number of beds created, etc.).

Monitoring

Monitoring is an integral management control technique and a Government Accountability Office (GAO) standard. It is an ongoing process that assesses the quality of a program participant’s performance over a period of time. Monitoring provides information about program participants that is critical for making informed judgments about program effectiveness and management efficiency. It also helps in identifying instances of fraud, waste, and abuse.

Prince George's County's Consolidated Plan for Housing and Community Development was implemented through County departments and agencies, municipalities, private nonprofit organizations and for-profit entities using Federal, State, County and private financing. The following describes the complex undertaking, policies and procedures for the regular monitoring of the performance of operating agencies and their compliance with the federal laws and CPD program regulations.

Monitoring Objectives

The County's Monitoring and Compliance objectives are to ensure:

- Compliance with Federal statutory and regulatory requirements for the Community Development Block Grant (CDBG) Program, HOME Investment Partnerships (HOME) Program, and the Emergency Solutions Grants (ESG) Program;
- Consolidated Plan funds are used for the purposes for which they were made available; and
- General administrative and financial management capabilities by providing a mixture of training, orientation and technical assistance to grantees.

Monitoring Standards

Standards governing activities listed in the *Consolidated Plan* shall be those set forth in HUD's monitoring guidebooks for each covered program (CDBG, HOME, and ESG). Basic monitoring

will address the following:

- National objectives/eligibility
- Program progress
- Overall management systems
- Personal property management
- Sub-recipients and third-party contractors
- Financial management/audits
- Allowable costs/cost principles
- Program income/program disbursements
- Records maintenance and activity status reporting
- Davis-Bacon Wage Rates
- Reversion of assets
- Real property inventory and reporting
- Matching, level of effort and earmarking requirements
- Anti-discrimination, affirmative action, and equal employment opportunity
- Religious and political activity
- Conflict of interest
- Procurement standards and methods
- Environmental compliance
- Lead-based paint abatement
- Confidentiality
- Terms applicable to assistance over time

Specific emphasis will be placed on assurance of compliance with certifications submitted with the *Consolidated Plan* to the U.S. Department of Housing and Urban Development. These include, but are not limited to, the following:

- Affirmatively furthering fair housing
- Acquisition, anti-displacement and relocation assistance
- Drug-free workplace
- Section 3
- Excessive force
- Anti-lobbying
- Program-specific certifications for CDBG, HOME, HOPWA and ESG

Sub-recipient Monitoring Procedures

The County's approach to Sub-recipient monitoring involves several areas of focus through a scheduling process as follows:

1. Orientation, Training, and Technical Assistance

- Orientation: A sub-recipient orientation workshop is held prior to the commencement of each program year, and after adoption of each Annual Action Plan to provide sub-recipients with an overview of the County's expectations for their performance in carrying out activities under contract. The workshop includes a briefing on basic rules and requirements, panel presentations by sub-recipient peers on issues and solutions, and separate roundtable discussions for review of more specific programmatic requirements under CDBG, HOME, and ESG. The intent is to ensure full awareness and understanding of performance expectations, especially by new discussion and peer-interaction.
- Training: Training of sub-recipients is conducted throughout the program year and will address technical matters such as eligible costs and compliance with the Office of Management and Budget (OMB) circulars. Its purpose will be to enhance sub-recipient performance, encourage capacity building, and increase sub-recipient effectiveness and efficiency in delivering benefits to the community.
- Technical Assistance: Technical assistance is offered to sub-recipients to correct specific weaknesses identified through monitoring the particular funded activity, or through review of required reports.
- Further risk assessments will be conducted early in the program year to assist sub-recipients detect potential problems before they occur and offer workable solutions. Technical assistance is also available in response to sub-recipient requests.

2. Program and Records Management

The maintenance of the documentation on sub-recipient performance in implementing activities under contract is the cornerstone of the County's Consolidated Plan monitoring efforts. The file documentation to be maintained on site is specified in the contract provisions. The following describes the type of documentation maintained in the project files:

- Project Files: Separate six-sided files are maintained on each funded activity per program year and program. These files include:
 - Approved applications for CDBG, HOME, or ESG funding;
 - Award notifications, grant agreements, and contracts executed between the County and its sub-recipients, and between sub-recipients and their contractors;
 - Correspondence between the County and its sub-recipients concerning questions they have about eligible costs, substantial changes in the uses of CDBG, HOME, or ESG funds. Such correspondence may address amendments, eligible costs, and qualifying basis;
 - Financial and audit reports;
 - Reports requested from sub-recipients concerning activities undertaken with CDBG, HOME and ESG funds;
 - Copies of requests for payment or reimbursement submitted by sub-recipients or their contractors; and
 - Any records pertaining to monitoring reviews and follow-up.
- Program Management: A tracking system, using a data base compatible with HUD's

IDIS software may be used to record the current status of each funded activity as it moves through the contract development and approval process, as well as all financial transactions up to project close out. The tracking system will permit retrieval of beneficiary characteristics including numbers of persons served, race and ethnicity, socio-economic data, and others as appropriate and required by HUD for reporting purposes.

3. On-Site Comprehensive Monitoring

An on-site monitoring schedule is developed annually upon HUD's formal release of the County's entitlement funds associated with each program (CDBG, HOME, and ESG). In addition, a risk assessment will be conducted at the outset to identify sub-recipients for onsite monitoring which are most likely to encounter problems in complying with program requirements. A risk assessment is a methodology used to identify and analyze the relative risk that program participants pose to the Department.

Priority in selections will be afforded as follows:

- Sub-recipients new to the covered Federal programs, who may not be familiar with their compliance and performance requirements;
- Sub-recipients experiencing turnover in key staff positions performing functions relating to funded activities;
- Sub-recipients with previous compliance or performance problems, where follow-up monitoring is expected;
- Sub-recipients with high-risk activities, such as economic development projects requiring extensive reporting and file management; and
- Sub-recipients presenting evidence that funds allocated are not being obligated or expended in a timely or appropriate fashion consistent with Federal performance guidelines.

4. Compliance and Monitoring Procedures for DHCD Programs

The Monitoring and Compliance Unit monitors all of the programs administered by DHCD for Prince George's County. The purpose of the onsite monitoring visit is to ensure program activities are carried out in compliance with applicable federal laws and DHCD program regulations. Areas reviewed include: meeting national objectives, financial management systems, and general program administration. The Monitoring Unit also reviews compliance with Fair Housing and Equal Employment Opportunity, Section 504 of the Rehabilitation Act/ADA Labor standards, and Section 3 of the Housing and Urban Development Act of 1968, as amended.

Program monitoring involves reviewing the scope of services and onsite records to ensure compliance with eligible activities meeting a national objective and program beneficiaries are low- and moderate-income. The monitoring team reviews the level of accomplishment, remaining balance of funds and monthly activity reports to ensure the activity is progressing timely. The team reviews onsite project records and interviews staff to determine if the activity is progressing as described in the operating agreement.

Financial monitoring consists of reviewing accounting policies and procedures, systems for internal control and reimbursement requests for allowable costs. Financial monitoring also involves maintaining complete and accurate files on each activity. DHCD staff reviews the recordkeeping systems to determine if each activity is eligible, the program beneficiaries are low and moderate-income and project files support the data provided in the monthly activity reports. When problems are identified in a monitoring report an action plan is requested to cure the concerns/ and or findings.

The following is the proposed on-site monitoring schedule for FY 2022.

Table 12 - FY 2022 Proposed On-site Monitoring Schedule

Federal Program	Number of Visits	Proposed Month/Year
HOME Development Projects	35	7/1/2021 thru 6/30/2022
HOME CHDOs	2	7/1/2021 thru 6/30/2022
CDBG	20	7/1/2021 thru 6/30/2022
ESG	6	7/1/2021 thru 6/30/2022

Modified FY 2016 – 2020 Citizen Participation Plan

The Prince George's County "Citizen Participation Plan" is a mechanism for managing the development of the County's Consolidated Plan, Annual Action Plan (AAP) and the Consolidated Annual Performance and Evaluation Report (CAPER). Residents, nonprofit organizations, municipalities, and County agencies express their concerns, seek additional County resources and provide suggestions or solutions to address housing and community development needs.

The primary goals for the citizen participation process are:

- To solicit viewpoints and concerns affected by the Consolidated Plan, Annual Action Plan or Consolidated Annual Performance and Evaluation Report;
- To invite participation by persons interested in helping identify needs and development applicable strategies;
- To collect data that accurately describes and quantifies housing and community development needs and to suggest workable solutions; and
- To obtain comments on proposals for allocating resources.

The County ensures citizens have an opportunity to participate throughout the planning process.

Public Notice and Availability

Prince George's County publishes in one or more newspapers a summary of the proposed Consolidated Plan, Annual Action Plan, and Consolidated Annual Performance and Evaluation Report for public comment. The summary describes the context and purpose of these documents, and sites the locations where copies of the entire document may be examined. Copies are available at government offices, libraries, on the County's website, and by mail upon request.

A reasonable number of free copies of the proposed Consolidated Plan and Annual Action Plan and the draft of the CAPER are made available for citizens and groups of interest upon request. When proposed versions of the Consolidated Plan are released for comment, they are made available for comment for not less than 30 days. The draft CAPER is available for not less than 15 days before submission to the U.S. Department of Housing and Urban Development (HUD).

The final or amended Consolidated Plan, Annual Action Plan, and Consolidated Annual Performance and Evaluation Report is distributed upon request and to those actively involved in developing these documents. Copies are provided to the local libraries and posted on the County's website.

Access to Records

A list of all projects using CDBG, HOME, ESG, and HOPWA funds is made available upon request. This list includes the sub-recipient's name, allocation amount, a brief description of the activity, and the fiscal year in which the funds were distributed. DHCD maintains records and reports on all activities financed, and upon request, makes these materials available to the public.

Technical Assistance

Prince George's County makes technical assistance available to participating municipalities, non-profits, community groups, special interest groups and to citizens developing proposals for CDBG funding. The Community Planning Development Division and the Housing Development Division can assist with needs identification, proposal concept development, budget development and general program questions by contacting the DHCD at (301) 883-5540.

Public Hearing

Prince George's County holds at least two public hearings on the Consolidated Plan and the Annual Action Plan. DHCD sponsors an informal public hearing, the Housing and Community Development Needs Community Forum, at the beginning of the Consolidated Plan and Annual Action Plan development process. The Forum gives citizens an opportunity to identify and describe needs for consideration, and to provide the scope, urgency and financing requirements for proposals to address those needs. The County Council schedules the second, formal public hearing at the time a proposed Plan is transmitted from the County Executive to them for consideration and adoption.

The time, date, location and subject of the hearings are announced in newspapers of general circulation within the County, notifying the public no less than fourteen (14) days before the hearing. Hearings are held at handicap-accessible sites, convenient to potential and actual beneficiaries. The advertisements include TTY phone numbers so hearing-impaired people can arrange for interpreters at the hearing. Those who need sign language interpretation are requested to contact the Community Planning and Development Division and the Housing Development Division at the phone number in the notice. Non-English speakers can also make arrangements for language translation provided courtesy of a CDBG-supported, nonprofit organization. Interpreted comments are incorporated within the Consolidated Plan and Annual Action Plan as appropriate.

The public notices include instructions on how to receive a free copy of the proposed, final, or amended Consolidated Plan and Annual Action Plan. A minimum of 30 days is provided for comments on each Plan before submission to HUD.

Comments and Complaints

Comments and complaints regarding the Consolidated Plan, Annual Action Plan, or Consolidated Annual Performance and Evaluation Report are accepted through all stages of document preparation until the closing of the formal comment period. Written complaints and comments are referred to the Department of Housing and Community Development (DHCD). DHCD responds to written complaints within 30 days.

Criteria for Amendments to a Plan

Prince George's County revises and submits to HUD, amendments to the final Consolidated Plan or Annual Action Plan whenever a "substantial change" is planned or actual activities require such an amendment. Revised or amended Plans are made available for public comment and the same public notice and 30-day public comment period observed as required under this Citizen Participation Plan. The County Council shall hold a public hearing for public input on any substantial revision or amendment to the Plans, and approve the amendment by resolution pursuant to Section 15A-106 of the County Code.

The Prince George's County Consolidated Plan or Annual Action Plan is only amended for a "substantial change" whenever it makes the following decisions:

- A change in the allocation priorities or a change in the method of distribution of funds;
- The addition of an eligible activity not originally funded or described in the Annual Action Plan;
- A change in the location, description, regulatory reference, national objective citation, and status of an activity originally described in the Annual Action Plan;

- A change in the use of CDBG, Program Income, or ESG funds, exceeding at least \$250,000 from one existing activity to another existing eligible activity in any category within the applicable Program. All activities must have been in an approved Annual Action Plan. The CDBG categories include Affordable Housing, Economic Development, Public Facilities and Infrastructure Improvements, Public Services and Planning and Administration. The ESG categories include Emergency Shelter, Street Outreach, HMIS, Rapid-Rehousing, Homeless Prevention and Administration; and
- A change in the proposed uses of HUD 108 Loan Guarantee and Section 108 Program Income.

Emergency Amendments

In the event of a pandemic, natural disaster, catastrophic occurrence, or the County's receipt of disaster recovery funding, Prince George's County establishes expedited procedures to draft, propose, or amend its Consolidated plans and Annual Action Plans. Where the County need to make a Substantial Amendment to the Consolidated Plan and current Annual Action Plan to address the unforeseen needs of the community. The County will determine the necessary changes, prepare the proposed amendment and provide citizens with reasonable notice of and an opportunity to comment on the proposed amendment.

Pursuant to any published waivers or upon request by the County to HUD for a waiver of the required 30 days public comment, the County will proceed with an expedited process for giving the public reasonable notice and a reasonable opportunity to comment. In such situations, the County will provide a timeframe of no less than 5 days for public comments on a substantial amendment and dictate lesser or no public hearings. The County may choose to suspend the need for in-person public hearings and otherwise meet the public hearing requirements with use of a virtual public hearing if the following conditions are met:

- National/local health authorities recommend social distancing and limiting public gatherings for public health reasons; and
- Virtual hearings provide reasonable notification and access for citizens in accordance with the grantee's certifications, timely responses from local officials to all citizen questions and issues, and public access to all questions and responses.

The time, date, location and subject of the hearings will be announced in newspapers of general circulation within the County, notifying the public with reasonable advanced notice, as permitted, but no less than 5 days.

However, if HUD dictates a shorter comment period and/or fast turnaround times and lesser (or no) hearings, the County will comply with federal requirements.

Non-Substantial Amendments for CDBG, Program Income and ESG Reprogramming Authorized

The County authorizes a "non-substantial amendment" process for CDBG, Program Income and ESG through the County Department of Housing and Community Development (DHCD) subject to the process, below, when there is a change in the use of CDBG, Program Income and ESG entitlement funds less than a total of \$250,000 in the County's fiscal year [July 1 – June 30], from one existing activity to another existing eligible activity in any category within the applicable program.

Process to Identify Community Development Block Grant (CDBG) Funds for Reprogramming:

The CDBG categories eligible to reprogram funds include Affordable Housing, Economic Development, Public Facilities and Infrastructure Improvements, Public Services, and Planning and Administration. The identification of funds for the purpose of reprogramming includes the following:

- **Voluntary Reprogrammed Funds:** Voluntary reprogramming represents those CDBG funds acquired when the sub-recipient has completed the originally funded activity and the DHCD staff has closed the activity in the HUD Integrated Disbursement and Information System (IDIS). DHCD will take actions pertaining to voluntary reprogramming subject to a sub-recipient's request and/or recommendation. However, when the eligible activity is completed and closed with a remaining balance, this represents funds available for another approved eligible activity. A sub-recipient is not permitted to maintain any portion or a remaining balance for a completed and closed activity.

Under the voluntary reprogramming, the sub-recipient provides written notification to DHCD stating: 1) the project is complete and provides closeout documentation, as required; 2) the remaining balance dollar amount; and 3) a recommendation to reprogram the remaining balance into the CDBG Program to another eligible activity.

- **Involuntary Reprogrammed Funds:** Involuntary reprogramming represents when a CDBG activity is generally flagged as "At Risk", under the HUD IDIS system, when the activity has required no draw down of funds for a year or more. The DHCD will take actions pertaining to involuntary reprogramming subject to the specific circumstances that are consistent with HUD's IDIS system, which is used to provide administrative oversight of each entitlement jurisdiction.

In the case of involuntary reprogramming, the DHCD will issue a written letter specifying a sixty (60) calendar day intensive technical assistance period to the sub-recipient with a copy to the Prince George's County Council. If the intense technical assistance period does not address the deficiency, DHCD will issue a written letter to the sub-recipient stating that funds will be reprogrammed, thirty (30) calendar days from the date of the letter based on the aforementioned "At Risk" condition subject to approval of the Prince George's County Council.

- **Program Income:** Program Income (PI) is defined as the gross income received by the grantee and its sub-recipient directly generated from the use of CDBG funds pursuant to 24 C.F.R. § 570.504. As required, the DHCD's Annual Action Plan lists anticipated CDBG program income each year. As program income is receipted, it is applied to an eligible and funded sub-recipient activity, resulting in "available" entitlement funds. The application of program income does not affect a sub-recipient's original allocation award.

Criteria for Eligible CDBG Activities to Receive Reprogramming Funds:

County approved CDBG activities in prior program years that are eligible to receive reprogrammed funds include Affordable Housing, Economic Development, and Public Facilities and Infrastructure Improvements, Public Services, and Planning and Administration.

These activities must meet one or more of the following conditions:

- 1) must have submitted an application and received an approved funding allocation in a previously approved Annual Action Plan;
 - 2) demonstrates evidence of a need for additional CDBG funding;
 - 3) have a HUD approved environmental review on file;
 - 3) show evidence of being ready to proceed in a timely manner;
- 4) DHCD agrees that the activity meets a **priority** in the approved 2016 – 2020 Consolidated Plan;
or
- 5) DHCD had determined that the recommended activity and sub-recipient demonstrates the ability to expend funds in a timely manner.

Timeframe for Reprogramming

The DHCD may exercise its right to reprogram voluntary and involuntary CDBG, ESG and Program Income funds each during the County fiscal year (July 1 – June 30). These reprogrammed funds will be reported by DHCD in the annual CAPER submitted to HUD.

Reprogramming Notification and Approval Process

DHCD shall place a notice pertaining to the proposed allocations of reprogrammed funds on the DHCD/County's website at least thirty (30) calendar days prior to the proposed actions to be executed by the Director pertaining to reprogrammed funds. The notice shall contain information regarding the proposed reprogramming, including total amount, opportunity to comment and subject to County Council approval.

DHCD shall provide written notification thirty (30) calendar days prior to the proposed actions to be executed by the Director pertaining to reprogrammed funds to the Prince George's County Council, except when the County Council is in recess in August and December, including:

- Identification of where reprogramming funds are transferred from, specifically the program year, sub-recipient's name, project title, remaining balance amount, and the summation of facts pertaining to the DHCD action (i.e. voluntary or involuntary reprogrammed funds or program income).
- Identification of where reprogrammed funds will be transferred to, specifically, the program year, the sub-recipient's name, project title, scope, location, budget, term of performance and amount of reprogrammed funds.

DHCD shall timely provide any public comments or referrals received in response to the proposed reprogramming to the County Council prior to the expiration of the thirty (30) review period.

The County Council shall provide written notification to DHCD prior to the expiration of the thirty (30) calendar days whether the Council approves, disapproves or amends the reprogrammed funds. Failure by the County Council to provide the written notification within the thirty (30) calendar day time period shall be deemed an approval of the proposed reprogramming.

DHCD shall provide written notification of all final actions executed by the Director pertaining to reprogrammed funds to the Prince George's County Council and HUD. In all cases, DHCD shall place a

notice pertaining to the final allocations of reprogrammed funds in three (3) local newspapers and update the DHCD/County's website.

Adoption of the Citizen Participation Plan

Prince George's County makes the Citizen Participation Plan available for public comment for 30 days in conjunction with the distribution of the Consolidated Plan. The Citizen Participation Plan is adopted along with the Consolidated Plan of which it is a part.

Countywide Public Meeting

Public meetings are held to provide information on the Consolidated Plan and to solicit feedback on the data analysis and ideas conceived by the focus groups. The County Council will hold two public hearings, one to obtain comments on the draft document and one to obtain final comments prior to the adoption of the Plan. Summaries of comments received during the development and completion of the Consolidated Plan will be attached.

Public Notices

Flyer and meeting invitations are sent to participants for focus group meetings. Flyers, email announcements, and advertisements in local newspapers are used to advertise the community-wide meetings. Also, DHCD advertises the Consolidated Plan activities on its website, cable television and through radio interview. Notices are posted in all County libraries and community centers.

Section 108 Loan Pool Summary

Prince George's County's population is growing. This puts a strain on the local housing market and creates a shortage of decent, safe and quality housing that is affordable to very low-income persons. Additionally, the County's housing stock is concentrated in a few price points (rental options are generally priced for households earning between 31 and 80 percent of area median income) and few building types (predominantly single-family housing). Where there are different housing options (e.g., townhomes or larger multi-family buildings), they tend to be clustered in a few areas of the County, primarily inside the Beltway and in the north central areas of the County. The County intends to apply for the maximum amount of Section 108 Loan Guarantee financing under existing authority, approximately \$25 million, to establish a loan pool to support development projects. The County initially intends to use about \$12 to \$14 million of this funding. By leveraging Section 108 financing the County can support mixed-income and mixed-use developments, as well as economic development projects.

The County intends to submit a Generic Application to establish a Loan Pool. A Generic Application identifies a program, targeted areas for concentrated efforts of delivery, Eligible Activities and National Objectives the Loan Pool will fund. The application will enumerate specific Underwriting Guidelines governing credit and risk evaluation. As staff identifies prospective transactions, it will screen projects for compliance with eligibility and conformance to the low-to-moderate risk profile the Section 108 thresholds require. For projects surviving the screening process, staff will assemble an Eligibility Determination that documents program eligibility and credit and submit to the Area Office for approval.

Specifically, the purpose of the Section 108 Loan Pool is to assist with economic, housing, and community development activities in targeted areas. This will foster job creation and community and housing revitalization in these communities. Goals of the Section 108 Loan Pool include acquiring land for redevelopment and directly assisting businesses, nonprofits, and real estate development projects that produce a public benefit. Individual projects are proposed to be evaluated by a loan and investment committee involving County and subrecipient staff, as applicable, led by the County's Department of Housing and Community Development (DHCD). The Section 108 Loan Pool will be leveraged as a tool to bring real estate and community development projects to fruition in the County.

Section 108 National Objectives and Public Benefit Criteria

There are specific National Objectives, as defined by HUD, which this loan pool will address. Title 24 of the U.S. Code of Federal Regulations (CFR), Section 570.208, defines the criteria under which an activity may meet Section 570.200(a)(2), National Objectives. Section 570.200(a)(2) requires that all CDBG activities meet one of three national objectives. These objectives are to: 1) benefit low- and moderate-income families, 2) aid in the prevention or elimination of slums or blight, and 3) meet other urgent community development needs that pose a serious and immediate threat to the health or welfare of the community. Each project funded through the Section 108 Loan Pool will meet one of these National Objectives as detailed in Section 570.208. The primary national objective for Prince George's County's

Section 108 Loan Pool will be the benefit of low- and moderate-income families using the housing occupancy criteria. Use of the urgent need national objective is not anticipated. Section 108 loans will also benefit the public directly and indirectly by allocating funds for redevelopment projects that would not occur in their absence.

Loan Activities

Section 108 funded projects will benefit residents of Prince George's County as they will either provide opportunities for low and moderate-income residents to access permanent residential housing or will permit other economic development activity to take place. Other economic development activity must be targeted either to citizens in a geographic area where at least 51 percent of residents are of low or moderate income or to groups of citizens residing anywhere within the County in which at least 51 percent of beneficiaries are of low or moderate income. The last possible usage of the loan pool is to provide jobs for individuals, of which at least 51 percent of said jobs employ persons of low or moderate income.

The Section 108 Loan Pool is intended to utilize three primary eligible activities:

- Special Economic Development (24 CFR 570.703(i) and 24 CFR 570.203/204)
- Acquisition of Real Property (24 CFR 570.703(a))
- Housing Rehabilitation (24 570.703(h))
- Public Facilities (570. 201(c))

As required by Title 24 of the CFR, Section 570.209, one of the underwriting objectives for the Section 108 Loan Pool is to avoid substituting CDBG funds for non-Federal financial support. Additionally, the creation of Prince George's County's Section 108 Loan Pool will create jobs for low- and moderate-income persons, provide services to a low-income area and/or eliminate conditions of blight in the County. The specific hiring parameters for jobs created or retained through Section 108 funds may not exceed \$50,000 per full-time permanent job created by the CDBG assistance, or \$1,000 per low- and moderate-income person aided by the creation of the activity. The goal of using Section 108 loan pool to lend to businesses that invest in real estate activities is to create net new jobs in County, especially on behalf of individuals meeting the low to moderate income criteria.

Section 108 loans will be used for traditional lending, in addition to short-term financing. An example of the type of loans that the Section 108 Loan Pool may provide is short-term monies dedicated to bridging a financial gap for economic development projects that will utilize local and state investments in the future, but which need immediate assistance in gathering initial financing.

Financial Guarantees, Reporting, and Usage

If the Section 108 Loan Pool is approved, any potential borrowers will be obligated to send quarterly reports to the County detailing job creation resulting from Section 108 Loan Pools. Collateral needed to secure a loan through the Section 108 Loan Pool includes real property assets, personal and/or corporate guarantees, and pledge of future CDBG allocation. However, the County anticipates that all loans, individual and collectively, will be self-supporting. In the event loan pool funds are used to support Public Facilities or infrastructure projects, the County may pledge other assets or income to secure the transaction.

For transactions (primarily economic development projects) subject to the Appropriateness Criteria (24 CFR 570.209), the Eligibility Determinations for individual projects will document conformance to the provisions of Appendix A (24 CFR 570.209(a)) and the Public Benefit standards (24 CFR 570.209(b)). Moreover, the County will establish a “systems” approach regarding delivery. Consequently, staff will set up “subsystems” for marketing, screening, packaging, approving, closing, disbursing and servicing loans.

COUNTY COUNCIL OF PRINCE GEORGE'S COUNTY, MARYLAND
2011 Legislative Session

Bill No. CB-17-2011

Chapter No. 37

Proposed and Presented by Council Members Franklin and Harrison

Introduced by Council Members Franklin, Harrison, Turner, Patterson, Olson and Lehman

Co-Sponsors _____

Date of Introduction October 18, 2011

BILL

1 AN ACT concerning

2 Economic Development and Local Employment

3 For the purpose of enhancing the County's economic development by creating bidding
4 preferences and participation requirements for County-based businesses and County-based small
5 businesses on certain procurement contracts for goods and services with the County; establishing
6 a First Source Hiring Program; requiring "best efforts" for meeting a certain local hiring
7 percentage goal for positions on certain procurement projects funded by the County; requiring
8 submission of quarterly audit reports, maintaining a first source registry, providing for penalties
9 and exemptions to the program; authorizing the use of Community Benefit Agreements on
10 County assisted developments that receive a public benefit of a value greater than \$3,000,000
11 with certain exceptions; authorizing Labor Peace Agreements for developments receiving a
12 public benefit of a value greater than \$1,000,000 with certain exceptions; giving priority to
13 County-based Minority Business Enterprises in all Minority Business Enterprise goals for
14 minority contracting and purchasing; requiring subcontracting plans for certain contracts and
15 generally relating to economic development in the County.

16 BY repealing and reenacting with amendments:

17 SUBTITLE 10A. PURCHASING.

18 Sections 10A-101, 10A-136,

19 The Prince George's County Code

20 (2007 Edition, 2010 Supplement).

21 BY adding:

SUBTITLE 10. FINANCE AND TAXATION.

Sections 10-283, 10-284, 10-285, 10-286,

The Prince George's County Code

(2007 Edition, 2010 Supplement).

BY adding:

SUBTITLE 10A. PURCHASING.

Sections 10A-157, 10A-158, 10A-159, 10A-160, 10A-

161, 10A-162, 10A-163, 10A-164, 10A-165, 10A-

166, 10A-167, 10A-168, 10A-169, and 10A-170

The Prince George's County Code

(2007 Edition, 2010 Supplement).

SECTION 1. BE IT ENACTED by the County Council of Prince George's County, Maryland, that Sections 10A-101 and 10A-136 of the Prince George's County Code be and the same are hereby repealed and reenacted with the following amendments:

SUBTITLE 10A. PURCHASING.

DIVISION 1. ADMINISTRATIVE PROCEDURES.

Sec. 10A-101. Definitions.

(a) The words defined in this Section shall have the meanings set forth below whenever they appear in this Subtitle unless the context in which they are used clearly requires a different meaning or a different definition is prescribed for a particular provision.

* * * * *

(4.1) Certified County-based business participation means the percentage of the total contract dollars paid to businesses certified as County-based businesses.

(4.2) Certified County-based small business participation means the percentage of total contract dollars paid to businesses certified as County-based small businesses.

(4.3) Certified sheltered workshop means an agency that is:

(A) Organized under the laws of the United States or the State of Maryland;

(B) Certified as a sheltered workshop by the Wage and Hour Division of the United States Department of Labor;

1 (C) Accredited by the Division of Vocational Rehabilitation of the Maryland
2 Department of Education;

3 (D) Operated in the interest of individuals who have a mental or physical disability,
4 including blindness, that constitutes a substantial handicap to employment and prevents the
5 individual from engaging in normal competitive employment; and

6 (E) The net income of which does not inure wholly or partially to the benefit of any
7 shareholder or other non-disabled individual.

8 * * * * *

9 (13) **County-based business** means a business whose principal place of operation is
10 located within Prince George's County, that meets the requirements of Section 10A-161(a), and
11 whose application for certification as a County-based business is approved by the Purchasing
12 Agent. Principal place of operation shall be determined by factors as set forth in the regulations.

13 (13.1) **County-based business preference** means a business preference given to a bid or
14 proposal pursuant to Section 10A-158.

15 (13.2) **County-based small business** means a business that meets the requirements of
16 Section 10A-161(b) and whose application for certification as a County-based small business is
17 approved by the Purchasing Agent.

18 (13.3) **County or The County** means Prince George's County, Maryland.

19 (13.4) **County agency** means any department, office, division, administrative unit, or
20 agency of the Prince George's County government or any other entity created or authorized to be
21 created, whether expressed or implied, by the Charter or the Code, including any council, board,
22 bureau, commission, institution, tribunal, government corporation, public authority, or other
23 instrumentality thereof or thereunder.

24 * * * * *

25 (14.1) **County resident** means a person whose domicile is located in Prince George's
26 County, Maryland, as determined by standards set forth by the Purchasing Agent, and who
27 either:
28

29 (A) Filed a Maryland state income tax return that establishes a Prince George's
30 County domicile for the most recent full calendar year;

31 (B) Is claimed as a dependent on a Maryland state income tax return that establishes

1 a Prince George's County domicile for the most recent full calendar year filed by the person's
2 parent, legal guardian, or spouse; or

3 (C) Was not required to file a federal or Maryland state income tax return for the
4 most recent calendar year because the person was not legally liable for income tax pursuant to
5 Section 10-809, Tax-General Article, Annotated Code of Maryland, but was legally domiciled in
6 Prince George's County for the most recent full calendar year, and signs an attestation under oath
7 to this effect on a form provided by the Purchasing Agent.

8 The County Executive, the County Executive's designee, and the Purchasing Agent
9 are authorized to verify a person's County residency status pursuant to this definition in relation
10 to Division 7 of this Subtitle.

11 * * * * *

12 (16.2) **Domicile** means the place of a person's true, fixed, permanent home, without any
13 present intention of completely abandoning that home, and to which the person has the intention
14 of returning whenever absent. **Domicile** does not include a temporary dwelling unless there is a
15 present intention to abandon permanently or indefinitely the former domicile.

16 * * * * *

17 (30) **Procure** means to buy, rent, lease, lease-purchase, or otherwise obtain any supplies,
18 services, or construction. **Procurement** (or a **procurement**) is the noun form of this term. It
19 includes all functions that pertain to the obtaining of any public procurement, including
20 description of requirements, selection and solicitation of sources, and preparation, [and] award
21 and execution of contract. The term does not include the making of any grant or donation.

22 * * * * *

23 (32.1) **Public benefit** means contracts, grants, conditional loans, tax abatements, land
24 transfers for public redevelopment, or tax increment financing from a County agency or the
25 County government. This definition also includes grants or conditional loans from a third party
26 that receives more than 50% of its annual budget in the most recent fiscal year from funds
27 received from or administered by a County agency or the County government and indirect grants
28 or conditional loans from a County agency or the County government that are facilitated by a
29 third party. This definition does not include funds from the Community Development Block
30 Grant ("CDBG") program or tax credits awarded under Subtitle 10 of the Code. The application
31 of this definition is subject to the restrictions of federal and state law.

1 * * * * *
 2 (35) **Purchasing Agent** means the Director of Central Services or the Director of Central
 3 Services' designee.

4 * * * * *

5 **DIVISION 6. SPECIAL PROVISIONS.**

6 **Subdivision 1. Minority Business Opportunities Program.**

7 **Sec. 10A-136. Assistance to minority business enterprises; certification and decertification.**

8 (a) The Purchasing Agent shall structure the procurement procedures and activities of the
 9 County to facilitate and encourage the award of at least thirty percent (30%) of the total dollar
 10 value of all County contracts awarded, directly or indirectly, to County-based minority business
 11 enterprises or minority business enterprises. The value of subcontracts with County-based
 12 minority business enterprises or minority business enterprises shall be included in the
 13 computation of the above total dollar value.

14 (b) In all bids for the construction of public works, if the work is to be subcontracted by
 15 the bidder, every bidder, in order to be considered a responsive bidder, shall be required to
 16 subcontract with County-based minority business enterprises or minority business enterprises for
 17 at least twenty percent (20%) of the total dollar volume of the contract price unless such bidder is
 18 itself a minority business enterprise or County-based minority business enterprise.

19 (c) In determining the lowest responsible and responsive bidder, for contracts valued at
 20 One Million Dollars (\$1,000,000) or less, the Purchasing Agent shall adjust the bid price(s)
 21 submitted by a County-based Minority Business Enterprise or a minority business enterprise, for
 22 the purposes of evaluation and award only, by reducing the bid price(s) of such firm by the
 23 application of bonus factors according to the following schedule:

BID OF LOWEST RESPONSIVE BIDDER	MINORITY BUSINESS ENTERPRISE	PRINCE GEORGE'S BASED MINORITY BUSINESS ENTERPRISE BONUS FACTOR
Factored by:	.05	[.10] .15

24 (d) For contracts valued greater than One Million Dollars (\$1,000,000), the Purchasing
 25 Agent shall adjust the bid price submitted by a County-based Minority Business Enterprise or a
 26 Minority Business Enterprise for the purpose of evaluation and award only by reducing the bid
 27 price(s) of such firm by the application of an Evaluation Bonus according to the following
 28 schedule:

	MINORITY BUSINESS ENTERPRISE	PRINCE GEORGE'S BASED MINORITY BUSINESS ENTERPRISE BONUS FACTOR
Bid Price Subtracted by:	\$50,000.00	[\$100,000.00] <u>\$150,000.00</u>

1
2 (e) Bids or proposals are entitled to receive the greater of the preference points or
3 percentages allowed under either this Section or Section 10A-158, as applicable. The
4 preferences allowed under this Section and Section 10A-158 shall not be applied cumulatively.

5 (f) [(e)] The Purchasing Agent shall, for all contracts, consult with the Minority
6 Business Development Division in order to determine whether subcontracting is appropriate. If
7 subcontracting is determined to be appropriate, the Purchasing Agent [may] shall include a
8 mandatory minority business enterprise and County-based minority business enterprise
9 subcontract clause that requires up to twenty percent (20%) of the contract's total value be
10 performed by one or more minority business enterprises[.] or County-based minority business
11 enterprises. A contract with a total value of \$500,000 or greater that includes a mandatory
12 minority business enterprise and County-based minority business enterprise subcontract clause
13 shall also include compliance with a mandatory subcontracting plan as a condition of the
14 contract, the requirements of which shall be determined by the Purchasing Agent, and which
15 applies for the full term of the contract. The Purchasing Agent shall require that the mandatory
16 subcontracting plan, at a minimum, provides verification of the percentage of the contract's total
17 value that is subcontracted to County-based minority business enterprises or minority business
18 enterprises throughout the full term of the contract. Any change to the mandatory subcontracting
19 plan must be approved by the Purchasing Agent and notice of such a change shall be given by
20 the Purchasing Agent to the MBE Compliance Officer of the County Council within seven (7)
21 calendar days after the date the change is approved. The Purchasing Agent may include a
22 mandatory minority business enterprise and County-based minority business enterprise
23 subcontracting goal that is less than (20%) of the contract's total value only;

24 (1) After consultation with the Minority Business Development Division;

25 (2) Upon a determination that a twenty percent (20%) mandatory minority business
26 enterprise and County-based minority business enterprise subcontracting goal is not able to be
27 obtained at a reasonable price; and

1 (3) Upon a determination that the public interest is served.

2 (g)[(f)] In making the determinations that the public interest is served, under Subsection
3 [(e)] (f), the Purchasing agent shall obtain the concurrence of the Executive Director and may
4 consider engineering estimates, the general market availability of minority business enterprises
5 to provide the services requested, other bids and offers, the cost of the contract, and any other
6 relevant factor.

