Executive Summary

Prince George's County's Fiscal Year (FY) 2021-2025 Consolidated Plan builds on the analysis presented in the *Housing Opportunity for All*, the County's 10-year Comprehensive Housing Strategy (CHS). The FY 2024 Annual Action Plan (AAP) supports the implementation of the Consolidated Plan by leveraging annual allocations of entitlement funds appropriated by the U.S. Congress: Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), Emergency Solutions Grants (ESG), and Housing Opportunities for Persons with AIDS (HOPWA).

The Prince George's County Department of Housing and Community Development (DHCD) is the administering agency of the CDBG, HOME, and ESG programs. The District of Columbia, Department of Health, HIV/AIDS Administration, Hepatitis, STD, and TB Administration (HAHSTA) is the administering agency of the HOPWA program on behalf of Prince George's County.

The FY 2024 Annual Action Plan also describes actions taken to address the County's priority needs and goals to achieve outcomes articulated in the Consolidated Plan and the CHS beginning July 1, 2023 and ending June 30, 2024.

In accordance with the U.S. Department of Housing and Urban Development (HUD) regulation 24 C.F.R. § 91.520(a), the County is required to report and assess the progress made towards achieving its 5-year and 1-year goals within ninety (90) days after the program year ends in its Consolidated Annual Performance and Evaluation Report (CAPER). The FY 2024 CAPER marks the fourth performance period of the FY 2021-2025 Consolidated Plan. Prince George's County Department of Housing and Community Development (DHCD) is the responsible entity for the coordination and preparation of the CAPER.

The following summarizes the goals and outcomes, the racial and ethnic composition of families assisted, and available resources and investments made during the program year 2024.

CR-05 - Goals and Outcomes

Consistent with the FY 2021-2025 Consolidated Plan and the implementation of the FY 2024 Annual Action Plan, the County accomplished the following goals.

Goal 1: Increase supply of affordable rental units by constructing 260 housing units by 2025. The County met 13 percent of its 5-year goal by constructing thirty-five (35) HOME-assisted rental housing units. The following HOME-funded projects are anticipated to be completed and reported in future CAPERs:

- Homes at Oxon Hill
- Residences at Springbrook
- Hillhouse at Beechfield

Goal 2: Stabilize and improve rental properties by rehabilitating 105 rental units by 2025. The County met its 5-year goal by rehabilitating 424 rental housing units with the use of CDBG funds.

Goal 3: Increase homeownership opportunities by providing direct financial assistance to 300 homebuyers by 2025. The County met 14 percent of its 5-year goal by providing direct financial assistance to forty-two (42) homebuyers.

Goal 4: Increase supply of accessible and affordable homes by rehabilitating existing housing units for 200 homeowners by 2025. The County met 45 percent of its 5-year goal by rehabilitating eighty-nine (89) existing homeowner units.

Goal 5: Prevent displacement of long-time residents by rehabilitating 200 rental units and providing rental assistance to 110 households at risk of homelessness. The County met its 5-year goals by rehabilitating 424 rental units and providing rental assistance to 187 individuals at risk of homelessness.

Goal 6: Support independent living for senior and disabled households by rehabilitating 150 rental and 150 existing owner housing units by 2025. The County rehabilitated 150 rental units and rehabilitated 30 existing homeowner units.

Goal 7: Support persons experiencing homelessness and non-homeless persons with special needs by providing rental assistance to 885 persons by 2025. The County met 34 percent of its 5-year goal by providing tenant-based rental assistance to 297 persons experiencing homelessness.

Goal 8: Increase access to job training and economic development assistance by creating and/or retaining 45 jobs and assisting 20 small businesses by 2025. The County met its 5-year goals by creating and/or retaining 607 jobs and assisting 202 small businesses.

Goal 9: Improve quality of life/livability by supporting public services activities that assist 42,879 low to moderate-income persons by 2025. The County met 61 percent of its 5-year goal by assisting 26,341 individuals.

Goal 10: Support high-quality public infrastructure improvement activities by supporting public facility or infrastructure improvement activities benefiting 114,000 low to moderate-income persons. The County met its 5-year goal by assisting 132,625 individuals.

Goal 11: Improve communications and information sharing by increasing the number of low to moderate-income persons served during FY 2016-2020 by 3 percent. The County met 60 percent of its 5-year goal by assisting 26,341 individuals.

Response to COVID-19 Pandemic

As a part of the County's response to the COVID-19 pandemic, the County leveraged Community Development Block Grant Cares Act (CDBG-CV) funds in an effort to prevent, prepare for, and respond to the coronavirus by supporting activities (i.e., food banks, housing counseling and health services) benefitting low and moderate-income residents impacted by COVID-19. The following describes accomplishment met to date.

CDBG-CV Goal: Support public services activities that provide housing counseling, food pantry, as well as other activities to 4,372 persons impacted by COVID-19 by 2026. To date, 109,849 low and moderate-income persons impacted by COVID-19 were assisted, exceeding its 6-year goal.

Note: Some goals and funding sources overlap

Use of HUD Funds

In FY 2024, the County focused on how to use HUD funds (CDBG, HOME, ESG, and HOPWA) to address six (6) of its highest housing and non-housing community development priorities identified in the FY 2021-2025 Consolidated Plan. Table 2 – Objectives and Outcomes below shows the four (4) outcomes that will be achieved by addressing these priorities.

Table 2 - Objectives and Outcomes

Types of Activities Carried Out During FY 2024

The Department of Housing and Community Development (DHCD) partnered with non-profit organizations, municipalities, local government agencies, and housing developers to carry out housing and non-housing community development activities based on the following priority needs.

Priority Need: Connections between residents and businesses to services

Activities: Job creation and/or retention, small business assistance, and public services

Priority Need: Accessible homes and facilities

Activities: Homeowner housing rehabilitation and public facilities and infrastructure improvements

Priority Need: Affordable rental and homeownership opportunities

Activities: Rental units construction and direct financial assistance to homebuyers

Priority Need: Quality/condition of housing

Activities: Rental units rehabilitation and homeowner housing rehabilitation

Priority Need: Housing instability among residents experiencing a housing crisis

Activities: Rental/Owner housing rehabilitation for seniors and disabled persons and emergency rental

assistance for persons at-risk of homelessness and persons living with HIV/AIDS

Priority Need: Loss of existing affordable housing opportunities

Activities: Rental units construction, direct financial assistance to homebuyers, and emergency rental assistance for persons experiencing homelessness

CR-10 - Racial and Ethnic Composition of Families Assisted

During FY 2024, with the use of the County's CDBG, HOME, and ESG funds, 7,304 families benefited through various federally-funded projects such as: housing counseling, employment training, housing rehabilitation, rental assistance, etc. The majority (74 percent) of the total families served were Black or African American and 26 percent of the total families served were Hispanic. Activities based on low and moderate-income areas (LMAs) are not included in Table3.

CR-15 - Resources and Investments

Available Resources

Prince George's County is qualified as an urban County entitled to receive grant funds from the U.S. Department of Housing and Urban Development (HUD). These entitlement funds are appropriated by the U.S. Congress each year and distributed on a formula basis to local jurisdictions. The County's Annual Action Plans support the implementation of its FY 2021-2025 Consolidated Plan by leveraging the annual allocations of HUD entitlement funds: CDBG, HOME, and ESG entitlement fund resources to address the housing priority needs and objectives described in the Consolidated Plan.

In FY 2024, a total of \$64,200,678 in federal and local funds from multiple program years were made available. In addition to the entitlement funds received (CDBG, HOME, and ESG), the County also used CDBG CARES Act (CDBG-CV) funds in response to the COVID-19 pandemic to prevent, prepare for, and respond to the coronavirus. During the end of the fiscal year, the County expended twenty-five percent or \$15,932,026 of the total funds available which included program income generated from previously funds CDBG and HOME activities. See Table 4 below. The remaining available funds are committed to other eligible activities and funds expended which are associated with those activities will be reflected in future CAPERs. No Section 108 Loan Guarantee funds were used during FY 2024.

