

DPIE Business Licensing ID Card Issuance Changing

Effective April 15, 2024, DPIE Business Licensing will no longer issue physical identification cards for certain business and health licenses. In lieu of ID cards, applicants will be able to download their licenses from the online Momentum system. This change will allow applicants to access their licenses soon after issuance instead of waiting for delivery by mail. The licenses for which IDs will no longer be issued by DPIE Business Licensing include:

- Certified Food Service Manager
- Door-to-Door Solicitor
- Food Manager Training
- Master Electrician – Limited
- Mobile Vendors (Ice Cream Truck)
- Pawn Dealer Employee
- Pool Operator
- Secondhand Dealer Employee

Visit the DPIE [Business Licensing web page](#) for additional information.