7 (h)[(g)] If, for any reason, a bidder is unable to achieve a subcontract goal for Minority
8 Business Enterprise and County-based Minority Business Enterprise participation as required by
9 the Purchasing Agent, the bidder may request, in writing, a waiver of the goal with justification
10 to include the following:

11 (1) A detailed statement of the efforts made to select portions of the work proposed to
12 be performed by minority business enterprises and County-based minority business enterprises in
13 order to increase the likelihood of achieving the stated goal;

14 (2) A detailed statement of the efforts made to contact and negotiate with minority
15 business enterprises and County-based minority business enterprises including:

16 (A) The names, addresses, and telephone numbers of minority business
17 enterprises and County-based minority business enterprises and the dates such minority
18 businesses and County-based minority business enterprises were contacted, and

19 (B) A description of the information provided to minority business enterprises
20 and County-based minority business enterprises regarding the plans, specifications, and
21 anticipated time schedule for portions of the work to be performed;

22 (3) As to each Minority Business Enterprise or County-based Minority Business
23 Enterprise that placed a subcontract quotation or offer which the bidder considered not to be
24 acceptable, a detailed statement of the reasons for this conclusion; and

25 (4) A list of Minority Business Enterprise and County-based Minority Business
26 Enterprise subcontractors found to be unavailable to perform under the contract.

27 The Purchasing Agent may grant the waiver only upon a reasonable demonstration by
28 the bidder that the Minority Business Enterprise or County-based Minority Business Enterprise
29 participation goal is unable to be obtained at a reasonable price and if the Purchasing Agent
30 determines that the public interest will be served.

1 (i)[(h)] Whenever the County procures goods or services in accordance with Section
 2 10A-113 of this Code and weighted evaluation points are used, up to 15% of the total scored
 3 evaluation points shall be [awarded] given for Minority Business Enterprise[s] or County-based
 4 Minority Business Enterprise participation unless the Purchasing Agent elects to restrict the
 5 procurement pursuant to Subsection (i) of this Section. [below.]

6 (j)[(i)] The Purchasing Agent may, after consultation with the Minority Business
 7 Development Division, require that the competitive bidding of contracts be restricted to minority
 8 business enterprises or County-based minority business enterprises owned by minority
 9 individuals as defined in Section 10A-101(a), provided there are at least three (3) minority
 10 business enterprises or County-based minority business enterprises that are providers in the trade
 11 of goods or services for which the contract is advertised. No contract shall be awarded pursuant
 12 to this provision if the resultant low bid exceeds by fifteen percent (15%) the most recent unit
 13 price for the same or most recently comparable goods or services, unless the Minority Business
 14 Development Division determines that prices in the relevant market have increased for all
 15 vendors without regard to minority status beyond fifteen percent (15%) since the last time similar
 16 goods or services were procured.

17 (k)[(j)] The Purchasing agent shall consider the following criteria in determining whether
 18 to utilize a procurement method authorized by either Subsections (c), (d), (h)[(g)], (i)[(h)], and
 19 (j)[(i)] of this Section or Section 10A-113:

20 (1) Whether the procedure selected is likely to increase the number of minority
 21 business enterprises or County-based minority business enterprises responding to the County's
 22 procurement requirements;

23 (2) Whether the procedure selected is likely to increase the dollar value of
 24 procurement awards to minority business enterprises or County-based minority business
 25 enterprises;

26 (3) Whether the procedure selected is likely to further the County's goals under this
 27 Division 6 of the Code without unnecessarily interfering with the efficient operation of the
 28 County government; and

29 (4) Whether the procedure selected is the most effective alternative available which
 30 will further the goals stated in this Section.

1 (l) The Purchasing Agent shall require that a bidder uses its "best efforts" to first use
2 County-based minority business enterprises to fulfill any of the minority business enterprise
3 goals and requirements of this Section. If not enough County-based minority business
4 enterprises are demonstrated to be available after "best efforts" are exercised in the judgment of
5 the Purchasing Agent, the Purchasing Agent may then allow the bidder to meet any of the
6 minority business enterprise goals and requirements of this Section with minority business
7 enterprises, if available. In this Section, the term "best efforts" means efforts to the maximum
8 extent practicable have been made to meet the goal or requirement.

9
10 * * * * * * * * *

11 SECTION 2. BE IT ENACTED by the County Council of Prince George's County,
12 Maryland, that Sections 10-283, 10-284, 10-285, and 10-286 of the Prince George's County Code
13 be and the same are hereby added:

14 **SUBTITLE 10. FINANCE AND TAXATION.**

15 **DIVISION 16. COMMUNITY BENEFIT REQUIREMENTS.**

16 **Sec. 10-283. Definitions.**

17 (a) The words defined in this Section shall have the meanings set forth below whenever
18 they appear in this Division unless the context in which they are used clearly requires a different
19 meaning or a different definition is prescribed for a particular provision.

20 (1) Community Benefit Agreement means a project-specific, negotiated agreement
21 between one or more developers and a community coalition selected pursuant to Section 10-284
22 that outlines the project's "community benefits" or commitments to the community.

23 (2) Community Coalition means a group of stakeholder representatives selected by
24 eligible community stakeholders pursuant to Section 10-284.

25 (3) County assisted development means a development or project that is awarded a
26 public benefit of a value greater than One Million Dollars (\$1,000,000) in any twelve (12) month
27 period.

28 (4) Eligible community stakeholder means

29 (a) a homeowners or civic organization registered with the Maryland-
30 National Capital Park and Planning Commission;

31 (b) a tax-exempt entity under Section 501(c) of the United States Internal

1 Revenue Code;

2 (c) a parent teacher organization ("PTO"), parent-teacher association
 3 ("PTA"), or parent-teacher-student association ("PTSA") affiliated with the Prince George's
 4 County Public Schools ("PGCPS"); or

5 (d) an incorporated municipal government.

6 An eligible community stakeholder under 4(a) or 4(b) of this Section must be
 7 incorporated at an address or represent homeowners or tenants living at an address that is within
 8 a three (3) mile distance of the County assisted development (as measured from the outer
 9 boundary of the development site in any direction) for at least twelve (12) consecutive months
 10 immediately prior to the County Council's selection of the eligible stakeholders by resolution
 11 under Section 10-284. An eligible community stakeholder under 4(c) of this Section must be
 12 affiliated at a school that is within a three (3) mile distance of the County assisted development
 13 (as measured from the outer boundary of the development site in any direction).

14 (5) Labor Peace Agreement means an agreement as defined by Section 10-285(c)(1).

15 (6) Public benefit means contracts, grants, conditional loans, tax abatements, land
 16 transfers for public redevelopment, or tax increment financing from a County agency or the
 17 County government. This definition also includes grants or conditional loans from a third party
 18 that receives more than 50% of its annual budget in the most recent fiscal year from funds
 19 received from or administered by a County agency or the County government and indirect grants
 20 or conditional loans from a County agency or the County government that are facilitated by a
 21 third party. This definition does not include funds from the Community Development Block
 22 Grant ("CDBG") program or tax credits awarded under Subtitle 10 of the Code. The application
 23 of this definition is subject to the restrictions of federal and state law.

24 (7) Stakeholder representative means a person selected by an eligible community
 25 stakeholder to represent the stakeholder in the community coalition.

26 **Sec. 10-284. Community Benefit Agreements authorized.**

27 (a) On a case by case basis, as a condition of a public benefit, the County Executive may
 28 require the developer(s) of a County assisted development that is awarded a total public benefit
 29 of a value greater than Three Million Dollars (\$3,000,000) to enter into a Community Benefit
 30 Agreement with the County.

31 (b) A community coalition, comprised of stakeholder representatives of eligible

1 community stakeholders selected by a resolution proposed by the County Executive to the
2 County Council, shall negotiate a recommendation to the County Council for a Community
3 Benefit Agreement with the developer(s) of a County assisted development. A recommended
4 Community Benefit Agreement may be amended and must be approved by resolution of the
5 County Council, signed by the County Executive, and signed by the developer(s) of a County
6 assisted development in order to become a legally binding Community Benefit Agreement
7 between the County and the developer(s).

8 (1) An eligible community stakeholder selected by County Council resolution under
9 this Subsection is entitled to select only one (1) individual to be a stakeholder representative and
10 member of the community coalition on its behalf. The eligible community stakeholder may
11 replace or remove this stakeholder representative from the community coalition at any time.

12 (2) A stakeholder representative shall only have one vote on any decision or action
13 made by a community coalition.

14 (3) Any vote or other action taken by a community coalition must be made at a public
15 meeting of the community coalition, which shall not occur unless public notice of the meeting
16 has been posted for at least five (5) calendar days.

17 (4) An agreement between the developer(s) of the County assisted development and a
18 majority of the community coalition shall be required in order to make a recommendation for a
19 Community Benefit Agreement to the County Council.

20 (5) A community coalition is a public body under the applicable laws of Prince
21 George's County, Maryland.

22 (6) Other procedures for the operation and function of a community coalition, including
23 the selection and authority of officers of the community coalition, may be set forth in regulations
24 as authorized in Section 10-286.

25 (c) A community coalition and the developer(s) with whom the coalition is negotiating
26 under this Section shall recommend a Community Benefit Agreement within ninety (90) days of
27 the effective date of the County Council resolution establishing the coalition's community
28 stakeholders pursuant to Subsection (b) of this Section. In the event a community coalition and
29 the developer(s) of a County assisted development subject to this Section do not recommend a
30 Community Benefit Agreement to the County Council within this ninety (90) day period, the
31 County Council may adopt a resolution establishing and approving the terms of the Community

1 Benefit Agreement. Such an agreement must be signed by the County Executive and signed by
 2 the developer(s) of the County assisted development subject to this Section in order to become a
 3 legally binding Community Benefit Agreement between the County and the developer(s).

4 (d) The aggregate monetary value of the community benefits required to be proffered in a
 5 Community Benefit Agreement by the developer(s) of a County assisted development subject to
 6 this Section shall be no greater than ten percent (10%) of the total value of the public benefit
 7 awarded to the developer(s) for the County assisted development, as valued by the County's
 8 Office of Management and Budget.

9 (e) A violation of a Community Benefit Agreement by the developer(s) of a County
 10 assisted development subject to this Section may result in a fine of up to five percent (5%) of the
 11 monetary value of the received public benefit for each violation or, for repeated violations, a
 12 complete refund of the value of the received public benefit and cancellation of the remaining
 13 public benefit award, as determined by the County Executive or the County Executive's
 14 designee. Compliance with this Section shall be included as a condition of the Community
 15 Benefit Agreement or the agreement shall be void.

16 (f) Nothing in this Section shall be interpreted to preclude the inclusion of a Community
 17 Benefit Agreement for a development or project not covered by the requirements of this
 18 Division.

19 (g) Any County Council resolution enacted to establish a Community Benefit Agreement
 20 under this Section shall be proposed and adopted on the public record at a public hearing in
 21 compliance with Section 15-807 of the State Government Article of the Annotated Code of
 22 Maryland.

23 **Sec. 10-285. Labor Peace Agreements authorized.**

24 (a) Legislative findings and policy.

25 (1) In the course of managing real property that it owns or in otherwise carrying out its
 26 functions in the public interest, the County may participate in real property developments as a
 27 property owner, lessor, proprietor, lender, or guarantor, facing similar risks and liabilities as
 28 other business entities participating in such ventures. As a result, the County has an ongoing
 29 proprietary interest in these developments and a direct interest in their financial performance.

30 (2) The County must make prudent management decisions, similar to any private
 31 business entity, to ensure efficient management of its business concerns and to maximize

1 benefits and minimize risks. One risk is the possibility of labor-management conflict.

2 (3) A major potential outcome of labor-management conflict is economic action by
 3 labor unions against employers. Experience of municipal and other investors demonstrates, for
 4 example, that organizing drives pursuant to the formal and adversarial union certification process
 5 often deteriorate into protracted and acrimonious labor-management conflict. Labor-
 6 management conflict can result in construction delays, work stoppages, picketing, strikes,
 7 consumer boycotts, and other forms of adverse economic pressure. Such conflict may adversely
 8 affect the County's financial or other proprietary business interests by causing delay in the
 9 completion of a project, reducing the revenues or increasing the costs of the project, and by
 10 generating negative publicity.

11 (4) One method of reducing the risk to the County's proprietary interests is to require,
 12 when reasonable and prudent, as a condition of the County's investment or other economic
 13 participation in a development project, that employers taking part in the development project
 14 seek agreements with labor organizations in which the labor organizations agree to forbear from
 15 adverse economic action against the employers' operations.

16 (b) Determination of need for labor peace agreement.

17 (1) For each development project, the County Executive shall determine whether
 18 Prince George's County has a proprietary interest in the development project and whether a
 19 Labor Peace Agreement would be appropriate. The factors to be taken into account when
 20 determining the existence of a proprietary interest will include:

21 (A) Through a lease of real property that is owned by Prince George's County
 22 and used for the development project, receives ongoing revenue, excluding government fees, tax
 23 revenue, or assessment revenue, or similar fees and revenues, except for tax revenue under the
 24 circumstances specified in Subparagraphs (B) and (C) of this Paragraph;

25 (B) Receives ongoing revenue from the project to repay loans provided by the
 26 County to assist in the development of the project, including incremental tax revenues generated
 27 by the project;

28 (C) Receives ongoing revenue from the project to pay debt service on bonds
 29 provided by the County to assist in the development of the project, including incremental tax
 30 revenues generated by the project;

31 (D) Has significant assets at risk because it has agreed to underwrite or guarantee

1 the development of the project or loans related to the project; or

2 (E) Has a significant ongoing economic and nonregulatory interest at risk in the
 3 financial success of a project which is likely to be adversely affected by labor-management
 4 conflict, except that no interest shall be considered economic and nonregulatory if it arises from
 5 the exercise of regulatory or police powers such as taxation (except as set forth in Subparagraphs
 6 (B) and (C) of this Paragraph), zoning, or the issuance of permits or licenses.

7 (2) (A) If the County Executive determines that the County has a proprietary interest
 8 at risk in a development, the County Executive shall require that the developer(s) of the project,
 9 including the developer(s)' tenants, subtenants, contractors, or subcontractors; demonstrate that
 10 they have entered into a labor peace agreement with the labor organization(s) which seek to
 11 represent, or might seek to represent, workers on the project, prior to, and as a condition
 12 precedent of, the County's award of a public benefit to the development project.

13 (B) For the purposes of this Section:

14 (i) Contract means a written agreement, including a management
 15 agreement, service agreement, loan, bond, guarantee, or other similar agreement, to which the
 16 County is a party and in which the County has a proprietary interest;

17 (ii) Employer means any person, corporation, company, association,
 18 limited or general partnership, joint venture, contractor, subcontractor, or other entity that
 19 employs individuals at the site of a development project; provided, that the term "employer"
 20 shall not include the United States, Prince George's County, a wholly owned government
 21 corporation, a Federal Reserve Bank, or a state or other political subdivision;

22 (iii) Labor organization shall have the same meaning as under 29 U.S.C.
 23 §152(5).

24 (iv) Labor peace agreement means a written agreement between an
 25 Employer and a Labor Organization, enforceable under Section 301 of the Labor Management
 26 Relations Act, 29 U.S.C. § 185, that contains, at a minimum, (1) a provision prohibiting the
 27 Labor Organization and its members from engaging in any picketing, work stoppage, boycott, or
 28 other economic interference with the employer's operations in which the County has a
 29 proprietary interest, for the duration of the interest; and (2) provides that any services to be
 30 performed by employees of the employer's tenants, subtenants, contractors, or subcontractors
 31 will also be done under agreements containing the same labor peace assurance.

1 (v) Services means construction, janitorial, security (but not national
2 security), building and grounds maintenance, warehousing and distribution, mechanics and truck
3 services, hotel (and any restaurant connected thereto), and grocery sales.

4 (c) Exceptions.

5 The requirements to enter into a labor peace agreement shall not apply to:

6 (1) An employer at the development project that meets the definition of a "small
7 business" pursuant to the Code of Maryland Regulations ("COMAR") 21.01.02.01(80);

8 (2) A development project that is not awarded a total public benefit of a value greater
9 than One Million Dollars (\$1,000,000);

10 (3) A residential development project;

11 (4) A development project that receives only conduit bond financing from the County,
12 in which the County does not retain a proprietary interest; or

13 (5) A development project involving a historically designated building.

14 (e) Limitations.

15 (1) Nothing in this Section requires an employer to recognize a particular labor
16 organization.

17 (2) Nothing in this Section requires an employer to enter into a collective bargaining
18 agreement establishing the substantive terms and conditions of employment.

19 (3) This Section is not intended to, and shall not be interpreted to, enact or express any
20 generally applicable policy regarding labor-management relations or to regulate those relations
21 in any way.

22 (4) This Section is not intended to favor any particular outcome in the determination
23 of employee preference regarding union representation.

24 (5) Nothing in this Section permits or requires the County or any employer to enter
25 into any agreement in violation of the National Labor Relations Act of 1935, approved July 5,
26 1935 (49 Stat. 449; 29 U.S.C.S. § 151 et seq.).

27 (f) Requirement of County notice.

28 A request for proposals or invitation to bid or similar document regarding a development
29 project subject to this Section shall include a summary description of and reference to the
30 requirements of this Section. Failure to include a description or reference to this Section in the
31 document shall not exempt an employer otherwise subject to the requirements of this Section.

1 **Sec. 10-286. Regulations authorized.**

2 The County Executive may promulgate regulations to govern the implementation of this
 3 Division, provided that such regulations are consistent with the provisions of this Division. Any
 4 such regulations must be approved by the County Council.

5 SECTION 3. BE IT ENACTED by the County Council of Prince George's County,
 6 Maryland, that Sections 10A-157, 10A-158, 10A-159, 10A-160, 10A-161, 10A-162, 10A-163,
 7 10A-164, 10A-165, 10A-166, 10A-167, 10A-168, 10A-169, and 10A-170 of the Prince George's
 8 County Code be and the same are hereby added:

9 **SUBTITLE 10A. PURCHASING.**

10 **DIVISION 7. ECONOMIC DEVELOPMENT.**

11 **Sec. 10A-157. Legislative findings and policy.**

12 (a) The County government finds that the public interest will be served by encouraging
 13 businesses to locate and remain in Prince George's County through the provision of local bid and
 14 proposal preferences and participation requirements for County-based businesses and County-
 15 based small businesses in the award of contracts in direct government procurement.

16 (b) The County government finds that the local bid and proposal preferences and local
 17 participation requirements in direct government procurement prescribed in Subdivision 1 of this
 18 Division will serve the public interest because the resulting growth and development of County-
 19 based businesses and County-based small businesses will have a significant, positive impact on
 20 the economic health of the County by, among other things, increasing the County's commercial
 21 tax revenue and improving access to good paying careers for local residents. This will help
 22 achieve the public interest objective of diversifying and enlarging the County's tax base that
 23 funds vital public services, which is currently overly reliant on residential property taxes.

24 (c) The County government finds that the local bid and proposal preferences and local
 25 participation requirements in direct government procurement prescribed in Subdivision 1 of this
 26 Division will serve the public interest objective of rewarding those businesses which contribute
 27 the most to the County's economy, especially County-based small businesses, which are the
 28 most likely businesses to create jobs for County residents.

29 (d) The County government finds that because of the lack of local career opportunities for
 30 County residents, only forty percent (40%) of the jobs in the County are held by County
 31 residents (sixty percent (60%) are held by non-County residents) and approximately sixty percent

1 (60%) of the County's resident workforce works outside of the County on a daily basis, the
2 highest percentage of out-migration of a local workforce of any jurisdiction in the Washington
3 DC Metropolitan Statistical Area (MSA), which:

4 (1) Leads to insufficient and inconsistent daytime consumer spending in local
5 businesses, including retail and professional services, which hurts the County's commercial tax
6 base; and

7 (2) Causes longer commute times for local residents and contributes to worsening
8 traffic congestion, which is among the worst in the nation; expensive road repair and
9 maintenance costs to county taxpayers; and reduced time for parental supervision of county
10 school-aged children by working parents.

11 (e) The County government finds that the lack of local career opportunities for County
12 residents contributes to the County having the highest poverty and unemployment rates among
13 suburban jurisdictions in the Washington DC MSA and having the highest foreclosure and
14 uninsured rates of any jurisdiction in the State of Maryland. The lack of nearby career
15 opportunities limits access to employment for low-to-moderate income County residents who
16 have more limited transportation options.

17 (f) The County government finds that too few of the existing career and business
18 opportunities related to government funded projects benefit County residents, which contributes
19 in part to the overall lack of employment and business opportunities in the County for County
20 residents, particularly low-to-moderate income residents, County-based businesses, and County-
21 based small businesses. Further, the County government finds that from 2000 to 2011, there was
22 little to no new net job creation in the County, despite nearly an 8% increase in the County's
23 population.

24 (g) The County government finds a substantial reason and basis for the County resident
25 hiring goals prescribed in Subdivision 2 of this Division, including the goal that at least fifty-one
26 percent (51%) of the work hours on direct government procurement, be worked by County
27 residents, because the County resident hiring goals will serve the County's public and proprietary
28 interest by:

29 (1) Reducing the out-migration of the local workforce, which will increase local
30 consumer spending in county businesses and increase the County's commercial tax base;

31 (2) Helping reduce the County's worsening traffic congestion, road repair costs, and

1 commute times for working parents; and

2 (3) Increasing access to nearby career opportunities for County residents with jobs
 3 paying a prevailing wage and likely to include health and other benefits, which will reduce the
 4 County's unemployment, uninsured, foreclosure, and poverty rates and assist County residents in
 5 affording the high cost of living in the Washington DC MSA.

6 (h) The County government finds that the County resident hiring goals prescribed in
 7 Subdivision 2 of this Division, including the goal that at least fifty-one percent (51%) of the
 8 work hours on direct government procurements be worked by County residents, will not unduly
 9 burden or unreasonably restrict access to employment in the County for out of state residents.
 10 Because Subdivision 2 of this Division only requires a demonstration of "best efforts" to meet
 11 the local hiring goals (rather than requiring employers to meet the local hiring percentages
 12 themselves), in addition to including the appropriate exceptions, the provisions of Subdivision 2
 13 of this Division are not unnecessarily broad and are sufficiently flexible and tailored to achieve
 14 the public interest objectives outlined in this Section.

15 **Subdivision 1. County-Based Business Assistance.**

16 **Sec. 10A-158. County-based business preferences.**

17 (a) On any procurement for which a County agency or the County government secures
 18 competitive bids or proposals, including, but not limited to, competitive bids secured pursuant to
 19 Section 10A-112 or competitive proposals pursuant to Section 10A-113, the Purchasing Agent
 20 shall:

21 (1) Apply a bid or proposal preference of ten percent (10%) to any County-based
 22 business that submits an approved certification as set forth in Section 10A-161(a) and fifteen
 23 (15%) percent to any County-based small business that submits an approved certification as set
 24 forth in Section 10A-161(b).

25 (2) For bids or proposals that are not made entirely by County-based businesses,
 26 apply a bid or proposal preference at an increasing rate of one percent (1%) for every ten percent
 27 (10%) increment of certified County-based business participation. Bids or proposals with one
 28 hundred percent (100%) certified County-based business participation shall receive the
 29 maximum ten percent (10%) bid preference.

30 (3) For bids or proposals that are not made entirely by County-based small
 31 businesses, apply a bid or proposal preference at an increasing rate of one and a half percent

1 (1.5%) for every ten percent (10%) increment of certified County-based small business
 2 participation. Bids or proposals with one hundred percent (100%) certified County-based small
 3 business participation shall receive the maximum fifteen percent (15%) bid preference.

4 (4) Bids or proposals are entitled to receive the greater of the preference points or
 5 percentages allowed under either this Section or Section 10A-136, as applicable. The
 6 preferences allowed under this Section and Section 10A-136 shall not be applied cumulatively.

7 (b) The Purchasing Agent may determine not to apply a bid or proposal preference under
 8 this Section if the Purchasing Agent certifies that such a preference would result in the loss of
 9 federal or state funds, subject to the approval of the County Executive. The Purchasing Agent
 10 shall transmit a copy of any such determination to the County Council no later than thirty (30)
 11 calendar days following the date of the procurement award.

12 (c) The requirements of this Section shall apply to the procurement of vendors retained
 13 by a County agency or the County government to assist in the financing and sale of County
 14 government debt. The requirements of this Section shall also apply to the procurement of
 15 brokerage firms, investment banking firms, investment management firms, consultants, and other
 16 vendors retained to manage or invest funds controlled or administered by a County agency or the
 17 County government. The application of this Subsection is subject to the requirements and
 18 restrictions of federal and state law.

19 (d) A business may opt to not receive a County-based preference under this Section.

20 (e) For the purposes of this Division, the term "competitive bids or proposals" means any
 21 bids or proposals for procurement funded or administered by a County agency or the County
 22 government except for procurement awards made pursuant to Section 10A-114.

23 **Sec. 10A-159. County-based business participation requirements.**

24 (a) For any procurement that is greater than One Hundred Thousand Dollars (\$100,000)
 25 in total value for which a County agency or the County government secures competitive bids or
 26 proposals, including, but not limited to, competitive bids secured pursuant to Section 10A-112 or
 27 competitive proposals pursuant to Section 10A-113, the Purchasing Agent shall require the
 28 following:

29 (1) At least forty percent (40%) certified County-based business participation;
 30 provided, that the costs of materials, goods, and supplies shall not be counted towards the 40%
 31 participation requirement, unless such materials, goods, and supplies are purchased from County-

1 based businesses; and

2 (2) A bid or proposal responding to a solicitation shall be deemed nonresponsive
3 and shall be rejected by the Purchasing Agent if it fails to meet the forty percent (40%) minimum
4 certified County-based business participation requirement in Paragraph (1) of this Subsection,
5 unless the participation requirement is waived and adjusted pursuant to Subsection (b) of this
6 Section.

7 (3) Any existing procurement contract or agreement for which a County agency or
8 the County government secured competitive bids or proposals, including, but not limited to, any
9 procurement contract that was awarded pursuant to Section 10A-112 or Section 10A-113, and
10 including any existing multiyear contract or extended contract, which does not include at least
11 forty percent (40%) certified County-based business participation as prescribed in this
12 Subsection at the time of any contemplated exercise of an option, extension, or renewal,
13 including automatic extensions or renewals (e. g. "evergreen" contracts or agreements), shall not
14 be renewed or extended.

15 (b) If the Purchasing Agent determines that there are insufficient responsible County-
16 based businesses to completely fulfill the requirement of Paragraph (1) of Subsection (a) for a
17 particular procurement or if the requirement would result in the loss of federal or state funds or
18 grants, the Purchasing Agent may waive the requirement and adjust the minimum participation
19 percentage, subject to the approval of the County Executive. For procurement contracts or
20 agreements subject to approval by legislative act under Section 819 of the Charter, a waiver
21 and/or percentage adjustment authorized by this Subsection must also be approved by the County
22 Council. For procurement contracts or agreements not subject to approval by legislative act
23 under Section 819 of the Charter, notice of a waiver and/or percentage adjustment authorized by
24 this Subsection must be sent to the County Council by the Purchasing Agent by no less than
25 fourteen (14) calendar days prior to the decision being made to waive the requirement and adjust
26 the minimum participation percentage in Paragraph (1) of Subsection (a).

27 (c) Failure to apply the applicable provisions of Section 10A-158 and this Section to a
28 procurement award, subject to the waivers and adjustments authorized by this Division, shall
29 render the procurement award and/or contract or agreement void.

30 (d) On a case by case basis, for any procurement subject to the requirements of
31 Subsection (a) of this Section, the Purchasing Agent may require more than forty percent (40%)

1 certified County-based business participation if the Purchasing Agent determines that there is a
2 sufficient number of County-based businesses to justify a higher certified County-based business
3 participation requirement.

4 **Sec. 10A-160. County agency local procurement goals**

5 (a) Each County agency, including, but not limited to, each County agency that procures
6 in whole or in part through the Office of Central Services, shall use its "best efforts" to exercise
7 its procurement authority so as to meet, on an annual basis, the goal of procuring at least fifty
8 percent (50%) of the dollar volume of its goods and services, including, but not limited to,
9 construction goods and services, to County-based businesses and at least thirty percent (30%) to
10 County-based small businesses; and

11 (b) The dollar volume referenced in Subsection (a) of this Section shall be based on the
12 expendable budget of the County agency.

13 (c) For any procurement with a total value equal to or less than One Hundred Thousand
14 Dollars (\$100,000) for which a County agency secures competitive bids or proposals, including,
15 but not limited to, competitive bids pursuant to Section 10A-112 or competitive proposals
16 pursuant to Section 10A-113, each County agency shall set-aside the procurement only for bids
17 or proposals from County-based small businesses, subject to Paragraphs (1) – (4) of this
18 Subsection.

19 (1) A County agency shall not be required to set aside a procurement for County-
20 based small businesses under this Subsection if there are not at least two (2) County-based small
21 businesses that can sufficiently provide the services or goods which are the subject of the
22 procurement. A County agency may also refuse to set aside a procurement for County-based
23 small businesses under this Subsection if the agency determines, after applying any applicable
24 preferences, that the lowest County-based small business bid or proposal price is believed to be
25 twelve percent (12%) or more above the likely price on the open market. An agency shall not
26 make such a determination unless the County-based small business with the lowest bid or
27 proposal price has been given the opportunity to win the procurement by offering a bid or
28 proposal price less than twelve percent (12%) higher than the likely price on the open market
29 identified by the agency. If the County agency makes a determination under this Paragraph not
30 to set aside a procurement for County-based small businesses, then the County agency must
31 adhere to the requirements of Paragraph (2) of this Subsection.

1 (2) If there are not at least two (2) County-based small businesses that can
2 sufficiently provide the services or goods which are the subject of a procurement under
3 Paragraph (1) of this Subsection, the County agency shall set-aside the procurement only for bids
4 or proposals from County-based businesses, unless there are not at least two (2) County-based
5 businesses that can sufficiently provide the services or goods which are the subject of the
6 procurement. A County agency may also refuse to set aside a procurement for County-based
7 businesses under this Paragraph if the agency determines, after applying any applicable
8 preferences, that the lowest County-based business bid or proposal price is believed to be twelve
9 percent (12%) or more above the likely price on the open market. A County agency shall not
10 make such a determination unless the County-based business with the lowest bid or proposal
11 price has been given the opportunity to win the procurement by offering a bid or proposal price
12 less than twelve percent (12%) higher than the likely price on the open market identified by the
13 agency.

14 (3) Only if a County agency satisfies the requirements of both Paragraphs (1) and (2)
15 of this Subsection and receives approval from the Purchasing Agent may the County agency
16 thereafter issue the procurement in the open market, subject to all of the other applicable
17 preferences and participation requirements prescribed in this Subdivision. If a County agency,
18 after receiving approval of the Purchasing Agent, makes a determination not to set aside a
19 procurement under either Paragraphs (1) and (2) of this Subsection and opts to issue the
20 procurement in the open market, the County agency must transmit in writing its determination
21 and the reasons for the determination to the County Executive and County Council no later than
22 fourteen (14) calendar days after the date of the determination's approval by the Purchasing
23 Agent.

24 (4) Any existing contract or agreement, including any existing multiyear contract or
25 extended contract, for a procurement funded by a County agency or the County government with
26 a total value equal to or less than One Hundred Thousand Dollars (\$100,000) that was not set-
27 aside for County-based small businesses or County-based businesses pursuant to the
28 requirements of this Section, and for which a County agency or the County government secured
29 competitive bids or proposals, including, but not limited to, any procurement contract that was
30 awarded pursuant to Section 10A-112 or Section 10A-113, at the time of any contemplated
31 exercise of an option, extension, or renewal, including automatic extensions or renewals (e. g.

1 "evergreen" contracts or agreements), shall not be renewed or extended. This Paragraph shall
2 not apply to a contract or agreement for a procurement with fifty percent (50%) or greater
3 certified County-based business participation.

4 (d) The Purchasing Agent may waive the requirements of Subsection (c) of this Section
5 for a procurement if the Purchasing Agent certifies that such a requirement would result in the
6 loss of federal or state funds, subject to the approval of the County Executive. The Purchasing
7 Agent shall transmit a copy of any such determination to the County Council no later than seven
8 (7) calendar days following the date of the procurement award.

9 (e) Each County agency shall submit a written report to the Purchasing Agent and to the
10 County Auditor within thirty (30) calendar days after the end of each quarter after the beginning
11 of the fiscal year that provides:

12 (1) The percentage and U.S. dollar value of certified County-based business
13 participation and certified County-based small business participation in the most recent three (3)
14 month period from the County agency's procurements, including reporting the percentage and
15 U.S. dollar value of certified County-based business participation and certified County-based
16 small business participation for the period from the beginning of the fiscal year to the reporting
17 date;

18 (2) The name and principal place of operation of each business receiving payment
19 under a procurement from the County agency in the most recent three (3) month period,
20 including the U.S. dollar value and percentage of the total procurement dollars paid in the most
21 recent three (3) month period to each business; and

22 (3) For the 4th Quarter of the fiscal year only, the expected percentage and U.S.
23 dollar value of certified County-based business participation and certified County-based small
24 business participation in the next twelve (12) month period.

25 (f) If a County agency fails to meet any of the goals set forth in Subsection (a) of this
26 Section, the County Executive, or the County Council by resolution, may require that a portion
27 of the agency's procurements be made part of a set-aside program for County-based businesses
28 and/or County-based small businesses.

29 (g) As a condition of receiving funding from the County government, a non-County
30 agency or entity that receives more than fifty percent (50%) of its annual budget in the most
31 recent fiscal year from funds received from or administered by a County agency or the County

1 government shall comply with the same goals and requirements as a County agency under
 2 Subsections (a), (b), (e), and (f) of this Section, unless the non-County agency or entity certifies
 3 in writing to the County Council and the County Executive that such compliance would violate
 4 federal or state law.

5 **Sec. 10A-161. County-based business certification requirements.**

6 (a) A business that seeks to be certified as a County-based business shall make
 7 application to the Purchasing Agent on a form provided by the Purchasing Agent. Such an
 8 application shall not be approved by the Purchasing Agent unless the business:

9 (1) Requires that its chief executive officer and the highest level managerial
 10 employees of the business maintain their offices and perform their managerial functions in the
 11 County;

12 (2) Files a written certificate that the business is not delinquent in the payment of
 13 any County taxes, charges, fees, rents or claims;

14 (3) Files a tax return filed with the State of Maryland establishing that the business
 15 has operated within the County within the preceding twelve (12) months;

16 (4) Files documentation showing that during the preceding twelve (12) months the
 17 business has continuously maintained a valid business license or permit;

18 (5) Files documentation showing that during the preceding twelve (12) months the
 19 business has continuously occupied an office within the County, as its principal place of
 20 operation; and

21 (6) Files documentation showing that:

22 (i) More than fifty percent (50%) of the business' full-time employees are
 23 County residents; or

24 (ii) The owners of more than fifty percent (50%) of the business are County
 25 residents; or

26 (iii) More than (fifty percent) 50% of the assets of the business, excluding
 27 bank accounts, are located in the County; or

28 (iv) More than (fifty percent) 50% of the total sales or other revenues of the
 29 business are derived from transactions of the business in the County.

30 (b) A business that seeks to be certified as a County-based small business shall make an
 31 application to the Purchasing Agent on a form provided by the Purchasing Agent. Such an

1 application shall not be approved by the Purchasing Agent unless:

2 (1) The business meets the requirements of Section 10A-161(a); and

3 (2) The business meets the definition of "small business" pursuant to the Code of
4 Maryland Regulations ("COMAR") 21.01.02.01(80); or

5 (3) For a business classified as being in the construction industry by Sector 23 of
6 the current edition of the NAICS, the business meets the federal definition of "small business
7 concern" in Part 121 of Title 13 of the Code of Federal Regulations.

8 (c) Once an application for certification is approved under this Section by the Purchasing
9 Agent, a copy of the approved application shall be expeditiously transmitted to the County
10 Auditor.

11 (d) A business whose application is approved for certification as a County-based small
12 business is automatically certified as a County-based business.

13 (e) Nonprofit entities that satisfy the applicable requirements of this Section are eligible
14 to be certified as County-based businesses and County-based small businesses.

15 (f) A business that is certified as a County-based business or County-based small
16 business shall meet the requirements of certification under this Section continuously after the
17 date the business's application for certification is approved by the Purchasing Agent or the
18 business's certification shall be void. In such instances, the business must re-apply pursuant to
19 the requirements of this Section to be certified as a County-based business or a County-based
20 small business.

21 **Sec. 10A-162. Enforcement of County-based business assistance.**

22 (a) For the entire duration of the procurement contract or agreement, any vendor given a
23 County-based business preference under Section 10A-158 or subject to the County-based
24 business participation requirements under Section 10A-159 shall maintain no less than the
25 percentage of certified County-based business participation or certified County-based small
26 business participation stated in the winning bid or proposal. At the discretion of the Purchasing
27 Agent, failure to comply with this Section may subject any vendor given a business preference
28 under Section 10A-158 or subject to the County-based business participation requirements under
29 Section 10A-159 to a penalty, to include monetary fines of up to five percent (5%) of the value
30 of the contract for each violation, or a cancellation of the contract or agreement.

31 (1) A vendor may request a waiver of the requirements of this Subsection by the

1 Purchasing Agent. On a case by case basis, such a waiver request may be granted by the
 2 Purchasing Agent with the approval of the County Executive, if "best efforts" by the vendor to
 3 comply have been demonstrated as prescribed in Subsection (e) of this Section.