Table 4 – Resources made Available

Source of Funds	Source	Resources Made Available	Amount Expended During
		(July 1, 2023 – June 30, 2024)	Program Year
			(July 1, 2023– June 30, 2024)

Geographic Distribution and Location of Investments

HUD Table 5 describes the geographic distribution and location of the County's investments during FY 2024. One hundred percent of the County's federal funds were invested County-wide. Geographic priorities are based on the level and type of investment needed to improve opportunities in areas where existing access is not as strong relative to the rest of the Washington, D.C. region and expand housing opportunities in areas where access to opportunity is stronger relative to the region as a whole.

Table 5 – Identify the Geographic Distribution and Location of Investments

Target Area	Planned % of Allocation	Actual % of Allocation	Narrative Description
County-Wide	100%	100%	Low-Mod Income Areas

Source: FY 2021-2025 Consolidated Plan

Leveraging

In FY 2024, the County used the following HUD entitlement funds to obtain public and private resources that addressed the priority needs in the Annual Action Plan.

CDBG and CDBG-CV Programs: The CDBG programs operate on a reimbursement basis. The prospective applicant will use CDBG funds as leverage when seeking other funding sources in efforts to successfully carry out their activity. During FY 2024, CDBG funds were leveraged dollar-for-dollar.

CDBG Program Income: The County uses program income generated from the following programs:

- CDBG Revolving Loan (RL): Program income is used as a revolving loan to support the Housing Rehabilitation Assistance Program (HRAP).
- Multi-family and Commercial Loans and Lead Identification Testing (LIFT): Program income is use for eligible affordable housing, economic development, public facilities and infrastructure improvements, planning and administration and public services activities.

ESG Program: The County must use ESG funds to leverage other public and private funds necessary to adequately provide essential supportive services to the County's homeless population. The ESG Program requires a match of not less than 100 percent of the ESG funds. During FY 2024, local general funds were use to leverage the ESG funds.

Neighborhood Stabiliation Program (NSP) – Upon approval from HUD, DHCD may convert any program income received from the NSP program to CDBG program income.

HOME and HOME-American Rescue Plan (ARP) Programs: Under the National Affordable Housing Act, which authorized the HOME program, matching contributions are required as the State and local government stake in the HOME program. The match is the local, non-Federal, permanent contribution to affordable housing, and is not counted to leveraging requirements. The HOME program requires the County to provide a match of not less than 25 percent of the HOME funds drawn down for project costs. During Federal Fiscal Year 2023 (County FY 2024), the County incurred a HOME Match liability of (\$270,327.00). However, the County has recorded excess match from prior federal fiscal years this amount has been adjusted to now reflect a more accurate account of the County's excess match. The current match liability is (\$87,128,017) to meet the requirement. See Tables 6 and 7 below.

Table 6 - Fiscal Year Summary - HOME Match Report

Fiscal Year Summary – HOME Match							
1. Excess match from prior Federal fiscal year	\$72,987,082						
2. Match contributed during current Federal fiscal year	\$14,411,262						
3. Total match available for current Federal fiscal year (Line 1 plus Line 2)	\$87,398,344						
4. Match liability for current Federal fiscal year	\$270,327						
5. Excess match carried over to next Federal fiscal year (Line 3 minus Line 4)	\$87,128,017

HOME Minority Business Enterprises and Women Business Enterprises Reports (MBE/WBE)

Prince George's County ensures good faith efforts towards the inclusion of minorities and women in all contracts entered into by the County in order to facilitate affordable housing activities. Contracts and subcontracts with minority-and women-owned business can cover various types of projects such as: purchases, consulting services, construction, and economic development. During the reporting period, three (3) developers completed projects (Woodyard Station Senior Apartments, Residences at Springbrood and Glenarden Hills 3-9%) with – contracts totaling \$49,655,095; no Minority Business Enterprises (MBE) were reported as the General Contractor on these projects. However, \$45,510,947 was awarded to 101 subcontractors; thirty-eight percent of these funds were awarded to MBEs and seventeen percent subcontractors were Women Business Enterprises (WBEs). See Table 8 below.

During FY 2024, two (2) HOME funded projects were under construction and the MBE/WBE data will be reported in future CAPERs once the projects are completed: Hillhouse at Beechfield (senior rental) and Fairmount Heights Net Zero Homes and Microgrid Project (homeownership development).

CR-20 - Affordable Housing

According to HUD, the generally accepted definition of affordability is for households to pay no more than 30 percent of its annual income on housing. HUD Tables 9 and 10 provide the goal and actual number of households that were assisted with the use of CDBG, HOME, ESG, and HOPWA funds.

The one-year goal was to provide affordable housing to approximately 168 households by supporting activities such as: rental assistance for homeless and special needs families (i.e., persons at-risk of homelessness and persons living with HIV/AIDS and their families), rehabilitation of existing homeowner and rental units for low to moderate-income households, production of new affordable rental units, and direct financial assistance to low and moderate-income homebuyers. In FY 2024, the County provided affordable housing to 574 households. The County exceeded its annual goal.

Table 9 – Number of Households

Problems Encountered in Meeting the Goals

In FY 2024, the County met its annual affordable housing goals.

Extremely Low to Moderate-Income Persons Served with the Use of CDBG and HOME Funds

HUD Table 11 provides the number of extremely-low to moderate-income households assisted CDBG and HOME during FY 2024. DHCD used the Prince George's County, Maryland Income Limits, as required by HUD which set income limits that determine eligibility of applicants for HUD assisted housing programs. HUD's standard that is typically used to judge income types in the County is based on a percentage of area median income (AMI) established by HUD using the base 2023 and 2024 median family income (MFI) for the County. DHCD used the "uncapped" income limits to determine applicant eligibility to participate in the County's homeowner rehabilitation, homebuyer assistance, and renter assistance programs administered with CDBG and/or HOME funds.

Of the total number of households (486) assisted with HUD funds, ninety-four percent or 457 households were assisted with the use of CDBG funds. The type of CDBG and HOME funded activities supported were: homeowner housing rehabilitation, emergency rental assistance, downpayment assistance, multi-rental housing rehabilitation, and public housing modernization.

Table 11 - Number of Households Served

Number of Households Served	CDBG Actual	HOME Actual
Extremely Low-income	371	7
Low-income	83	18
Moderate-income	3	4
Total	457	29

Source: IDIS

Addressing the Worst-case Needs: Households with extremely low-income (0-30 percent of their family income) are considered under-served and have the "worst-case needs." The majority of these households are renters. The County leverages HUD funds by encouraging and forming partnerships with non-profit organizations, municipalities, local government agencies, and for-profit organizations that will serve extremely low-income households at or below 30 percent of the AMI. See CR-35 - Other Actions for list of projects that served households at or below 30 percent of the AMI during the program year.

Actions Taken To Foster and Maintain Affordable Housing: Through *Housing Opportunity for All*, the County is taking a dual approach to housing investments. The goal is to remove regulatory barriers and other hurdles to make development easier across the board. The second goal is to use public policy and resources to help produce new housing options, especially for lower income households that the private market may not serve. See CR-35 – Other Actions for a list of public policies and housing options implemented in FY 2024.