4 (2) For procurement contracts or agreements subject to approval by legislative act
 5 under Section 819 of the Charter, a waiver and/or percentage adjustment authorized by this
 6 Subsection must be approved by the County Council. For procurement contracts or agreements
 7 not subject to approval by legislative act under Section 819 of the Charter, notice of such a
 8 waiver and/ or percentage adjustment, including the information provided to the Purchasing
 9 Agent pursuant to Paragraphs (1) -- (4) of Subsection (e) of this Section, must be sent to the
 10 County Council by the Purchasing Agent by no less than fourteen (14) calendar days prior to the
 11 date of the County Executive's approval of the Purchasing Agent's decision.

12 (b) Any vendor given a County-based business preference under Section 10A-158 or
 13 subject to the County-based business participation requirements of Section 10A-159 shall submit
 14 a quarterly report within thirty (30) calendar days after the end of each quarter to the Purchasing
 15 Agent, the County Auditor, and a compliance manager designated by the County Council that
 16 provides:

17 (1) The percentage and U.S. dollar value of certified County-based business
 18 participation and certified County-based small business participation in the most recent 3 month
 19 period, including reporting the percentage and U.S. dollar value of certified County-based
 20 business participation and certified County-based small business participation for the period
 21 from the beginning of the calendar year to the reporting date;

22 (2) The name and principal place of operation of each business receiving payment
 23 under the procurement in the most recent 3 month period, including the U.S. dollar value and
 24 percentage of the total contract dollars paid in the most recent 3 month period to each business;
 25 and

26 (3) The expected percentage and U.S. dollar value of certified County-based
 27 business participation and certified County-based small business participation in the next 12
 28 month period.

29 (c) At the discretion of the Purchasing Agent or the County Auditor, any vendor given a
 30 County-based business preference under Section 10A-158 or subject to the County-based
 31 business participation requirements of Section 10A-159 shall be subject to an audit of documents

1 or other information deemed necessary by the Purchasing Agent or the County Auditor to verify
 2 compliance with this Section upon thirty (30) calendar days written notice, including, but not
 3 limited to, copies of any contracts with subcontractors or other vendors.

4 (d) The Purchasing Agent shall make compliance with this Subdivision a condition of
 5 any contract or agreement for a procurement funded by a County agency or the County
 6 government or any such contract or agreement shall be void. This requirement does not apply to
 7 procurements awarded pursuant to Section 10A-114.

8 (e) In this Subdivision, the term "best efforts" means efforts to the maximum extent
 9 practicable have been made to meet the requirement. A vendor given a County-based business
 10 preference under Section 10A-158 or subject to the County-based business participation
 11 requirements under Section 10A-159 shall not be deemed to have demonstrated "best efforts"
 12 under Subsection (a) of this Section where there is a sufficient number of County-based
 13 businesses or County-based small businesses to enable the vendor to meet the requirements of
 14 Subsection (a) of this Section. The Purchasing Agent shall not grant a waiver authorized by
 15 Paragraph (1) of Subsection (a) of this Section unless the vendor seeking the waiver:

16 (1) Provides a detailed written statement of the reasons the vendor is unable to
 17 maintain its percentages of County-based business or County-based small business participation;

18 (2) Provides a detailed written statement of its efforts to maintain its percentages of
 19 County-based business or County-based small business participation, including its efforts to
 20 contact and negotiate with County-based businesses or County-based small businesses including:

21 (A) The names, addresses, and telephone numbers of the County-based
 22 businesses or County-based small businesses that were contacted and the dates such County-
 23 based businesses were contacted, and

24 (B) A description of the information provided to County-based businesses or
 25 County-based small businesses regarding the descriptions of services or goods sought for the
 26 procurement, including plans, specifications and anticipated time schedule for any portions of the
 27 work to be performed, where applicable;

28 (3) As to each County-based business or County-based small businesses that placed a
 29 subcontract or other quotation or offer which the vendor considered not to be acceptable, a
 30 detailed written statement that includes sufficient reasons for this conclusion; and

1 (4) A written list of County-based businesses or County-based small businesses found
2 to be unavailable to perform under the procurement.

3 Based on an analysis of the information provided by the vendor seeking a waiver
4 authorized by Paragraph (1) of Subsection (a) of this Section and an analysis by the Purchasing
5 Agent of the availability of County-based businesses or County-based small businesses that
6 provide services or goods that are the subject of the procurement, the Purchasing Agent shall
7 determine whether "best efforts" to comply have been demonstrated by the vendor and whether
8 to grant the vendor's request for a waiver authorized by Paragraph (1) of Subsection (a) of this
9 Section, subject to the approvals and notice required by this Section. If the Purchasing Agent
10 does grant a waiver authorized by Paragraph (1) of Subsection (a) of this Section, the Purchasing
11 Agent shall select a new minimum percentage requirement for County-based business
12 participation or County-based small business participation for the vendor's procurement based
13 on the availability of County-based businesses or County-based small businesses that provide
14 services or goods that are the subject of the procurement, subject to the approvals and notice
15 required by this Section.

16 **Sec. 10A-163 Unbundling required.**

17 The County Executive or the County Executive's designee shall establish procedures to
18 ensure that solicitations are subdivided and unbundled and that smaller procurements are created
19 to the extent feasible and fiscally prudent.

20 **Sec. 10A-164 Compliance of Existing Contracts at Renewal or Extension**

21 At the time of any contemplated exercise of an option, extension, or renewal, including
22 automatic extensions or renewals (e. g. "evergreen" contracts or agreements), the Purchasing
23 Agent shall require that any existing contract or agreement for a procurement funded by a
24 County agency or the County government, including any existing multiyear contract or extended
25 contract, be amended to comply with the requirements of this Subdivision or the contract or
26 agreement shall not be renewed or extended by the County government or County agency. This
27 requirement does not apply to procurements awarded pursuant to Section 10A-114.

28 **Sec. 10A-165. Regulations authorized.**

29 The County Executive may promulgate regulations to govern the implementation of this
30 Subdivision, provided that such regulations are consistent with the provisions of this
31 Subdivision. Any such regulations must be approved by the County Council.

1 **Subdivision 2. First Source Hiring Program and Local Hiring Requirements.**

2 **Sec. 10A-166. First Source Registry created.**

3 (a) The Prince George's County Economic Development Corporation's Workforce
 4 Services Division shall maintain a First Source Registry. The First Source Registry shall consist
 5 of the names of veterans, unemployed, low-to-moderate income (defined as being within three
 6 hundred percent (300%) of federal poverty guidelines), and general job-seeking individuals who
 7 are County residents. The Registry shall be the first source for hiring all new hire positions on
 8 procurement projects funded by a County agency or the County government. The Prince
 9 George's County Economic Development Corporation's Workforce Services Division may
 10 require from residents seeking to be listed in the First Source Registry such documentation that it
 11 deems necessary to verify unemployment, income, veteran-status, and residency information
 12 (pursuant to the requirements set forth in Section 10A-101(14.1)) for the purposes of this
 13 Subdivision. The Prince George's County Economic Development Corporation's Workforce
 14 Services Division shall give the Purchasing Agent constant access to the information in the First
 15 Source Registry and access upon request to any information provided by residents pursuant to
 16 this Subsection.

17 (b) In compiling and maintaining the First Source Registry, the Prince George's County
 18 Economic Development Corporation's Workforce Services Division shall contact community
 19 organizations, organized labor locals, civic and citizens associations, and nonprofit institutions
 20 for names and other relevant contact information of unemployed, low-to-moderate income, and
 21 general job seeking County residents. Only County residents are eligible to be listed or included
 22 in the First Source Registry.

23 **Sec. 10A-167. First Source and Local Hiring Agreements required; local hiring**
 24 **requirement.**

25 (a) The Purchasing Agent shall include for every government-assisted project, including as
 26 a condition of any contracts or agreements for procurements funded by a County agency or the
 27 County government, at the time of initial contract execution or, effective as of January 1, 2014,
 28 at the time of any exercise of contract renewal, option, or extension (including automatic renewal
 29 or extension), a requirement that the business enter into a First Source and Local Hiring
 30 Agreement with the County which states that:

31 (1) The first source for finding employees to fill all jobs created by the government-

1 assisted project shall be the First Source Registry;

2 (2) The first source for finding employees to fill any vacancy occurring in all jobs
 3 covered by a First Source and Local Hiring Agreement will be the First Source Registry; and

4 (3) Compliance with this Section is a condition of the First Source and Local Hiring
 5 Agreement.

6 (b) In selecting qualified County residents from the First Source Registry for interviews or
 7 other consideration for employment for all jobs covered by each First Source and Local Hiring
 8 Agreement, the Prince George's County Economic Development Corporation's Workforce
 9 Services Division shall give first priority to referring veterans who are County residents, second
 10 priority to referring unemployed County residents, third priority to referring County residents
 11 within three hundred percent (300%) of federal poverty guidelines, and then fourth priority to
 12 referring other job-seeking County residents.

13 (c) Each business that is a signatory to a First Source and Local Hiring Agreement under a
 14 procurement contract shall submit to the Prince George's County Economic Development
 15 Corporation's Workforce Services Division and the Purchasing Agent, by the fifth business day
 16 of every month following the execution of the First Source and Local Hiring Agreement, an
 17 agreement compliance report for the project that includes the:

18 (1) Number of employees needed;

19 (2) Number of current employees transferred;

20 (3) Number of new job openings created;

21 (4) Number of jobs openings listed with the Prince George's County Economic
 22 Development Corporation's Workforce Services Division;

23 (5) (A) For the reporting period (during the previous calendar month), the total
 24 number of County residents employed, including new County resident hires, and total hours
 25 worked by County residents, and

26 (B) For the calendar year, the cumulative total number of County residents
 27 employed, including cumulative new County resident hires, and cumulative work hours by
 28 County residents; and

29 (6) (A) For the reporting period (during the previous calendar month), the total
 30 number of employees employed, including new hires, and total employee hours worked, and

31 (B) For the calendar year, the cumulative total number of employees hired,

1 including cumulative new hires, and cumulative employee hours worked, including, for each
 2 employee:

- 3 (A) Name;
- 4 (B) Job title;
- 5 (C) Hire date;
- 6 (D) Residence; and
- 7 (E) Referral source for all new hires.

8 (d) At least ten (10) calendar days prior to announcing an employment position, a business
 9 that is a signatory to a First Source and Local Hiring Agreement under a procurement contract
 10 shall notify the Prince George's County Economic Development Corporation's Workforce
 11 Services Division of the available positions. If the County resident interviewed or otherwise
 12 considered for the position is not hired, the business shall provide reasons why the referred
 13 County resident was not hired. A good faith effort is required to hire the referred County
 14 resident, if sufficiently qualified for the available position.

15 (e) The requirements of Section 10A-166 and Subsections (a) through (d) of this Section,
 16 except for the reporting requirements of Paragraphs (5) and (6) of Subsection (c) of this Section,
 17 on a form provided by the Purchasing Agent, shall not apply to procurement contracts in the
 18 construction industry, as defined by Sector 23 of the current edition of the North American
 19 Industry Classification System ("NAICS"), for procurements funded by a County agency or the
 20 County government if the procurement contract or agreement is governed by a project labor
 21 agreement. The remaining requirements of this Subdivision shall apply to such procurement
 22 contracts, agreements, or awards.

23 (f) The Purchasing Agent shall require "best efforts" to reach a minimum goal that at least
 24 fifty-one percent (51%) of the annual man/woman hours (work hours), on both a total work hour
 25 and trade by trade basis, be worked by County residents as a condition of any contract or
 26 agreement for a procurement funded by a County agency, including requiring "best efforts" to
 27 reach a minimum goal that at least fifty-one percent (51%) of the annual apprenticeship work
 28 hours on such contracts or agreements be worked by apprentices who are County residents. The
 29 requirements of this Subsection extend to hiring by contractors and subcontractors on
 30 procurements funded by a County agency under the supervision or control of the contractors and
 31 subcontractors.

1 (1) In procurements funded by a County agency or the County government,
2 competitive bids or proposals responding to a bid or proposal solicitation, including, but not
3 limited to, competitive bids pursuant to Section 10A-112 or competitive proposals pursuant to
4 Section 10A-113, may be deemed nonresponsive and rejected by the Purchasing Agent if the bid
5 or proposal fails to demonstrate adequate capacity to meet the annual County resident hiring
6 goals of this Subsection in the judgment of the Purchasing Agent.

7 (2) If a procurement subject to this Subsection fails to reach the minimum goal that at
8 least fifty-one percent (51%) of the annual man/woman hours (work hours) or fifty-one percent
9 (51%) of the annual apprenticeship work hours be worked by County residents, a waiver must be
10 granted pursuant to Subsection (h) of this Section or the procurement is subject to the penalties
11 of Subsection (i) of this Section.

12 (3) In order to meet the "best efforts" requirements of this Subsection, an employer
13 required to comply with the annual County resident hiring goals of this Subsection shall require
14 any worker it employs that it deems to be a County resident for the purposes of meeting the
15 annual County resident hiring goals to submit documentation by the end of the calendar year to
16 the employer necessary to establish the worker's County residency pursuant to the requirements
17 set forth in Section 10A-101(14.1), including a copy of a filed Maryland state income tax return
18 as prescribed in Section 10A-101(14.1)(A) – (B) or an attestation as prescribed in Section 10A-
19 101(14.1)(C) establishing a Prince George's County domicile for the worker for the most recent
20 full calendar year, unless the worker has already submitted such documentation during the
21 calendar year to the Prince George's County Workforce Services Division pursuant to Section
22 10A-166(a). The employer shall transmit the documentation required by this Paragraph
23 submitted by its workers during the calendar year to the Prince George's County Workforce
24 Services Division and the Purchasing Agent by the tenth (10th) business day of the subsequent
25 calendar year or the employer shall be in noncompliance with the "best efforts" requirements of
26 this Subsection and subject to the penalties of Subsection (i) of this Section.

27 (g) For procurements funded by a County agency or the County government, including,
28 but not limited to, procurements awarded pursuant to Section 10A-112 or Section 10A-113, the
29 Purchasing Agent shall require compliance with this Subdivision as a condition of the
30 procurement contract or agreement or any such contract or agreement shall be void.

31 (h) On a case by case basis, at the request of an employer required to comply with

1 Subsection (f) of this Section, the Purchasing Agent may waive the annual County resident
 2 hiring goals of Subsection (f) of this Section if the Purchasing Agent finds that "best efforts" to
 3 comply with the annual County resident hiring goals by the employer requesting the waiver have
 4 been demonstrated as prescribed in Paragraph (2) of this Subsection. An employer is only
 5 allowed to request and the Purchasing Agent is only allowed to grant a waiver authorized by this
 6 Subsection after the end of the calendar year for which the employer seeks the waiver and the
 7 waiver, if granted, shall only apply for that calendar year.

8 (1) For procurement contracts or agreements subject to approval by legislative act
 9 under Section 819 of the Charter, a waiver authorized by this Subsection must be approved by
 10 the County Council. For procurement contracts or agreements not subject to approval by
 11 legislative act under Section 819 of the Charter, notice of such a waiver, including the
 12 information provided to the Purchasing Agent pursuant to Subparagraphs (A) – (D) of Paragraph
 13 (2) of this Subsection, shall be sent to the County Council by the Purchasing Agent by no less
 14 than fourteen (14) calendar days prior to the date of the County Executive's approval of the
 15 Purchasing Agent's decision to waive the provisions of Subsection (f) of this Section.

16 (2) The term "best efforts" in this Subdivision means efforts to the maximum extent
 17 practicable have been made to meet the requirement. "Best efforts" by an employer required to
 18 comply with Subsection (f) of this Section shall not be found and a waiver authorized by this
 19 Subsection shall not be granted unless the employer provides written documentation to the
 20 Purchasing Agent demonstrating that:

21 (A) Whenever employment opportunities became available during the calendar
 22 year, the employer made good faith efforts to hire each County resident who applied or was
 23 referred for employment;

24 (B) The employer sent written notifications during the calendar year to the
 25 Prince George's County Workforce Services Division and community, labor, and workforce-
 26 related organizations and institutions identified by the County Executive or the County
 27 Executive's designee whenever employment opportunities became available;

28 (C) For each County resident who applied or was referred for employment
 29 during the calendar year, but was not hired, the employer maintained written documentation that
 30 includes a sufficient explanation of the reason(s) the County resident was not hired; and

31 (D) The employer met other requirements during the calendar year determined

1 by the Purchasing Agent.

2 Based on an analysis of the information provided by the employer seeking a
 3 waiver authorized by this Subsection and an analysis by the Purchasing Agent of the sufficiency
 4 of the County's labor market, the Purchasing Agent shall determine whether "best efforts" to
 5 comply have been demonstrated by the employer and whether to grant the employer's request for
 6 a waiver authorized by this Subsection, subject to the approvals and notice required by this
 7 Subsection. An employer must be in compliance with Paragraph (3) of Subsection (f) of this
 8 Section in order to receive a waiver authorized by this Subsection. A waiver decision by the
 9 Purchasing Agent authorized by this Subsection must be approved by the County Executive.

10 (i) Failure to comply with this Section, for a procurement funded by a County agency or
 11 the County government, may subject a signatory to a First Source and Local Hiring Agreement
 12 or any other entity required to comply with this Subdivision to a penalty, to include monetary
 13 finances of up to twenty percent (20%) of the value of the direct and indirect labor costs of the
 14 contract, as determined by the Purchasing Agent. For repeated violations of this Section, a
 15 signatory to a First Source and Local Hiring Agreement or any other entity required to comply
 16 with this Subdivision may be subject to a cancellation of the procurement contract or agreement,
 17 as determined by the Purchasing Agent.

18 (j) At the discretion of the Purchasing Agent or the County Auditor, any business that is a
 19 signatory to a First Source and Local Hiring Agreement or any other entity required to comply
 20 with this Subdivision shall be subject to an audit of documents or other information deemed
 21 necessary by the Purchasing Agent or the County Auditor to verify compliance with this Section
 22 upon thirty (30) calendar days written notice.

23 (k) Immediately upon execution, the Purchasing Agent shall expeditiously transmit a paper
 24 or electronic copy of any signed First Source and Local Hiring Agreement to the Prince George's
 25 County Economic Development Corporation's Workforce Services Division.

26 **Sec. 10A-168. Compliance of existing contracts at renewal or extension.**

27 For any existing contract or agreement for a procurement funded by a County agency or the
 28 County government, including any existing multiyear contract or extended contract, the
 29 Purchasing Agent shall require the inclusion of a condition in the contract or agreement requiring
 30 best efforts to meet the annual County resident hiring goals of Subsection (f) of Section 10A-167
 31 and requiring compliance with the other applicable provisions of this Subdivision, at the time of

1 any contemplated exercise of an option, extension, or renewal, including automatic extensions or
2 renewals (e. g. "evergreen" contracts or agreements), or the contract or agreement shall not be
3 renewed or extended by the County government or County agency.

4 **Sec. 10A-169. Reports.**

5 The Prince George's County Economic Development Corporation's Workforce Services
6 Division shall submit quarterly reports to the County Auditor, the Purchasing Agent, and a
7 compliance manager designated by the County Council verifying the requirements in Section
8 10A-167. The reports shall also detail the number of government-assisted projects for which
9 First Source and Local Hiring Agreements were executed, the number of jobs that result from the
10 First Source and Local Hiring Agreements, the number of County residents actually employed in
11 government-assisted projects, and the number of unemployed County residents on the First
12 Source Registry. The format of the reporting under this Section shall be determined by the
13 County Executive or the County Executive's designee.

14 **Sec. 10A-170. Regulations authorized.**

15 The County Executive may promulgate regulations to govern the implementation of this
16 Subdivision, provided that such regulations are consistent with the provisions of this
17 Subdivision. Any such regulations must be approved by the County Council.

18 SECTION 4. BE IT FURTHER ENACTED that the provisions of this Act are hereby
19 declared to be severable; and, in the event that any section, subsection, paragraph, subparagraph,
20 sentence, clause, phrase, or word of this Act is declared invalid or unconstitutional by a court of
21 competent jurisdiction, such invalidity or unconstitutionality shall not affect the remaining
22 words, phrases, clauses, sentences, subparagraphs, paragraphs, subsections, or sections of this
23 Act, since the same would have been enacted without the incorporation in this Act of any such
24 invalid or unconstitutional word, phrase, clause, sentence, subparagraph, subsection, or section.
25

1 SECTION 5. BE IT FURTHER ENACTED that Sections 10-283, 10-284, 10-285, 10-286,
2 10A-101, and 10A-161 of this Act shall take effect on January 1, 2013, with the remainder of
3 this Act taking effect on July 1, 2013, except for Sections 10A-159(a)(3), 10A-160(a) and (b),
4 10A-160(c)(4), 10A-164, and 10A-168, which shall take effect on January 1, 2014.

Adopted this 15th day of November, 2011.

COUNTY COUNCIL OF PRINCE
GEORGE'S COUNTY, MARYLAND

BY: Ingrid M. Turner

Prince George's County Council
Agenda Item Summary

Meeting Date: 11/15/2011
Reference No.: CB-017-2011
Draft No.: 4
Proposer(s): Franklin, Harrison
Sponsor(s): Franklin, Harrison, Turner, Patterson, Olson, Lehman
Item Title: An Act concerning Economic Development and Local Employment enhancing the County's economic development by creating bidding preferences and participation requirements for County-based businesses and County-based small businesses on certain procurement contracts for goods and services with the County; establishing a First Source Hiring Program; requiring "best efforts" for meeting a certain local hiring percentage goal for positions on certain procurement projects funded by the County, requiring submission of quarterly audit reports, maintaining a first source registry, providing for penalties and exemptions to the program; authorizing the use of Community Benefit Agreements on County assisted developments that receive a public benefit of a value greater than \$3,000,000 with certain exceptions; authorizing Labor Peace Agreements for developments receiving a public benefit of a value greater than \$1,000,000 with certain exceptions; giving priority to County-based Minority Business Enterprises in all Minority Business Enterprise goals for minority contracting and purchasing; requiring subcontracting plans for certain contracts and generally relating to economic development in the County.

Drafter: Colette R. Gresham, Legislative Officer
Resource Personnel: Brendon Laster, Legislative Aide District 9

Remarks: Secs. 10-283, 284, 185, 286, 10A-101, 161 effective 1/1/2013
Secs. 10A-136, 157, 158, 160(c)(1)(2)(3)(d)(e)(f), 162, 163, 165, 166, 167, 169, 170 effective 7/1/2013
Secs. 10A-159 (a)(3), 160(a)(b), 160(c)(4), 164 effective 1/1/2014

AFFECTED CODE SECTIONS:

10-283, 10-284, 10-285, 10-286, 10A-101, 10A-136, 10A-157, 10A-158, 10A-159, 10A-160, 10A-161, 10A-162, 10A-163, 10A-164, 10A-165, 10A-166, 10A-167, 10A-168, 10A-169, 10A-170, 10A-171, 10A-172, 10A-173, 16-102, 16-150.01, 16-150.02

COMMITTEE REPORTS:**Public Safety and Fiscal Management**

Date 10/12/2011

Committee Vote: Favorable as amended 3-0 (In Favor: Council Members Campos, Franklin, and Patterson)

This bill will create new County-based procurement assistance by establishing a 10% preference for County-based businesses and a 15% preference for County-based small businesses; an escalating 1% preference (10% maximum) for bids or proposals for each additional 10% increment of County-based business participation; and an 1.5% preference (15% maximum) for bids or proposals for each additional 10% increment of County-based small business participation. The legislation increases County-based business participation by requiring a 40% minimum for bids or proposals on procurements above \$100,000 and a 50% minimum goal for each County Agency for annual procurement awards. The bill would also increase County-based small business participation by creating a Local Small Business Reserve Program; require new County resident hiring goals for County funded projects; establish a First Source Hiring Program; require a community benefit agreement between developers and community stakeholders as a condition of any development receiving \$1 million or more in County assistance; require labor peace agreements to prohibit work stoppages; and strengthen the County Minority Business Enterprise (MBE) Program by utilizing County-based MBEs with goals increased from 30% to 35% and per contract goal from 20% to 25%.

The Committee met on July 6th and was given a brief overview of the legislation. During the worksession the sponsor of the bill noted that there would be amendments forthcoming and requested the bill be held. The Committee met again on October 5th and October 12th to discuss possible amendments to the bill based on public input and conversations with the County Executive's Office. The amendments discussed consisted of the following: the meaning of and process for determining "best efforts" to meet local hiring and procurement goals; strengthening the definition of "County resident"; ensuring that requirements apply at the time of any renewal or extension; incorporating a "Significant Economic Opportunities" clause that allows, on a case by case basis, the County Executive, with Council approval, to waive or adjust requirements; removal of County assisted development; more attention to how the Community Benefit Agreement process works and incorporating municipalities; and revising bill effective dates for certain Sections. During the worksession there was testimony in support of the bill including representatives from the United Food Workers and the Human Services Coalition. A representative from Associated Builders and Contractors spoke in opposition. Brad Frome from the County Executive's Office stated the Administration supports the bill as amended.

The Office of Law has reviewed this legislation and finds it to be in proper legislative form with no legal impediments to its enactment.

There should be an overall positive fiscal impact on the County as a result of enacting CB-17-2011 by providing opportunities for County business expansion and employment for County residents. County commercial base revenues and personal income tax revenues should increase with these opportunities. The overall positive fiscal impact cannot be determined at this time due to unknown factors regarding business expansion, the number of residents gaining employment and the level of any penalties imposed from non-compliance.

BACKGROUND INFORMATION/FISCAL IMPACT:

(Includes reason for proposal, as well as any unique statutory requirements)

The proposed legislation will enhance job creation in the County and put in place incentives over the long-term that would utilize County tax dollars as an economic engine for wealth creation. The legislation would create a local hiring preference, a first source hiring program, an apprenticeship program, require community benefit agreements, require County agency local hiring goals, and require County-based MBE goals for minority contracting and purchasing.

11/15/2011: CB-17-2011 (DR-3) was amended on the floor as follows:

1. On page 4, line 30 and page 10, line 22, after "credits" delete "or benefits".
2. On page 19, line 21, after "funded" insert "or administered"
3. On page 29, line 27, delete "July 1, 2013" and insert "January 1, 2014"
4. On page 35, delete lines 25 through 28 and insert "SECTION 5. BE IT FURTHER ENACTED that Sections 10-283, 10-284, 10-285, 10-286, 10A-101, and 10A-161 of this Act shall take effect on January 1, 2013, with the remainder of this Act taking effect on July 1, 2013, except for Sections 10A-159(a)(3), 10A-160(a) and (b), 10A-160(c)(4), 10A-164, and 10A-168, which shall take effect on January 1, 2014."

CB-17-2011 (DR-4) was subsequently enacted.

COUNTY COUNCIL OF PRINCE GEORGE'S COUNTY, MARYLAND

2012 Legislative Session

Bill No. CB-112-2012

Chapter No. 94

Proposed and Presented by Council Member Franklin

Introduced by Council Member Franklin

Co-Sponsors _____

Date of Introduction October 23, 2012

BILL

1 AN ACT concerning

2 Five-Year Consolidated Housing and Community Development Plan

3 For the purpose of amending the provisions of the County's Five-Year Consolidated Housing
4 and Community Development and Annual Action Plans by adding requirements under Section 3
5 of the Housing and Urban Development Act of 1968; as amended; and generally relating to
6 housing and community development in the County.

7 BY repealing and reenacting:

8 SUBTITLE 15A. CONSOLIDATED HOUSING
9 AND COMMUNITY DEVELOPMENT PLAN.
10 Sections 15A-103, 15A-104, 15A-105 and 15A-106
11 The Prince George's County Code
12 (2007 Edition, 2010 Supplement).

13 SECTION 1. BE IT ENACTED by the County Council of Prince George's County,
14 Maryland, that Section 15A-103, 15A-104, 15A-105 and 15A-106 of the Prince George's County
15 Code be and the same is hereby repealed and reenacted:

16 SUBTITLE 15A. CONSOLIDATED HOUSING
17 AND COMMUNITY DEVELOPMENT PLAN.

18 * * * * *

1 **Sec. 15A-103. Five-Year Consolidated Housing and Community Development Plan, [and]**
2 **Annual Action Plan and Section 3 Action Plan.**

3 (a) Pursuant to applicable Federal regulations the County Executive shall prepare on
4 behalf of Prince George's County and submit to the County Council for approval:

5 (1) A Five-Year Consolidated Housing and Community Development Plan,
6 commencing in July 1995 and each fifth year thereafter; and

7 (2) An annual Action Plan and Statement of Community Development Objectives
8 and Projected Use of Funds, which shall constitute the County's Housing and Community
9 Development Program and activities to address the needs of the homeless, and applications for
10 securing federal funds under the terms of the Housing and Community Development Act of
11 1974, as amended, the Cranston-Gonzalez National Affordable Housing Act of 1990, and the
12 Stewart B. McKinney Homeless Assistance Act of 1988.

13 (3) A Section 3 Action Plan, to implement Section 3 of the Housing and Urban
14 Development Act of 1968 as amended, (12 U.S.C. 1701u and implementing regulations at 24
15 CFR 135), which shall establish the strategies and goals to be followed to ensure that the
16 objectives of Section 3 are met in the use of applicable federal funds in the County, including the
17 objectives of promoting local economic development, neighborhood economic development,
18 local hiring and employment, local procurement opportunities and individual self-sufficiency.
19 The purpose of Section 3 is to ensure that employment and other economic opportunities
20 generated by certain HUD financial assistance shall, to the greatest extent feasible, and
21 consistent with existing Federal, State and local laws and regulations, be directed to very low,
22 low and moderate income persons living in Prince George's County, particularly those who are
23 (1) recipient of government assistance for housing, and (2) to business concerns which provide
24 economic opportunities to very low and low income persons. The mission of Section 3 is to
25 utilize existing federal programs to maximize economic for very low, low and moderate income
26 persons. A Section 3 Action Plan when properly crafted at the grantee level can help address
27 unemployment, underemployment, and economic poverty. Section 3 as national policy addresses
28 issues such as housing affordability, employment status, and individual earnings. Section 3
29 requirements apply to HUD grantees and applies to all contractors and subcontractors performing
30 work in connection with projects and activities funded by federal community development
31 assistance covered by Section 3. The enactment of a Section 3 Action Plan is not a requirement

1 of Section 3 of the Housing and Urban Development Act of 1968, but is a tool to assist
 2 jurisdictions in facilitating its implementation.

3 **Sec. 15A-104. Consolidated Housing and Community Development Plan -- content.**

4 (a) The Five-Year Consolidated Housing and Community Development Plan shall include,
 5 but is not limited to, the following:

6 (1) A comprehensive assessment of housing and community development needs
 7 within appropriate subareas of the County (such as neighborhoods, census tracts, or other
 8 convenient statistical areas), including consideration of such factors as the distribution of
 9 residents with limited incomes (as defined by Federal regulations), over-crowded housing
 10 conditions, and substandard housing units, as well as areas of racial and ethnic concentration;
 11 and

12 (2) A comprehensive strategy for meeting the neighborhood revitalization, housing,
 13 and economic development needs including:

14 (A) A housing and homeless needs assessment that addresses the needs of
 15 households that are of low and moderate income, and homeless households and individuals with
 16 special needs;

17 (B) A housing market analysis that describes the number and type of housing
 18 units available to persons of limited income, as well as the homeless and special needs
 19 populations;

20 (C) Strategic plans for adequate housing, homeless households, persons with
 21 special needs, persons living in public housing;

22 (D) Strategic plans for community development including criteria for
 23 establishing priority needs and rationale for selecting priority projects in the areas of public
 24 facilities improvements, economic development, and public service activities; and

25 (E) The priorities for the use of federal entitlement funds under such programs
 26 as Community Development Block Grant, HOME Investment Partnerships, Emergency
 27 Solutions Grant, Housing Opportunities for Persons with Aids, Neighborhood Stabilization
 28 Grant Program, and HUD Section 108 Loan Guarantee Program.

29 (3) An identification, by name and geographical boundaries, of the areas
 30 recommended for concentrated improvement efforts, together with statements of justification for
 31 each of the areas recommended for improvement;

1 (4) Legible maps that shall show such information as:

2 (A) The distribution of low and moderate income households;

3 (B) Extent and location of households experiencing housing cost burdens;

4 (C) The location of all [proposed block grant funded] federal community
 5 development assistance projects and other federally-funded projects which show a coordinated
 6 use of federal funds;

7 (D) Geographic targeting of federal funds in neighborhood strategy areas.

8 (b) Beginning in 2015 the Five-Year Consolidated Housing and Community Development
 9 Plan shall include a Section 3 Action Plan that addresses policies and procedures for all HUD
 10 covered activities such as: (1) programs that may include multiple contracts, contracts with parts
 11 of HUD funding of public or residential construction projects; (2) services and professional
 12 services activities generated by construction, such as roads, sewers, sidewalks, community
 13 centers, etc; and (3) all public housing authority covered activities such as maintenance,
 14 development, modernization, and operations.

15 **Sec. 15A-105. Annual Housing and Community Development Action Plan -- content.**

16 (a) The annual Housing and Community Development Action Plan shall be generally
 17 consistent with the Strategic Plans contained in the Five-Year Consolidated Housing and
 18 Community Development Plan and the Annual Statement of Community Development
 19 Objectives and shall include:

20 (1) A detailed description of recommended housing and community development
 21 activities proposed for implementation during the succeeding program year;

22 (2) The estimated cost of each project proposed in the subject program year, and the
 23 total cost to bring the project to completion if it is a multiyear project, together with an
 24 identification of the sources of such funds;

25 (3) The geographical boundaries, locations, and targeting where applicable;

26 (4) Identification of the agency or combination of agencies responsible for
 27 administering and/or implementing the recommended activities;

28 (5) Identification of priority housing activities and federal resources to address the
 29 needs of low and moderate income households, as well as special needs populations;

30 (6) Identification of priority activities in areas that address underserved housing needs
 31 which include, but are not limited to: maintaining adequate housing; removing barriers to

1 adequate housing; evaluating and reducing lead-based paint hazards; reducing the number of
 2 poverty level families; developing institutional structures; enhancing coordination between
 3 public and private housing, and social services agencies; and fostering public housing
 4 improvements and resident initiatives; and

5 (7) Submission of a combined application for use of federal entitlement funds for
 6 programs such as Community Development Block Grant, HOME Investment Partnerships, and
 7 Emergency Shelter Grant, Neighborhood Stabilization Grant Program, and HUD Section 108
 8 Loan Guarantee Program.

9 **Sec. 15A-106. Review and approval of the Five-Year Consolidated Housing and**
 10 **Community Development Plan and Annual Action Plan.**

11 (a) The County Executive shall forward each proposed Five-Year Consolidated Housing
 12 and Community Development Objectives Plan, the Section 3 Action Plan, and each Annual
 13 Action Plan and Statement of Community Development Objectives to the County Council on or
 14 before March 15. Upon receipt, the County Council shall cause to be published, in the county
 15 newspapers of record, notice of one or more public hearings to be held on the proposed
 16 Consolidated Housing and Community Development Plan and each Annual Action and Section 3
 17 Action Plan. After the public hearing(s), the County Council may amend any part of the
 18 Consolidated Housing and Community Development Plan or Annual Action Plan and the Section
 19 3 Action Plan and shall act by resolution on each Consolidated Housing and Community
 20 Development Plan, each Annual Action Plan and the Section 3 Action Plan not later than sixty
 21 (60) calendar days after receipt thereof. Following approval, the County Council shall forward
 22 each approved Consolidated Housing and Community Development Plan and each approved
 23 Annual Action Plan and the Section 3 Action Plan to the County Executive who shall furnish
 24 copies thereof to all agencies of government having responsibility for administering and/or
 25 implementing activities identified therein. In submitting the annual expense budget, capital
 26 budget, and capital program to the County Council for the succeeding fiscal year following the
 27 date of approval of each Annual Action Plan, the County Executive shall state to what extent
 28 said documents implement each approved annual plan and shall identify related budgetary and
 29 capital program items.

1 (b) Upon approval of each five-year plan, each Annual Action Plan and the Section 3
2 Action Plan, the County Executive shall transmit them to the designated federal and state
3 agencies for review and approval together with other necessary documentation and certifications.

4 * * * * *

5 SECTION 3. BE IT FURTHER ENACTED that the provisions of this Act are hereby
6 declared to be severable; and, in the event that any section, subsection, paragraph, subparagraph,
7 sentence, clause, phrase, or word of this Act is declared invalid or unconstitutional by a court of
8 competent jurisdiction, such invalidity or unconstitutionality shall not affect the remaining
9 words, phrases, clauses, sentences, subparagraphs, paragraphs, subsections, or sections of this
10 Act, since the same would have been enacted without the incorporation in this Act of any such
11 invalid or unconstitutional word, phrase, clause, sentence, subparagraph, subsection, or section.

12 SECTION 4. BE IT FURTHER ENACTED that this Act shall take effect forty-five (45)
13 calendar days after it becomes law.

Adopted this 20th day of November, 2012.

AFFECTED CODE SECTIONS:

15A-103, 15A-104, 15A-105, 15A-106

COMMITTEE REPORTS:

THE Committee Report

Date 11/8/2012

November 8, 2012

Committee Vote: No Recommendation, 5-0 (Council Members Olson, Toles, Davis, Lehman and Patterson)

The Legislative Officer provided a summary of the bill and referral comments that were received. CB-112-2012 concerns the Five-Year Consolidated Housing and Community Development Plan ("Five-Year Con Plan") for the purpose of amending the provisions of the County's Five-Year Consolidated Housing and Community Development and Annual Action Plans by adding requirements under Section 3 of the Housing and Urban Development Act of 1968, as amended; and generally relating to housing and community development in the County.

The Legislative Officer review of CB-112-2012, which would amend Article 15A of the County Code to require a Section 3 Plan as part of the Five-Year Con Plan and each Annual Action Plan goals and strategies for compliance

with the requirement of Federal Law for low and very-low income persons for employment and businesses in the County that receive federal funding. The Legislative Officer and staff provided additional information to the Committee and in response to questions by members.

Council Member Franklin, bill sponsor, provided the rationale for the legislation and reviewed a Proposed Draft 2 with amendments discussed with the County Executive and the Department of Housing and Community Development (DHCD). The Legislative Officer advised that the Committee could not vote on any proposed amendments prior to the scheduled public hearing and any non-substantive amendments could be considered prior to enactment.

DHCD Director Eric Brown and Deputy Director Estella Alexander provided comments and answered questions by the members of the Committee regarding the bill. With several amendments discussed and proposed by the bill sponsor, they were supportive of the bill.

The Office of Law determined that CB-112-2012 was in proper legislative form but provided additional information and clarification on the legislative intent of the bill to be effective upon the adoption of the next Five-Year Con Plan expected in FY 2015.

The Office of Audits and Investigation indicated there should be a minimal negative fiscal impact on the County as a result of adopting CB-112-2012 because of the administrative and operational requirements for compliance.

BACKGROUND INFORMATION/FISCAL IMPACT:

(Includes reason for proposal, as well as any unique statutory requirements)

This legislation seeks to amend provisions of the County's Five-Year Consolidated Housing and Community Development and Annual Action Plans by adding requirements under Section 3 of the Housing and Urban Development Act of 1968, as amended.

11/20/2012: CB-112-2012 was amended on the floor; CB-112-2012 (DR-2) was enacted.

Emergency Solutions Grants Written Standards – Addendum for Coronavirus Response

The CARES Act provides flexibility and authority for HUD to issue waivers and alternatives requirements to make it easier for the County to use ESG – COVID (ESG-CV) funds for coronavirus response. The waiver for Prince George’s County is effective from June 23, 2020 to June 23, 2022, which is consistent with the date HUD signed the County’s ESG-CV Grant Agreement.

When using the ESG-CV funds, the following ESG regulations will be waived and the alternative requirements will apply:

Administration and General Requirements

- The ESG-CV funds are not subject to the spending cap on emergency shelter and outreach under 24 CFR 576.100(b)(1);
- Up to 10 percent of ESG-CV funds may be used for administrative costs, as opposed to 7.5 percent as provided by 24 CFR 576.108(a);
- The ESG-CV funds are exempt from the ESG match requirements, including 24 CFR 576.201;
- That recipients may deviate from applicable procurement standards when using ESG-CV funds to procure goods and services to prevent, prepare for, and respond to coronavirus, notwithstanding 24 CFR 576.407(f) and 2 CFR 200.317-200.326; and
- While HUD encourages the County to offer treatment and supportive services when necessary to assist vulnerable homeless populations, individuals and families experiencing homelessness must be required to receive treatment or perform any other prerequisite activities as a condition for receiving shelter, housing, or other services for which these funds are used, notwithstanding 24 CFR 576.301(e).

Homeless Management Information System (HMIS) Lead Activities

The Homeless Management Information System (HMIS) Lead may use ESG-CV funds to the extent necessary to upgrade or enhance its data on ESG-CV participants and activities related to COVID-19, including 24 CFR 576.107(a)(2).

Street Outreach Eligible Component – 24 CFR 576.101

Street Outreach activities in response to the coronavirus may include:

- Distribution of masks or other PPE, if available, to people who are unsheltered,
- Provision of handwashing stations and portable bathrooms, and
- Maintaining social distancing requirements during engagement.

HUD has approved the following as eligible costs under street outreach:

- Engagement: Hand sanitizer, soap, tissue packets, masks, disposable gloves, other PPE.
- Case Management: Coordinative medical care.
- Transportation: Train or bus tokens, taxi or rideshare for program participants' travel to and from medical care.
- Expanded Staffing: Hiring additional staff to support infectious disease preparedness, providing hazard pay to staff with direct participant contact.

Emergency Shelter Component – 24 CFR 576.102

- Shelters funded by ESG-CV must establish referral pathways to isolation and quarantine if a client needs such services.
- Shelters funded through ESG-CV will maintain social distancing requirements established in partnership with the County's health department.
- Shelters funded by ESG-CV may not turn away eligible program participants and must establish referral pathways to other shelter or housing if the shelter is at maximum capacity.
- Shelters funded by ESG-CV are strongly discouraged from implementing a maximum length of stay when a discharge will result in program participants returning to unsheltered settings or situations putting them at a higher risk of COVID-19 infection.

Homeless Prevention and Rapid Re-Housing Components

- The frequency of re-evaluations for homelessness prevention is required not less than once every six months, as opposed to once every three months by 24 CFR 576.301(b).
- The monthly case management requirement receiving homelessness prevention or rapid re-housing assistance (24 CFR 576.401(e)) has been waived. Case management is on an as-needed basis as a result of COVID-19.
- The ESG-CV funds may be used to provide homelessness prevention assistance (as authorized under 24 CFR 576.103 or subsequent HUD notices) to any individual or family who does not have income higher than 50% HUD's Very Low-Income Limit for the area and meets the criteria in paragraphs (1)(ii) and (1)(iii) of the "at risk of homelessness" definition in 24 CFR 576.3.
- Under the CARES Act ESG-CV funding, there will be no rental payment requirement for households receiving financial assistance.
- ESG-CV funds may be used to mitigate the economic impact of COVID-19 by encouraging the maximum number of rental assistance months be extended/adjusted to address unemployment, loss of income, or benefits due to COVID-19.
- ESG-CV funds may be used to pay for landlord incentives that are reasonable and necessary to obtain housing for individuals and families experiencing

homelessness and at risk of homelessness. Landlord incentives may not exceed three times the rent charge for the unit. Eligible landlord incentives include:

- Signing bonuses equal to two months of rent.
- Security deposits equal to up three months of rent.
- Costs to repair damages incurred by the program participant not covered by vendor or program participant insurance, or by the security deposit or that are incurred while the program participant is still residing in the unit.
- Paying the costs of extra cleaning or maintenance of a program participant's unit or appliances.

Appendix G: FY 2022 Annual Action Plan (AAP) Citizen Comments Summary

To encourage citizen participation in the annual planning process, the County holds at least two (2) public meetings (informal and formal) each year. The public meetings provide an opportunity for residents, non-profit organizations, and other community stakeholders to communicate their views and needs to the County. The draft FY 2022 Annual Action Plan is also made available for public comment during the planning process. The following is a summary of comments expressed at the public meetings and during the public comment period.

Community Forum

Date and Time: Thursday, January 14, 2021 at 6:00pm to 8:00pm

Location: Virtual Platform

The purpose of the Community Forum, held on January 14, 2021, was to give citizens an opportunity to address housing and community development needs, the development process for the annual action plan, program performances, and the selection process for proposed federally funded activities. The following is a summary of comments presented at the Community Forum.

1. **Question/Comment:** How can a tenant purchase a home he/she is currently renting?
DHCD Response: Consult with the owner of the property regarding homeownership options. In addition, contact DHCD at: 301-883-5540 for a list of CDBG-funded non-profit organizations who provide housing counseling for persons seeking to become a homeowner.
2. **Question/Comment:** How can someone apply for the Glenarden Project?
DHCD Response: Glenarden Hills is now leasing apartments for seniors aged 62 and older. For more information, contact Penrose at: 410-847-7693 or visit their website at: [Residences at Glenarden Hills \(penrose.com\)](https://www.penrose.com).
3. **Question/Comment:** How can someone obtain assistance for mold assessment and clean up?
DHCD Response: The resident would need to conduct their own Google or other search to find a certified mold assessor to conduct an inspection and write an inspection report before the contractor writes the scope of work. They would need to confirm that all mold identified in the report is addressed in the scope of work. In addition, contact the MD Department of Labor (formerly Department of Labor, Licensing, and Regulation) at <https://www.dlir.state.md.us> to find a licensed home improvement contractor to ensure that the contractor is specifically licensed to remediate mold.
4. **Question/Comment:** Where can someone get information regarding the Pathway to Purchase Program?
DHCD Response: For information regarding the Pathway to Purchase Program, contact the DHCD Homeownership Program at: 301-883-5456 or visit us at: <https://www.princegeorgescountymd.gov/2598/Pathway-to-Purchase>.

5. **Question/Comment:** Where can someone find information regarding the new Reed Temple housing development?

DHCD Response: The Woodlands at Reid Temple Senior Community development is located at 11600 Glenn Dale Boulevard, Glenn Dale, MD 20769, with the temporary leasing office being located in unit 2157 – this is also listed on the website. Phone number for prospective residents is 301-222-3753 and the email address is woodlands@res1.net. Website for the property is [Woodlands at Reid Temple | Senior Community](#).

6. **Question/Comment:** There is a lack of affordable housing for the handicap population of Prince George's County.

DHCD Response: The County has developed a Comprehensive Housing Strategy, *Housing Opportunities for All*, to address affordable housing for the disabled population and all residents, of all incomes and needs. There are targeted actions identified in the strategy, such as Targeted Action 1.6, to create additional resources to make it easier for persons with disabilities to find and stay in a home. This action leverages cross-cutting actions 1.7 and 2.3 to provide a specific online inventory of accessible units, increase the availability of accessible units, and lower barriers for persons using rental assistance (like Housing Choice Vouchers or HOPWA vouchers). For more information regarding the Comprehensive Housing Strategy, visit our website at: <https://www.princegeorgescountymd.gov/2803/Comprehensive-Housing-Strategy>.

7. **Question/Comment:** Does the County have a way for the visually impaired population to complete applications for affordable housing assistance?

DHCD Response: DHCD has partnered with several community non-profit organizations to assist county landlords and tenants with completing the application and uploading it into the proper on-line portal. Visit our website at: <https://www.princegeorgescountymd.gov/3703/Emergency-Rental-Assistance-Program> for a list of the non-profit organizations.

8. **Question/Comment:** How are developers for housing projects selected?

DHCD Response: Currently, the DHCD accepts development funding applications on a rolling basis. Each application is reviewed and underwritten based on established criteria. In other words, developers come to DHCD with a project, DHCD does not select developers. For more information, contact DHCD Housing Development Division at: 301-883-5570.

9. **Question/Comment:** How was First Generation College Bound assisted with CDBG funding?

DHCD Response: CDBG funds support the First Generation College Bound (FGCB) programs offered to low-moderate-income students from Prince George's County to attend and succeed in college: the Homework Club (target middle and high school students) –two certified teachers assist up to 30 students from Kimberly Gardens public housing community with their homework. The second program, College Success, FGCB working with six County high schools, coaches approximately 180 low-moderate-income high school seniors to overcome barriers to matriculate successfully to college. Both programs include motivational guest speakers, college visits, and a year-end acknowledgment of academic progress in preparation to compete academically in college.

Public Hearing

Date and Time: Monday, April 12, 2021 at 5:00pm to 7:00pm

Location: Virtual Platform

The purpose of the Public Hearing held on April 12, 2021, was to give citizens an opportunity to comment on County Resolution (CR-028-2021) a Resolution concerning the County's FY 2022 Annual Action Plan for Housing and Community Development. The following is a summary of comments presented at the Virtual Public Hearing.

1. **Question/Comment:** Laurel Advocacy and Referral Services, Inc. (LARS) thanked the County Council and the Department of Housing and Community Development for their commitment of \$50,000 in Program Year 47 CDBG funds. This will ensure that LARS has the capacity to meet the growing needs for a safety net services that the growing pandemic has created.

DHCD Response: Comment noted.

Public Hearing

Date and Time: Tuesday, October 11, 2022, at 10:30am

Location: Virtual Platform

The purpose of the Public Hearing held on October 11, 2022 was to give citizens an opportunity to comment on County Resolutions (CR-92-2022) and (CR-99-2022), Resolutions concerning a substantial amendment to the Fiscal Year ("FY") 2022 Annual Action Plan for Housing and Community Development. The purpose of amendment was to add eligible CDBG activities and to add the HOME American Rescue Plan ("ARP"), Allocation Plan to the Annual Action Plan.

The following is a summary of comments presented at the Virtual Public Hearing.

1. **Question/Comment:** Independence Now, Inc., a non-profit organization for dependent, living serving people with disabilities of all ages in Prince George's was very pleased that American Rescue Plan recognizes the importance of continued and long-lasting supportive services in case management, targeted case management for vulnerable populations and that a portion of the funding is being recommended to be used for the supportive type services.

DHCD Response: Comment noted.

Appendix: H-2

PROJECT INFORMATION SHEET

**Hill House at Beechfield Project
12005 Traditions Boulevard
Bowie, MD 20720**

COUNCILMANIC DISTRICT 6

PROJECT DESCRIPTION:

KCG SSP Bowie Senior Living, LP plans to acquire land and construct a one hundred fifty (150) unit affordable apartment community for seniors in Bowie, Prince George's County, Maryland (hereinafter referred to as "Hill House") on a 4.4183-acre site. The total development cost of this senior rental project is expected to be Forty-four million, Eight thousand, three hundred twenty-four dollars (\$44,008,324.)

Hill House will be located near the intersection of Enterprise Road and Route 50. Located approximately six miles outside the Capital Beltway, Hill House's one hundred fifty (150) units will be part of an 83-acre master planned mixed-income retirement community that is being constructed by multiple developers called Traditions at Beechfield. When completed, Traditions at Beechfield will additionally feature seventy-four (74) single family attached villas, sixty (60) single family detached villas, one hundred eight (108) condominium units, and one hundred ninety-three (193) assisted living units.

Residents of the Hill House will have convenient access to major transportation corridors, well-regarded medical facilities, and retail amenities. Notable retail amenities include the Bowie Town Center which is located 7.0 miles from the site. The nearest bust stop is located 1.2 miles from the site and the New Carrollton Metro station is 6.6 miles away. There are medical offices 1.5 miles away and Doctors Community Hospital is located 4.3 miles from the site. There is also a Safeway grocery store 1.8 miles away.

Hill House is designed as a four-floor, elevator-served building. Of the one hundred fifty (150) units, eighty-nine (89) units will have one-bedroom and one-bathroom; twenty-five units (25) units will have two-bedrooms and one-bathroom; and thirty-six (36) units will have two-bedrooms and two-bathrooms. The monthly utility allowances are conservatively estimated at Sixty-nine dollars (\$69) for one-bedroom units, and Ninety dollars (\$90) for two-bedroom units.

Hill House will reserve two (2) units for households whose incomes are fifty percent (50%) of the Area Median Income (“AMI”), which translates into an income of Forty-five thousand, one hundred fifty dollars (\$45,150) for a household of one and Fifty-one thousand, Six hundred dollars (\$51,600) for a household of two, and rent of \$1,140 for the one-bedroom unit and \$1,361 for the two-bedroom unit. One hundred forty-eight (148) units will be reserved for households whose incomes are sixty percent (60%) of the AMI, which translates into incomes of Fifty-four thousand, One hundred eighty dollars (\$54,180) for households of one and Sixty-one thousand, Nine hundred twenty dollars (\$61,920) for households of two, and rents of \$1,313 for one-bedroom units and rents of \$1,568 for two-bedroom units.

Onsite amenities available to the residents include a light-filled community lounge, a state-of-the-art fitness center, and access to a large outdoor patio. The managing agent, Habitat America, will maintain an onsite management office and arrange supportive services and activities. Supportive services will include onsite medical services such as health screenings and vaccinations. Social events, such as communal meals and crafts and game nights, will be also organized. Computer classes will be provided and fitness classes, such as Zumba, will be held. Residents will also have access to shared amenities at the larger Traditions at Beechfield community that will include walking trails, a large community center, and a resort-style pool.

1. Introduction

Prince George’s County is qualified as an urban county entitled to receive grant funds from three (3) federal programs: Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), and Emergency Solutions Grants (ESG). Entitlement funds are appropriated by the U.S. Congress each year and distributed on a formula basis to local and state jurisdictions.

The Prince George’s County Department of Housing and Community Development (DHCD) is the lead agency responsible for administering the following federal programs: CDBG, HOME, and ESG. The annual apportionment of the U.S. Department of Housing and Urban Development (HUD) funds received each fiscal year is approximately \$9 million and provides housing and community development assistance to primarily low- and very low-income residents of the County. A significant portion of these funds are used to carry out housing rehabilitation, housing construction, and public facilities and infrastructure projects. Whenever the total amount of HUD financial assistance provided to a project exceeds \$200,000 dollars the project is defined by HUD as “Section 3” covered project.¹

The purpose of Section 3 is to ensure that economic opportunities, most importantly employment, generated by certain HUD financial assistance shall be directed to low- and very low-income persons.

In order for the Department to comply with the Section 3 Safe Harbor² requirements it shall “to the greatest extent feasible”³

1. Certify the Prioritization of Efforts:
 - a) Employment and training opportunities to Section 3 workers; and
 - b) Award contractors and subcontractors that provide economic opportunities for Section 3 workers.
2. Meet or exceed the applicable Section 3 Benchmarks established by Prince George’s County:
 - a) Thirty-five percent (35%) of the total number of labor hours worked by all workers on a Section 3 project are Section 3 workers; and

¹ September 29, 2020, Section 3 Final Rule 24 C.F.R. § 75.3(2)

² September 29, 2020, Section 3 Final Rule 24 C.F.R. § 75.23

³ “Greatest Extent Feasible” means that every effort shall be made to comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3) which includes the original explanation of the phrase. In sum, when properly executed the “greatest extent feasible” provision will not force a contractor to disband an organization by replacing current employees with local workers or contractors. The original definition also rejects the application of anticipated hiring preferences that have historically excluded minorities from countless employment and business opportunities. National Housing Law Project, An Advocate’s Guide to the HUD Section 3 Program: Creating Jobs and Economic Opportunity, February 2009.

- b) Five percent (5%) of the total number of labor hours worked by all workers on a Section 3 project are Targeted Section 3 workers. This means that the five percent (5%) is included as part of the thirty-five percent (35%) threshold.

The HUD Office of Fair Housing and Equal Opportunity (FHEO) is charged with oversight and monitoring of Section 3 compliance for recipients of covered funding. In accordance with Section 3 guidelines at 24 C.F.R. § 75, DHCD will report annually Section 3 activities using HUD's Integrated Disbursement and Information System (IDIS)/Consolidated Performance Evaluation Report (CAPER). Section 3 businesses are required to self-certify through HUD's Section 3 Performance Evaluation and Registry System (SPEARS) so that local recipients can notify them about the availability of HUD-funded contracting opportunities.

In efforts to utilize DHCD's federal programs to maximize economic opportunities for low and very low-income persons, the County Council enacted Council Bill (CB-112-2012)⁴ by adding requirements under Section 3 of the Housing and Urban Development Act of 1968, as amended, generally related to housing and community development. Effective November 20, 2012, DHCD is required to prepare a Section 3 Action Plan as part of its five-year Consolidated Plans and Annual Action Plans. The enactment of a Section 3 Action Plan is not a requirement of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3); instead, it is a tool to assist the Department with facilitating its implementation.

DHCD amended the FY 2016 – 2020 Consolidated Plan and FY 2016 Annual Action Plan by including a Section 3 Action Plan. The County Council and County Executive adopted and approved Council Resolution (CR-15-2016) on May 17, 2016.

The FY 2016 – 2020 Section 3 Action Plan was prepared based on the Section 3 Proposed Rule 24 C.F.R. § 135. DHCD would amend its Section 3 Action Plan whenever HUD finalized the Section 3 regulations to reflect any revisions in the new regulations.

In September 2020, HUD finalized the Section 3 Rule, removed the implementing regulations and added the final regulation 24 C.F.R. § 75. The final rule updated HUD's Section 3 regulations to create more effective incentives for employers to retain and invest in their low- and very low-income workers, streamlined reporting requirements by aligning them with typical business practices, provided for program-specific oversight, and clarified the obligations of entities that are covered by Section 3.⁵

The DHCD must implement Section 3 activities pursuant to these final regulations and comply with the reporting requirements starting July 1, 2021. The following is a comparison of the

⁴ December 6, 2012, Prince George's County Maryland Code, Chapter No. 94, Subtitle 15A. Consolidated Housing and Community Development Plan

⁵ September 29, 2020, Section 3 Final Rule 24 C.F.R. § 75

implementing regulations versus the final regulation 24 C.F.R. § 75 and the HUD established Section 3 benchmarks under Federal Register notice (FR-6085-N-04)⁶.

DHCD 2016 - 2020 Section 3 Action Plan Section 3 Proposed Rule 24 C.F.R. § 135	DHCD 2021 - 2025 Section 3 Action Plan Section 3 Final Rule 24 C.F.R. § 75 and Section 3 Benchmarks in FR-6085-N-04
<p>Threshold for Section 3 Covered Project</p> <p>The recipient, contractor and subcontractor of housing and community development assistance for a Section 3 covered project for which the amount of assistance exceeds \$200,000.</p> <p>In addition to the above threshold requirement, Section 3 applies to contractors or subcontractors with an agreement in excess of \$100,000 from HUD funds.</p>	<p>Threshold Section 3 Covered Project</p> <p>Section 3 applies to all construction related activities when the total amount of HUD financial assistance to the project exceeds a \$200,000 threshold.</p> <p>In addition to the above threshold requirement, the threshold is \$100,000 where the assistance is from the Lead Hazard Control and Healthy Homes program.</p>
<p>HUD Numerical Goals:</p> <ol style="list-style-type: none"> 1. Employ qualified Section 3 residents, as 30% of aggregate number of new hires resulting from contracts and subcontracts on a covered activity; 2. Award to Section 3 business concerns at least 10% of the total dollar amount of all Section 3 covered projects for building trades work; and 3. Award to Section 3 business concerns at least 3% of the total dollar amount of all Section 3 covered contracts for non-construction work. 	<p>Section 3 Safe Harbor Requirements:</p> <ol style="list-style-type: none"> 1. Certify that the County followed the following Prioritization Efforts: <ol style="list-style-type: none"> a. Provide employment and training opportunities to Section 3 workers; and b. 2. Businesses with at least 30% permanent, full-time employees of whom are currently Section 3 residents, or within 3 years of the date of first employment with the business concern were Section 3 residents; or 3. Businesses providing evidence of a commitment to subcontract in excess of 25% of the dollar award of all subcontracts to business concerns and meeting qualifications in items (1) or (2).	A business concern meeting at least one of the following criteria, documented within the last six-month period: 1. It is at least 51% owned and controlled by low- and very low-income persons; or 2. Over 75% of the labor hours performed for the business over the three-month period are performed by Section 3 workers or; 3. It is a business at least 51% owned and controlled by current public housing residents or residents who currently living in Section 8-assisted housing.
Section 3 Reporting	Section 3 Reporting
The Grantee submits Section 3 Summary Reports annually to HUD electronically through SPEARS.	The Grantee submits annually Section 3 activities using HUD’s IDIS/CAPER.

The DHCD amended its Section 3 Action Plan to reflect the Section 3 Final Rule 24 C.F.R. § 75 regulations. Once the FY 2021–2025 Section 3 Action Plan is approved by the County Council and County Executive, DHCD will incorporate its Section 3 Action Plan in its FY 2021 -2025 Consolidated Plan and Annual Action Plans covering FY 2022 – 2025.

2. FY 2021 – 2025 DHCD Section 3 Action Plan

The Section 3 Action Plan outlines the Department’s policies and procedures, ensuring that both low- and very low-income persons and local businesses benefit from this resource.

The Department’s Section 3 Action Plan describes Federal requirements (i.e., responsibilities, goals and strategies, reporting, and monitoring) pertaining to DHCD.

The Section 3 Action Plan serves as a guide for sub-recipients, contractors, and subcontractors awarded HUD funds to undertake Section 3 covered projects. It includes the DHCD Section 3 Action Plan for Contractors and Subcontractors to assist awardees in achieving their Section 3 employment and contracting goals.

Collaborative Opportunities

In April 2021, DHCD partnered with Employ Prince George’s, Inc. (EPG). This partnership aims to assist the agency with meeting its Section 3 Safe Harbor requirements and strengthens the employment and contracting outreach strategies targeted for Section 3 residents and businesses. This employment and economic opportunities partnership will help to reinforce the County’s “best efforts” for meeting the applicable Section 3 benchmarks established by HUD.

2.1 DHCD General Policy Statement

DHCD implements its Section 3 Policy to comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701u) and implementing regulations at 24 C.F.R. § 75.

Section 3 Policy shall, to the “greatest extent feasible,” result in the recruitment, employment, and contracting opportunities for Section 3 residents and business concerns for Section 3 covered contracts partially or wholly funded with Federal funds.

Section 3 applies to training, employment, contracting and other economic opportunities of projects related to housing rehabilitation, housing construction, and other public construction implemented with housing and community development assistance.

The following is a general description of DHCD programs which may include Section 3 covered activities.

- Community Development Block Grant (CDBG) - the CDBG Program is used to fund local community development activities, notably affordable housing, economic development, infrastructure, and public services, including housing rehabilitation, and public construction (i.e., street repairs, water and sewer, etc.) benefitting primarily low and very low-income persons.⁷
- HOME Investment Partnerships (HOME) - the HOME Program is designed to create affordable housing for low and very low-income households, expand the capacity of non-profit housing providers, strengthen the ability of State and local governments to provide housing, and leverage private sector participation in housing projects.⁸
- Emergency Solutions Grants (ESG) – the ESG supports outreach to and shelters homeless individuals and families as well as provide supportive programs which prevent homelessness. ESG funds may also be used for renovating buildings to be used as

⁷ December 15, 2015, CDBG Interim Final Rule 24 C.F.R. § 570

⁸ July 24, 2013, HOME Final Rule 24 C.F.R. § 92

emergency shelter for homeless families and individuals, and operating emergency shelters.⁹

- Section 108 Loan Guarantee Program (Section 108) – The County is applying to HUD to establish a Section 108 Loan Guarantee Pool to support housing rehabilitation, economic development, and mixed-use and mixed-income housing development. Section 108 provides communities with a source of financing for economic development, housing rehabilitation, public facilities, and large-scale physical development projects. Local governments may borrow funds, guaranteed by HUD, through the Section 108 program and must pledge current and future CDBG allocations as security for the loan.¹⁰
- Lead-Based Paint Hazard Control Grant Program (LBPHC) and Lead Hazard Reduction Demonstration Grant Program (LHRD) – the LBPHC and LHRD programs identify and control lead-based paint hazards in eligible privately owned rental or owner-occupied housing. Funds may be used for activities such as: renovation, remodeling, housing rehabilitation, property maintenance, and weatherization.¹¹ Currently, DHCD does not receive any of these funds.

2.2 Applicability

Section 3 applies to housing rehabilitation, housing construction, and other public construction projects assisted under HUD programs that provide housing and community development financial assistance when the total amount of HUD financial assistance to the project exceeds a threshold of \$200,000. The threshold is \$100,000 where the assistance is from the Lead Hazard Control and Healthy Homes programs. HUD will update the threshold not less than once every five (5) years based on a national construction cost inflation factor through Federal Register notices.

Section 3 covered projects may include water and sewer repairs, roads, bridges or enhancements to business facades in low to moderate-income communities. The project site or sites together with any building(s) and improvements located on the site(s) that are under common ownership, management, and financing.

2.3 Compliance with Section 3

The Section 3 provision seeks to ensure employment and other economic opportunities generated by HUD financial assistance shall, to the “greatest extent feasible,” be directed to low and very low-income persons particularly those who are recipients of government assistance for housing and to business concerns which provide economic opportunities to low- and very low-income persons.

⁹ December 5, 2011, ESG Final Rule 24 C.F.R. § 576

¹⁰ December 15, 2015, CDBG Interim Final Rule 24 C.F.R. § 570

¹¹ June 21, 2004 Lead-Based Paint Poisoning Prevention in Certain Residential Structures Final Rule 24 C.F.R. § 35

This also means recipients of Section 3 covered financial assistance should make every effort possible to meet the regulatory requirements. This could mean that the effort may have to go beyond the normal employment and contracting procedures by developing strategies specifically targeting Section 3 residents and businesses for these types of economic opportunities.

2.4 Employment and/or Contracting Opportunities

Any employment or contracting opportunities generated by the expenditure of a Section 3 covered project, including professional services, and construction, are subject to compliance with Section 3. Professional services mean non-construction services that require an advanced degree or professional licensing, including, but not limited to, contracts for legal services, financial consulting, accounting services, architectural services, and civil engineering services. The chart below lists other examples of employment opportunities.

Examples of Employment and/or Contracting Opportunities

▪ Accounting	▪ Electrical	▪ Marketing
▪ Architecture	▪ Elevator Construction	▪ Painting
▪ Appliance Repair	▪ Engineering	▪ Payroll Photography
▪ Bookkeeping	▪ Fencing	▪ Plastering
▪ Bricklaying	▪ Florists	▪ Plumbing
▪ Carpentry	▪ Heating	▪ Printing Purchasing
▪ Catering	▪ Iron Works	▪ Research
▪ Cement/Masonry	▪ Janitorial	▪ Surveying
▪ Computer/Information	▪ Landscaping	▪ Tile Setting
▪ Demolition	▪ Machine Operation	▪ Transportation
▪ Drywall	▪ Manufacturing	▪ Word Processing

2.5 Section 3 Workers and Targeted Section 3 Workers

The application of the Section 3 provision¹² is designed to benefit both local citizens and business concerns. The regulations define both groups as follows:

Section 3 Workers:

Any worker who currently fits or when hired within the past five (5) years fit at least one (1) of the following categories:

1. The worker's income for the previous or annualized calendar year is below the income limit established by HUD; or
2. The worker is employed by a Section 3 business concern; or
3. The worker is a YouthBuild participant.

¹² September 29, 2020, Section 3 Final Rule 24 C.F.R. § 75.5

The status of a Section 3 worker shall not be negatively affected by prior arrest or conviction.

Targeted Section 3 Workers:

A Targeted Section 3 worker for housing and community development financial assistance means a Section 3 worker residing within a one-mile radius of the Section 3 project who is:

1. A worker employed by a Section 3 business concern; or
2. A worker who currently fits or when hired fit at least one of the following categories:
 - Living within the service area or the neighborhood of the project; or
 - A YouthBuild participant.

2.6 Section 3 Business Concerns

A business is considered Section 3 business concern if it meets at least one (1) of the following criteria, documented within the last six-month period:

1. It is at least 51 percent (51%) owned and controlled by low- or very-low-income persons; or
2. Can demonstrate that over 75 percent (75%) of the labor hours performed for the business over the three-month period are performed by Section 3 workers; or
3. It is a business at least 51 percent (51%) owned and controlled by current public housing residents or residents who currently living in Section 8-assisted housing.

Evidence of Section 3 Certification:

Contractors or subcontractors seeking Section 3 preference in the awarding of a HUD-funded contract shall self-certify compliance with one of the regulatory definitions of a Section 3 business¹³ by completing a HUD Section 3 Business Registry Form.¹⁴ The contractor or subcontractor shall provide adequate documentation as evidence of eligibility for preference under the Section 3 Program.

2.7 Responsibilities of DHCD and Sub-recipients

The DHCD and Sub-recipients (i.e., non-profit organizations, municipalities, local government agencies, or developers) that receive CDBG, HOME, ESG, Section 108, LBPHC, and LHRD bear the responsibility to comply with Section 3 covered assistance. Responsibilities include:

¹³ September 29, 2020, Section 3 Final Rule 24 C.F.R. § 75.5

¹⁴ This form is available online at: <https://portalapps.hud.gov/Sec3BusReg/BRegistry/BRegistryHome>.

1. Notifying Section 3 residents about employment and training opportunities and businesses regarding contracts generated by Section 3 covered assistance;
2. Notifying potential contractors and subcontractors of the Section 3 objectives and ways in which each contractor can assist the sub-recipient to meet Section 3 benchmark; and
3. Documenting the action(s) taken by the contractor or subcontractor to comply with the Section 3 requirements, the results of the actions, and impediments, if any.

The DHCD and Sub-recipients bear the responsibility to ensure compliance of contractors and subcontractors. The DHCD and sub-recipients shall:

1. Incorporate the Section 3 Clause into contract documents;
2. Conduct compliance reviews consisting of detailed analysis and evaluation of the contractor's and subcontractor's compliance with Section 3 requirements;
3. Notify contractors and subcontractors of non-compliance and direct instructions to obtaining compliance of regulation 24 C.F.R. § 75;
4. Refrain from entering into contracts with contractors or subcontractors in violation of the regulations 24 C.F.R. § 75; and
5. Respond to complaints alleging non-compliance of regulation 24 C.F.R. § 75 by Section 3 residents or business concerns.

2.8 Section 3 Goals and Strategies

In efforts to ensure the objectives of Section 3 are met in the use of applicable Federal funds in the County, DHCD established the following goals and strategies.

Section 3 Goals

In efforts to meet or exceed the applicable Section 3 benchmarks established by HUD, DHCD aims to accomplish the following annual goals through its Section 3 projects.

2021 – 2025 Section 3 and Local Benchmarks							
Annual Goal	Source of Funds	County FY Year	Performance Indicators	Number of Labor Hours worked by all Workers	Number of Labor Hours worked by Section 3 Workers	Number of Labor Hours worked by Targeted Section 3 Workers	Percent Met
Meet or exceed the 25% applicable Section 3 Benchmarks established by HUD: 35% of the total number of labor hours worked by all workers on a Section 3 project are Section 3 workers; and 5% of the total number of labor hours worked by all workers on a Section project are Targeted Section 3 workers.	CDBG, HOME, ESG, Section 108, LBPHC and LHRD	2022	Number of labor hours worked				
		2023					
		2024					
		2025					
		MULTI-YEAR GOAL TOTALS					

Strategies to Achieve Section 3 Goals

The DHCD plans to use the following strategies to achieve the Section 3 Benchmarks:

Strategy: DHCD shall require contractors and subcontractors to provide justification for not utilizing Section 3 workers or Targeted Section 3 workers.

Failure to submit these documents shall constitute a breach of contract and may result in termination of the contract.

Strategy: DHCD shall standardize Section 3 requirements in all written agreements with contractors and subcontractors.

Strategy: DHCD shall require sub-recipients to monitor and enforce the DHCD Section 3 Action Plans for Contractors and Subcontractors timely.

Strategy: DHCD shall provide updated DHCD Contractor and Subcontractor with the Section 3 Action Plan and request that sub-recipients provide it to their contractors and subcontractors.

Strategy: DHCD shall provide the sub-recipients, contractors, and subcontractors with a list of Section 3 business concerns interested and qualified for all proposed Section 3 covered projects.¹⁵

Strategy: DHCD shall require Section 3 covered sub-recipients to utilize, maintain, and monitor contractors and subcontractors using required documents in the DHCD Section 3 Action Plan for Contractors and Subcontractors.

The sub-recipient, contractors, and subcontractors are required to keep records as necessary to demonstrate Section 3 compliance and submit copies of these records to DHCD.

Failure to submit these documents shall constitute a breach of contract and may result in termination of the contract.

Strategy: DHCD shall include a provision notifying prospective applicants that Section 3 and the regulations in 24 C.F.R. § 75 are applicable to all funding awards during its announcements of notices of funding availability (NOFAs).

Strategy: DHCD shall require prospective applicants of Section 3 Covered projects to demonstrate efforts to reach the Section 3 Goals.

2.9 Employment and Economic Opportunities for Section 3 Workers

The Department of Housing and Community Development (DHCD) has joined the Prince George's County American Job Center Network¹⁶ partnered with Employ Prince George's, Inc. (EPG) to assist the agency with meeting its Section 3 Safe Harbor requirements. Both agencies have agreed that EPG's Construction Works Program can serve as a valuable tool for job seekers and businesses to connect to DHCD's Section 3 covered projects.

Employ Prince George's Construction Works Program prepares County job seekers with the training that leads to entry to middle-skilled employment opportunities with the high growth-high demand Construction Industry. In addition, this Program connects job seekers with local businesses that participate in the Construction Works Program for employment.

¹⁵ Section 3-based Business Concerns Directory for contractors and subcontractors seeking to do business in Prince George's County: <http://www.hud.gov/Sec3Biz>.

¹⁶ Prince George's County American Job Center Network: <http://pgcaic.com>

The Program partners with numerous businesses, Prince George’s County Public Schools, Prince George’s County Community College, private career schools, nontraditional educational entities, and Maryland Department of Labor Workforce Innovation and Opportunity Act (WIOA) Eligible Training Providers to provide superior construction trades training.

The EPG Construction Works Program will be staffed with a Construction Works Program Coordinator and a Construction Works Program Business Consultant. The Construction Works Program Coordinator will enroll Section 3 job seekers into the Program, provide one-on-one services to help remove barriers to employment, and assist them with achieving their employment goals. In addition, the Construction Works Program Coordinator will partner with the Construction Works Program Business Consultant to connect program graduates with Section 3 business concerns, local businesses that have employment opportunities in the Construction and Real Estate Industries.

Employ Prince George’s, Inc. will also help to market the DHCD Section 3 Action Plan for Contractors and Subcontractors by participating in DHCD subrecipient technical assistance workshops, pre-bid and pre-construction conferences.

DHCD will encourage sub-recipients, contractors, and subcontractors to participate in the EPG Construction Works Program to help ensure compliance with the Section 3 Safe Harbor requirements.

2.10 Monitoring

Monitoring is an integral management control technique and a Government Accountability Office (GAO) standard. It is an ongoing process that assesses the quality of a program and participants’ performance. Monitoring provides information about program participants that is critical for making informed judgments about program effectiveness and management efficiency.

It is DHCD’s responsibility to ensure that the sub-recipients, contractors, and subcontractors meet all Section 3 requirements. If the requirements are not met, DHCD shall make a finding of noncompliance. A finding is a deficiency in program performance based on a statutory and regulatory program requirements for which sanctions or other corrective actions are authorized. Failure to comply could result in a recovery of HUD funds.