CR-25 - Homeless and Other Special Needs

The Prince George's County Continuum of Care (CoC) for homeless persons is coordinated through the County's Homeless Services Partnership (HSP). The HSP is responsible for needs assessments, gap analysis, service coordination, resource development, policy and procedures, and system performance evaluation of homeless services. The HSP developed and implemented the "Ten Year Plan to Prevent and End Homelessness in Prince George's County: 2012-2021", which focuses on six (6) key strategies: 1)

coordinated entry, 2) prevention assistance, 3) shelter diversion, 4) rapid re-housing, 5) permanent housing, and 6) improved data collection and performance measures. The Plan also established six (6) target sub-populations for special interventions: 1) veterans, 2) unaccompanied youth and young adults, 3) aging and elderly, 4) survivors of domestic violence, sexual assault and human trafficking, 5) returning citizens, and 6) chronic homeless / persons with significant somatic and behavioral health barriers.

The County used Federal, state, and local funds designated for the administration, shelter, homeless prevention, rapid re-housing, and Homeless Management Information System (HMIS) services to address the goal of ending chronic and non-chronic homelessness. ESG funds were designated to provide street outreach, prevention and diversion services, to operate shelters within the first tier of the CoC, and to provide homeless prevention and rapid re-housing to households and individuals experiencing homelessness. The following is a summary of the County's progress in meeting specific objectives for reducing and ending homelessness.

Street Outreach

The County's street outreach system is designed to consistently and frequently engage with the street homeless to develop relationships and trust that are critical to getting homeless individuals (especially unsheltered persons) to accept shelter and permanently end their pattern of homelessness. This team is responsible for creation and maintenance of the County's registry of all chronically homeless persons and utilizes a composite index system that prioritizes them for permanent housing and other needed services. In FY 2024, the goal was to use Emergency Solutions Grants (ESG) funds to engage with approximately fifty (50) homeless individuals. Sixty (60) individuals were engaged.

Emergency Shelter Needs of Homeless Persons

In FY 2024, the County made available 408 emergency shelter beds (273 for families, 131 for individuals, and 4 for unaccompanied minor youth). Of the 408 beds, 40 were set aside for survivors and 22 for unaccompanied young adults under 25. In FY 2024, the goal was to use Emergency Solutions Grants (ESG) funds to shelter approximately 500 homeless individuals. Five hundred and nineteen (519) individuals were served.

Households At Risk of Homelessness

The County operates a Shelter Diversion Program which provides appropriate crisis intervention services aimed at preventing households experiencing temporary crisis from entering the shelter system. Services include rental assistance, credit counseling, job placement, and landlord/tenant mediation. Unique callers are triaged through the Homeless Hotline. Supportive services are also offered through the County's Homeless Prevention (housing stabilization) and Rapid Rehousing (housing relocation) Programs, including but not limited to outreach and engagement, case management, housing search, lease up/eviction prevention and follow-up. When needed, financial assistance is provided to individuals and families. In FY 2024, the goal was to use ESG funds to prevent homelessness for 15 individuals and to rapidly re-house an additional 15 individuals. A total of forty (40) individuals were served.

Table 12 describes a sample of homeless prevention and rapid re-housing activities by funding source that assisted households at risk of homelessness and/or households actively experiencing an episode of homelessness during FY 2024.

Table 12 - Services provided to Households at Risk of or Actively Experiencing an Episode of Homelessness

Homeless Prevention (HP) and Rapid Re-Housing (RRH) Activities/Funding	FY 2024 Households Served	FY 2023 Households Served	% Change
Homeless Solution Program (HSP) – HP & RRH	58	66	-12%
Eviction Assistance Program (EAP) – HP	39	35	12%
Emergency Food and Shelter Program (EFSP) - HP	56	26	115%
Emergency Solution Grant – HP & RRH	13	76	-82%
General Flex and Ryan White – HP & RRH	202	118	72%
MD Home Energy & Low-Income Households Water Assistance Program (LIHWAP) Programs – Utility Assistance - HP	23,618	23,973	-1.5%

Source: DSS HMIS & DHS OHEP

Homeless Individuals Served

In FY 2024, the County assisted 1,070 homeless individuals which was a 10.4% decrease from FY 2023 due in large part to the elimination of COVID-19 funds that supported temporary shelter expansion in response to the pandemic. See Table 13 below.

Table 13 - Homeless Individuals Served Comparison (FY 2022 to FY 2023)

	Shepherd's Cove (Women w/Children & Single Women)	Prince George's House (Men)	Family Emergency Shelter	Youth and Young Adult Emergency Shelter (13-24)	Hypothermia Program	Emergency Shelter Totals
Total Person Served FY 2024	407	137	93	112	321	1070
Total Person Served FY 2023	414	166	64	103	447	1194

Source: DSS HMIS

The County accommodated the homeless individuals based on their distinct needs which required separate exploration. Table 14 below describes the homeless individual subpopulations that were served during the fiscal year.

Table 14 Homeless Individuals Served by Type in FY 2024

	Shepherd's Cove (Women & Families)	Prince George's House (Men)	Family Emergency Shelter (Families)	Youth and Young Adult Emergency Shelter (13-24)	Hypothermia Program
Total Person Served	407	137	93	112	321
% of Services Provided to:

Veterans	>1%	8%	1%	0%	2.8%

Source: DSS HMIS

CoC's priorities for continued homeless system improvement include but are not limited to the efforts listed below:

- Assessment of the existing system framework and delivery of a new and improved Strategic Plan to prevent and end homelessness
- Redesign of the intake/triage, street outreach and coordinated entry components to include a full launch as a Built for Zero community to ensure equitable access
- Redesign the rapid re-housing initiative to significantly improve timeliness and effectiveness of linkages to housing and exits to permanency
- Expand and expedite access to employment and unearned income sources (including mainstream benefits and social security benefits) to increase income assets
- Build on local innovations in prevention and intervention responses for unaccompanied homeless youth and young adults including implementation of the Prevention Demonstration Program (PDP) and Youth Homelessness Systems Improvement (YHSI) pilots
- Launch the YouthCareNetwork, a social media platform connecting youth with services
- Evaluate and improve all front-end shelter facilities (layout and operations) to maximize universal and equitable access

- Partner across the housing, homeless, and health care systems to expand local inventory of PSH
 units, fill program gaps including development of respite, treatment and crisis beds, and pursue
 opportunities to launch a health care for the homeless initiative in the County
- Strengthen opportunities invest in and center people with lived experience in all CoC work

Other Special Needs

The District of Columbia, Department of Health, HIV/AIDS Administration, Hepatitis, STD and TB Administration (HAHSTA) is the Regional Grantee on behalf of the Washington, D.C. Eligible Metropolitan Area (EMA). HAHSTA serves as the Housing Opportunities for Persons With HIV/AIDS (HOPWA) administering agency for Prince George's County and provides HOPWA funds for housing supportive services such as: tenant-based rental assistance and short-term/emergency housing payments to persons living with HIV/AIDS and their families. In FY 2024, HOPWA funds were used for the purpose of providing assistance or residential support to persons with HIV/AIDS and their families; seventy-three (73) were Rental Assistance units and twenty-eight (28) were for Short-term/Emergency housing payments.

CR-30 - Public Housing

Actions Taken to Address the Needs of Public Housing

The Housing Assistance Division (HAD) manages the inventory of public and assisted housing, and surplus properties owned by the Housing Authority of Prince George's County (HAPGC). A large majority, 296 units, of the 376 units of conventional public housing, is reserved for the elderly and disabled, with 80 units for families with children. Public housing properties are located in Hyattsville, Cottage City, Laurel, Oxon Hill and District Heights, Maryland. Eligibility is restricted to persons whose income is at or below 50 percent of the area median income (AMI), with rent calculated at 30 percent of the adjusted gross income (AGI). The following actions were taken to address the needs of public housing in FY 2024:

- HAPGC's goals and objectives remain consistent with
 - The FY 2021-2025 Consolidated Plan for Housing and Community Development
 - The Voluntary Compliance Agreement (VCA)
 - The Disability Rights Maryland (DRM) Settlement Agreement
- The HAPGC is responsible for the repositioning of the aging public housing inventory. HAPGC uses HUD's Rental Assistance Demonstration (RAD) program as a tool to preserve and improve its public housing properties. To date, HAPGC has completed four (4) RAD applications: 1) Kimberly Gardens, 2) Rollingcrest Village, 3) Marlborough Towne, and 4) Cottage City. HUD awarded the Commitment to enter into a Housing Assistance Payments (CHAP) for the four properties.