The following describes DHCD’s Section 3 monitoring checklist:

- If the sub-recipient implemented procedures to notify Section 3 residents and business concerns about employment, training, and contracting opportunities generated by its agency or covered contractors;
- If the sub-recipient notified covered contractors and subcontractors about their responsibilities pursuant to Section 3;
- If the sub-recipient included the Section 3 Clause in covered contracts;

- If the sub-recipient monitored its covered contractors and subcontractors for compliance with Section 3 and imposed penalties for noncompliance as appropriate;
- If the sub-recipient or its contractors and subcontractors met the goals for employment and contracting opportunities;
- If the sub-recipient provided an explanation if the contractors and subcontractors failed to meet the goals for Section 3; and
- If the sub-recipient’s annual Section 3 reporting requirements were met on a timely basis.

2.11 Section 3 Reporting Requirements

The DHCD is required to report annually Section 3 activities using HUD’s Integrated Disbursement and Information System (IDIS)/Consolidated Performance Evaluation Report (CAPER). The CAPER highlights DHCD’s achievements in providing decent housing, suitable living environments, and expanding economic opportunities for low to moderate-income residents. The CAPER is due to HUD sixty (60) days after the program year ends. DHCD’s CAPER’s is due at the end of September each year.

The IDIS Section 3 report in the CAPER will correspond to the covered projects and activities that received Federal funding (i.e., CDBG, HOME, ESG, Section 108, etc.). Projects for which assistance or funds are committed after July 1, 2020, are subject to the new Section 3 regulations. The DHCD will include a summary of the Section 3 Summary Report(s) in its CAPERs.

2.12 Section 3 Workers or Section 3 Business Complaints

Any Section 3 workers or Section 3 businesses (or authorized representatives) may file a written complaint, official title “Complaint Register Under Section 3 of the HUD Act of 1968 form HUD-958,” with the local HUD Field Office or mail it to:

The Assistant Secretary for Fair Housing and Equal Opportunity
Attn: Office of Economic Opportunity
U.S. Department of Housing and Urban Development
451 Seventh Street, S.W., Room 5100
Washington, D.C. 20410-2000

A written complaint should contain:

- Name and address of the person filing the complaint
- Name and address of subject of complaint (HUD recipient, contractor or subcontractor)
- Description of acts or omissions in alleged violation of Section 3
- Statement of corrective action sought (i.e., training, employment or contracts)

Internal Section 3 Complaint Procedure

Complaints generated due to non-compliance through an internal process, DHCD encourages submittal of complaints to its Section 3 Coordinator. A written complaint should be mailed to:

DHCD Office of the Director
Attention: Senior Compliance Officer
Prince George's County Department of Housing and Community Development
9200 Basil Court, Suite 500
Largo, Maryland 20774

(301) 883-5531

PRINCE GEORGE'S COUNTY, MARYLAND

DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT SECTION 3 ACTION PLAN FOR CONTRACTORS AND SUBCONTRACTORS

FINAL

NAME OF CONTRACTOR: _____

NAME OF SUB-RECIPIENT: _____

PROJECT NAME: _____

PROJECT IDIS NO: _____

Prince George's County affirmatively promotes equal opportunity and does not discriminate on the basis of race, color, gender, religion, ethnic or national origin, disability, or familial status in admissions or access to benefits in programs or activities.

Final: 11/16/2021

Introduction

The Prince George's County Department of Housing and Community Development (DHCD) is the lead agency responsible for administering the following federal programs:

- Community Development Block Grant (CDBG)
- HOME Investment Partnerships (HOME)
- Emergency Solutions Grants (ESG)
- Section 108 Loan Guarantee Program (Section 108)
- Lead-Based Paint Hazard Control Grant Program (LBPHC) and Lead Hazard Reduction Demonstration Grant Program (LHRD)

These federal funds are allocated by the U.S. Department of Housing and Urban Development (HUD) and provide housing and housing and community development assistance to primarily low and very low-income residents of Prince George's County. A significant portion of these federal funds are used to carry out housing rehabilitation, housing construction, and other public construction projects. Whenever the total amount of HUD financial assistance to a project exceeds a threshold of \$200,000 dollars it is defined by HUD as a "Section 3" covered project. The threshold is \$100,000 when the assistance is from the LBPHC and LHRD programs.

The purpose of Section 3 is to ensure that economic opportunities, most importantly employment, generated by certain HUD financial assistance shall be directed to low and very low-income persons.

The DHCD will be considered to have complied with the Section 3 Safe Harbor requirements if "to the greatest extent feasible" each Section 3 covered project is able to:

1. Certify the Prioritization of Efforts:
 - a) Employment and training opportunities to Section 3 workers; and
 - b) Award contractors and subcontractors that provide economic opportunities for Section 3 workers.
2. Meet or exceed the applicable Section 3 Benchmarks established by HUD:
 - a) Thirty-five percent (35%) of the total number of labor hours worked by all workers on a Section 3 project are Section 3 workers; and
 - b) Five percent (5%) of the total number of labor hours worked by all workers on a Section 3 project are Targeted Section 3 workers. This means that the five percent (5%) is included as part of the thirty-five percent (35%) threshold.

Section 3 covered projects include housing rehabilitation, housing construction, and other public construction such as infrastructure related projects. These projects may include water and sewer repairs, roads, bridges or enhancements to business facades in low to moderate-income communities. The project site or sites together with any building(s) and improvements located on the site(s) that are under common ownership, management, and financing.

Section 3 is not applicable when program funds are invested in direct assistance to homebuyers, acquisition, and administration, because these are not construction activities.

In efforts to utilize DHCD's federal programs to maximize economic opportunities for low and very low-income persons, the contractor and subcontractor are required to prepare a Section 3 Action Plan.

The DHCD has joined the Prince George's County American Job Center Network, partnered with Employ Prince George's, Inc. (EPG) to assist the agency with meeting its Section 3 Safe Harbor requirements. Both agencies have agreed that EPG's Construction Work Program can serve as a valuable tool for job seekers and businesses to connect to DHCD's Section 3 covered projects.

Employ Prince George's Construction Works Program prepares County job seekers with the training that leads to entry to middle-skilled employment opportunities with the high growth-high demand Construction Industry. In addition, this Program connects job seekers with local businesses that participate in the Construction Work Program for employment.

DHCD encourages sub-recipients, contractors, and subcontractors to participate in the EPG Construction Work Program to help ensure compliance with the Section 3 Safe Harbor requirements. Please contact EPG Construction Work Program at:

Exhibit C: Helpful Links

EXHIBIT A

General Statement:

_____, as the contractor is committed to comply with the Section 3 regulations (24 C.F.R. § 75). It is our desire to work together to ensure compliance to the “greatest extent feasible”, through awarding of contracts for work and services to Section 3 Business Concerns, and to provide employment and training to Section 3 Workers. All subcontractors interested in submitting bids for contracts will be informed of the Section 3 requirements and goals.

Section 3 Goals:

The _____ will be considered to have complied with the Section 3 Safe Harbor requirements if “to the greatest extent feasible” they:

- 3. Certify the Prioritization of Efforts:
 - c) Employment and training opportunities to Section 3 workers; and
 - d) Award contractors and subcontractors that provide economic opportunities for Section 3 workers.

- 4. Meet or exceed the applicable Section 3 Benchmarks established by HUD:
 - c) Thirty-five percent (35%) of the total number of labor hours worked by all workers on a Section 3 project are Section 3 workers; and
 - d) Five percent (5%) of the total number of labor hours worked by all workers on a Section 3 project are Targeted Section 3 workers. This means that the five percent (5%) is included as part of the thirty-five percent (35%) threshold.

Outreach:

We are committed to conduct an aggressive outreach campaign to make Section 3 Business Concerns and Section 3 Workers aware of contracting and hiring opportunities in connection with this Section 3 Covered Project. Efforts will include, but not limited to, publication of opportunities in the local newspapers, use of signage at the project site, flyers posted in the neighborhood, and surrounding areas, notification of local housing authorities, employment agencies, and local YouthBuild chapters.

Section 3 Covered Project Neighborhood Area:

Attachments:

The following attachments are incorporated into and made a part of this Section 3 Action Plan:

- ____ Exhibit A-1: Equal Employment Opportunity Agreement
- ____ Exhibit A-2: Assurance of Compliance with HUD Regulations for Training, Employment, and Contracting Opportunities for Businesses and Lower Income Persons

____ Exhibit A-3: Estimated Project Work Force Breakdown

____ Exhibit A-4: Proposed Contracts/Subcontracts Breakdown

We agree to provide to the Department of Housing and Community Development the following documentations as soon as the information is available:

- Exhibit A-5: Actual Project Workforce Breakdown
- Exhibit A-6: Section 3 Business Utilization
- Exhibit A-7: DHCD Section 3 Summary Report
- Evidence of Outreach to Solicit Bids from Section 3 Business Concerns

**PRINCE GEORGE'S COUNTY
DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT
EQUAL EMPLOYMENT OPPORTUNITY AGREEMENT**

On behalf of _____, I hereby commit to offering equal opportunity in providing training opportunities, hiring, contracting and purchasing to all qualified job applicants, contractors, subcontractors, vendors, suppliers and other business-related providers of goods and services without regard to race, age, color, sex, religion, national origin, physical disability or mental disability. The practice of non-discrimination will include, but not be limited to assuring equal opportunity in contracting, recruitment, training, hiring, placement, promotion, rate of pay and other compensation and termination.

I/we will comply with all relevant federal, state, and local regulations, administrative and executive orders requiring non-discrimination including but not limited to:

- (1) Federal Executive Order 11246 "Goals and Timetables for Females and Minority Participation in the Construction Industry".
- (2) The Civil Rights Act of 1964 as amended.
- (3) The Americans with Disabilities Act ("ADA") of 1990.
- (4) The Equal Employment Opportunities Act of 1992 as it relates to employment opportunities for local, small, and disadvantaged businesses.
- (5) Section 3 of the Housing and Urban Development Act of 1968, as amended by the Housing and Community Development Act of 1992. ("Section 3")

(A) COMPLIANCE

- (1) I understand that all contracts and subcontracts, which are entered into under this agreement are to contain the Assurance of Compliance form.
- (2) My firm will require all contractors and/or subcontractors to exert their best efforts to provide low/and very low-income persons with employment and training opportunities and to provide businesses which are owned in part or wholly by persons living within the project area and who employ low and very low-income persons with contract opportunities.
- (3) I understand that failure to carry out the requirements position out herein shall constitute a breach of contract and may result in termination of the contract/funding.

- (4) My firm will fulfill our obligations to utilize Section 3 business concerns by developing and implementing an affirmative action plan.
- (5) My firm will incorporate the following "Section 3 clause" in all contracts for work on this covered project:

"The Section 3 Clause"

- (a). The work to be performed under this contract is on a project assisted under a program providing direct Federal financial assistance from the Department of Housing and Urban Development and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended. Section 3 requires that to the greatest extent feasible, opportunities for training and employment be given to lower income residents of the area of the Section 3 covered project, and contracts for work in connection with the project be awarded to business concerns which are located in, or owned in substantial part by persons residing the area of the Section 3 covered project.
- (b). The parties to this contract will comply with the provisions of said Section 3 and the regulations issued pursuant thereto by the Secretary of Housing and Urban Development set forth in 24 CFR Part 75, and all applicable rules and orders of the Department issued thereunder prior to the execution of this contract. The parties to this contract certify and agree that they are under no contractual or other disability, which would prevent them from complying with these requirements.
- (c). The contractor will send to each labor organization or representative of workers with which he has a collective bargaining agreement or other contract or understanding, if any, a notice advising the said labor organization or workers' representative of his commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.
- (d). The contractor will include this Section 3 clause in every subcontract for work in connection with the project and will, at the direction of the applicant for or recipient of Federal Financial assistance, take appropriate action pursuant to the subcontract upon a finding that the subcontractor is in violation of regulations issued by the Secretary of Housing and Urban Development, 24 CFR Part 75. The contractor will not subcontract with any subcontractor where it has notice or knowledge that the latter has been found in violation of regulations under 24 CFR Part 75 and will not let any subcontract unless the subcontractor has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.

- (e). Compliance with the provisions of Section 3, the regulations set forth in 24 CFR Part 75, and all applicable rules and orders of the Department issued thereunder prior to the execution of the contract, shall be a condition of the Federal financial assistance provided to the project, binding upon the applicant or recipient, its contractors and subcontractors, its successors, and assigns to those sanctions specified by the grant or loan agreement or contract through which Federal assistance is provided, and to such sanctions as are specified by 24 CFR Part 75.

(B) RECORDS AND REPORTS

- (1) My firm will keep such records as are necessary to demonstrate its compliance with the requirements of Section 3.
- (2) My firm will maintain records and submit copies of these records, which document actions taken, and the results of those actions.

I/we will faithfully and forthrightly implement all necessary and practicable steps, procedures and plans to assure achievement of the stated goals. On-going communication and solicitation of local businesses and job applicants will continue prior to, during and after completion of the project or contract work in order to achieve the stated goals. Continuous and on-going coordination prior to, during and throughout lease-up and hiring will be carried out in cooperation with the Department of Housing and Community Development and other organizations and institutions that would be useful in achieving the goals and commitments stated herein.

I/we will advertise employment, business and contractor opportunities in local and community newspapers, trade journals and other publications on a regular basis in order to assure wide distribution and knowledge of available opportunities.

The undersigned by their signatures certify that they have the authority necessary and requisite to legally bind the corporation to this agreement:

PRINCE GEORGE'S COUNTY COMMUNITY DEVELOPMENT
PROGRAM ASSURANCE OF COMPLIANCE
WITH DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT REGULATIONS FOR
TRAINING, EMPLOYMENT, AND CONTRACTING OPPORTUNITIES FOR BUSINESSES AND
LOW- AND VERY LOW-INCOME PERSONS

Project Title: _____

- A. The project assisted under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u. Section 3 requires that to the greatest extent feasible opportunities for training and employment be given lower income residents of the project area and contracts for work in connection with the project be awarded to business concerns which are located in or owned in substantial part by persons residing in the area of the project.

- B. Notwithstanding any other provision of this contract, the contractor shall carry out the provisions of said Section 3 and the regulations issued pursuant thereto by the Secretary set forth in 24 CFR Part 75 (published in 85 Federal Register 61562, September 29, 2020), and all applicable rules and orders of the Secretary issued thereunder prior to the execution of this contract. The requirements of said regulations include but are not limited to development and implementation of an affirmative action plan for utilizing business concerns located within or owned in substantial part by persons residing in the area of the project; the making of a good faith effort, as defined by the regulation to provide training, employment, and business opportunities required by section 3; and incorporation of the "section 3 clause" specified by Section 75.27 of the regulations in all contracts for work in connection with the project. The contractor certifies and agrees that it is under no contractual or other disability which would prevent it from complying with these requirements.

- C. Compliance with the provisions of Section 3, the regulations set forth in 24 CFR Part 75, and all applicable rules and orders of the Secretary issued thereunder prior to approval by the Government of the application for this contract shall be a condition of the Federal financial assistance provided to the project, binding upon the contractor, its successors and assigns. Failure to fulfill these requirements shall subject the contractor and his subcontractors, its successors, and assigns to the sanctions specified by this contract, and to such sanctions as are specified by 24 CFR Section 75.

WHAT WE DO

CWP is a DHCD Section 3 Workforce Support Program

- FREE Industry Certified Training
- One-on-One Career Counseling
- Job Placement Assistance
- Basic Skills Training
- Supportive Services
- Pre-Apprenticeships

Training Programs available for the following:

- Carpentry
- Commercial Painting
- Electrician
- Heavy Equipment Operator
- Highway Maintenance/Repair Worker
- Welder
- Commercial & Residential
- Commercial Truck Driver
- General Construction Laborer

General Eligibility Requirements:

- Proof of Residency in Prince George's County
- Proof of Family Income (Income guidelines may apply)
- Proof of eligibility to work in the U.S.
- Proof of Registration for Selective Services (males born on or after January 1, 1960)

If you are interested in enrolling in the Construction Works Program or would like more information, visit us at www.EmployPG.org call us at (301) 618-8445.

www.EmployPG.org

The CWP will provide eligible Prince George's County residents with everything you need to gain employment in the construction industry.

CONSTRUCTION JOBS AVAILABLE

Employ Prince George's announces the availability of jobs through its Prince George's County Department of Housing and Community Development Section 3 Workforce Support Program, the Construction Works Program.

What is the Construction Works Program?

- The Construction Works Section 3 program offers jobs for low-income individuals who are bonafide residents of public housing or who live in the area where a HUD-assisted project is located and whose household income falls below HUD's income limits.
- Jobs are available for laborers, landscapers, electricians, plumbers, carpenters, and office/clerical assistants.
- Please visit www.EmployPG.org/CWP to enroll in the program or attend one of our weekly information sessions via the information below.

Information Sessions:

Zoom Link: www.EmployPG.org/DHCD_CWP

Every Thursday - 1:00 PM

Meeting ID: 874 9732 9493 | PC: 1234567

EXHIBIT B

Regulatory Definitions

Applicant – any entity which makes an application for Section 3 covered assistance, and includes, but is not limited to, any State, unit of local government, public housing agency or other public body, public or private non-profit organization, private agency or institution, mortgagor, developer, limited dividend sponsor, builder, property manager, community housing development organization, resident management corporation, resident council, or cooperative association. The selected vehicle is referred to as the “recipient” for purposes of Section 3.

Business Concern – a business entity formed in accordance with State law, and which is licensed under State, county or municipal law to engage in the type of business activity for which it was formed.

Contractor – any entity entering into a contract with:

1. A recipient to perform work in connection with the expenditure of public housing financial assistance or for work in connection with a Section 3 project; or
2. A subrecipient for work in connection with a Section 3 project.

“Greatest Extent Feasible” - means that every effort must be made to comply with the requirements of Section 3. This also means that recipients of Section 3 covered financial assistance should make every effort within their disposal to meet the regulatory requirements.

Low-income person – families (including single persons) with income at 80 percent (80%) of the Area Median Income (AMI) or lower.

Neighborhood Area - a geographical location(s) within the jurisdiction of a unit of general local government (but not the entire jurisdiction) designated in ordinances, or other local documents as a neighborhood, village, or similar geographical designation, or meets HUD community development programs meets the definition at 24 C.F.R. § 570.204 (c)(1).

Public Housing Resident – person meeting the requirement at 24 C.F.R. § 963.

Recipient or Sub-recipient – any entity which receives Section 3 covered assistance, directly from HUD or from another recipient and includes, but is not limited to, any State unit of local government, PHA, or other public body, public or private non-profit organization, private agency or institution, mortgagor, developer, limited dividend sponsor, builder, property manager, community housing development organization, resident management corporation, resident council, or cooperative association. Recipient also includes any successor, assignee or transferee of any such entity, but does not include any ultimate beneficiary under the HUD program to which Section 3 applies and does not include contractors.

Section 3 – Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701u).

HUD Section 3 Benchmarks –

1. Twenty-five percent (25%) of the total number of labor hours worked by all workers on a Section 3 project are Section 3 workers; and
2. Five percent (5%) of the total number of labor hours worked by all workers on a Section 3 project are Targeted Section 3 workers. This means that the five percent (5%) is included as part of the twenty-five percent (25%) threshold.

Prince George's County Section 3 Benchmarks –

1. Thirty-five percent (25%) of the total number of labor hours worked by all workers on a Section 3 project are Section 3 workers; and
2. Five percent (5%) of the total number of labor hours worked by all workers on a Section 3 project are Targeted Section 3 workers. This means that the five percent (5%) is included as part of the twenty-five percent (25%) threshold.

Section 3 Business Concern -

1. It is at least 51 percent (51%) owned and controlled by low- or very low-income persons; or
2. Over 75 percent (75) of the labor hours performed for the business over the prior-three-month period are performed by Section 3 workers; or
3. It is a business at least 51 percent (51%) owned and controlled by current public housing residents or residents who currently live in Section 8-assisted housing.

The status of a Section 3 business concern shall not be negatively affected by a prior arrest or conviction of its owner(s) or employees.

Section 3 Covered Assistance –

1. Public housing development assistance provided pursuant to Section 5 of the 1937 Act;
2. Public housing operating assistance provided pursuant to Section 9 of the 1937 Act;
3. Public housing modernization assistance provided pursuant to Section 14 of the 1937 Act;
4. Assistance provided under any HUD housing or community development program that is expended for work arising in connection with housing rehabilitation, construction, or other public construction project (which includes other buildings or improvements, regardless of ownership.)

Section 3 Clause – the contract provisions set forth in 24 C.F.R. § 75.27.

Section 3 Covered Contracts – a contract or subcontract (including a professional service contract) awarded by a recipient or contractor for work generated by the expenditure of Section 3 covered assistance, or for work arising in connection with a Section 3 covered project.

Section 3 covered contracts do not include contracts awarded under HUD's procurement program, which are governed by the Federal Acquisition Regulation (FAR). Section 3 covered contracts also do not include contracts for the purchase of supplies and materials. However, whenever a contract for

materials includes the installation of the materials, the contract constitutes a Section 3 covered contract.

Section 3 Covered Project – the construction, reconstruction, conversion or rehabilitation of housing (including reduction and abatement of lead-based paint hazards), other public construction which includes buildings or improvements (regardless of ownership) assisted with housing or community development assistance.

Section 3 Resident – public housing resident or an individual who resides in the metropolitan area or a nonmetropolitan county in which Section 3 covered assistance is expended and who is considered to a low-to very low-income person.

Section 3 Worker – Any worker who currently fits or when hired within the past five (5) years fit at least one (1) of the following categories:

1. The worker’s income for the previous or annualized calendar year is below the income limit established by HUD; or
2. The worker is employed by a Section 3 business concern; or
3. The worker is a YouthBuild participant.

The status of a Section 3 worker shall not be negatively affected by a prior arrest or conviction.

Service Area – an area within one mile of the Section 3 project or, if fewer than 5,000 people live within one mile of a Section 3 project, within a circle centered on the Section 3 project that is sufficient to encompass a population of 5,000 people according to the most recent U.S. Census.

Subcontractor – any entity (other than a person who is an employee of the contractor) which has a contract with a contractor to undertake a portion of the contractor’s obligation for the performance of work generated by the expenditure of Section 3 covered assistance, or arising in connection with a Section 3 covered project.

Targeted Section 3 Worker for Housing and Community Development Financial Assistance – A Section 3 worker who is:

1. A worker employed by a Section 3 business concern; or
2. A worker who currently fits or when hired at least one of the following categories, as documented within the past five (5) years:
 - a) Living within the service area or the neighborhood of the project; or
 - b) A YouthBuild participant.

Very low-income person – families (including single persons) with income at 50 percent of the AMI or lower.

YouthBuild Participant – A participant receiving assistance under the Workforce Innovation and Opportunity Act (29 U.S.C. 3226).

PROJECT INFORMATION SHEET

**Glenarden Hills Phase 3, 9%
8405 Hamlin Street
Lanham, MD 20706**

COUNCILMANIC DISTRICT 5

PROJECT DESCRIPTION:

Pennrose LLC, the Redevelopment Authority of Prince George's County, B&W Solutions, Inc., and SHABACH! Ministries, Inc. (together, the "Development Team") plans to acquire land and construct a forty-four (44) unit affordable apartment community as part of a larger mixed-income development in Lanham, Prince George's County, Maryland (hereinafter referred to as "Glenarden Phase 3, 9%" or the "Project"). The total development cost of this Project is expected to be eighteen million, five hundred ninety two thousand, two hundred eighty-six dollars (\$18,592,286).

The 44-unit Glenarden Phase 3, 9% project is part of the Glenarden Master Redevelopment which altogether will provide high-quality, affordable, workforce and market rate housing opportunities, resulting in a richly diverse, mixed-use, mixed-income, livable, and well-connected community. Glenarden Phase 3, 9% itself will be a two-phased project; a neighboring one hundred fourteen (114) unit mixed-income rental community will be separately constructed ("Glenarden Phase 3, 4%"). This forty-four (44) unit Project will be comprised of six (6) apartment buildings that include a mix of both townhouse units and stacked apartment units and amenity spaces. The Project will be certified under the National Green Building Standards, Energy Star Version 3.1, and Zero Energy Ready Homes (ZERH).

The forty-four (44) unit Project will be entirely affordable. Thirty-eight (38) units will serve households earning thirty percent (30%) of the Area Median Income ("AMI"); three (3) units will serve households earning forty percent (40%) of the AMI; two (2) units will serve households earning fifty percent (50%) of the AMI; and one (1) unit will serve households earning sixty percent (60%) of the AMI. Across the Project, there will be twenty-eight (28) two-bedroom units and sixteen (16) three-bedroom units. Two-bedroom rents will range from five hundred fifty one dollars (\$551) to one thousand, five hundred twenty one dollars (\$1,521); and

three-bedroom rents will range from six hundred fifty two dollars (\$652) to eight hundred eleven dollars (\$811).

All residents of Phase 3 will have access to the previously constructed community clubhouse and its amenities via a shared use agreement between Phases 1, 2A, both phases of Phase 3, and future phases. The 5,700 square foot community clubhouse built in Phase 1 features a community space, a fitness center, on-site management and leasing suite, a resource center, locker rooms, a kitchenette, an outdoor patio with a grill area, and a tot-lot. A community lap pool, children's pool, community green space, and an athletic surface will be added as part of Phase 3.

The site is located immediately adjacent to three MetroBus stops on Brightseat Road, offering convenient access to regional transportation via the Beltway, and nearby WMATA Metro stops. The site is in a predominately residential neighborhood, while still offering access to shopping and other services and amenities less than one mile away.

PROJECT INFORMATION SHEET

**Birchwood at Upper Marlboro
15402 Marlboro Pike
Upper Marlboro, MD 20772**

COUNCILMANIC DISTRICT 6

PROJECT DESCRIPTION:

Lead developer MBID of Delaware, LLC (d/b/a/ Ingerman) and Housing Initiative Partnership, Inc. (together, the “Development Team”) plan to acquire land and construct the Birchwood at Upper Marlboro project, a ninety (90) unit age-restricted affordable rental community for seniors in Upper Marlboro Prince George’s County, Maryland (the “Birchwood Project”). Developments plans also call for the construction of a neighboring sixty (60) unit mixed-income rental community for families (the “Willows Project”). Through a “twinning” financial structure, the Birchwood Project and Willows Project will be separately financed, but simultaneously constructed by the Development Team. The total development cost of the Birchwood Project is expected to be approximately twenty four million, six hundred sixty three thousand, eight hundred nineteen dollars (\$24,663,819) for this four (4) story elevated building.

The ninety (90) unit Birchwood Project will be entirely affordable. It will be occupied by senior households at various income levels up to eighty percent (80%) of the Area Median Income (“AMI”). Across the Birchwood Project, there will be sixty two (62) one-bedroom units and twenty eight (28) two-bedroom units. One-bedroom rents will range from six hundred seventy five dollars (\$675) to one thousand, four hundred fifty two dollars (\$1,452) and two-bedroom ranges from eight hundred one dollars (\$801) to one thousand, six hundred eighty dollars (\$1,680).

Exterior features of the Birchwood Project will include walkways, seating areas, and parking. Walkways and seating areas will provide passive recreation to residents and a connection to surrounding land uses. The grounds around the building will be appropriately lighted for resident safety and security. The Birchwood Project will feature many interior amenities including social spaces, a fitness center, a game rooms recreational space, and suite of

management and maintenance offices. The site is sufficiently sized to accommodate all the social programs and will not require any unusual or significant maintenance. The Birchwood Project will also meet LEED certification standards for environmental sustainability.

The Birchwood Project is conveniently located proximate to a wide variety of commercial, retail, and public uses. Nearby amenities include a grocery store, pharmacy, bank, schools, medical care, parks, post office, library, and houses of worship. Prince George's County TheBus operates Route 53 with a stop approximately 0.2 miles from the site. The mixed-use and walkable Town of Upper Marlboro is located approximately one mile to the southwest, providing easy access to civic, educational, and recreational amenities.

Introduction

In response to the economic impacts of the COVID-19 pandemic, nearly \$5 billion in HOME Investment Partnerships Grants (HOME) funds were allocated to jurisdictions across the country through the American Rescue Plan (ARP). Prince George's County, Maryland (the County) was awarded a total of \$7,592,085 in HOME-ARP funds (see Appendix A). These funds may be used for the following activities:

- Acquisition, rehabilitation, and construction of affordable rental housing
- Supportive services, homeless prevention services, and housing counseling
- Acquisition and development of non-congregate shelter
- Tenant-based rental assistance
- Nonprofit operating and capacity building assistance
- Grant administration and planning

Complete information on eligible activities and qualifying populations can be found within the United States Department of Housing and Urban Development [Notice CPD-21-10](#).

Prince George's County Department of Housing and Community Development (DHCD) conducted an extensive series of consultations with stakeholders, including individuals who work directly with households who meet the criteria for the qualifying populations. Additionally, an extensive analysis of the qualifying populations and inventory of existing resources was completed. This HOME-ARP Allocation Plan outlines the research completed, as well as a summary of the activities that Prince George's County intends to implement with its allocation of HOME-ARP funds.

Consultation

Describe the consultation process including methods used and dates of consultation:

As detailed in the table below and in Appendix B, the County completed consultations with the required public and private organizations, as well as other key stakeholders, between March and June 2022. Consultations were completed in a combination of virtual meetings with individual organizations and focus groups with larger groups. The County also accepted written comments from organizations that were consulted. During all consultations, the County described the requirements and scope of HOME-ARP program rules - including funding availability, qualifying populations, and eligible activities - and solicited input and suggestions from key stakeholders.

The input received from these consultations informed the development of the HOME-ARP plan, including the uses of HOME-ARP funds and strategy for distributing HOME-ARP funds. The consultations also assisted the County in identifying existing resources, gaps, and needs of qualifying populations.

List the organizations consulted:

AGENCY/ORG	TYPE OF AGENCY/ORG	METHOD OF CONSULTATION
Continua of Care Serving the Jurisdiction's Geographic Area		
Prince George's County Continuum of Care	Continuum of Care	Virtual focus group
Prince George's County Department of Social Services	Continuum of Care coordinating agency	Virtual meeting
Homeless Service Providers		
Independence Now/ Center for Independent Living	Homeless service provider	Virtual meeting
Y.E.S. Committee for Homeless Youth	Homeless service provider	Virtual meeting
Mission First Housing Corporation	Homeless service provider	Virtual focus group
Pennrose Properties	Homeless service provider	Virtual focus group
Various members of Prince George's County Continuum of Care	Homeless service provider	Virtual focus group
Domestic Violence Service Providers		
Maryland Department of Housing and Community Development	Public agency administering rental assistance for victims of domestic violence (New Futures Program)	Virtual meeting
Glenarden Housing Authority	County-based public agency administering rental assistance and public housing for victims of domestic violence	Virtual meeting
Various members of Prince George's County Continuum of Care	Existing providers of services for domestic violence	Virtual meeting
Homes for America	Homeless and domestic violence service providers	Virtual meeting
Maryland Affordable Housing Coalition	Housing provider: statewide coalition	Virtual focus group
Veterans Groups		
Housing Authority of Prince George's County: VASH Program	County-based public agency administering rental assistance and public housing for veterans	Virtual meeting
Glenarden Housing Authority	County-based public agency administering rental assistance and public housing for veterans	Virtual meeting
Various affordable housing developers	Housing for veterans	Virtual meeting

Public Housing Agencies		
College Park Housing Authority	Public housing authority: municipality	Virtual meeting
Glenarden Housing Authority	Public housing authority: municipality	Virtual meeting
Housing Authority of Prince George's County	Public housing authority: County	Virtual meeting
Maryland Department of Housing and Community Development	Public housing authority: statewide	Virtual meeting
Public Agencies that Address the Needs of the Qualifying Populations		
Prince George's County Department of Social Services	Public agency: County Serves all four (4) Qualifying Populations under HOME-ARP	Virtual meeting
Maryland Department of Housing and Community Development	Public agency: State Serves all four (4) Qualifying Populations under HOME-ARP	Virtual meeting
Maryland Department of Disabilities	Public agency: State Serves all four (4) Qualifying Populations under HOME-ARP	Virtual meeting
Maryland Department of Health	Public agency: State Serves all four (4) Qualifying Populations under HOME-ARP	Virtual meeting
Public/Private Organizations that Address Fair Housing, Civil Rights, and the needs of persons with disabilities		
Independence Now/Center for Independent Living	Fair housing/persons with disabilities (advocacy and services)	Virtual meeting
Disability Rights Maryland	Fair housing/civil rights	Virtual meeting
Arc of Prince George's County	Fair housing/civil rights (advocacy and services)/persons with disabilities	Virtual meeting
Maryland Department of Disabilities	Persons with disabilities	Virtual meeting
Maryland Department of Health	Persons with disabilities	Virtual meeting
Various affordable housing developers	Housing for persons with disabilities	Virtual meeting

Summarize feedback received and results of upfront consultation with these entities:

A summary of themes that informed the activities, preferences, methods of prioritization, and referral processes below is outlined below. Notes from each virtual meeting/focus group can be found in Appendix B.

Lack of Deeply Affordable Rental Housing

- There was a consistent reference to the general lack of deeply affordable rental housing, with the greatest need below 30% of the area median income (AMI). There was a consensus that the qualifying populations typically require housing that is affordable at or below 20% of AMI either through deep capital subsidy or rental subsidy.

Need for Non-Congregate Shelter

- Multiple respondents identified an overall ongoing need to increase capacity in non-congregate shelters. The County has a proven track record of securing funding necessary for capital and operating feasibility of non-congregate shelters, most notably during the pandemic. Although at the present time there is not an identified site or proposal for additional non-congregate shelter beds, many respondents noted that there are potential locations throughout the county.

Capital Funding Should be a Priority

- While there were some mentions of a need to expand rental assistance voucher programs (see notation below regarding victims of domestic violence), most respondents recommended using HOME-ARP funds as a capital source to fill gaps associated with renovating or building new affordable units for households at extremely low-income levels that are affordable without the need for rental assistance. Many respondents identified potential transactions that could benefit from gap funding to achieve feasibility.
- An affordable housing developer noted the need for the production of additional affordable senior housing, which has been difficult to finance over the past five years in light of State's Low Income Housing Tax Credit (LIHTC) scoring system which favors general occupancy housing.
- Affordable housing developers also noted the difficulties associated with adequately serving the County's significant population of undocumented residents.

Qualifying Populations Require Enhanced, Long-Term Supportive Services

- Multiple respondents highlighted the need for continued, long-lasting supportive services and targeted case management for vulnerable populations when they transition to transition to independent living, especially those involved in existing programs that match special needs populations with available housing.
- Several individuals noted that targeted case management is necessary to sustainably prevent - and respond to crises that can lead to - housing instability for qualified populations who have transitioned to independent living.
- Affordable housing developers noted that there are recently completed and pending rental complexes that include set-aside units for special needs and vulnerable populations. These households need access to and delivery of comprehensive support services to ensure their ability to live independently.

- An official from a neighboring county noted that those administering rental assistance voucher programs for vulnerable populations (e.g., Bridge subsidy, Section 811, New Futures, local programs, etc.) face broad-based challenges related to identifying and supporting members of vulnerable populations who are able to live in independent settings. A need for long-term availability of targeted case management to address crisis situations that threaten the housing stability of clients was identified.
- A member of the Continuum of Care noted that 80 medically frail individuals are currently residing in the system that need enhanced services.

Permanent Supportive Housing is a Priority of the Continuum of Care

- The Prince George’s County Continuum of Care noted that permanent supportive housing (PSH) for the homeless is a priority for the following populations while elevating a recent significant increase in homelessness among the elderly/aging.
 - Unaccompanied youth/individuals exiting foster care
 - Returning justice-involved citizens
 - Veterans
 - Survivors/those fleeing domestic violence
 - Chronic homeless
 - Elderly/aging
- Most of the PSH resources in the county currently require linkage to a permanent rental assistance resource (tenant-based or project-based voucher). However, an alternative approach has proven successful in Maryland whereby sufficient capital subsidy is provided to allow a property owner to provide units at permanently restricted rents that are affordable to households with incomes at and below 30% of the AMI.
- In most cases, the preferred development approach is to integrate special needs/ supportive housing into larger developments that include affordable and unrestricted market-rate units.
- There is a large inventory of existing rental housing in the county that could potentially provide housing opportunities for vulnerable populations. The County’s Right of First Refusal Program was highlighted as a potential resource for creating integrated, community-based housing opportunities.

Existing Community-Based Resources and Transit Networks Are an Asset in Serving Vulnerable Populations

- Several respondents involved in providing rental assistance and supportive services for vulnerable populations noted that the County’s availability of transit options and community service are conducive to residents achieving and maintaining independence.
- Some respondents mentioned the need for financial support to deliver supportive services, but, with the exception of the aforementioned need for case management for currently housed vulnerable populations, was not identified as a priority given the availability of community-based services that are funded through other sources.

Increased Transparency Needed in Allocation of Project-Based Rental Assistance

- Affordable housing developers expressed a desire for enhanced coordination among County-level agencies in deploying incentives and other financial resources.

Specific reference was made to the need for greater clarity regarding the availability and process for securing project-based rental assistance through the Housing Authority of Prince George’s County as a means to deliver housing to very low-income and vulnerable households.

Youth Aging Out of Foster Care Require Housing Options

- The YES Committee is a broad-based effort to create a housing/service center facility for youth exiting the foster care system. Multiple County agencies are working with the local foster care system and judicial system to identify a potential site, as well as needed capital, operating resources, and supportive service funding. In the meantime, efforts are focused on delivering rental assistance and supportive service supports to this population.

Future Pipeline of RAD Projects from Public Housing Authorities Present Opportunities and Challenges

- The Housing Authority of Prince George’s County, College Park Housing Authority, and Glenarden Housing Authority are all working on conversions of their public housing portfolios through the federal Rental Assistance Demonstration (RAD). As a general matter, the county’s housing authorities have taken time to respond to the incentives HUD is providing for RAD conversions and are now all on a similar timetable. This may result in a significant demand for capital and supportive service funding for these developments over the next five to ten years.
- Elderly and disabled populations are highly represented among the current tenant base in the properties identified for conversion; any redevelopments would result in improved living conditions for these residents.

Victims of Domestic Violence Need Additional Housing Options

The State Department of Housing and Community Development identified housing for victims of domestic violence as a priority. They identified rental assistance as an approach to enhancing housing support to this qualifying population.

Public Participation

Describe the public participation process, including information about and the dates of the public comment period and public hearing(s) held during the development of the plan:

Date(s) of public notice: 8/11/2022

Public comment period: start date - 8/11/2022 end date - 8/25/2022

Date(s) of public hearing: 10/11/2022

Describe the public participation process:

In accordance with its Citizen Participation process, as established in Council Resolution CR-047-2020 which set forth the County’s FY 2021-2025 Consolidated Plan, along with the County’s FY 2021-2025 Citizen Participation Plan, Prince George’s County published a summary of the proposed HOME-ARP Allocation Plan for public comment in two newspapers. The summary described the context and purpose of the Allocation Plan, as well as locations where copies of the entire document may be examined. Additionally, DHCD published a full draft of the plan on the Prince George’s County website for review.

The draft HOME-ARP Allocation Plan was made available for public comment for a time period not less than 15 days (August 11 – August 25, 2022).

Additionally, Prince George’s County held a public hearing on the HOME-ARP Allocation Plan, scheduled by the County Council for Wednesday, October 11, 2022, at 10:00 A.M. The time, date, location, and subject of the public hearing were announced in newspapers of general circulation (i.e., the Enquirer Gazette and Prince George’s Post) within the County. DHCD issued a public notice notifying the public of the upcoming hearing with adequate advanced notice. While public hearings are typically held at accessible sites, convenient to potential and actual beneficiaries, the County Council is currently holding all public hearings virtually.

Describe efforts to broaden public participation:

To reach the Prince George’s County residents with limited English proficiency, DHCD endeavors to issue all of its public notices in both English and Spanish language. The public hearing notice for the HOME-ARP Allocation Plan public hearing was issued in both English and Spanish.

Additionally, DHCD informed members of the Housing Opportunities for All (Comprehensive Housing Strategy) Work Group about the public hearing. This workgroup represents a broad range of community leaders from across the County who are connected with a diversity of residents and other relevant stakeholders.

Summarize the comments and recommendations received through the public participation process either in writing, or orally at a public hearing:

One comment was provided during the public hearing. The speaker was pleased that the Plan recognizes the need for long-lasting services and targeted case management services for vulnerable populations, something the speaker’s organization knows from their experience in direct services. The speaker also shared that they were supportive of the Plan allocating the majority of funding to long-term rental housing developments for extremely low-income households. They also recommended that the County consider adding an additional preference for individuals with disabilities.

Summarize any comments or recommendations not accepted and state the reasons why:

The County is not accepting the recommendation that to add an additional preference for individuals with disabilities as the County has other resources dedicated to services and housing for individuals with disabilities.

Needs Assessment + Gaps Analysis

Describe the size and demographic composition of qualifying populations within the PJ’s boundaries.

Homeless Populations as Defined in 24 CFR 91.5

The Prince George’s County Continuum of Care is coordinated by the County’s Homeless Services Partnership, a coalition of over 100 organizations working collaboratively to meet the needs of families and individuals experiencing homelessness. The Prince George’s County Department of Social Services serves as the Lead Administering Agency for the Continuum of Care, as well as the County’s Homeless Management Information System

(HMIS) Lead Agency. As such, it is responsible for collecting and maintaining all HMIS data, reporting, and related training. To track homelessness, the Continuum of Care uses data from Point-in-Time (PIT) count and the HMIS.

The Continuum of Care’s [PIT count for January 27, 2021](#) found that there were 535 people experiencing homelessness that night. Within this group, 323 people (60%) were living in emergency shelters, 144 people (27%) were living in transitional housing, and 68 (13%) were unsheltered.

	Emergency Shelter		Transitional Housing	
	Number	Percent	Number	Percent
Household type				
Households without children	146	74.5%	22	35.5%
Households with at least one child and one adult	50	25.5%	40	64.5%
Households with only children	0	0.0%	0	0.0%
Total Homeless Households	196	100.0%	62	100.0%
Persons in each household type				
Persons in households without children	159	49.2%	22	15.3%
<i>Persons age 18-24</i>	17	10.7%	12	54.5%
<i>Persons over age 24</i>	142	89.3%	10	45.5%
Persons in households with at least one adult and one child	164	50.8%	122	84.7%
<i>Children under age 18</i>	95	57.9%	76	62.3%
<i>Persons aged 18 to 24</i>	18	11.0%	11	9.0%
<i>Persons over Age 24</i>	51	31.1%	35	28.7%
Persons in households with only children	0	0.0%	0	0.0%
Total Homeless Persons	323	100.0%	144	100.0%

Table 1. Sheltered Homeless Population (source: Prince George’s County Continuum of Care Point-in-Time Count conducted January 27, 2021)

Sheltered

During the January 2021 PIT count, the Prince George’s County Continuum of Care counted 467 sheltered homeless people (258 households) - 196 households were in emergency shelters and 62 households were living in transitional housing. In both emergency shelters and transitional housing, there was a nearly even split between males and females, with zero people identifying as transgender or gender non-conforming.

Emergency Shelter

According to the January 2021 PIT count, of those persons living in emergency shelters, approximately half were in households with adults only and half were in families with children. For those in adult-only households, nearly 9 out of 10 (89%) people were over the age of 24 whereas over half of persons in families with children were under the age of 18 (58%). Among those living in emergency shelters, 48 persons were chronically homeless, 13 were severely mentally ill, and 14 were veterans. Youth in emergency shelters were all ages 18-24, with 13 unaccompanied and seven parenting at least one child. Further analysis of PIT subpopulation surveys showed a nearly even split between males and females (53% and 47%, respectively). Eighty-six percent of persons living in emergency shelters identified as Black or African American and 12% identified as white (see Table 2).

The Prince George’s County 2021 Consolidated Plan reports that the County is home to the largest number of veterans in the state. According to the January 2021 PIT count, there were 14 homeless respondents that were veterans, all of whom were living in emergency shelter. Veteran status was not collected for unsheltered respondents.

Transitional Housing

According to the January 2021 PIT count, most persons living in transitional housing were in families that included at least one child and one adult (85%); 62% of individuals in these households were children under 18. Individuals in households without children – including singles, couples without children, and groups of adults – comprised 15% of those living in transitional housing; twelve adults were in the 18–24-year range and 10 persons were over the age of 24. Within the group living in transitional housing, 90% identified as Black or African American.

	Emergency Shelter		Transitional Housing	
	Number	Percent	Number	Percent
Ethnicity				
Hispanic/Latino	22	6.8%	5	3.5%
Non-Hispanic/Non-Latino	301	93.5%	139	96.5%
Total	323	100.0%	144	100.0%
Gender				
Female	153	47.4%	75	52.1%
Male	170	52.6%	69	47.9%

Gender Non-conforming	0	0.0%	0	0.0%
Total	323	100.0%	144	100.0%
Race				
Black or African American	278	86.1%	130	90.3%
White	37	11.5%	4	2.8%
Asian	1	0.3%	5	3.5%
American Indian or Alaska Native	0	0.0%	2	1.4%
Native Hawaiian or Other Pacific Islander	0	0.0%	0	0.0%
Multiple Races	7	2.2%	3	2.1%
Total	323	100.0%	144	100.0%

Table 2. Demographics of Sheltered Homeless Population (Source: Prince George’s County Continuum of Care Point-in-Time Count conducted January 27, 2021)

Unsheltered

Those identified as unsheltered are generally those living on the streets and in public places not meant for human habitation. These places can include parks, libraries, metro stations, shopping malls, churches, soup kitchens, and other public gathering spaces. Surveys of unsheltered persons are conducted by teams deployed into the community to locate and count them. There were 68 unsheltered homeless persons (64 households) counted and zero unsheltered families counted during the January 2021 PIT count.

Deep Dive: Youth

During the January 2021 PIT count, there were 25 households of unaccompanied youth between the ages of 18-24. Out of these 25 households, 13 reported living in emergency

shelter and 12 reported living in transitional housing. The County's PIT count reported that 14 households in the count were parenting youth aged 18-24; half of these individuals lived in emergency shelter and half lived in transitional housing. This data point was not collected for unsheltered households.

The most recent study on the comprehensive needs and demographics of homeless youth comes from the County's [Coordinated Community Plan](#). This report contains data from a 2018 Youth REACH MD survey. While this report provides valuable context on the county's youth experiencing homelessness, it should be noted that the data was collected pre-pandemic.

Based on this data, 60% of youth from Prince George's County reported fleeing domestic violence while homeless and 14% of youth reported engaging in the foster care system. Additionally, there were 177 parenting youth experiencing homelessness.

At Risk of Homelessness as Defined in 24 CFR 91.5

In Prince George's County, the number of households with incomes below 30% AMI has grown in recent years. Comprehensive Housing Affordability Strategy (CHAS) data show that Prince George's County had an increase of households with incomes equal to or below 30% AMI between 2010 and 2018. As of 2018, approximately 13% of households had incomes equal to or below 30% AMI. Of these households, 63% were renters and 37% were homeowners (see Figure 1).

Per HUD standards, a household that spends between 30% and 50% of their monthly income on housing is considered "housing cost burdened," whereas a household that spends more than half of its income on monthly housing expenses is considered to be experiencing "severe housing cost burden." Per 2018 CHAS data, 35% of households were housing cost burdened or severely cost burdened in Prince George's County.

Lower-income households in Prince George's County experienced cost burdens at higher rates and more severely compared to higher-income households. Nearly 85% of extremely low-income households were either cost burdened (11%) or severely cost burdened (73%) (see Figure 2).

In addition to cost burden, there are other indicators that a person may become homeless. The first is households with more than two people living in a single room or studio housing unit. These households are experiencing extreme overcrowding, typically with precarious tenancy agreements, and the presence of other housing inadequacies such as a lack of kitchen or plumbing utilities. According to Census data, 87% of overcrowded households for all income levels are renter occupied. Another indicator of risk of homelessness is households with at least a 21-day eviction notice at the time they apply for housing support. These households have very limited time to secure housing and may become homeless while paperwork is being processed and an alternate unit can be found.

Both the number and proportion of people living in a unit with more than one HUD-defined housing problem (includes incomplete kitchen facilities, incomplete plumbing facilities, more than 1 person per room, and cost burdens greater than 30%) have continued to increase. According to 2018 CHAS data, 38% of all households in Prince George's County were living in inadequate conditions. When focusing on extremely low-income households, the proportion increases, with over 84% of households earning less than 30% AMI living in

inadequate conditions. However, it is difficult to quantify the individuals and families in these unique scenarios due to limited data collection.

Figure 1. Income Distribution Relative to HUD Area Median Family Income (source: United States Department of Housing and Urban Development Comprehensive Housing Affordability Strategy data (2018))

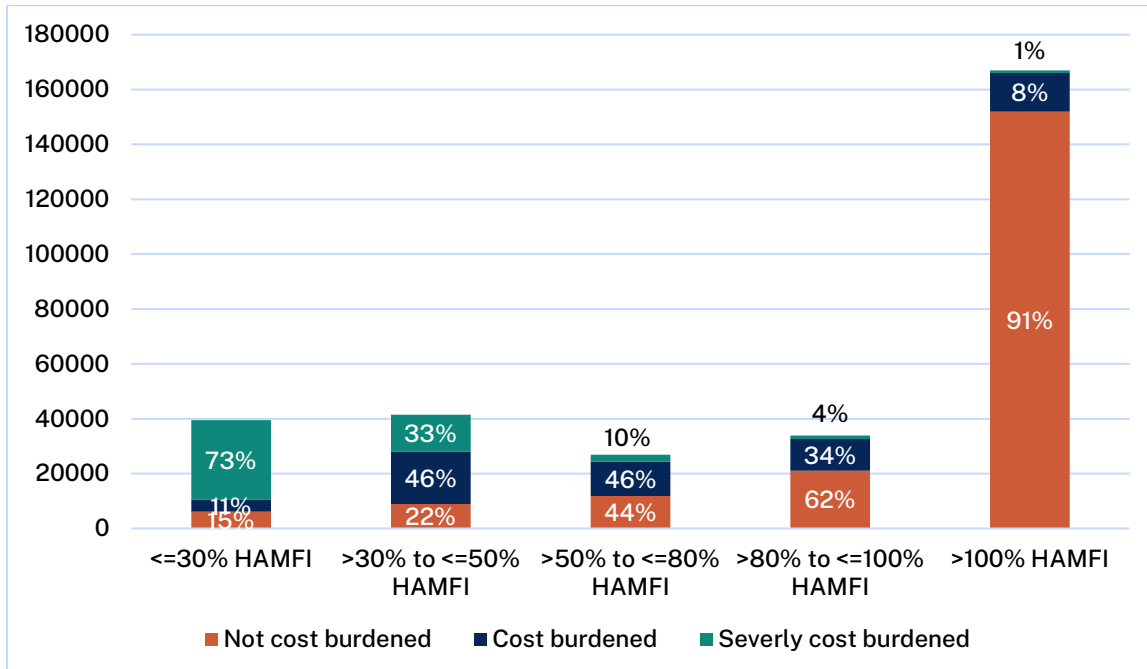

Figure 2. Housing Cost Burden by Income, Prince George's County (source: United States Department of Housing and Urban Development Comprehensive Housing Affordability Strategy data (2018))

Lack of Sufficient Resources or Support Networks

Personal support networks include extended family, friends, or faith-based organizations that can provide temporary or permanent housing opportunities that reduce a person needing to go to an emergency shelter. Households without personal support networks are at-risk of becoming homeless, particularly when experiencing cost burdens or other housing problems. One way to examine this sub-population is to look at the scope of households who have applied for assistance through the County’s Emergency Rental Assistance Program (ERAP), which provides funding for households most at risk of eviction.

Between March 2021 and September 2022, Prince George’s County Department of Housing and Community Development provided emergency rental assistance to 9,377 households; 5,436 of these households reported incomes of less than 30% of the AMI. It should be noted that these households may not be counted as households with less than 30% of the AMI in the 2018 CHAS data due to COVID-19 impacts.

Households by AMI	Households Assisted	
	Number	Percent
Below 30% AMI	5,436	58%
30-50% AMI	3,019	32.2%
50-80% AMI	922	9.8%
Total	9,377	100.0%

Table 3. Households Assisted Through Prince George's County's Emergency Rental Assistance Program (source: Prince George's County Department of Housing and Community Development)

Fleeing, or Attempting to Flee, Domestic Violence, Dating Violence, Sexual Assault, Stalking, or Human Trafficking, as Defined in 24 CFR 91.5

According to the January 2021 PIT count, 16 respondents were survivors of domestic violence. Additionally, data from the 2018 Prince George’s County Coordinated Plan on youth reports that 60% of youth from Prince George’s County reported fleeing domestic violence while homeless. Beyond the homelessness system, the following county-level data on grounds for issuing temporary/final orders was made available in a January 2022 monthly report by the State of Maryland Administrative Office of the Courts:

Grounds	Count
Assault	48
Caused a fear of harm	44
Caused harm	3
Mental abuse of a child	1
Physical abuse of a child	1
Rape or other sexual offense or attempt	2
Sexual abuse of a child	2
Stalking	5
Statutory abuse of a vulnerable adult	1
Harassment	11
Malicious destruction of property	5
Trespassing	6
Total	129

Table 4. Grounds for Domestic Violence Related Orders (source: State of Maryland Administrative Office of the Courts, January 2022 Monthly Summary Reporting)

The grantee recognizes that these numbers only represent instances of domestic violence and stalking that have been reported. More detailed demographic data was not available.

Some additional data is available through the Prince George's County Family Justice Center (FJC), an initiative that was created to improve the legal system's response to those who have been impacted by domestic violence, sexual assault, human trafficking, and elder abuse. In FJC's FY 2019 report, which is the most recent available data, the FJC provided services for over 1,200 clients in Prince George's County. Eighty-three of those were provided with some form of shelter or housing. Additionally, 154 clients received some form of public assistance, which includes housing vouchers, though it is not explicitly stated how many vouchers were provided. Furthermore, 33 of their clients were referred to The NEHE Foundation, which provides emergency housing services for survivors of domestic violence. Fifty-nine were referred to the House of Ruth, a nonprofit that empowers women, children, and families to rebuild their lives and heal from trauma, abuse, and homelessness.

Data on human trafficking in Prince George's County is limited. However, 11 of FJC's clients were referred to Courtney's House, an anti-sex trafficking program which focuses on men and women aged 12-21. The National Human Trafficking Hotline publishes annual statistics and reported that 136 cases of human trafficking occurred in the state of Maryland in 2020. Women survivors represented 81% of the cases, and minors represented 30% of the cases. Demographics for race and ethnicity were not available.

Other populations requiring services or housing assistance to prevent homelessness and other populations at greatest risk of housing instability, as Defined in 24 CFR 91.5 According to HMIS data from 2017 to 2020, there were 93 adults over the age of 60 years of age and with disabilities needing housing support services. Of the 93 adults, over 36% reported having a disability and had the longest length of stay in housing among older adults. Among the 93 adults, 70% of older adults were entering homeless situations, and 83% reported to be individuals rather than households. Only 10% of older adults reported successful exit from homelessness and, of those successfully exiting services, over 30% found housing support through emergency shelter. While the data highlights the state of older adult housing before the pandemic, the data indicates the growing need in the county for increased permanent housing support and residency services for older adults.

According to the CHAS (2018), there are approximately 74% of households with incomes equal to or less than 30% of HUD Area Median Family Income (HAMFI) are severely cost burdened (spend more than 50% of their income on housing costs). These households also struggle with housing problems with over 90% of households experiencing one of the HUD-defined housing problems according to 2018 CHAS data. As noted above, 2,652 households with reported incomes of 30-50% AMI have been assisted through the County's ERAP. However, additional data to quantify the sub-populations are not available at this time.

Identify and consider the current resources available to assist qualifying populations, including congregate and non-congregate shelter units, supportive services, TBRA, and affordable and permanent supportive rental housing:

Supportive Services

The Homeless Services Partnership consists of 100 public and private groups, consumers, and individuals with diverse support service expertise. Continuum of Care services are navigable through a call center that connects people to programs throughout the county. The services available through the Continuum of Care include:

- on the street support services;
- 24/7 homeless support;
- homeless prevention services;
- emergency weather shelters including beds for most vulnerable populations;
- COVID-19 aid;
- transitional housing and rapid re-housing programs; and
- permanent housing support.

The County also has several organizations available to help families and individuals fleeing domestic violence transition to safe housing.

Homeless Housing Inventory

As of January 2021, the County had:

- 478 total emergency shelter beds* (166 for families)
- 146 transitional housing,
- 144 rapid re-housing beds (88 for families),
- 326 PSH beds, and
- 183 other permanent housing beds.

*Includes 150 non-congregate emergency shelter beds were made available upon the onset of the COVID-19 pandemic that were not included in the 2021 Housing Inventory Count from Prince George's County

In 2022, the County added several programs to increase support to homeless persons. The County's Foster Youth to Independence program expands the housing opportunities for unaccompanied youth that have prior involvement in child welfare. Six Youth Homelessness Demonstration programs were established for youth, including a walk-in center, street outreach, joint transitional rapid re-housing, transitional crisis, and PSH support.

Local affordable housing providers and public housing authorities participate in a broad-based effort coordinated by the State of Maryland known as the [Maryland Partnership for Affordable Housing](#) to provide PSH in the County. This initiative provides targeted and coordinated rental assistance and housing placement support for vulnerable populations, especially the disabled and those transitioning from institutional settings to independent living.

Emergency Assistance

Additionally, 139 Emergency Housing Vouchers were created and dedicated to households experiencing homelessness. 139 households in the County were awarded Emergency

Housing Vouchers and, as of May 2022, 75 households had secured leases with these vouchers. Emergency Housing Vouchers provide access to programs specifically available to voucher recipients, as well as strategically prioritized public and additional affordable housing programs.

The County DHCD continues to administer its ERAP. Between March 2021 and September 2022, 9,377 households were provided a total of \$91.2M in rental assistance (average of \$9,725 per household). The County provided an additional \$731.6K in utility assistance.

Affordable Housing Development and Non-Emergency Rental Assistance

Public housing authorities at the state, county and local levels provide tenant-based and project-based rental assistance, as well as public housing, to qualifying populations. These resources are an important element of the overall safety net but are insufficient to meet the overall need.

Describe the unmet housing and service needs of qualifying populations:

Homeless

Housing and Shelter Units

When examining the shelter universe through the high-level numbers in the gaps analysis table, there appear to be adequate resources. However, when considering the gaps analyses together with context from the consultations, nuances emerge.

Prince George's County has adequate beds and units to meet the needs of family households experiencing homelessness (as counted in January 2021). There is a surplus of beds and units available to provide families with emergency shelter and transitional housing services. The 2021 PIT survey counted 90 sheltered family households (including transitional housing units), a level of need addressed by the County's 40 units of transitional housing (121 beds), and 52 emergency shelter places (166 beds).

For homeless adults without children, the data indicate that resources are extremely tight and are not available to meet the long-term housing needs. Across the County, there are 312 beds for homeless adults in emergency shelters and another 25 in transitional housing. While these services respond to critical short-term housing needs, they do not provide longer-term housing stability that the County believes is essential to providing the housing stability essential to meeting the needs of homeless adults. A gap analysis of the total number of rapid rehousing, PSH, and other permanent housing shows that long-term housing options are limited, with only a two-unit surplus across the County when compared to the number of unsheltered households. Additional rapid rehousing, permanent housing services, and other non-congregate housing opportunities are critical – having surplus emergency shelter beds is important to be able to meet last minute needs and they should not be employed as long-term housing solutions due to limited permanent and rapid rehousing options for adults.

As noted in the consultation findings, stakeholders have cited a need for non-congregate shelter units, particularly for individuals and households who may have unique medical needs. Both the study and the Consolidated Plan from the County emphasize the need for more transitional and permanent veteran housing units. The 2021 County Consolidated Plan also identified a need for housing that is aware of accessibility accommodations

necessary for veterans with disabilities or veterans who are ineligible for housing that requires an honorable discharge.

The County Department of Social Services noted a 300% year-over-year increase in demand for services among the elderly. Other providers and members of the Continuum of Care concurred with the increase in demand among this population. A growing proportion of sheltered homeless households with elderly and disabled individuals are dependent on fixed incomes like Supplemental Security income and Social Security Disability Insurance. Permanent housing units, including assisted living facilities for elderly and disabled persons, must be flexible to the fixed incomes of the growing population of elderly renters and housing voucher recipients.

There is also a need for housing services that support the physical accessibility and mental health needs of individuals and families who are elderly or have disabilities. A 2019 PIT count from the County's Consolidated Plan reported that severe mental illness and physical disability were the two largest barriers to permanent housing and independent living for single adults. More wrap-around services for mental illness and disabilities in housing support are critical in transitioning more households to permanent housing.

Finally, Prince George's County lacks transitional housing units dedicated to unaccompanied youth, including parenting youth; there is also a lack of transitional housing units for parenting youth aged 18-24.

Case Management

Beyond shelter, intensive case management was identified as service need for the Homeless qualifying population, including those in integrated housing settings. Additionally, the 2021 Consolidated Plan from the County reported that all federally funded services for veterans are located outside of the county, identifying the County's need for more centralized veteran services for residents.

At Risk of Homelessness AND at Greatest Risk of Housing Instability

Affordable Rental Housing

Prince George's County lacks enough rental homes priced for extremely and very low-income renters. There are more extremely low-income renter households in the County than there are affordable rental units. This reiterates the lack of supply for the deeper affordable housing and the limited diversity of supply in the county for those in most need (see 3).

3

Figure 4. Unmet Needs for Rental Units Priced by Income (source: HUD CHAS (2018))

Housing for Specific Populations

There are 914 individuals who are on the Prince George’s County Section 811 waitlist maintained by the Maryland Department of Disabilities. 601 of these individuals (66%) have indicated an interest in being placed in housing in Prince George’s County; included in this amount are 398 individuals (44% of the total) who currently reside in the County.

- 139 of the 601 total need a stepless, ramped, or flat entry for their unit
- 167 of the 601 total need physically accessible housing
- 9 indicated a need for a unit accommodating individuals with hearing impairments
- 32 indicated a need for a unit accommodating individuals with vision impairments

Consultations with community service providers in the County’s coordinated Community plan also emphasized the need for housing options specifically for youth aging out of foster care. Statements of housing needs for youth formerly engaged in foster care identifies similar needs described in the Coordinated Community Plan’s 2018 analysis of youth housing needs.

Emergency Financial Assistance

Residents in these two qualifying populations would benefit from increased emergency housing assistance resources; for those who are facing eviction or have recently been evicted, rental, security deposit, utility, and legal assistance resources can be critical.

Supportive Services

Case management can help households navigate the complex housing resource ecosystems, as well as other critical social services

Fleeing, or Attempting to Flee, Domestic Violence, Dating Violence, Sexual Assault, Stalking, or Human Trafficking, as Defined in 24 CFR 91.5

A 2019 study from the National Alliance of Safe Housing (NASH) identified barriers for survivors beginning the process in seeking housing needs. Most respondents from the

study found out about domestic violence resources primarily through law enforcement or the court system. Transportation to providers was a barrier for respondents when seeking initial resources.

The NASH study reported that admission into housing services could be exclusionary for victims of domestic violence. Admission policy barriers included: alienating intake questions about a survivor’s trauma or immediate safety; lack of bilingual support staff; and requirements for survivors to have protective orders. According to the State of Maryland’s Administrative Office of the Courts (January 2022), only 26% of domestic violence protections in Prince George’s County were issued out of 332 domestic violence protection petitions. 127 reasons – or 51.8% - of reasons for dismissal of domestic violence protection orders were from failure to appear in court. The State’s report reflects difficulty for Prince George’s County residents to attain protective orders from the courts. These barriers inhibit a survivor’s ability to seek immediate safety and housing in the County.

NASH’s 2019 study also reported an overall lack of housing units available to domestic violence survivors and limited implementation of protection policies for survivors living in Low Income Housing Tax Credit residences. With limited availability in units for survivors or policies to ensure survivor protection in housing, survivors are vulnerable to losing housing support from providers or safety from immediate harm.

Domestic violence survivors in Prince George’s County often encounter barriers when searching for safe and secure housing. Reported barriers include limited housing options for female-headed households with more than two children or male children over 12 years old; a lack of pay stub or proof of work experience; move-in costs; and household furnishings for a family. For residents fleeing domestic violence or similar threats, access to financial resources to support a safe move is limited; leaving under duress can limit the amount of time and resources available to ensure safe and secure housing.

Identify any gaps within the current shelter and housing inventory, as well as the service delivery system:

The County utilized PIT and Housing Inventory Count data to conduct the homeless gap analysis. The number of PSH, rapid rehousing, and other permanent housing units were compared with the number of households counted during the PIT count.

Additionally, the County Department of Social Services and the Continuum of Care have identified an overall, ongoing need for 300 beds of capacity in non-congregate shelters. There is a strong desire to increase the overall capacity of non-congregate shelter beds, and the County has a proven track record of securing funding necessary for capital and operating feasibility.

	Current Inventory	Level of Need	Gap
	# Of Units	# Of Households	# Of Households
Total Rental Units	123,220		
30% AMI Units	9,175		
50% AMI Units	24,445		
0-30% AMI Renter HH with 1 or more severe housing problems		20,875	
30-50% AMI Renter HH with 1 or more severe housing problems		21,355	

Overall gap			-8,610
30% AMI gap			-11,700

Table 5. Non-Homeless Housing Gaps

CHAS data were utilized to complete the non-homeless needs inventory and gap analysis; the County compared the number of units affordable to households with very- and extremely-low incomes with the number of households in those income brackets who were also facing at least one severe housing problem. The greatest need is for households with incomes equal to or less than 30% of the AMI. When comparing the number of units affordable to households with incomes equal to or less than 30% of the AMI with the number of households with incomes equal to or less than 30% of the AMI who have one or more severe housing problem, there is a gap of 11,700 units.

Table 6. Homeless Housing Gaps (sources: Prince George’s County 2021 Continuum of Care Housing Inventory Count; Prince George’s County 2021 Continuum of Care Homeless Assistance Programs Homeless Populations and Subpopulations Count; Homelessness in Metropolitan Washington: Results and Analysis from the 2021 Point in Time Count of Persons Experiencing Homelessness)

Notes:

- a) Family Units and Family Beds categories include units and beds for households with one adult and at least one child under age 18
- b) Assumes that the number of beds is equal to the number of units for non-family counts
- c) Chronic Beds include beds in Permanent Supportive Housing dedicated to serve chronically homeless persons
- d) Chronic, Veteran and Youth beds are subsets of Total Bed Inventory
- e) Veteran Beds and Youth Beds, respectively, include beds dedicated to serve homeless veterans and their families, and include beds dedicated to housing homeless youth aged 24 and younger.
- f) Includes single adults, adults couples with no children, and groups of adults
- g) Includes Unaccompanied Youth and Parenting Youth ages 0-24
- h) Estimates for total Family Bed calculation: (number of family households x the average family household size) – (sum of Family Beds in Permanent Supportive Housing, Rapid Rehousing, and Other Permanent Housing)
- i) Other Permanent Housing (OPH) consists of Public Housing - Housing with Services (no disability required for entry) and Public Housing - Housing Only, as identified in the 2020 HMIS Data Standards
- j) In 2021, HUD gave communities the option to cancel or modify the unsheltered survey portion of their PIT counts based on the potential risk of COVID-19 transmission through conducting and in-person survey. Figure provided is the total of unsheltered households, reflecting that household type and disaggregated subpopulation data were not included in the 1/27/2021 PIT survey.

Identify priority needs for qualifying populations:

Prince George's County has identified the following priority needs: 1) non-congregate shelter units, 2) deeply affordable rental housing, and 3) long-term supportive housing services, such as case management support for qualifying populations. These needs are reflected in the needs assessment in different ways for each qualifying population.

Expanded non-congregate shelters can provide households who have intense service and/or medical needs safe, quality shelter to as they transition into affordable housing units (whether dedicated units or naturally occurring affordable housing), as well as access to case management services that address risks to housing stability such as domestic violence, fixed income, or mental illness.

Additionally, increasing the supply of dedicated affordable housing for very- and extremely-low income residents is critical. 3 of the needs assessment demonstrates the County's need to expand deeply affordable housing opportunities. With 44% of the homeless adult housing units consisting of temporary housing units (including emergency shelter and transitional housing beds), more permanent housing options are needed for those exiting homelessness, as well.

Not only do households in unstable housing situations require units to secure permanent long-term housing, but many qualifying populations also require specialized and trauma-informed case management support to address the unique and occasionally similar needs of each population such as benefits support, childcare service referrals, or mental health services. Case management services can offer vital referrals to resources outside of housing providers that can prevent future housing instability upon settlement in a permanent housing unit.

Explain how the level of need and gaps in its shelter, housing inventory, and service delivery systems based on the data presented in the plan were determined:

The County considered findings from the consultations alongside the data analyses outlined above to identify gaps and prioritize needs. As the County's Continuum of Care is prioritizing the development of deeply affordable rental housing paired with support services, the number of unsheltered homeless individuals was compared with the number of transitional and permanent housing units. See the notes beneath Table 6 on page 25 for details on how the gaps were calculated.

The needs for non-congregate shelter units emerged through consultations with key stakeholders, including members of the County's Continuum of Care. Low-barrier temporary units are critical.

Preventing homelessness for those who may face housing instability is also paramount. The County assessed this by comparing the number of very- and extremely-low income households with severe housing issues and the number of units affordable to very- and extremely-low income households.

Recognizing the limitations of these gaps analyses and available data to quantify the qualifying populations, it remains clear that Prince George's County faces an affordable housing shortage – for those who are currently housed and homeless alike.

Another consistent theme was the need to connect residents with supportive services to increase housing stability. Case managers are crucial to supporting residents by connecting them with relevant wrap-around services.

HOME-ARP Activities

Allocations

Based on key findings from the consultations, needs assessment, and gaps analysis, Prince George’s County proposes funding three activities, in addition to grant administration and planning. Please see [Table 7](#) below for a summary of the proposed allocations. The funding allocations are within HOME-ARP statutory limits.

ACTIVITY	FUNDING AMOUNT	PERCENT OF THE GRANT	STATUTORY LIMIT
Supportive services	\$1,029,835		
Acquisition/development of non-congregate shelter	\$835,274		
Development of affordable rental housing	\$4,588,164		
Admin + planning	\$1,138,812	15%	15%
Total	\$7,592,085		

Table 7: Summary of Proposed HOME-ARP Allocations

Describe the method(s) that will be used for soliciting applications for funding and/or selecting developers, service providers, subrecipients, and/or contractor: The County’s DHCD will release a public notice of funding availability (NOFA) that complies with all HOME-ARP regulations.

Developer applications will be scored based on a number of factors, potentially including:

- Leverage for HOME-ARP funded units (i.e., project-based rental assistance, coordination with the Prince George’s County Continuum of Care, other public and private funding)
- Financial feasibility of total development
- Developer experience
- Proximity to transit
- Sustainable design, energy efficiency, and green design standards

A separate NOFA will be made available for the acquisition or development of non-congregate shelter units. Similarly, the applications will be scored based on a number of factors, potentially including:

- Leverage (i.e., coordination with the Prince George’s County Continuum of Care, other public and private funding)
- Financial feasibility
- Developer experience
- Proximity to transit
- Sustainable design, energy efficiency, and green design standards

Regarding the selection of a non-profit supportive service provider, DHCD will release an open request for qualifications for case management services for eligible residents residing in the affordable rental units.

Describe whether the PJ will administer eligible activities directly

DHCD will manage the rental housing development and non-congregate shelter activities, as they manage other local, state, and federal funding sources. As noted above, the Department will select qualified development partners.

Prince George's County Department of Housing and Community Development will select a third-party or several third parties to administer the supportive service activity.

If any portion of the PJ's HOME-ARP administrative funds were provided to a subrecipient or contractor prior to HUD's acceptance of this allocation plan because the subrecipient or contractor is responsible for the administration of the PJ's entire HOME-ARP grant, identify the subrecipient or contractor and describe its role and responsibilities in administering all of the PJ's HOME-ARP program
N/A

Describe how the PJ will distribute HOME-ARP funds in accordance with its priority needs identified in its needs assessment and gap analysis.

Supportive services

To promote housing stability, allocated funding for supportive services will be used specifically for case management services for residents who meet the criteria of a qualifying population who are living in affordable rental units that are funded with HOME-ARP funds.

Based on input from an expert at the Maryland Department of Disabilities, the estimated cost on an annual basis to deliver targeted case management services to 20-30 PSH units would range from \$168,000 to \$300,000.

Non-congregate shelter

According to the HOME-ARP Notice, "(a) non-congregate shelter is one or more buildings that provide private units or rooms as temporary shelter to individuals and families and does not require occupants to sign a lease or occupancy agreement." Through the pandemic, providing non-congregate shelter units proved to be an effective approach to reducing the number of unsheltered residents in Prince George's County. As noted above, the County has concluded there is an ongoing need for 300 non-congregate shelter beds for various populations and seeks to use HOME-ARP funds to support acquisition and development of additional non-congregate shelter capacity to fill this need.

These funds may be used for an entity to acquire an existing non-congregate shelter or to develop new or additional non-congregate shelter units. The Prince George's County Continuum of Care noted that while other funding resources exist to support the operations of non-congregate shelters, there is limited funding for acquisition and development. The County demonstrated the ability to provide operating and supportive service support for non-congregate shelters during the pandemic. At the present time, there is not an identified site or specific proposal for additional non-congregate shelter beds the County is considering allocating these dollars to.

Development of affordable rental housing

There is a significant need for rental housing that is affordable to households with very low and extremely low incomes, including those who meet the criteria for HOME-ARP qualifying populations. While units will be open to all qualifying populations, they will be underwritten to extremely low-income affordability assumptions to ensure they are financially viable for the life of the program.

The County's primary goal for the use of HOME-ARP funding when supporting deeply affordable rental housing is to focus on the creation of units that can retain long-term affordability (40 years) without the need for rental assistance, if needed. Additionally, the County seeks to create deeply affordable rental units that have supportive services.

Utilizing a model that the Maryland Department of Housing and Community Development has been using for a number of years, affordable housing developers will be incentivized to dedicate a portion of units in their respective multi-family rental developments as affordable for those in the qualifying populations. This model encourages mixed-income development and advances a more integrated approach to housing for the qualifying populations, who otherwise may live in more segregated environments.

Under this approach, deeply affordable rental units with supportive services can be affordable (typically at 10-20% of AMI) and available for a 40-year period without the need for rental assistance. While this approach requires deep capital subsidies and up-front funding of operating reserves, it has proven to be a cost-effective approach that allows for the use of scarce rental assistance resources elsewhere.

This approach also aligns with other County planning efforts, including the County's Housing Opportunity for All Comprehensive Housing Strategy and County Executive's Economic Development Platform, which sets a target of increasing affordable rental opportunities.

This approach does not preclude the County from pursuing opportunities to link long-term, project-based rental assistance with PSH. If such rental assistance opportunities present themselves, the County will make every effort to leverage this important source of support.