Cottage City is the first public housing site chosen for redevelopment and its tentatively scheduled for groundbreaking in 2025. HAPGC is actively working with their residents to attain input and facilitate communication on this project and disseminate all updates.

In an effort to safeguard residents and streamline the construction schedule, HAPGC plans to relocate residents and deliver a vacant building to a general contractor, creating a series of construction efficiencies for success. The current schedule reflects savings of approximately two to three months. This scope will be planned and executed by a third-party relocation specialist.

- During FY 2024, the HAPGC submitted a request to the County Council for the issuance and sale
 of revenue bonds for low-income multi-family and senior rental housing project through its
 Affordable Housing Bond Finance Program (AHBFP).
 - KCG Development -The Cassidy Development Project, New Construction, Potential Bond Issuance \$41,500,000
- The HAPGC secured professional services of a Real Estate Brokerage firm for the deposition of HAPGC surplus lots. Five (5) properties were sold, generating over \$200,000 in income.
- HAPGC completed renovations to five (5) public and assisted housing properties to improve resident satisfaction, increase market appeal, address security and safety, code requirements, and improve energy efficiency. Modernization activities included:
 - Roofing assessments and repairs at public housing sites utilizing the Capital Fund Grant
 - Roofing repairs and internal unit upgrades in vacant units utilizing CDBG funds at its
 State of Maryland Rental Housing Partnership Program site Coral Gardens
- HAPGC continued its partnership with the County's Police Department to sponsor crime awareness programs; especially at senior housing sites.
- Planned for Capital Fund improvements of the public housing stock
- Implemented and enforced the Violence Against Women Act (VAWA) requirements

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

The following actions were taken to encourage public housing residents participation during FY 2024.

Resident Services: Provides supportive services to the residents of the five (5) public housing developments – Rollingcrest Village, Marlborough Towne, Cottage City Towers, Kimberly Gardens, and 1100 Owens Road. It entails providing a comprehensive approach to service delivery that reduces criminal re-entry, the improvement to quality of life and life skill sets to promote resident independence. These services focus on resident engagement, personal care, education, employment, health awareness, and economic and personal self-sufficiency.

Resident participation efforts: Consists of each public housing property having a Resident Council that meets monthly to plan and provide resident activities as well as information. Also, to advocate on behalf of their respective resident population. Subsequently, the pandemic promoted alternative communications that included ZOOM and TEAMS to keep residents abreast of HAPGC's updates.

The Resident Advisory Board (representation from each of the Resident Councils), provides input to the Housing Authority's Annual Five-Year Agency Plan & policy updates for the ACOP/Administrative Plan. In addition to comments by the general public, this plan requires that residents be given an opportunity to offer and have their input for services and policies considered and incorporated, when possible, into the plan and/or policies.

Family Self Sufficiency (FSS): provides our residents with the ability to become self-sufficient by increasing their earned income and reducing their dependency of welfare assistance. FSS connects participating families to public and private resources that will increase their financial empowerment, reduce, or eliminate the need for welfare assistance, and make progress toward life goals set with the FSS Coordinator.

Resident Initiatives: The Housing Authority operates Family Resource Academies at Kimberly Gardens and Marlborough Town to help children succeed in school and improve their opportunities for upward mobility. The students receive classroom-modeled lessons using information technology to improve skills in reading, mathematics, and other disciplines. This program provides a wide range of opportunities to increase student's ability to succeed in school and meet educational requirements for higher learning. FRA and Summer Camp Programs were impacted severely in the past year whereas all services were canceled.

In addition, HAPGC received computer upgrades from community partners at the Prince George's County Library. The computers were distributed to the family sites of Kimberly Gardens and Marlborough Towne. The technology centers are open to residents and their children, ages 6–18. The Kimberly Gardens campus is enhanced by a partnership with a non-profit group that operates a homework club. The group has certified public school teachers who provide hands-on assistance for homework, special classroom projects, and ongoing tutorial assistance. Additionally, students of the County's Public-School system are encouraged to use Community Services hours received through the FRA toward Community Services credits required for high school graduation.

Actions taken to provide assistance to troubled PHAs

HAPGC is not a troubled agency.

CR-35 - Other Actions

Actions Taken to Remove or Ameliorate Barriers to Affordable Housing

Through *Housing Opportunity for All*¹, the County is taking a dual approach to housing investments over a seven (7) year period. The goals are to remove regulatory barriers and other hurdles to make development easier across the board and to use public policy and resources to help produce new housing options, especially for lower income households that the private market may not serve. During the fiscal year, the Department of Housing and Community Development, Housing Development Division (HDD) was instrumental in the continued implementation of the following four (4) public policies which focuses on producing new housing options, preserving existing affordable housing and to

¹ https://www.princegeorgescountymd.gov/2803/Comprehensive-Housing-Strategy

reducing the barriers to affordable housing:

Housing Investment Trust Fund (HITF) Program: serves as a vehicle to provide work force and affordable housing gap financing with an emphasis on supporting the development of new construction, rehabilitation and preservation of existing workforce and affordable housing while targeting households earning up to 120% of the area median income (AMI). The County Council enacted Council Bill (CB-004-2021), which established a sustainable source of funding for the HITF by reallocating a certain percentage of the County's recordation taxes to provide support for the fund; requiring certain financing for the fund. Projects may be assisted with both HOME and HITF funds; however, HOME and HITF funds may not be used for the same unit.

Right of First Refusal (ROFR) Program: preserves the availability of affordable rental housing in the County. The County Council enacted CB-27-2013, which provides that a property owner that seeks to sell a multifamily rental facility that consists of twenty (20) or more dwelling rental units must provide written notice of the sale and related documentation to the Director of DHCD after the owner enters into a bona fide contract of sale to sell the multifamily rental facility, unless an exception is approved by DHCD. DHCD is authorized under the Code to exercise its ROFR rights and purchase the property (or assign its rights to purchase the property to a third-party) in accordance with the timeframes and terms of the Code.

Payment in Lieu of Taxes (PILOT) Program: authorizes the property owner to make payments in lieu of County real property taxes pursuant to Section 7-506.1 or 7-506.3 of the Tax-Property Article of the Annotated Code of Maryland, as amended, provided the owner is engaged in constructing or operating housing structures or projects; provides interest subsidy, rent subsidy, or rent supplements; agrees to continue to maintain the real property as rental housing for lower income persons under the requirements of the government programs and to allow the entire property or the portion of the property that was maintained for lower income persons to remain as housing for lower income persons for a term of at least five (5) years.

Right of First Refusal PILOT Pre-authorization: CB-087-2022 was enacted for the purpose of creating a PILOT pre-authorization process for properties purchased under the ROFR program. This allows the DHCD Director to authorize PILOT Agreements in lieu of seeking the adoption of a County Resolution. The DHCD Director is required to provide notice to the County Council. The enactment of this Bill further enhances the County's ability to support the preservation of affordable rental housing through the ROFR Program.

In FY 2024, the following DHCD housing development projects were adopted and approved by the County Council in an effort to produce new rental housing options, especially for lower income households; 82% percent of the total number of rental units, upon project completion, will be for low to

moderate-income households. See Table 15 below.