Describe how the characteristics of the shelter and housing inventory, service delivery system, and the needs identified in the gaps analysis provided a rationale for the plan to fund eligible activities:

The needs assessment and gaps analysis demonstrated a need for increasing the supply of deeply affordable rental housing, as well as non-congregate shelter units. Furthermore, the consultations elevated a need for case management that will help households gain housing stability.

While there are seemingly adequate emergency shelter units based on the 2021 inventory and PIT, households need safe, quality permanent affordable housing opportunities to transition to after accessing emergency and/or transitional housing. Additionally, the non-homeless gaps analysis demonstrates a significant need for deeply affordable housing units, especially for those with incomes equal to or less than 30% of the HAMFI.

Furthermore, understanding the size of the population at-risk of homelessness, including those living in substandard or crowded housing, as well as trends in rising housing costs, increasing the number of deeply affordable quality units is the top priority. While scaling up the number of units for formerly homeless households and/or households facing instability, there is a parallel need for greater investment in case management to support the eligible tenants of the units to be funded with HOME-ARP to promote greater housing stability.

Though resources exist for the operations of non-congregate shelters, HOME-ARP is a unique federal funding source that allows for the acquisition and development of non-congregate shelter units. Members of the County's Continuum of Care highlighted the ongoing need of 300 non-congregate shelter beds.

HOME-ARP Production Housing Goals

Estimate the number of affordable rental housing units for qualifying populations that the PJ will produce or support with its HOME-ARP allocation:

As noted above, the County's primary goal in using HOME-ARP funds for affordable rental housing is to create PSH that is affordable for a period of 40 years without the need for long-term rental assistance support. This approach, which has been used successfully across the State of Maryland, provides a set-aside of deeply affordable units that are affordable for households with incomes as low as 10-20% of AMI, typically within larger affordable housing developments. The approach involves a high level of up-front capital subsidy and the creation of an internal operating reserve that enables property owners to successfully operate units with rents that are well below the incremental operating cost.

In estimating unit production with this approach, the County examined its existing pipeline of 17 projects seeking affordable housing resources to arrive at an average total development cost of \$262,373 per unit. This figure is based on the allowable development costs under HOME-ARP, which are more flexible than typical HOME funds. The existing pipeline includes both new construction and acquisition/rehabilitation developments, as well as a mixture of unit types, including one, two and three-bedroom units, so a variety of potential housing typologies will be possible for qualifying populations.

For financial modeling purposes, the County assumed that HOME-ARP funds would cover 80% of this per unit capital cost, with the remaining 20% leveraged from other available affordable housing resources. This results in a need for \$209,898 of HOME-ARP funds for the development cost portion per affordable housing/PSH unit.

The County also assumed that each unit supported with HOME-ARP funds would require an up-front funding of a \$45,000 per unit operating reserve, which is equal to \$250 per unit per month for a 15-year period. These funds are necessary to cover the gap between operating costs (i.e., maintenance, administration, etc.) and actual tenant rent at the 10-20% AMI range.

Combined, the HOME-ARP support needed for each unit would be estimated at \$254,898 (\$209,898 + \$45,000).

Using this approach, it is estimated that a total of \$4,558,164 of HOME-ARP funds would be needed to produce a total of 18 affordable units for qualifying populations.

Describe the specific affordable rental housing production goal that the PJ hopes to achieve AND describe how it will address the PJ's priority needs:

The County will target the HOME-ARP funds that are dedicated for affordable rental housing to produce deeply affordable housing for qualifying populations. The estimate of 18 units produced is based on the most conservative analysis that involves the need to deeply subsidize capital costs and fund an operating reserve so that units can be leased to a qualifying household without the need for rental assistance.

It is the County's hope that additional capital resources can be leveraged (or rental assistance secured) that will enable the overall number of units produced using HOME-ARP funds to be increased. However, it is important that even at the most conservative production level of 18 units, these HOME-ARP assisted units will provide critically needed housing for a period of at least 40 years without the need for additional ongoing subsidy from the County.

Preferences

Identify whether the PJ intends to give preference to one or more qualifying populations or a subpopulation within one or more qualifying populations for any eligible activity or project.

For rental housing developments, Prince George's County will give preferences to households within the following Homeless qualifying sub-populations for the affordable rental housing and non-congregate shelter activities.

First preference:

- Households who are eligible for HOME-ARP funded housing under the Homeless Qualifying Population as defined by 24 CFR 91.5 Homeless (1); AND
- Households who have been identified as having severe service needs

Second preference:

- Households is eligible for HOME-ARP funded housing under the Homeless Qualifying Population as defined by 24 CFR 91.5 Homeless (1);
- Households who have NOT been identified as having severe service needs; AND
- Households who have been living in a place not meant for human habitation, a safe haven, or in an emergency shelter for at least six months OR has experienced three occasions in the past three years of living in one of these locations

Third preference:

- The household is eligible for HOME-ARP funded housing under the Homeless Qualifying Population as defined by 24 CFR 91.5 Homeless (1);
- The household has NOT been identified as having severe service needs; AND
- The household has been living in a place not meant for human habitation, a safe haven, or in an emergency shelter for less than six months OR has experienced less than three occasions in the past three years of living in one of these locations

Fourth preference:

- All other households who eligible for HOME-ARP funded housing under the Homeless Qualifying Population as defined by 24 CFR 91.5 Homeless (2), or (3)

For non-congregate shelter, there is a preference for households who are eligible for HOME-ARP funded housing under the Homeless Qualifying Population as defined by 24 CFR 91.5 Homeless (1) who have severe service needs.

If a preference was identified, explain how the use of a preference or method of prioritization will address the unmet need or gap in benefits and services received by individuals and families in the qualifying population or category of qualifying population, consistent with the PJ's needs assessment and gap analysis:

The need for stable housing for individuals experiencing homeless, especially those with severe service needs and those are chronically homeless, emerged during consultations and through the needs assessment. Numerous service providers and the CoC noted that individuals with severe service needs are not well served by congregate emergency shelters and are very vulnerable when unsheltered. Throughout the consultations, it was also raised that it is a priority of the County to provide more permanent housing opportunities to those within the homeless service system, opening up units for currently unsheltered residents.

Prince George's County's Continuum of Care will apply its Coordinated Entry Policy to HOME-ARP funded units, including use of the Composite Score and By Name list approach. The 2022 policy includes a method of prioritization specifically for HOME-ARP funded rental (see Appendix C). For the non-congregate shelter units, a method of prioritization will be created that prioritizes individuals with severe service needs.

This approach will allow the households in the homeless qualifying population to move to stable permanent rental housing or non-congregate shelter in line with the Continuum of Care's policies.

If a preference was identified, describe how the PJ will use HOME-ARP funds to address the unmet needs or gaps in benefits and services of the other qualifying populations that are not included in the preference:

All rental units funded with HOME-ARP will be open to all qualifying populations. The coordinated entry policy for rental units funded with HOME-ARP codified this, as well.

If the PJ intends to use the coordinated entry (CE) process established by the Continuum of Care, describe whether all qualifying populations eligible for a project or activity will be included in the CE process, or the method by which all qualifying populations eligible for the project or activity will be covered:

All qualifying populations are served by the County's Continuum of Care and coordinated entry process.

Limitations

Describe whether the PJ intends to limit eligibility for a HOME-ARP rental housing or NCS project to a particular qualifying population or specific subpopulation of a qualifying population identified in section IV.A of the Notice:

The PJ does not intend to limit eligibility for rental housing or non-congregate shelter activities to the homeless qualifying population.

If a PJ intends to implement a limitation, explain why the use of a limitation is necessary to address the unmet need or gap in benefits and services received by individuals and families in the qualifying population or subpopulation of qualifying population, consistent with the PJ's needs assessment and gap analysis:

N/A

If a limitation was identified, describe how the PJ will address the unmet needs or gaps in benefits and services of the other qualifying populations that are not included in the limitation through the use of HOME-ARP funds (i.e., through another of the PJ's HOME-ARP projects or activities):

OFFICE OF COMMUNITY PLANNING
AND DEVELOPMENT

U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT
WASHINGTON, DC 20410-7000

April 28, 2021

Ms. Angela D. Alsobrooks
County Executive of Prince George's County
14741 Governor Oden Bowie Drive
Upper Marlboro, MD 20772-3043

Dear County Executive Alsobrooks:

I am pleased to inform you of your jurisdiction's Fiscal Year (FY) 2021 allocation for HUD's HOME Investment Partnerships Program – American Rescue Plan (HOME-ARP) funding. The American Rescue Plan appropriated \$5 billion to help communities provide housing, shelter, and services for people experiencing and other qualifying populations. These HOME-ARP funds are in addition to your regular FY 2021 HOME formula allocation. This one-time funding creates a significant opportunity for you to meet the housing and service needs of your community's most vulnerable populations.

Your jurisdiction's FY 2021 HOME-ARP allocation is \$7,592,085.

HOME-ARP funding gives jurisdictions significant new resources to address their homeless assistance needs by creating affordable housing or non-congregate shelter units and providing tenant-based rental assistance or supportive services. Later this year, the Department will issue an implementing notice providing guidance on HOME-ARP, including instructions and requirements for developing a substantial amendment to your jurisdiction's FY 2021 Annual Action Plan describing your proposed use of the funds. HOME-ARP funds are available for expenditure until September, 2030.

HOME-ARP funds are allocated through the HOME formula to all participating jurisdictions that qualified for an annual HOME Program allocation for FY 2021. HOME-ARP funds must be used for individuals or families from the following qualifying populations: homeless; at-risk of homelessness; fleeing or attempting to flee domestic violence, dating violence, sexual assault, stalking, or human trafficking; other populations where providing assistance would prevent the family's homelessness or would serve those with the greatest risk of housing instability; and veterans and families that include a veteran family member that meet one of the preceding criteria.

HOME-ARP funds can be used for four eligible activities including the production or preservation of affordable housing; tenant-based rental assistance; supportive services, including homeless prevention services and housing counseling; and the purchase or development of non-congregate shelter for individuals and families experiencing homelessness. Additionally, HOME-ARP provides up to 15 percent of the allocation for administrative and planning costs of the participating jurisdiction and for subrecipients administering all or a portion of the grant. HOME-ARP can provide up to 5 percent of the grant for operating costs of Community Housing

Development Organizations (CHDOs) and other non-profit organizations, including homeless providers. Additional funding is available to these organizations for capacity building. Like other formula grant funds, HOME-ARP funds will be administered in the Integrated Disbursement and Information System (IDIS).

While your jurisdiction will not have access to HOME-ARP funds until HUD has issued an implementing notice and subsequently reviewed and accepted a substantial amendment to your FY 2021 Annual Action Plan, I urge you to begin consulting with homeless service providers, domestic violence service organizations, public housing agencies, and other organizations and agencies that assist qualifying populations in your area. Early identification of the unmet needs among these populations and consideration of potential uses of HOME-ARP funds will position your jurisdiction to design and implement its HOME-ARP Program expeditiously.

The Office of Community Planning and Development looks forward to working with you to ensure the success of this critical program. If you or any member of your staff have questions, please contact your local CPD Office Director.

Sincerely,

James Arthur Jemison II
Principal Deputy Assistant Secretary
for Community Planning and Development

Appendix B: Consultation Notes

Prince George's County Continuum of Care / Various Attendees

6/8/2022

- Development of non-congregate shelter was mentioned as a priority for multiple participants; the need for such a facility was evidenced during pandemic, especially among the chronically homeless and families.
- Big need for non-congregate shelter for medically fragile and behavioral health populations to fill the gap between in-patient and independent living settings.
- Additional need for supportive services.
- Huge need for shelter services for medically frail; 80 consumers in system. Regular shelter beds are not appropriate for medically-frail; non-congregate shelter would be optimal.
- Additional need for mental health and behavioral health consumers/populations.
- Permanent Supportive Housing should also be a priority, with linkage to non-congregate shelter which would identify consumers ready for PSH.
- Increased supportive services are need for returning citizens since stay longer in shelter due to difficulty finding independent living.
- Operator of local young adult shelter becoming aware of enhanced need for behavioral health and mental health populations.
- For youth without MH or BH issues, life skills and related services are needed to make transition to independent living.
- Shelter in Beltsville undergoing strategic step down as pandemic and related funding ends; new alternative setting needs to be identified. Beltsville location replaced church-based, rotating shelter which was less expensive, but provided less capacity.
- Senior population is increasing in shelters. Seniors need enhanced services. Shepard's Cove noted increase in 65+ women. County DSS noted 300% increase year-over-year in Point in Time count. Reference to "senior blitz" survey from several years ago.
- DSS believes County does good job serving homeless veterans; additional capacity for this population is not viewed as a priority.
- Need for staff training to effectively support medically frail populations; other non-CoC resources at County could provide this training.
- Tenant-based rental assistance is needed for medically frail and those with behavioral health conditions. Many in Rapid Recovery program are not qualifying for PSH because not classified as chronically homeless. DSS notes that this population is a priority of CoC, so can serve this population with PSH.
- Undocumented refugee populations via Resettlement Agency (current priority is Afghan refugees) need support. Currently 1520/1600 are located in County.
- Coordinated Entry system discussed. About 2-4 openings for PSH every month does not meet demand. Current approach requires permanent rental subsidy due to high rents.
- HOME-ARP not available for operating expenses of non-congregate shelter; this is not a huge barrier to enhanced **NON-CONGREGATE SHELTERS** since other resources are available in County to support **NON-CONGREGATE SHELTERS**.

- Domestic violence populations have evictions on record making difficult to qualify for new housing. Provide support to clients and potential landlords. Landlord incentives are not a clear-cut eligible use with HOME-ARP.
- Need for support for clientele with lower levels of mental health conditions that are not caught by current system.

Maryland Department of Health / Marianne Graham
5/13/2022

- Oversees Money Follows the Person (MFTP) program.
- Lots of contacts for people who want to move to Prince George's County, but not a lot of resources.
- MFTP and Bridge subsidy for three years for residents transitioning from institutions, nursing homes, and state residential facilities.
- Work with local housing authorities and Maryland Department of Housing and Community Development (DHCD).
 - Prince George's County is popular because of public transit, access to services, density of population.
- Partner with Maryland DHCD, Department of Disabilities under 811, Weinberg programs.
 - Most 811 units in County are filled.
 - Primary opportunities are now at turnover (death eviction, etc.).
 - 811 units are project-based. 325 statewide with another 100 or so on the way. Most are fully leased.
- Case managers assigned but sometimes residents decline.
- Make referrals to Centers for Independent Living.
 - Voucher referrals
 - Legal aid referrals
- Need more deeply affordable and accessible units.
- Short-term case management for stability is a strong need.

Maryland Affordable Housing Coalition / Various Affordable Housing Companies
5/6/2022

- Strong need to create deeply affordable, permanent supportive housing for the homeless.
- Funding needs to include supportive services across all age groups.
- Strong demand for capital funding to write-down rents without the need for rental assistance. Even with deep capital subsidy, there is a need for additional subsidy for operations/services to achieve long-term sustainability for vulnerable populations.
- Need to enhance supportive service connections for residents in targeted units.
- Pursue pairing HOME-ARP funds with units that have project-based rental assistance but need to understand priorities of Housing Authority of Prince George's County. Issues such as Site and Neighborhood Standards.
- Gating issues for residents referred via continua of care and HUD.
 - Most vulnerable populations have complicated mental health/ emotional issues.
 - Case management support needs to be enhanced.
 - Need to have realistic expectations regarding failure.

- Challenge the notion that all units must serve the most vulnerable; there needs to be targeted matching of units to individuals/families with ability to live independently with supports.
- Senior housing is a huge need. Hasn't been a priority with State Low Income Housing Tax Credit program in recent years.
- Immigration status will influence decisions to pursue support and housing. Programs need more flexibility regarding immigration status.
- Rental assistance programs should be created. Consider modeling on DC Local Rent Supplement Program (LRSP) with wrapped supportive services.

Maryland Department of Disabilities / Chelsea Hayman

5/16/2022

- Deeply affordable housing is very scarce and in strong demand.
- Tenant-based voucher assistance trend for clientele to enable mainstreaming. Also work on 811/ Weinberg project-based approaches.
- Established relationships with public housing authorities via referrals.
 - Ongoing challenge is finding adequate units within payment standards.
 - Accessibility is addition issue in finding acceptable units.
- Strong demand for behavioral health services, especially within older buildings in public housing authority portfolios.
- Housing Authority of Prince George's County also under voluntary compliance agreement/settlement agreement facilitated by HUD/ Disability Rights Maryland to deliver additional accessible units for public housing residents and voucher recipients.
- General need for behavioral health services and securing financing to deliver services over the long term, especially those services not paid through traditional channels. Strong need for ongoing/ targeted case management not covered under Medicaid waivers.
- Additional services gap for residents transitioning from facility-based setting (i.e., nursing home, rehab center, etc.) to independent living, especially when moving to a new jurisdiction. Need to re-establish connections with services during this transition.
- Case management services currently covered by Medicaid, etc. typically expire upon determination that independence has been achieved. There is a need for continued case management services (at a less intensive level) to avoid/ prevent destabilizing events, especially among residents needing ongoing psychiatric care and therapy.
- Seeking to create ongoing supportive services program using case management staff to connect with residents every two weeks using Money Follows the Person funding.
- Already a significant amount of constituent outreach in Prince George's County. Most common inquiry from constituents is housing, so strong relationship with County and housing authorities is key.
- Seek to place constituents in independent living which provides lower cost level of care and greater independence.
- County is "popular" among constituents due to transit opportunities. Housing affordability is an increasing challenge as pricing increases in neighboring jurisdictions.
- More engagement with Continuum of Care is needed.
- Management of waiting lists; staying in contact is a challenge.

- County should target HOME-ARP funds to the “pain points” such as achieving full accessibility of units from the outset.

Prince George’s County Department of Social Services / Renee Ensor-Pope
3/16/2022

- County priority is to incentivize cross-system utilization and bring capacity to scale.
- 10-year plan to end homelessness wrapped up in 2021. Standing up process for community engagement to craft 2022-2031 plan is underway.
- Silver tsunami leading to increasing needs for seniors. Added seniors to five previously identified priority sub-populations (in non-priority order): 1) unaccompanied youth <25; 2) returning citizens; 3) veterans; 4) domestic violence; 5) chronically homeless.
- Need for assessment of info for immigrant (especially Latino) populations.
- Elderly population needs support with activities of daily living in some cases.
- Lack of accessible housing alternatives for individuals with disabilities who are experiencing homelessness.
- Surge of returning citizens due to efforts to discharge from correctional facilities during pandemic. This led to integration into the community a lot of individuals without a plan.
- Increasing rents in County is exacerbating challenges.
- Tremendous need for deeply affordable housing (<30% AMI) that is affordable to clients without need for rental assistance. Lack of permanent housing is a huge stumbling block.
- Non-congregate shelter is needed at a manageable scale/lesser density. Should pursue opportunity to acquire a facility (a la a hotel) by using Housing Authority of Prince George’s County or housing authority funds to acquire. Secure project-based rental assistance, match with HUD funding, re-allocate current funding being used for leases for additional services and assistance.
- Looking at hotel sites in south County, working with County Central Services to identify other potential sites. Housing Authority of Prince George’s County owns land which could be a site.
- Some services can already be paid for by State/Federal funding under provisions of Medicaid waiver.
- General need to think differently about how to house people permanently while recognizing that the emergency need will always be there.
- Looking at system integration with Housing Authority of Prince George’s County.

Independence Now / Sarah Basehart
5/20/2022

- Independence Now is the designated Center for Independent Living (CIL) for Prince George's and Montgomery Counties.
- Receive many calls from persons with disabilities seeking housing.
 - Calls include working age with a wide range of disabilities (sensory, physical, emotional).
 - Many callers are in crisis or first-time and without case managers.
- Work with State Department of Disabilities on 811 and Weinberg programs to provide housing support to lowest income disabled households.
 - These rental assistance/ placement programs are critical in Prince George's County since Housing Authority of Prince George's County waiting list for vouchers has been closed for past 7-8 years.
- Worked with County Department of Social Services to deploy about 100 emergency rental assistance vouchers for the homeless.
- Medicaid waiver provides for home care services in community for former nursing home residents after 30 days; housing availability is the barrier for this population.
- Connections with Independence Now are via word of mouth, agency referrals, mental health system. About 20% of consumers are homeless.
- Consumers also include populations that are reluctant to contact public agencies, such as non-citizens.
- Searching for housing that meets voucher standards is very difficult. Several years ago, major issue was accessibility; today the challenge includes finding rents that meet payment standards.
- Need to make sure there is accessibility to public transit.
- Also work with renters and homeowners to do accessibility modifications to units.
- Strong advocacy role. Have been involved with Housing Opportunities for All initiative since outset.
- Peer-based approach with 80% of staff having disabilities.
- Ongoing case management support for residents is a big issue, especially for those with significant behavioral health issues. Significant unmet need to keep households stabilized over the long term. Most services are associated with initial stabilization. Working on securing Medicaid funding for case management for 811 and Weinberg units.

ARC of Prince George's County / Robert Malone and staff
5/31/2022

- Have been in touch with Housing Authority of Prince George's County since last year regarding voucher RFP, but group homes are not eligible.
- Currently have state and federal funding for residential and community supports at 40+ group homes where ARC pays rent.
- New waivers to allow residents to live outside group home setting.
 - Independent living with drop-in support.
- Community-based locations getting more expensive due to rising rents.
- Seeking locations near public transit. Primary demand comes from within County, although some consumers are seeking to relocate to the County.

- Maintain waiting list for developmental disability services, including dual diagnosis with mental health. Some referrals must be relocated out of state due to lack of options.
- Strong demand for in-home accessibility modifications, especially among the elderly.
- Alternative to group homes emerging. Supportive living model pays for “just what you need” services delivered in-home with funding provided via State. Community Pathways Waiver.
- Immigrants /non-citizens reluctant to seek housing and social services.
- Funding needs:
 - Rental assistance vouchers for disabled, especially in group homes
 - Drop-in supports
 - Accessibility improvements for existing group homes.

Disability Rights Maryland / David Prater

6/1/2022

- Voluntary compliance agreement and settlement agreement with Housing Authority of Prince George’s County.
- Relief includes 69 new accessible units with project-based vouchers for deep rental subsidy.
 - Current status is 0 units; some units in development pipeline so numbers should begin trending upward soon.
 - Housing Authority of Prince George’s County issued RFP two years ago for existing Low Income Housing Tax Credit applicants with some success.
- For all qualified populations, there is a strong need for project-based rental assistance to achieve permanent housing.
- Tenant selection criteria and occupancy criteria determine by owner who is awarded project based vouchers. Some parameters on location of units based on public transit access, dispersal within county.
- New construction is not an absolute requirement to achieve relief goals. Scattered site is also a possibility, though new construction provides greater flexibility in achieving UFAS, which provides enhanced accessibility beyond Fair Housing Act standards.
- Reducing concentration away from Low Income Housing Tax Credit “super sites” could be a good policy decision.
- Housing Authority of Prince George’s County also set up Modification Fund for tenant-based voucher recipients to deal with reasonable accommodations. Putting more funding into fund would be good.
- Housing Authority of Prince George’s County has less than 400 units; vouchers at 6,000+
- Voucher discrimination among private landlords appears to be a common issue in County. Some basic fair housing and legislation/education would make sense.

Glenarden Housing Authority / Sharon Land
4/22/2022

- 60 public housing units.
- 16 for seniors/disabled.
- 44 for families.
- Serve County's most needy/vulnerable.
- Have received Commitment to Enter into a Housing Assistance Payments (CHAP) from HUD for redevelopment of public housing.
 - Undergoing physical needs assessments.
 - Goal is to transition via RAD from public housing units to project-based Section 8 rental assistance.
- ROSS coordinator indicates strong demand for supportive services among residents, especially victims of domestic violence and mental health populations. Domestic violence appears to have increased during the COVID-19 pandemic. Need a voucher program or referral option for DV.
- Receive limited inquiries from veterans (typically homeless veterans).
- Need greater availability of supportive services.
- 75-80% of phone calls / inquiries are from homeless.
 - Make referrals to Department of Social Services.
 - Engaged with Continuum of Care.

College Park Housing Authority / Michelle Johnson and Arelis Perez
3/17/2022 and 3/23/2022

- Seniors and disabled are residents in Attick Towers, which is only public housing in portfolio.
- No voucher program administered.
- Working on Rental Assistance Demonstration conversion for Attick Towers.
- Work with Agency Disability Committee for College Park and meet once a month. Close collaboration with County Department of Social Services.
- Need for wrap-around services.

Housing Authority of Prince George's County / Karanja Slaughter, Crystal Ford, Denise Haffenden
5/2/2022

- Veterans Affairs Supportive Housing (VASH) vouchers for veterans in County, DC, VA under partnership. 150 vouchers are set aside with coordination via County Department of Social Services.
- Need a bigger allocation for veterans that have nothing to do with Veterans Affairs because some vets do not meet requirements if not in good standing or had a dishonorable discharge.
- Major Rental Assistance Demonstration initiative underway for multiple (five) public housing properties in portfolio. Significant elderly and disabled presence in public housing.
- All preference populations under HOME-ARP are residing in public housing and voucher programs.

- Newly implemented family supportive services program to assist with underemployed, disabled, domestic violence.

Maryland Department of Housing and Community Development / Greg Hare and Alvin Lawson

4/28/2022

- Act as public housing authority for entire state. Some voucher households port into Prince George's County from other parts of the state.
- Oversee contract administration for project-based Section 8 developments in County.
- VASH initiative for veterans in Eastern Shore and Western Maryland primarily.
- Move-up Initiative provides rental assistance to transition out of PSH to free up units.
- Disabled and homeless served via Money Follows the Person/Bridge Subsidy/Weinberg programs.
 - Involves coordination/partnership with Housing Authority of Prince George's County.
 - 811 does not involve public housing authorities.
- Domestic violence rental assistance via New Futures Program.
 - Targets DV survivors as well as youth aging out of foster care.
 - Substantial number of participants in Prince George's County.
- State HOME-ARP goals are focusing on Weinberg program to use capital to drive down rents, building momentum of Shelter and Transitional Housing Facilities Grant Program, capital gaps for multifamily deals, and other Continuum of Care priorities.

Bridgewater Real Estate / Adam Stein and Tim Sabet

5/10/2022

- Working with Baywoods, single owner of multiple hotel properties that could be suitable for non-congregate shelter.
- Owner is patient and has two properties under contract (College Park and Silver Spring). College Park property provides good opportunity for seniors.
- Additional hotel property located in Camp Springs is available. In discussions with Community Crisis Center which is currently renting hotel units in multiple locations and looking to consolidate into one location.
- Owner has agreed conceptually to sell for \$8 million or lease for \$1.3 million per year.
- Community Crisis Center model provides several months of housing for clients to achieve stability; current location ends July (Beltsville?).

Y.E.S. Committee / Representatives of various public and non-profit organizations
4/29/2022

- Targeting development of facility for youth aging out of foster care who are at risk of homelessness. Anticipate development/construction of facility is two years out.
- During interim, focus on development of multi-service center to be operational for delivery of services for current population and future residents of housing.
- Discussed Family Justice Center development and financing process.

Homes for America / Dana Johnson
6/7/2022

- Developed and operate Restoration Gardens for youth aging out of foster care. Model requires full time case manager for 43 units.
 - Cost of \$50k-\$60k/year for staff position.
- Current property manager and service provider being replaced. New case management provider is Springboard Case Management.

Also operate with ½ FTE case manager for Broadway scattered site development which has 10 sites and 50 households. Less vulnerable population than Restoration Gardens.

Appendix C: Prince George's County Continuum of Care Coordinated Entry Policy

Prince George's County Continuum of Care Coordinated Entry Policy

1. Introduction

The CoC Interim Rule defines several responsibilities of a Continuum of Care in §578.7(a)(8). One of these responsibilities is to establish and operate either a centralized or coordinated assessment system, in consultation with recipients of ESG program funds within the geographic area. This coordinated entry/assessment system provides an initial, comprehensive assessment of the needs of individuals and families for housing and services. The Prince George's County Continuum of Care (CoC) has developed the following Coordinated Entry Policy as written standards for providing assistance using McKinney-Vento Homeless Assistance funds in accordance with the Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act CoC Program Interim Rules. As part of the Prince George's County Continuum of Care (MD-600) all Homeless Services Partnership (HSP) member agencies and organizations must participate in the process and accept housing referrals from the Coordinated Entry System.

A coordinated entry/assessment system is defined to mean a coordinated process designed to coordinate program participant intake, assessment, and provision of referrals. To meet basic minimum requirements, the CoC's coordinated entry system must:

- Cover the entire geographic area of the County,
- Be easily accessed by individuals and families seeking housing or services,
- Be well advertised,
- Include a comprehensive and standardized assessment tool.

The CoC is required to establish and consistently follow written standards for providing assistance. At a minimum, these written standards must include:

- Policies and procedures for evaluating individuals' and families' eligibility for assistance
- Policies and procedures for determining and prioritizing which eligible individuals and families will receive transitional housing assistance;
- Policies and procedures for determining and prioritizing which eligible individuals and families will receive rapid re-housing assistance;
- Policies and procedures for determining and prioritizing which eligible individuals and families will receive permanent supportive housing assistance;
- Policies and procedures that ensure assistance is provided fairly and methodically; and
- Policies and procedures to ensure continuous coordinated entry system performance, including implementation of HUD's Coordinated Entry data elements to standardize data collection on core components of coordinated entry -- access, assessment, prioritization, and referral.

Coordinated Entry systems are important in ensuring the success of homeless assistance and homeless prevention programs in communities. In particular, such assessment systems help communities systematically assess the needs of program participants and effectively match each individual or family with the most appropriate resources available to address that individual or family's particular needs.

Prince George's County's Coordinated Entry process is designed to identify, engage, and assist homeless individuals and families and ensure those who request or need assistance are connected to proper

housing and services. Coordinated Entry will ensure that the people who receive housing are the ones who are most in need, not those who are the easiest to serve.

There are three core components to the Coordinated Entry system:

1. Standardized access to housing programs
2. Standardized Assessment that prioritizes people with the longest histories of homelessness and the most extensive needs
3. Coordinated referral that ensures persons are housed as appropriately as possible in the least restrictive environment

2. Overview of the Coordinated Entry System

Most communities, Prince George's County included, lack the resources to meet the needs of all people experiencing homelessness. By utilizing Coordinated Entry, the County ensures that households experiencing homelessness receive the level of assistance that is most appropriate to resolving their homelessness, and that households with the most severe service needs are prioritized for assistance and receive it in a timely manner. Severe service needs are defined as at least one of the following: repeated incidents of emergency department (ED) use (defined as more than four visits per year) or hospital admissions, two or more chronic conditions as defined in §1945(h)(2) of the Social Security Act, or frequent and repeated incarceration for crimes related to homelessness i.e. trespassing, public urination.

Key elements of Coordinated Entry are:

- Designated Coordinated Entry staff who facilitate housing referrals within the CoC and have the management responsibility to implement the day-to-day workflow of the process;
- Use of standardized assessment tools to assess client needs;
- Prioritization of clients with the longest time homeless and the most barriers to returning to housing;
- Referrals based on the results of the assessment tool(s) to homeless assistance programs, mainstream services, behavioral health providers, and other appropriate programs;
- The use of a By Name List which documents all literally homeless persons within the CoC (whether they are sheltered or unsheltered) and a Prioritization List made up of clients referred by all Access Points, all clients who meet the HUD definition of "chronically homeless", and all unsheltered individuals known to DSS Street Outreach;
- Documentation of vulnerability scores, ranking on the priority housing list, referrals, etc. in HMIS or other shared database to ensure transparency;
- Regular (bi-weekly) Coordinated Entry Prioritization Team meetings that include representatives from Emergency Shelter (ES), Joint Transitional Housing/Rapid Rehousing (TH-RRH), Rapid Rehousing (RRH), and Permanent Supportive Housing (PSH) providers, Behavioral Health, DSS Street Outreach and other Access Points and CoC housing providers; and
- A Coordinated Entry Steering Committee made up of a relatively small group of executive-level decision-makers from the major providers and/or funders of housing or services and mainstream service providers which meets at least quarterly and is responsible for:

- Policy oversight: establishing and reviewing policies, procedures and performance benchmarks, measuring performance and identifying system gaps;
- Evaluation responsibility to assess the performance of the system and create a feedback loop for policy oversight;
- Conflict Resolution and Coordination of funding resources; and
- Drafting interim amendments to the Coordinated Entry Policy which are needed to address unexpected circumstances, and which will be approved by the CoC at the next meeting of the Homeless Services Partnership and incorporated (if necessary) into the next update to the Coordinated Entry Policy.

The implementation of coordinated entry is a national best practice. When implemented effectively, coordinated entry can:

- Reduce the number of phone calls people experiencing homelessness must make before finding crisis housing or services;
- Reduce new entries into homelessness through coordinated system-wide diversion and prevention efforts;
- Prevent returns to homelessness by placing people in appropriate housing that meets their needs;
- Reduce or remove the need for individual provider wait lists for services;
- Foster increased collaboration between homelessness assistance providers;
- Improve a community’s ability to perform well on Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act outcomes and make progress on ending homelessness;
- Target limited funding to achieve maximum results.

Nondiscrimination

All housing assistance made available through the Prince George’s County CoC is available to eligible persons regardless of race, color, national origin, religion, sex, age, familial status, or disability and without regard to actual or perceived sexual orientation, gender identity, or marital status and must comply with the nondiscrimination and equal opportunity provisions of Federal civil rights laws in accordance with 24 CFR 5.105 (a) including, but not limited to the following:

- Fair Housing Act prohibits discriminatory housing practices based on race, color, religion, sex, national origin, disability, or familial status;
- Section 504 of the Rehabilitation Act prohibits discrimination on the basis of disability under any program or activity receiving Federal financial assistance;
- Title VI of the Civil Rights Act prohibits discrimination on the basis of race, color or national origin under any program or activity receiving Federal financial assistance; and
- Title II of the Americans with Disabilities Act prohibits public entities, which includes state and local governments, and special purpose districts, from discriminating against individuals with disabilities in all their services, programs, and activities, which include housing, and housing-related services such as housing search and referral assistance. Title III of the Americans with Disabilities Act prohibits private entities that own, lease, and operate places of public accommodation, which include shelters, social service establishments, and other public accommodations providing housing, from discriminating on the basis of disability.

Data Management/Privacy Protections

The coordinated entry process is designed to ensure adequate privacy protections of all participant information. The CoC has written policies and procedures for obtaining participant consent to share and store participant information for purposes of assessing and referring participants through the coordinated entry process. These are detailed in the Prince George's County's HMIS Policies and Procedures Manual, which is hereby incorporated into this policy.

Training

The CoC will provide training protocols and at least one annual training opportunity to participating staff at organizations that serve as access points or otherwise conduct assessments. The purpose of the training is to provide all staff administering assessments with access to materials that clearly describe the methods by which assessments are to be conducted with fidelity to the CoC's coordinated entry process, including its written policies and procedures and any adopted variations.

Evaluation

The Coordinated Entry Steering Committee is responsible for developing and updating written procedures that describe the frequency of and method used for evaluations of the Coordinated Entry System as required by HUD, including how many participants will be selected and the process by which their feedback will be collected, and must describe a process by which the evaluation will be used to update existing policy and procedures. Evaluations will be conducted bi-annually and will be designed to answer the core questions:

- Does the CoC's implementation of coordinated entry efficiently and effectively assist persons to end their housing crisis?
- Are the housing and services interventions in the CoC more efficient and effective because of coordinated entry?

Marketing & Education

In order to reach all County residents who may be in need of services, the CoC affirmatively markets housing and supportive services to eligible persons regardless of race, color, national origin, religion, sex, sexual orientation, gender identity, gender expression, age, familial status, or actual or perceived disability. The CoC utilizes a number of means to disseminate information about the county's coordinated entry system and educate potential users of the system, as well as agencies and service providers who may work with people who are experiencing or at-risk of homelessness. Special outreach and marketing campaigns utilizing radio, social media and print media have been designed and are utilized to reach specific subpopulations including domestic violence survivors, transition aged youth, and veterans.

The County's homeless hotline is featured prominently on the county's website as well as being listed in area service guides, and posted in day centers, social service offices, public library branches, and PG Parks Recreation Centers throughout the county. The street outreach team works closely with area emergency rooms, Fire/EMS mobile integrated health, crisis response teams, public safety agencies, and public libraries to ensure that they are knowledgeable about the county's coordinated entry system and how to help someone access it. Coordinated Entry staff attends cross-disciplinary meetings with the Departments of Health, Corrections, Education, Social Services, specialty courts, and domestic violence

and veteran service providers in order to identify potential system users and to ensure that information on how to access services is well known throughout the county. Additionally, public events which serve individuals who are homeless or those at risk of homelessness (like the annual Point in Time enumeration, holiday food and gift giveaway, and Veteran Stand Down/Homeless Resource Day) are advertised widely on social media, in newspapers, and on local radio stations. DSS keeps a record of these marketing activities.

3. Coordinated Entry System in Prince George's County

Access, Initial Contact, and Engagement

The County has a 24/7 homeless hotline, dedicated drop-in centers, and street outreach teams to ensure that anyone in need of services can easily access them. Broad access allows homeless households to be referred to the hotline or to street outreach (whichever is more appropriate) by day centers, libraries, hospitals, public safety agencies, mental health and social service providers, the religious community, and others.