Table 15 - Affordable Housing Development Projects Approved in FY 2024

DHCD Affordable	Council Resolution	Public Policy	Total	Number of	Percent of

Actions Taken to Address Obstacles to Meeting Underserved Needs

Households with extremely low-income (0-30) percent of the area median income (AMI) and who spend more than half of their income on housing, are considered under-served and have the "worst-case needs." Most of these households are renters. Funding remains the largest obstacle to meeting these under-served needs. To address this issue, County leverages limited HUD funds by encouraging and forming partnerships with nonprofit organizations, local government agencies, municipalities, and forprofit organizations for housing projects that will serve households at or below 30 percent of the AMI. The following are CDBG, HOME, ESG, HOPWA, Public Housing, and Housing Choice Voucher projects that served under-served households during FY 2024. See Table 16 below.

Table 16 – FY 2024 Projects Serving Households at or below 30 Percent of the AMI

Resource	Project Types	0-30% AMI	31-50% AMI	51-80% AMI

Actions Taken to Reduce Lead-based Paint Hazards

In 2012, the Maryland General Assembly passed House Bill 644. This Bill requires owners of rental properties built before 1978, when the use of lead paint was prohibited, to register their properties and take steps toward reducing the risk of lead poisoning beginning January 2015. The legislation also allows Maryland Department of the Environment (MDE) to seek delegation to administer a U.S. Environmental Protection Agency rule that regulates training of contractors, renovations, repairs, and painting in rental and occupied homes built before 1978. The regulations also apply to pre-1978 facilities with young children.

As an entitlement jurisdiction, the County must enforce 24 C.F.R. Part 35 and Section 401(b) of the Lead-Based Paint Poisoning Prevention Act for all federally funded acquisition, rehabilitation, maintenance and construction activities. Landlords in Prince George's County must comply with Maryland's Reduction of Lead Risk in Housing law, which requires owners of rental properties built before 1950 to register the units with the Maryland Department of the Environment MDE), distribute specific educational materials, and meet specific lead paint risk reduction standards at certain triggering events.

Applicants for federal funding assistance, tenants and prospective purchasers of property built before 1978 are notified of the following, before rehabilitation, purchase or rental of federally-assisted housing:

- That the property may contain lead-based paint;
- The hazards of lead-based paint;
- The symptoms and treatment of lead-based paint poisoning;
- The precautions to be taken to avoid lead-based paint poisoning (including maintenance and removal techniques for removing such hazards);
- The advisability and availability of blood lead level screening for children under six-years old;
 and.
- In the event lead-based paint is found on the property, appropriate abatement measures must
- be undertaken and are an eligible use of federal funds.

Programs and Services to Address Lead Based Paint Hazards

 The County operates a Housing Rehabilitation Assistance Program (HRAP) administered by a third-party entity to provide funding to repair health and safety hazards in the homes of low-

- and moderate-income homeowners. The HRAP offers deferred loans of up to \$60,000 to qualified homebuyers.
- CDBG funds may be used to support code enforcement activities (both residential and commercial), as implemented by a subrecipient. These activities seek to monitor and maintain properties in deteriorated areas and low-to-moderate income neighborhoods.
- The Prince George's County Health Department provides several services to residents as part of the Lead and Healthy Homes Program, including:
 - Nursing case management for children with high lead levels in their blood and testing for uninsured children;
 - Environmental assessments of residences for the presence of lead, in response to confirmed medical reports of elevated blood levels in children and adults;
 - Referrals to the Maryland Occupational Safety and Health (MOSH) Program, as
 - necessary, when adult lead exposure is suspected in the workplace;
 - Educational programs concerning potential lead exposure and safe lead paint abatement techniques;
 - Telephone consultations on asthma triggers, mold and other indoor air contaminants;
 and.
 - Telephone consultations regarding lead in drinking water.

Actions Taken to Reduce the Number of Poverty-level Families

The 2016-2020 American Census Survey (ACS) data shows the Prince George's County poverty level is 9.5 percent, which is a slight increase according to the 2013-2017 ACS data (9.3 percent). The County and its partners implemented a variety of programs to eliminate poverty through increasing the affordability of housing, increasing the resources for residents to afford more housing in relation to their income, stemming neighborhood decline and blight, thus helping residents grow value in their owned or rented real estate assets, and by protecting vulnerable populations and minority communities from predatory financial lending practices and discrimination. The programs meet the various needs of individuals and families as they progress toward financial self-sufficiency.

Actions Taken to Develop Institutional Structure

The Housing Opportunity for All work group helps to increase the internal capacity among County staff to support implementation of the Comprehensive Housing Strategy (CHS). It assesses the existing capacity within DHCD, as well as among other departments if needed. This assessment focuses on whether additional expertise is needed and if the organizational structure with DHCD can support effective implementation. The work group also identifies ways to increase staff capacity, particularly within DHCD, the Housing Authority, and the Department of Permitting, Inspections, and Enforcement.

Actions Taken to Enhance Coordination between Public and Private Housing and Social Service Agencies

The Housing Opportunity for All work group created a structure to improve coordination and communication across County departments and other key organizations. The County established a cross-departmental team of senior-level staff tasked with reviewing new developmental proposals, impact of proposed policies, and identifying ways to leverage each department's respective resources, such as property, funding, or relaxed standards, for proposed projects.

Actions Taken to Overcome the Effects of Impediments Identified in the Jurisdiction's Analysis of Impediments to Fair Housing Choice

The County's Analysis of Impediments to Fair Housing Choice (AI)², as adopted under County Council Resolution CR-92-2020. This AI builds upon the AI conducted in April 2011 (updated in 2019) to be consistent with the FY 2021-2025 Consolidated Plan for Housing and Community Development.

The County continues to reduce the barriers identified in its 2019 AI update by assigning specific tasks and recommended actions to address each identified impediment. Table 17 describes actions taken to address the goals. This Action Plan pertains solely to Prince George's County and does not address goals, tasks or actions concerning the City of Bowie.

² https://www.princegeorgescountymd.gov/1039/Plans-Reports

Table 17 – DHCD Fair Housing Action Plan – Activities Addressing Identified Impediments in the 2019 Analysis of Impediments

Goal/Task	Status/Action Taken	Responsible Entity(s)
Goal 1: Complete steps to create a fair housing enforceme	nt ecosystem for Prince Georges County	
 Attain Fair Housing Assistance Program (FHAP) status for the HRC and amend Division 12 to allow HRC to investigate cases. Identify and fund a nonprofit partner as a certified fair housing organization able to conduct fair housing testing. Increase training on fair housing, the Americans with Disabilities Act, Section 504, and other applicable laws and regulations. Share data and findings with Washington metro regions Regional Analysis of Impediments effort. 	 In FY 2021, pursuant to Council Bill, CB-12-2021, adopted May 3, 2021, the Prince George's County Office of Human Rights (OHR) was given the authority to investigate particular matters which are within the jurisdiction of the Human Rights Commission. Additionally, the OHR continues to seek HUD's approval for designation as a Fair Housing Assistance Program (FHAP) agency. In FY 2024, the Chief Compliance and Program Manager continues to serve as the Agency's ADA Coordinator. Participation includes attending webinars and monthly County-wide ADA meetings to stay abreast of updates to applicable ADA laws and regulations. DHCD will continue to encourage participation and collaboration on accessibility training and compliance issues. DHCD will also consult and engage the Prince George's County ADA coordinator on accessibility training and regarding special accommodations and other compliance issues. DHCD strongly encourages its sub-recipients to engage in fair housing training as "Non-Discrimination and Equal Access" is one of the 	HAPGC, DHCD

Goal/Task	Status/Action Taken	Responsible Entity(s)
	 "Cross Cutting Federal Requirements" in DHCD's Policies and Procedures Manual (PPM). Additionally, DHCD communicates these requirements to owners, developers, Community Housing Development Organizations (CHDO) and sub-recipients when Federal Funds are being used. Further, this information is included in all written agreements and monitored by DHCD staff. DHCD continues to keep track of meetings and updates related to the Metropolitan Washington Council of Governments (MWCOG)'s Regional Analysis of Impediments effort, which is still currently underway. 	
Goal 2: Address deficiencies related to the Ripley settleme	nt	
 Expand the capacity of the County's 504 Coordinator by adding resources. Prioritize the County's Housing Rehabilitation Assistance Program (HRAP) for persons with disabilities and seniors. Create a Visitability Advisory Board to ensure that that all CDBG and HOME-assisted units comply with visitability standards. Consider developing online tools to assist in the identification of accessible housing units. 	 As of FY 2024, DHCD's Chief Compliance and Program Manager continues to serve as the Agency's ADA Coordinator. Additionally, HAPGC has a designated 504 Coordinator, who capacity has been expanded to include investigating and reporting all Section 504 complaints. Further, HAPGC has developed and implemented procedures through which individuals may request a reasonable accommodation with resources including a centralized database for tracking 	HAPGC, DHCD

Goal/Task	Status/Action Taken	Responsible Entity(s)
Goal 3: Prioritize programs and funding for persons with di	reasonable accommodations requests. As of FY 2024, the County's Housing Rehabilitation Assistance Program (HRAP) remains open for all County homeowners on a first come, first serve application basis. Adherence to visitability standards is not a HUD requirement (see HUD Notice: CPD-05-09), nor a requirement of the State of Maryland. However, CDBG and HOME sub- recipients that work with DHCD typically include visitability concepts as part of their design and construction.	ors
 Convert HOME funding to Tenant-Based Rental Assistance Program (TBRA) to prioritize disabled persons, seniors, and single-headed households in danger of homelessness. Add priority points in the CDBG grant selection process for organizations that provide public services that serve disabled, Latino, and senior communities. Prioritize Housing Trust Fund dollars for the construction of affordable housing for individuals and families at 30% AMI and below, especially persons with disabilities and seniors. Develop new senior housing developments with greater access to transportation, retail, and services. 	 Since FY 2021, the County has received Emergency Rental Assistance Program (ERAP) funds, either as a direct recipient from the U.S. Treasury or through the State of Maryland. DHCD continues to implement the ERA Program, similar to a TBRA Program and provide priority to County Tenants who are seniors, disabled or immune-compromised, or at risk of homelessness. DHCD reviews each CDBG application on its merits through a Proposal Advisory Group (PAG). In FY 2024, priority points were not provided in the CDBG grant selection process 	DHCD

Goal/Task	Status/Action Taken	Responsible Entity(s)
	for organizations that provide public services that serve disabled, Latino, and senior communities. DHCD prioritizes units affordable to households with incomes at or below 50% of the Area Median Income (AMI) in its Notice of Funding Availability (NOFA) for the Housing Investment Trust Fund (HITF) and the HOME investment Partnerships (HOME) Program. In FY 2022, FY 2023, and FY 2024, DHCD completed construction of four senior projects: The Lewis, Homes at Oxon Hill, Woodyard Station Senior and Residences at Springbrook, respectively, for persons sixty-two and older. Additionally, in FY 2024, DHCD has another senior project under construction: HillHouse at Beechfield. All of these housing development projects provide greater access to transportation, retail, and/or amenities and services.	

Goal 4: Ensure language access especially for the county's Spanish speaking population

Goal/Task	Status/Action Taken	Responsible Entity(s)
 Complete the four-factor analysis to determine whether programs are adequately accessible to those with limited English proficiency (LEP). Identify and fund a HUD-certified nonprofit housing counseling partner that can increase the number of bilingual counselors and provide education on tenant rights and rental counseling. Increase and improve code enforcement efforts. 	 In FY 2023, the County Office of Human Rights rolled out its "language access program." The LACP comprises of three areas: compliance, monitoring, investigation, and enforcement; policy guidance, training, and technical support to County agencies; and education and community outreach to County residents. Additionally, in FY 2023, DHCD engaged the services of the third-party translation and interpretive services. In FY 2024, DHCD continued to compile data collection reports, which will aid in determinizing whether programs are adequately accessible to those with limited English proficiency (LEP). DHCD will continue to review the necessary resources necessary for the development of a four-factor analysis to ensure that persons with limited English proficiency have access to County programs and services. Nevertheless, in order to reach the under-represented groups, minority populations, persons with disabilities, and persons with Limited English Proficiency, DHCD continues to offer several language accessibility options, including posting its public notices in Spanish translation, while also engaging Spanish and American Sign Language (ASL) interpreters, as needed, for its programs. DHCD will continue to encourage funding of public services geared towards housing 	DHCD

Goal/Task	Status/Action Taken	Responsible Entity(s)
Goal 5: Balance investments in revitalizing distressed comm	counseling and financial management education for lower- income households. In its FY 2024 entitlement allocation, DHCD allocated 15 percent of its CDBG funds for Public Services activities, which includes activities that provide housing counseling and financial management education principally for low-income households. Additionally, Prince George's County has several community non-profit organizations that offer housing counseling. Specifically, Housing Initiative Partnerships (HII offers housing counseling to both homeowners and renters. DHCD maintains a strong relationship with County agency, the Department of Inspections and Enforcement (DPIE), as such, DHCD refers all requests for information related to code enforcements or violations to DPIE.	2)

CR-40 - Monitoring

The purpose of the onsite monitoring visits is to ensure program activities are carried out in compliance with applicable federal laws and DHCD program regulations. Areas reviewed include meeting national objectives, financial management systems, and general program administration. The monitoring unit also reviews compliance with Fair Housing and Equal Employment Opportunity, Section 504 of the Rehabilitation Act/ADA Labor standards, and Section 3 of the Housing and Urban Development Act of 1974.

Financial monitoring consists of reviewing accounting policies and procedures, systems for internal control and reimbursement requests for allowable costs. Financial monitoring also involves maintaining complete and accurate files on each activity. DHCD staff reviews the recordkeeping systems to determine if each activity is eligible, the program beneficiaries are low and moderate-income and project files support the data provided in the monthly activity reports. When problems are identified in a monitoring report and an action plan is requested to cure the concerns/ and or findings.

In FY 2024, DHCD monitored eleven (11) CDBG, two (2) HOME CHDO, and three (3) ESG activities monitoring visits.

Citizen Participation

The Draft Federal FY 2023 (County FY 2024) CAPER was made available on August 22, 2024 for a period of 15 days for public comment. A copy of the draft CAPER was made available DHCD's website, and by mail or email upon request. Legal notices were placed in two local newspapers in English and Spanish.

Programmatic Accomplishments

CR-45 - CDBG Program

The Department of Housing and Community Development (DHCD) administers the Community Development Block Grant (CDBG) program. The DHCD is responsible for the oversight and management of the CDBG program. The primary grant administration functions are oversight, monitoring, compliance, and technical assistance.

The CDBG program provides annual grants on a formula basis to entitled cities and counties to develop viable urban communities by providing decent housing, a suitable living environment, and expanding economic opportunities for principally low and moderate-income persons.

During FY 2024, CDBG funds were used to address the following goals and objectives:

Goal 2: Stabilize and improve rental properties by rehabilitating 105 rental units by 2025. The County met its 5-year goal by rehabilitating 424 housing units with the use of CDBG funds.

Goal 4: Increase supply of accessible and affordable homes by rehabilitating existing housing units for 200 homeowners by 2025. The County met 45 percent of its 5-year goal by rehabilitating eighty-nine (89) existing homeowner units.