Homeless Hotline

The County's 24/7 hotline is staffed by people who are trained in trauma-informed care and well educated in the County's homeless services and coordinated entry system. Staff screen and assess all callers utilizing the Triage Assessment Tool to determine if they are homeless or at risk of imminent homelessness. All clients are assisted in being linked to mainstream resources outside the Homeless Services System including: Social Services, Energy Assistance, Somatic and Behavioral Health, SOAR, Employment Programs, Food Pantries, etc. Basic client information is entered into HMIS, along with the documentation of any services or referrals which were provided.

If a client meets the criteria for being homeless or at imminent risk of homelessness, hotline staff immediately makes efforts to resolve the household's housing crisis through mediation, emergency rental assistance, and/or "rapid re-housing lite". If these diversion efforts are not successful and homelessness for the individual/family cannot be prevented the individual/family will be placed in emergency shelter, provided space is available. Priority for placements in non-congregate emergency shelter initiatives will be prioritized for persons with severe service needs. Regardless of whether space is available the household's information will appear on the CoC's By Name List.

Street Outreach

People living on the street or other places not meant for human habitation are linked to an outreach team who triages the case and ensures the client's basic needs are being met as completely as possible. They help facilitate obtaining identification, access to behavioral and somatic health providers, food and clothing, and remain in contact with the client until a housing plan can be implemented. Street Outreach team members enter client information in HMIS and in cases where the person is self-reporting more than one year of continuous homelessness or multiple episodes of homelessness, they help gather information to prove chronicity.

Access Points

All providers of services to homeless households within the CoC have the ability to refer clients onto the Coordinated Entry Prioritization List, either directly as an Access Point, or through the Street Outreach program. Access Points must have staff who are trained and authorized in HMIS and must participate in the Coordinated Entry Prioritization Team. PGCCoC Access points include emergency shelters, drop-in centers, outreach teams, special population workgroups, DV providers, and other organizations which provide services to people experiencing homelessness.

Special Populations

Case managers across the CoC are trained to identify when a client is part of a special population which is a prioritized focus of the CoC and where special resources may be available. When a case manager or counselor at any point in the CoC workflow identifies that a client is a member of a special population, appropriate referrals are made:

- Survivors (Domestic Violence, Human Trafficking, Sexual Assault and others): CCSI, House of Ruth, DASH, CAFY, and Trafficking and Sexual Assault Provider partners
- Unaccompanied Youth and Young Adults (13-24): Sasha Bruce Youthwork, Promise Place, Covenant House, iMind, Mary's Center, University of Maryland College Park, MMYC, and St. Ann's
- Veterans: VA and SSVF providers – Friendship Place, Housing Counseling Services, US Vets, Vesta Inc.
- Returning Citizens: PGCDoc Reentry Division, The Bridge Center at Adams House, Welcome Home, American Justice Reentry & Rehabilitation, Destiny Power & Purpose Inc.
- Chronically Homeless and persons experiencing severe somatic and behavioral health challenges: Street Outreach Team, QCI Behavioral Health, Crisis Response, Safe Journey House, iMind Behavioral Health, Mobile Integrated Healthcare (within Fire/EMS), Health Care Alliance, and the CLASP and ACIS teams
- Elderly and Aging: Adult Protective Services, In Home Aide, TDAP, Assisted living and nursing homes, adult day care, and Metro access.

Survivors

Victims of human trafficking, sexual assault and/or domestic violence (including dating violence, sexual assault, or stalking) will be served by a separate DV coordinated entry process that meets HUD requirements as detailed in the Coordinated Entry Notice and maintains confidentiality requirements outlined in the Violence Against Women Act (VAWA). Survivors access the same housing resources available to the CoC as a whole through the Prioritization Team bi-weekly meeting but do so after their personally identifying information is anonymized. This will ensure that confidentiality and therefore safety can be maintained. Victims of domestic violence may enter the DV coordinated entry process through the county's 24 hour crisis intervention hotline, the 24 hour homeless hotline or through a victim service provider, which is defined in section 401 (32) in the McKinney-Vento Act as a private nonprofit organization whose primary mission is to provide services to victims of domestic violence, dating violence, sexual assault, or stalking.

Unaccompanied Homeless Youth and Transitional Age Youth

Because of the unique needs of Transition Age Youth, the CoC uses a process includes the use of resources that the County has developed specifically to address their needs. Youth enter the coordinated entry process through youth specific street outreach teams and drop in centers, the PGPCS McKinney-Vento Program, the Maryland Crisis Connect Hotline, the Department of Juvenile Services, the Homeless Hotline, and referral from youth service providers.

Referrals of TAY to Short Term Shelters and Crisis Programs

For short term shelters and crisis programs (i.e. 90 day programs), housing placements are not required to be made by matching TAY from the BNL. Providers can make direct referrals to the short term shelters and crisis programs based on the application/intake process of that provider, as long as there is an opening in the crisis program and there is not a TAY prioritized for a crisis program on the BNL. TAY referred to a crisis program from another TAY TH program can return to the referring program without going through Coordinated Entry, if their crisis has resolved. If a TAY is identified as needing crisis services and all of the TAY crisis programs are at capacity, the TAY will be placed on the BNL and identified as needing crisis services, and will be placed as soon as an opening in a TAY crisis program is identified. If multiple TAY are on the BNL and identified as needing crisis services, when an opening in a TAY crisis program is identified, prioritization of the TAY with the highest acuity will be made by the Coordinated Entry Program Manager and the crisis program manager in consultation with the referring agencies.

Veterans

Because of the unique needs of Veterans, the County uses a separate coordinated entry process that meets HUD requirements as detailed in the Coordinated Entry Notice. The process includes the use of the Composite Score Index and full SPDAT and accesses resources that the County has developed specifically to address their needs. Veterans enter the coordinated entry process through special street outreach teams, SSVF and GPD programs, the VA, the homeless hotline, and Serving Together office.

Screening and Assessment

Prince George's County utilizes two assessment tools to guide referrals for emergency rental assistance, rapid re-housing, joint transitional-rapid rehousing, subsidized and unsubsidized housing, and permanent supportive housing based on client need, program eligibility and services offered. The Triage Assessment is our universal initial screening tool, and the Composite Score Index is a more in-depth screening and prioritization schema focused specifically on referrals to supportive housing. Some of the criteria used to determine a client's position on the Priority List include:

- HMIS data, which can help determine chronicity, patterns of homelessness, and prior use of rental assistance.
- The extent to which people, especially youth and children, are unsheltered.
- High utilization of crisis or emergency services, including emergency rooms, jails, and psychiatric facilities, to meet basic needs.
- Significant health or behavioral health challenges or functional impairments which require a significant level of support in order to maintain permanent housing.
- Vulnerability to victimization, including physical assault or engaging in trafficking or sex work.

- Vulnerability to adverse impacts from communicable diseases.

As a method of measuring and sorting these vulnerabilities, the Coordinated Entry Prioritization Team utilizes a Composite Score Index to efficiently identify which clients have the most barriers to returning to housing so they can be prioritized for a housing intervention.

Triage Assessment Tool

The Triage Assessment is an intake and assessment tool which captures data elements required for all clients being served by the CoC, regardless of their point of access into the system. It assesses a client’s eligibility for referral to special programs (Veteran, Unaccompanied Homeless Youth, Transition Age Youth, DV, Chronic, etc.) and homelessness prevention and diversion interventions. It incorporates the HUD required Crisis Needs Assessment and the Current Living Situation and Coordinated Entry Event sub-assessments.

Composite Score Index

A Composite Score allows the particular vulnerabilities of homeless households in consideration for limited housing supports to be weighed against each other in the prioritization process conducted by the Coordinated Entry Prioritization Team. The Composite Score is produced from data elements in HMIS and information provided by case managers at CoC Access Points. The elements of the Composite Score are weighed as follows:

Priority	Approximate % of Composite Score	Factors
Length of Time Homeless	11%	Length of time homeless based on HMIS
Living Situation	19%	Place not meant for human habitation
		Non-congregate shelter
		Emergency shelter
		Other/Institutionalization
		Rapid Rehousing
Sub-Population	28%	Families with children under 4 years old
		Families with children over 4 years old
		Older adults
		Unaccompanied Homeless Youth (UHY)
		Systems Connected Youth
		Veterans
		Returning Citizens

		Actively Fleeing DV/Human Trafficking
Most Needs	43%	Returns to Homelessness
		Multiple evictions
		Medical Needs
		Large family
		Mental health
		Developmental health
		Substance use
		Physical Disability
		Chronic Health Condition
		HIV/AIDS

Participants in the coordinated entry process are free to decide what information they provide during the assessment process. They will not be denied assessment or services if they refuse to provide certain pieces of information, unless the information is necessary to establish or document program eligibility per the applicable program regulations.

Coordinated Entry Prioritization Team Meetings/Referral Protocols

CoC leadership will keep Coordinated Entry staff up to date on the housing resources available within the Coordinated Entry system, including Supportive Housing, Supportive Services Only, and dedicated Housing Voucher programs. Coordinated Entry staff will coordinate with supportive housing program staff to identify openings in real time and provide referrals from the prioritization list as soon as an opening is identified.

The Prioritization Team determines whether potential participants meet project-specific requirements of the projects for which they are prioritized and to which they are referred. The process of collecting required information and documentation regarding eligibility occurs concurrently with the assessment, scoring, and prioritization processes. Eligibility information is not used as part of prioritization and ranking.

The Prioritization Team meets bi-weekly to review the prioritized list of homeless clients. The team is composed of representatives from ES, SSO, RRH, TH-RRH, and PSH providers, the VA, behavioral health providers, the SOAR team and Street Outreach. Prior to the bi-weekly meeting, notice is sent out that includes the minutes from the last meeting, placements made from the prioritization lists, and the current prioritized lists of homeless households.

During the bi-weekly meeting the Prioritization Team discusses individual clients and which program could best serve them. Resources from outside the CoC are discussed and linkages to them. The prioritization list for each type of housing is reviewed and the order of priority is confirmed by the Prioritization Team, with adjustments being made as necessary. Once the team confirms the prioritization lists, the households on the prioritization lists are essentially “pre-referred” for any eligible opening which is identified until the next Prioritization Team meeting.

At the time of referral to supportive housing, the referring Access Point will need to provide a verification of homelessness and some proof of legal residency in the United States to the supportive housing provider. Permanent Supportive Housing projects will also need the Access Point to provide the signed Verification of Chronic Homelessness form. If possible, the referring Access Point should also provide the following client documents to the supportive housing program:

- Birth Certificate for all household members
- Social Security cards for all adults
- Government-issued photo ID
- Proof of income
- Verification of homelessness
- DD-214 (for Veteran referrals)

Referral Rejection Policy

No client may be turned away from homeless dedicated housing due to lack of income, lack of employment, disability status, or substance use unless the project's primary funder requires the exclusion or a previously existing and documented neighborhood covenant/good neighbor agreement has explicitly limited enrollment to clients with a specific set of attributes or characteristics. Housing Providers restricting access to projects based on specific client attributes or characteristics will need to provide documentation to the CoC providing a justification for their enrollment policy.

Both CoC housing providers and program participants may deny or reject referrals. Referral rejections from housing providers should be infrequent and must be documented in HMIS with specific justification as prescribed by the CoC. Allowable criteria for denying a referral include:

- Client/household refused further participation (or client moved out of CoC area)
- Client/household does not meet required criteria for program eligibility
- Client/household unresponsive to multiple communication attempts
- Client resolved crisis without assistance
- Client/household safety concerns
- Property management denial (include specific reasons documented by property manager and validated under fair housing laws).

Grievance and Appeal Procedure

If a client or provider is dissatisfied with the decision of the Coordinated Entry Team, they must put their concern in writing and request a meeting with the CoC leadership. CoC leadership will review the written document to schedule a meeting with the client within 5 business days of receiving the request and will render a decision in writing within 5 business days of the meeting.

4. Housing Interventions and Prioritization

Housing First

Housing First is an approach to permanent housing which HUD strongly recommends, and which has been shown to improve the housing outcomes of homeless households and will reduce overall

homelessness within a CoC's geographic area. As defined by HUD, the core elements of a Housing First approach are:

- Few to no programmatic prerequisites to permanent housing entry
- Low barrier admission policies
- Rapid and streamlined entry into housing
- Supportive services are voluntary, but can and should be used to persistently engage tenants to ensure housing stability
- Tenants have full rights, responsibilities, and legal protections
- Practices and policies to prevent lease violations and evictions
- Applicable in a variety of housing models

Move On Strategy

The purpose of Coordinated Entry is to connect homeless households with the least restrictive, least intensive intervention which will help them permanently resolve their housing crisis. Some households will need the most intensive ongoing supports in order to maintain their housing, but some households, even those who begin in the most intensive programs, will eventually stabilize and be able to maintain permanent housing without CoC supports and resources. All programs should work with their clients to assess whether the household could be moved to a less intensive program type, or even move on from CoC support and resources entirely. Coordinated Entry staff will work with program staff to routinely screen all CoC programs to identify participants living in a CoC PSH program and certified by the CoC as appropriate for transition from a high acuity level of support into other less intensive housing opportunities to create opportunities for placement of new high acuity admissions from the CoC Prioritization List.

Housing Vouchers, Public Housing and HOME ARP

Set-aside housing units made available to the CoC by the Prince George's County Department of Housing and Community Development and local Housing Authorities should be utilized judiciously to resolve housing crises for households who are ready to move on from the need for high acuity projects, or for literally homeless households who have unusual barriers which CoC supportive housing projects cannot overcome (for example a household with more members than can be served in CoC transitional housing programs). Housing Vouchers should be prioritized for households who:

- Have an extensive history of homelessness,
- Are expected to lack of sufficient financial resources to ever afford market rate housing,
- Have sufficient resources that the application of a Housing Voucher would permanently resolve their housing crisis,
- Can handle all activities of daily living including rent payment, utility payments, etc.
- Have the ability to communicate respectfully and responsibly with Rental Offices and Utility companies, so as not to put their voucher at risk,
- If possible, for households who are literally homeless but lack financial prospects without the voucher to make them good candidates for RRH, they may be enrolled in RRH with financial subsidy and case management as a bridge to self-sufficiency with the voucher in place.
- Are otherwise described and/or prioritized in Agreements associated with special set aside housing unit types.

Prioritization Standards

The CoC's order of priority ensures that those persons with the longest histories residing in places not meant for human habitation, in emergency shelters, and in safe havens and with the most severe service needs are given first priority in PSH that is dedicated or prioritized for chronic homelessness.

In PSH that is not dedicated or prioritized for chronic homelessness those persons who do not yet meet the definition of chronic homelessness but have the longest histories of homelessness and the most severe service needs and are therefore the most at risk of becoming chronically homeless, are prioritized.

The matching and referral linkage process utilizes these prioritization criteria for each project type and takes into account the severity of the needs, length of time homeless, subpopulation characteristics, use of emergency public safety services and other criteria depending on the specific project type.

HOME-ARP Units

To address the need for homelessness assistance and supportive services, Congress appropriated ARP funds to be administered through HOME to perform four activities that must primarily benefit qualifying individuals and families who are homeless, at risk of homelessness, or in other vulnerable populations. These activities include: (1) development and support of affordable housing, (2) tenant-based rental assistance (TBRA), (3) provision of supportive services; and (4) acquisition and development of non-congregate shelter units.

Qualifying populations

ARP defines qualifying individuals or families as those that are (1) homeless, as defined in section 103(a) of the McKinney-Vento Homeless Assistance Act, as amended (42 U.S.C. 11302(a)) ("McKinney-Vento"); (2) at risk of homelessness, as defined in section 401 of McKinney-Vento; (3) fleeing, or attempting to flee domestic violence, dating violence, sexual assault, stalking, or human trafficking; (4) part of other populations where providing supportive services or assistance would prevent a family's homelessness or would serve those with the greatest risk of housing instability; or (5) veterans and families that include a veteran family member that meet the criteria in one of (1)-(4) above.

Prioritization

The Prince George's County Continuum of Care is the referral agency for all HOME-ARP funded rental units. The qualifying population definitions are outlined in HUD Notice CPD-21-10. While the units are open to all qualifying populations, the Coordinated of Care will utilize the following method of prioritization:

Order of Priority 1: A household should be prioritized first for HOME-ARP funded units if the following are true:

- The household is eligible for HOME-ARP funded housing under the Homeless Qualifying Population as defined by 24 CFR 91.5 Homeless (1); and

- The household has been identified as having severe service needs.

Order of Priority 2: A household should be prioritized second for HOME-ARP funded units if the following are true:

- The household is eligible for HOME-ARP funded housing under the Homeless Qualifying Population as defined by 24 CFR 91.5 Homeless (1); and
- The household has NOT been identified as having severe service needs; and
- The household has been living in a place not meant for human habitation, a safe haven, or in an emergency shelter for at least 6 months OR has experienced three occasions in the past 3 years of living in one of these locations; and,
- There are no eligible households within the CoC's geographic area that meet the criteria under Order of Priority 1 for HOME-ARP funded units

Order of Priority 3: A household should be prioritized third for HOME-ARP funded units if the following are true:

- The household is eligible for HOME-ARP funded housing under the Homeless Qualifying Population as defined by 24 CFR 91.5 Homeless (1); and
- The household has NOT been identified as having severe service needs; and
- The household has been living in a place not meant for human habitation, a safe haven, or in an emergency shelter for less than 6 months OR has experienced less than three occasions in the past 3 years of living in one of these locations; and
- There are no eligible households within the CoC's geographic area that meet the criteria under Order of Priority 1 or 2 for HOME-ARP funded units

Order of Priority 4: A household should be prioritized fourth for HOME-ARP funded units if the following are true:

- The household is eligible for HOME-ARP funded housing under the Homeless Qualifying Population as defined by 24 CFR 91.5 Homeless (2), or (3); and
- There are no eligible households within the CoC's geographic area that meet the criteria under Order of Priority 1, 2, or 3 for HOME-ARP funded units

Rapid Rehousing

Rapid Re-housing (RRH) provides Prince George's County residents who are homeless with short-term housing subsidies allowing them to quickly achieve stable housing and become sustainably re-housed. RRH financial subsidy will generally be provided on a declining basis and all participants will be reassessed monthly to determine individual subsidy levels based on need and progress towards goals. Assistance will cease as soon as the participant is determined to be stable but may be provided for a period of no more than twelve (12) months. See the Prince George's County Continuum of Care: Rapid Re-Housing Policies and Procedures, incorporated herein by reference.

An applicant shall be eligible to receive RRH assistance if they:

1. Are a resident of Prince George's County, and,

2. Are currently literally homeless as defined by HUD (which includes having a primary nighttime residence that is a publicly or privately operated shelter or transitional housing facility designed to provide temporary living accommodations; or a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings), and,
3. Are referred by the Coordinated Entry Prioritization Team, and,
4. Have no other housing option (must be validated by the CoC).

Given that there will be more eligible applicants for RRH funds than limited resources can support, additional criteria will be considered by the HSP's Coordinated Entry Steering Committee and priority will be given to candidates who demonstrate the current capacity (or well-planned, potential capacity) to quickly achieve stable housing, **AND** who meet at least one of the following conditions:

- Homelessness status was a result of a *one-time* crisis – financial, health, domestic violence – for whom it can reasonably be assumed will become self-sustaining once the crisis is resolved.
- Reasonable expectation for career advancement or increased income as indicated by tenure in current employment, expected completion of education/vocational programs, achievement of skills and training certifications, or pending military, retirement or social security benefits.
- Documented opportunity of receiving subsidized housing or an assisted living placement within approximately twelve (12) months.
- Referred and case managed by one of the County's problem-solving courts (re-entry, drug, veterans, family and youth).
- Defined as Unaccompanied Homeless Youth, elderly, Domestic Violence survivor, or having a diagnosed disability (including HIV).

Joint Transitional-Rapid Rehousing

An applicant shall be eligible to receive Transitional-Rapid Rehousing if they:

1. Are a resident of Prince George's County, and,
2. Are currently literally homeless as defined by HUD (which includes having a primary nighttime residence that is a publicly or privately operated shelter or transitional housing facility designed to provide temporary living accommodations; or a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings) , and,
3. Are referred by the HSP's Coordinated Entry Prioritization Team, and,
4. Have no other housing option (must be validated by the CoC).

Given that there will be more eligible applicants for TH-RRH than limited resources can support, additional criteria will be considered by the HSP's Coordinated Entry Steering Committee and priority will be given to candidates who demonstrate planned, potential capacity to achieve stable housing, **AND** who meet at least one of the following conditions:

- Defined as Unaccompanied Homeless Youth or Domestic Violence survivor.
- Reasonable expectation for career advancement or increased income as indicated by tenure in current employment, expected completion of education/vocational programs, achievement of skills and training certifications, or pending military, retirement or social security benefits.
- Referred and case managed by one of the County's problem-solving courts (re-entry, drug, veterans, family and youth).

Permanent Supportive Housing

All admissions into PSH must come through Coordinated Entry and be accompanied by the CoC's *Verification of Chronic Homelessness Documentation Checklist and Summary* (addendum a). Because many of the CoC's PSH units are shared 2- or 3-bedroom apartments, Access Point case managers should work to identify other chronically homeless individuals with whom a person may be compatible. Prince George's County CoC has adopted the provisions and requirements set out in the HUD Notice CPD-14-012 for the Prioritizing Person's Experiencing Chronic Homeless and Other Vulnerable Homeless Persons in Permanent Supportive as the baseline written standards for operations of Permanent Supportive Housing Programs within the CoC.

PSH Dedicated or Prioritized for PSH

Order of Priority 1: A household should be prioritized first in dedicated or prioritized PSH if all of the following are true:

- Individual or head of household meets the definition of chronically homeless per 24 CFR 578.3; and,
- The length of time the individual or head of household has been homeless is at least 12 months continuously or over a of at least four occasions in the past 3 years where the total length of time homeless totals at least 12 months; and,
- The individual or head of household has been identified as having severe service needs (as outlined in Section 2 of this Policy).

Order of Priority 2: A household should be prioritized second in dedicated or prioritized PSH if all of the following are true:

- Individual or head of household meets the definition of chronically homeless per 24 CFR 578.3; and,
- The length of time the individual or head of household has been living in a place not meant for human habitation, a safe haven, or in an emergency shelter is at least 12 months continuously or over a period of at least four occasions in the past 3 years where the total length of time homeless totals at least 12 months; and,
- The individual or head of household has NOT been identified as having severe service needs; and,
- There are no chronically homeless households within the CoC's geographic area that meet the criteria under Order of Priority 1 for dedicated or prioritized PSH.

Order of Priority 3: A household should be prioritized third in dedicated or prioritized PSH if all of the following are true:

- Individual or head of household meets the definition of chronically homeless per 24 CFR 578.3; and,
- The length of time the individual or head of household has been living in a place not meant for human habitation, a safe haven, or in an emergency shelter is at least four occasions in the past 3 years where the total length of time homeless totals less than 12 months; and,
- The individual or head of household has been identified as having severe service needs; and

- There are no chronically homeless households within the CoC's geographic area that meet the criteria under Order of Priority 1 and 2 for dedicated or prioritized PSH.

Order of Priority 4: A household should be prioritized fourth in dedicated or prioritized PSH if all of the following are true:

- Individual or head of household meets the definition of chronically homeless per 24 CFR 578.3;
- The length of time the individual or head of household has been living in a place not meant for human habitation, a safe haven, or in an emergency shelter is at least four occasions in the past 3 years where the total length of time homeless totals less than 12 months; and,
- The individual or head of household has NOT been identified as having severe service needs; and
- There are no chronically homeless households within the CoC's geographic area that meet the criteria under Order of Priority 1, 2, and 3 for dedicated or prioritized PSH.

PSH that is not dedicated or prioritized for Chronically Homeless:

Order of Priority 1: A household should be prioritized first in non-dedicated and non-prioritized PSH if the following are true:

- The household is eligible for CoC Program-funded PSH meaning that there is a household member with a disability, and they are coming from a place not meant for human habitation, a safe haven, or in an emergency shelter. This includes persons exiting an institution where they have resided for 90 days or less but were living or residing in a place not meant for human habitation, a safe haven, or in an emergency shelter immediately prior to entering the institution; and
- The household has been identified as having severe service needs.

Order of Priority 2: A household should be prioritized second in non-dedicated and non-prioritized PSH if all of the following are true:

- The household is eligible for CoC Program-funded PSH meaning that there is a household member with a disability, and they are coming from a place not meant for human habitation, safe haven, or emergency shelter. This includes persons exiting an institution where they have resided for 90 days or less but were living or residing in a place not meant for human habitation, a safe haven, or in an emergency shelter immediately prior to entering the institution; and,
- The household has been living in a place not meant for human habitation, a safe haven, or in an emergency shelter for at least 6 months or has experienced three occasions in the past 3 years of living in one of these locations; and,
- The household has NOT been identified as having severe service needs; and,
- There are no eligible households within the CoC's geographic area that meet the criteria under Order of Priority 1 for non-dedicated or non-prioritized PSH.

Order of Priority 3: A household should be prioritized third in non-dedicated and non-prioritized PSH if all of the following are true:

- The household is eligible for CoC Program-funded PSH meaning that there is a household member with a disability, and they are coming from a place not meant for human habitation, safe haven, or emergency shelter. This includes persons exiting an institution where they have resided for 90 days or less but were living or residing in a place not meant for human habitation, a safe haven, or in an emergency shelter immediately prior to entering the institution; and,
- The household has NOT been identified as having severe service needs AND has been living in a place not meant for human habitation, a safe haven, or in an emergency shelter for less than six months or has experienced less than three occasions of living in one of these locations in the past 3 years; and,
- There are no eligible households within the CoC's geographic area that meet the criteria under Order of Priority 1 and 2 for non-dedicated or non-prioritized PSH.

Order of Priority 4: A household should be prioritized fourth in non-dedicated and non-prioritized PSH if the following is true:

- Any household that is eligible for CoC Program-funded PSH meaning that there is a household member with a disability, and they are coming from transitional housing where they entered directly from a place not meant for human habitation, emergency shelter, or safe haven.
- There are no eligible households within the CoC's geographic area that meet the criteria under Order of Priority 1, 2, and 3 for non-dedicated or non-prioritized PSH.

Addendum A: Verification of Chronic Homelessness Documentation Checklist and Summary

Verification of Chronic Homelessness Documentation Checklist and Summary

An applicant must be chronically homeless to be considered for PSH. To be considered chronically homeless, the Head of Household (HoH) must meet at least one of the specific elements of each of the following criteria:

1. Housing Status

- a. Currently homeless and has been continuously homeless for one year or longer
- b. Currently homeless and has experienced four or more occasions of homelessness, totaling 12 months or more, in the past three years
- c. Has been residing in an institutional care facility for fewer than 90 days and his/her housing status was either a. or b. before entering that facility

2. Disability

- a. Developmental Disability
- b. HIV or AIDS
- c. Physical, mental, or emotional impairment that meets all of the following criteria:
 - i. Is expected to be of long-continuing or indefinite duration, and
 - ii. Impedes the individual's ability to live independently, and
 - iii. Is such that the ability to live independently could be improved with more suitable housing

To confirm program eligibility, please complete this form in its entirety.

Head of Household Name: _____ Date: _____

Referring Staff & Organization: _____ VI-SPDAT Score: _____

Disability – as defined by section 401(9) of the McKinney-Vento Homeless Assistance Act (43 U.S.C. 11360(9)).

Third Party Documentation is required. Please indicate the type of verification supplied and attach to this form.

- Written verification from a **licensed professional** certifying that the disability is expected to be long-continuing or of indefinite duration and substantially impedes the individual's ability to live independently
- Written verification from the **Social Security Administration**
- Receipt of a **disability check**
- Temporary Option** – *Staff Observations of a disability can be used for program entry, but must be confirmed by one of the above written standards within 90 days of program entry.*

Current Living Situation – To be considered chronically homeless, the individual must meet one of the following homeless conditions the night before entering the program.

Documentation and Details must be provided by completing the *Chronic Homeless Summary* (attached).

- Lives in a place not meant for human habitation or an emergency shelter.
- Has been residing in an institutional care facility for fewer than 90 days and met the homelessness criteria above before entering the facility (including but not limited to jail, substance abuse or mental health treatment facility or hospital).

Homeless History – To be considered chronically homeless, the individual must meet one of the following two homeless history conditions. (Documentation and Details must be provided by completing the *Chronic Homeless Summary* (attached)).

The individual must have been living in a place not meant for human habitation, or an emergency shelter:

- Continuously for at least 12 months**, without a break of 7 or more consecutive nights
- On at least 4 separate occasions in the last 3 years**, where the combined occasions equal at least 12 months

Notes: Stays in institutional care facilities for fewer than 90 days do not constitute a break in homelessness, but rather such stays are included in the 12-month total, as long as the individual was residing in an emergency shelter or place not meant for human habitation immediately before entering the institutional care facility.

A single encounter in a month is sufficient to consider the household homeless for the entire month unless evidence of a break.

Criteria for Documentation of Homeless History: You do not need to complete this page. It is for reference only.

Notes to Providers:

- At least 9 of the 12 months of homelessness or 3 of the 4 incidents of homelessness must be certified by third-party documentation. Three months or one incident can be self-certified.
- A single encounter in a month is sufficient to consider the household homeless for the entire month unless evidence of a break.
- In extreme cases self-certification of homelessness for more than 3 of 12 months or 1 of 4 incidents of homelessness is allowable if third-party documentation cannot be obtained.
 - Attempts to obtain 3rd party documentation must be thoroughly documented along with the reasons why 3rd party documentation was not obtained; and
 - This is limited to rare circumstances. No more than 25% of households served in a program during an operating year can be self-certified.

Current Living Situation	Suitable Documentation
<p>Streets or other place not meant for human habitation</p>	<ul style="list-style-type: none"> • Written Third Party (one or more of the following) <ul style="list-style-type: none"> ○ HMIS record of calls to Hotline and/or street outreach contacts ○ Signed letter on letterhead from street outreach or homeless service provider ○ Signed letter on letterhead from referral sources including: feeding centers, churches, somatic and behavioral health providers, crisis response, police, and libraries. <p>OR</p> <ul style="list-style-type: none"> • Self-Declaration (both of the following): <ul style="list-style-type: none"> ○ Signed declaration of homelessness ○ Written explanation by staff of attempts to secure 3rd party verification
<p>Emergency Shelter (includes hypothermic, church-based, domestic violence and County shelters)</p>	<ul style="list-style-type: none"> • Written Third Party (one or more of the following) <ul style="list-style-type: none"> ○ HMIS record of shelter stay ○ Signed letter on letterhead from the shelter provider <p>OR</p> <ul style="list-style-type: none"> • Self-Declaration (both of the following): <ul style="list-style-type: none"> ○ Signed declaration of homelessness ○ Written explanation by staff of attempts to secure 3rd party verification
<p>Hospital, Jail, or Other Institution If the client's stay was 90 days or less and the client was in shelter or on the streets prior to entry, the time at the institution is counted as time homeless. If the client's institutional stay is over 90 days it is counted as a break in homelessness.</p>	<ul style="list-style-type: none"> • Written Third Party (one or more of the following) <ul style="list-style-type: none"> ○ Letter or discharge paperwork from hospital or other institution, including admission and discharge dates ○ Referral from Dept of Corrections, Offender Reentry Program or one of the County's Specialty Courts ○ Record of institutional stay pulled from institutional database <p><i>AND</i>, to document homelessness, at least one of the types of documentation required for streets or shelter homelessness related to the client's housing status immediately prior to stay in the institution, or identification as homeless upon intake at the institution.</p>

Chronic Homelessness Summary: Please complete this form in its entirety.

In the table below, chart the HoH's housing situation for one year or three years, depending on the category by which s/he is being qualified. Attach sufficient documentation for each change in housing situation. Up to 3 months (or one episode) can be documented through self certification.

The HoH is eligible because s/he has experience (check one)

- Continuous homelessness on the streets or in shelters for 1 year or longer (document a least the past 1 year)
- 4 or more occasions of homelessness totaling 12+ months on the streets or in the shelters in the past 3 years (document the past 3 years)

	Start Date	End Date	Duration	Location (Type)	Location (Provider name or location description)	Documentation	Attached

The CE Summary collects all information related to the case, including information that has not already contained in HMS.</p>	<p>13 Outreach and in-shelter service providers are projects or programs within or outside of the CoC which serve individuals and have the ability to perform assessments and make referrals in HMS. This includes DSS Street Outreach, Health Care drop-in centers, the Healthcare Alliance POC Department of Corrections, and others.</p>	<p>14 Emergency Shelters provide shelter for people experiencing homelessness and includes case management services documented in HMS.</p>	<p>15 The CE Case Prioritization Team (CE Team) is made up of representatives of the defined Access Points, CoC Providers, and is chaired by the Coordinated Entry Program Manager (CEPM). The CE Team meets bi-weekly to review and approve the prioritization lists.</p> <p>16 The Composite Score Index produces a vulnerability score from questions and data elements in HMS.</p> <p>17 The By Name List is made up of all homeless individuals in the CoC who are unsheltered, meet the HUD definition of Chronically Homeless, and/or are referred to shelter. These individuals are expected to resolve through routine case management.</p> <p>18 Chronically homeless is defined as HUD's HUD definition of a single individual or head of household with a disabling condition who has either experienced homelessness for at least 12 months or has a prolonged period of homelessness that is not meant to be a permanent habitation or experienced at least 12 months of homelessness in four or more instances in the last three years.</p> <p>19 The Prioritization Lists are made up of the highest vulnerability clients on the By Name List and are case coordinated for referral to appropriate housing resources by the Coordinated Entry Team.</p> <p>20 The "Yellow Book" is the Coordinated Entry Weekly Meeting to prioritize clients. It is made up of the Prioritization Lists of clients and a summary sheet for each client on the Summary Google Form. It's called the "Yellow Book" because the original resources were placed in yellow report covers.</p>	<p>21 Transitional Housing provides housing for homeless persons for up to 24 months in a facility owned or leased by a TH provider. In THRH projects which provide short term housing while a household locates permanent housing, THRH cases are managed for some time after move in. TH providers can make referrals to Coordinated Entry like emergency shelters.</p>	<p>22 Rapid Rehousing Providers enroll clients and then help the household locate their own rental unit. RRH do not accrue time for management. Households in RRH are expected to resolve through other programs. Households referred to RRH as a "bridge" to PSR, or who need a "step" like a housing voucher, can be referred to Coordinated Entry.</p>	<p>23 Permanent Supportive Housing Providers offer the most intensive level of case management in housing programs in the POC-CoC. All County is designated with some variations for persons who meet the HUD definition of Chronic Homelessness. Homeless persons who are long as they need that level of assistance. Households who have sufficiently stabilized and are able to "move up" to PSR, or who need a "step" like a housing voucher, can be referred to Coordinated Entry for available apt asse voucher resources.</p>	<p>24 Through a partnership with local Public Housing Authorities, the POC-CoC is able to prioritize and allocate voucher resources for some individuals in the POC-CoC. All County is designated with some variations for persons who meet the HUD definition of Chronic Homelessness. Homeless persons who are long as they need that level of assistance. Households who have sufficiently stabilized and are able to "move up" to PSR, or who need a "step" like a housing voucher, can be referred to Coordinated Entry for available apt asse voucher resources.</p>

Karen Boulevard and Wilberforce Court
Capitol Heights, Maryland 20743**

COUNCILMANIC DISTRICT 6

PROJECT DESCRIPTION:

The Cassidy project (the “Project”) is a proposed 175-unit, multifamily community in Capitol Heights. It is located on Karen Boulevard and Wilberforce Court in a state-designated Opportunity Zone and Priority Funding Area. The project site is 13.14 acres and comprises two parcels: 18-4023313 (3.6 acres) and 18-4023321 (9.54 acres).

The project site is in a residential neighborhood with several general tenancy and senior multifamily developments and schools nearby. All three public schools that serve children in this area of Prince George’s County are within a half-mile radius of the site. The project location provides ease of access to major roads, highways, and public transit options. Importantly, the site is located between the Blue and Green Metrorail Lines. The P12 and V12 Metrobus lines provide regular service from the Project to these Metrorail stations.

The Project is comprised of a mix of one-, two-, and three-bedroom units. All one-hundred seventy-five (175) units will accommodate households earning up to 60% of the Area Median Income (AMI) and will include 3 HOME-ARP units for households earning 5% or less of the AMI. Five percent of the units will be ADA accessible, and two percent will be adaptable for residents with audio, visual, or hearing needs.

Resident amenities will be well-suited for professionals and young families. All apartment units will have central air conditioning, and energy-efficient kitchen appliances, including a full-sized refrigerator, dishwasher, stove, oven, microwave, and garbage disposal. Each unit will also include washer/dryer hookups, with residents having the option to rent washer/dryer units. Community amenities will include on-site management, a large entertainment room, a fitness center, and shared laundry facilities. The landscaped property will feature walking paths and a children’s play area. Furthermore, the project will meet Energy Star Multifamily New Construction Standards.

KCG Development, LLC is the applicant for this solicitation and Developer of the Project. Since its inception in 2015, KCG Development has amassed a portfolio totaling 3,806 units, of which 1,320 are stabilized and fully operational, and 2,486 units are under construction or in lease-up. Streetscape at Capitol Heights, LLC will be the co-developer for this Project. They are a subsidiary of Streetscape Partners which was founded in 2008. They are a privately held real

estate development company focused on residential and mixed-use opportunities throughout the greater Washington D.C. region. The development team will rely on a team of local partners to build and operate the Project. Commercial Construction was established in 1996 and is located in Hanover, Maryland. They will be the general contractor for the project. Habitat America, an Annapolis-based property management firm, will operate the Project. They have over 30 years of experience managing senior living, affordable, and market-rate apartments in Delaware, Maryland, Pennsylvania, Virginia, and Washington, DC. Today Habitat America has 107 properties and 10,431 units in its management portfolio.