Goal 5: Prevent displacement of long-time residents by rehabilitating 200 rental units and providing rental assistance to 110 households at risk of homelessness. The County met its 5-year goals by rehabilitating 424 rental units and providing rental assistance to 187 individuals at risk of homelessness.

Goal 6: Support independent living for senior and disabled households by rehabilitating 150 rental and 150 existing owner housing units by 2025. The County rehabilitated 150 rental units and rehabilitated 30 existing homeowner units.

Goal 7: Support persons experiencing homelessness and non-homeless persons with special needs by providing rental assistance to 885 persons by 2025. The County met 34 percent of its 5-year goal by providing tenant-based rental assistance to 297 persons experiencing homelessness.

Goal 8: Increase access to job training and economic development assistance by creating and/or retaining 45 jobs and assisting 20 small businesses by 2025. The County met its 5-year goals by creating and/or retaining 607 jobs and assisting 202 small businesses.

Goal 9: Improve quality of life/livability by supporting public services activities that assist 42,879 low to moderate-income persons by 2025. The County met 61 percent of its 5-year goal by assisting 26,341 individuals.

Goal 10: Support high-quality public infrastructure improvement activities by supporting public facility or infrastructure improvement activities benefiting 114,000 low to moderate-income persons. The County met its 5-year goal by assisting 132,625 individuals.

Goal 11: Improve communications and information sharing by increasing the number of low to moderate-income persons served during FY 2016-2020 by 3 percent. The County met 60 percent of its 5-year goal by assisting 26,341 individuals.

Response to COVID-19 Pandemic

As a part of the County's response to the COVID-19 pandemic, the County leveraged Community Development Block Grant Cares Act (CDBG-CV) funds in an effort to prevent, prepare for, and respond to the coronavirus by supporting activities (i.e., food banks, housing counseling and health services) benefitting low and moderate-income residents impacted by COVID-19. The following describes accomplishment met to date.

CDBG-CV Goal: Support public services activities that provide housing counseling, food pantry, as well as other activities to 4,372 persons impacted by COVID-19 by 2026. To date, 109,849 low and moderate-income persons impacted by COVID-19 were assisted, exceeding its 6-year goal.

CR-50 - HOME Program

Housing Quality Standards (HQS) Inspections of Affordable Rental Housing

During FY 2024, forty-eight (48) HOME-assisted rental projects were subject to §92.504(d). Seven (7) of the inspections "failed" and are scheduled for re-inspections. No rental housing reviews were conducted due to staff turnovers. DHCD recently hired a Compliance Specialist to perform the rental housing reviews and plans to report on these reviews in 2025.

Assessment of the Jurisdiction's Affirmative Marketing Actions for HOME Units

All development projects applying for HOME funds are required to submit to the department a copy of their marketing plan to ensure affirmative marketing and fair housing compliance procedures are followed.

HOME Program Income for Projects

During FY 2024, \$2,548,159 Program Income was expended. According to IDIS PR09 – Program Income Detail report the amount of will be receipted in Federal FY 2023 (County FY 2024). See Table 18 below.

Table 18 - Use of HOME Program Income

HOME-assisted Project	Owner/Tenant	HOME Program Income
	Characteristics	Expended
Woodyard Station Senior Apartments	Senior Renters	\$1,297,529
Glenarden Phase 3	Family Project	\$927,878
Hill House @ Beechfield	Senior Renters	\$322,751
	Total:	\$2,548,159

Other Actions Taken to Foster and Maintain Affordable Housing

See CR-35 - Other Actions for actions taken to remove or ameliorate barriers to affordable housing.

CR-58 – Section 3 Reporting (Proposed and Final Rules)

The DHCD is the lead agency responsible for administering the federal programs: CDBG, HOME, and ESG. A portion of these funds are used to carry out housing rehabilitation, housing construction, and public facility and infrastructure improvement projects. The purpose of Section 3 is to ensure that economic opportunities, most importantly employment, generated by certain HUD financial assistance shall be directed to low- and very low-income persons. The following describes the County's Section 3 Summary reports which pertain to the Section 3 Final Rule 24 C.F.R. § 75.

FY 2023 Section 3 Summary Reports (per Section 3 Final Rule 24 C.F.R. § 75)

In September 2020, HUD finalized the Section 3 Rule, removed the implementing regulations and added the final regulation 24 C.F.R. § 75. The final ruled updated HUD's Section 3 regulations to create more effective incentives for employers to retain and invest in their low- and very low-income workers, streamlined reporting requirements by aligning them with typical business practices, provided for program-specific oversight, and clarified the obligations of entities that are covered in Section 3. DHCD must implement Section 3 activities pursuant to these final regulations and comply with the reporting requirements starting July 1, 2021. In order for the Department to comply with the Section 3 Safe Harbor³ requirements it shall "to the greatest extent feasible"

- 1. Certify the Prioritization of Efforts:
 - a) Employment and training opportunities to Section 3 workers; and
 - b) Award contractors and subcontractors that provide economic opportunities for Section 3 workers.

Actions Taken:

CDBG Activities: Four (4) CDBG activities were completed for this fiscal year that was subject to Section 3; a total of 4,775 labor hours were completed with a number of outreach methods conducted as noted in the Section 3 Summary Report.

HOME Activities: One (1) HOME activity was completed for this fiscal year that was subject to Section 3; a total of 45,637 labor hours were completed with a number of outreach methods and technical assistance/trainings conducted as noted in the Section 3 Summary Report.

- 2. Meet or exceed the applicable Section 3 Benchmarks established by Prince George's County:
 - a) Twenty-five percent (25%) of the total number of labor hours worked by all workers on a Section 3 project are Section 3 workers; and
 - b) Five percent (5%) of the total number of labor hours worked by all workers on a Section 3 project are Targeted Section 3 workers. This means that the five percent (5%) is included as part of the thirty-five percent (35%) threshold.

Actions Taken:

CDBG Activities: DHCD missed its goal. Section 3 covered four (4) activities applicable to the Final Section 3 Rule 24 C.F.R. § 75 where a total of 4,775 labor hours were completed. ut of

³ September 29, 2020, Section 3 Final Rule 24 C.F.R. § 75.23

⁴ "Greatest Extent Feasible" means that every effort shall be made to comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3) which includes the original explanation of the phrase. In sum, when properly executed the "greatest extent feasible" provision will not force a contractor to disband an organization by replacing current employees with local workers or contractors. The original definition also rejects the application of anticipated hiring preferences that have historically excluded minorities from countless employment and business opportunities. National Housing Law Project, An Advocate's Guide to the HUD Section 3 Program: Creating Jobs and Economic Opportunity, February 2009.

those hours only eight (8) hours were targeted section 3 worker hours, therefore not meeting the benchmark. DHCD will continue work with recipients to meet our benchmark goal.

HOME Activities: DHCD met its Section 3 Workers Benchmark goal. Section 3 covered one (1) activity applicable to the Final Section 3 Rule 24 C.F.R. § 75 where a total of 29,420 section 3 labor hours were completed to meet the goal. However, the department missed its Targeted Section 3 Workers Hours goal. DHCD will continue work with recipients to meet all goals.

The DHCD continues to work with the Prince George's County American Job Center Network partnered with Employ Prince George's, Inc. (EPG) to assist the Department with meeting its Section 3 Safe Harbor requirements. Both agencies have agreed that EPG's Construction Works Program can serve as a valuable tool for job seekers and businesses to connect to DHCD's Section 3 covered projects.

CR-60 - ESG Program

DHCD is the administering agency of the Emergency Solutions Grants (ESG) Program. DHCD subcontracts with the Prince George's County Department of Social Services (DSS) to implement the ESG program.

Activities Undertaken in FY 2024

In FY 2024, ESG funds and matching funds (i.e., local funds) were used to provide the following shelter and supportive services.

ESG Emergency Shelter - Operation & Essential Services - FY 2024

The County operates a 24-hour hotline for calls related to homelessness and two (2) emergency shelter projects serving individuals and families that are literally homeless. Each resident is provided with basic shelter amenities as well as employment, case management, health care, and housing placement assistance.

Goal: Approximately 500 individuals will benefit from the shelter programs.

Outcome: DSS served 519 individuals; one hundred and four percent (104%) of its annual goal.

ESG Street Outreach - FY 2024

The County developed a formal street outreach system to consistently and frequently engage with the street homeless to develop the relationships and trust that are critical to getting these individuals to accept shelter and permanently end their pattern of homelessness. This team is responsible for creation and maintenance of the County's registry of all chronically homeless persons and utilizes a Vulnerability Index that prioritizes them for permanent housing and other needed services.

Goal: Approximately 50 individuals will benefit from this program.

Outcome: DSS served 60 individuals; one hundred and twenty percent (120%) of its annual goal.

ESG Rapid Re-housing (RRH) – FY 2024

The Prince George's County Department of Social Services provides supportive services and financial assistance to homeless individuals and families to help them obtain and maintain housing, including but not limited to payment of security deposits, first month's rent, outreach and engagement, case management, housing search and placement, and follow-up.

Goal: Approximately 15 individuals will be assisted.

Outcome: DSS served 34 individuals; two hundred and twenty seven percent (227%) of its annual goal.

ESG Homelessness Prevention (HP) - FY 2024

The Prince George's County Department of Social Services (DSS) provides services to persons at imminent risk of homelessness to preserve and maintain stable housing, including but not limited to payment of rental arrearages and ongoing support, outreach and engagement, case management, and follow-up.

Goal: Approximately 15 individuals will be assisted.

Outcome: DSS served 6 individuals; forty percent (40%) of its annual goal.

Outcome Measurements FY 2024

Street Outreach:

Percent of Individuals that Received Services – 65%

Percent of Individuals that exit from Street Outreach – 45%

Shelter:

Average Length of Stay – 110 days

Percent of Persons exiting to Permanent Housing – 52%

Utilization Rate of Units/Beds Available versus Units/Beds Provided - 97%

Rapid Re-Housing:

Percent of Households exiting to Permanent Housing – 100%

Homeless Prevention:

Percent of Households which are prevented from becoming Homeless – 100%

Coordinated Entry:

Percent of Households placed on the Priorities List – 100% Percent of Households that had Referrals and Events – 56.5%

0.00%

PRINCE GEORGE'S COUNTY, MD

PART I: SUMMARY OF CDBG-CV RESOURCES	
01 CDBG-CV GRANT	7,123,178.00
02 FUNDS RETURNED TO THE LINE-OF-CREDIT	0.00
03 FUNDS RETURNED TO THE LOCAL CDBG ACCOUNT	0.00
04 TOTAL CDBG-CV FUNDS AWARDED	7,123,178.00
PART II: SUMMARY OF CDBG-CV EXPENDITURES	
05 DISBURSEMENTS OTHER THAN SECTION 108 REPAYMENTS AND PLANNING/ADMINISTRATION	5,044,526.66
06 DISBURSED IN IDIS FOR PLANNING/ADMINISTRATION	0.00
07 DISBURSED IN IDIS FOR SECTION 108 REPAYMENTS	0.00
08 TOTAL EXPENDITURES (SUM, LINES 05 - 07)	5,044,526.66
09 UNEXPENDED BALANCE (LINE 04 - LINE8)	2,078,651.34
PART III: LOWMOD BENEFIT FOR THE CDBG-CV GRANT	
10 EXPENDED FOR LOW/MOD HOUSING IN SPECIAL AREAS	0.00
11 EXPENDED FOR LOW/MOD MULTI-UNIT HOUSING	0.00
12 DISBURSED FOR OTHER LOW/MOD ACTIVITIES	5,044,526.66
13 TOTAL LOW/MOD CREDIT (SUM, LINES 10 - 12)	5,044,526.66
14 AMOUNT SUBJECT TO LOW/MOD BENEFIT (LINE 05)	5,044,526.66
15 PERCENT LOW/MOD CREDIT (LINE 13/LINE 14)	100.00%
PART IV: PUBLIC SERVICE (PS) CALCULATIONS	
16 DISBURSED IN IDIS FOR PUBLIC SERVICES	5,044,526.66
17 CDBG-CV GRANT	7,123,178.00
18 PERCENT OF FUNDS DISBURSED FOR PS ACTIVITIES (LINE 16/LINE 17)	70.82%
PART V: PLANNING AND ADMINISTRATION (PA) CAP	
19 DISBURSED IN IDIS FOR PLANNING/ADMINISTRATION	0.00

Submission Overview: ESG: CAPER

Your user level here: Data Entry and Account Admin

Step 1: Dates

Report: CAPER

7/1/2023 to 6/30/2024

Step 2: Contact Information

First Name Shirley
Middle Name E.

Last Name

Grant

Suffix

Title Chief Community Planning and Development Manager

Period: 7/1/2023 - 6/30/2024

Street Address 1 9200 Basil Court, Suite 306

Street Address 2

City Largo
State Maryland
ZIP Code 20774

E-mail Address SEGrant@co.pg.md.us
Phone Number (301)883-5542

Extension
Fax Number

Step 4: Grant Information

Emergency Shelter Rehab/Conversion

Did you create additional shelter beds/units through an ESG-funded rehab project

No

Did you create additional shelter beds/units through an ESG-funded conversion project

No

Data Participation Information

Are there any funded projects, except HMIS or Admin, which are not listed on the Project, Links and Uploads form? This includes projects in the HMIS and from VSP

No

Project outcomes are required for all CAPERS where the program year start date is 1-1-2021 or later. This form replaces the narrative in CR-70 of the eCon Planning Suite.

From the Action Plan that covered ESG for this reporting period copy and paste or retype the information in Question 5 on screen AP-90: "Describe performance standards for evaluating ESG."

Outcome Measurements FY 2024

Street Outreach:

Percent of Individuals that Received Services Percent of Individuals that exit from Street Outreach

Shelter:

Average Length of Stay

Percent of Persons exiting to Permanent Housing

Utilization Rate of Units/Beds Available versus Units/Beds Provided

Rapid Re-Housing:

Percent of Households exiting to Permanent Housing

Homeless Prevention:

Percent of Households which are prevented from becoming Homeless

Coordinated Entry:

Percent of Households placed on the Priorities List Percent of Households that had Referrals and Events

Based on the information from the Action Plan response previously provided to HUD:

1. Briefly describe how you met the performance standards identified in A-90 this program year. If they are not measurable as written type in N/A as the answer.

Outcome Measurements FY 2024

Street Outreach:

Percent of Individuals that Received Services – 65%
Percent of Individuals that exit from Street Outreach – 45%

Shelter:

Average Length of Stay - 110 days

Percent of Persons exiting to Permanent Housing - 52%

Utilization Rate of Units/Beds Available versus Units/Beds Provided - 97%

Rapid Re-Housing:

Percent of Households exiting to Permanent Housing - 100%

Homeless Prevention:

Percent of Households which are prevented from becoming Homeless - 100%

Coordinated Entry:

Percent of Households placed on the Priorities List – 100% Percent of Households that had Referrals and Events – 56.5%

2. Briefly describe what you did not meet and why. If they are not measurable as written type in N/A as the answer.

N/A

OR

3. If your standards were not written as measurable, provide a sample of what you will change them to in the future? If they were measurable and you answered above type in N/A as the answer.

N/A

ESG Information from IDIS
