

Federal Programs

OVERVIEW

Federal programs consist of various program activities undertaken with federal Community Development Block Grant (CDBG) funds in accordance with CB-46-1997. This bill established a Five-Year Consolidated Housing and Community Development Plan and the Annual Action Plan which is adopted by the County Council and approved by the U.S. Department of Housing and Urban Development (HUD). The details of federal programs can be found in the identified plan documents adopted by Council resolution prior to the commencement of the program year.

The annual entitlement amounts for program support are based on a multi-factor formula, and the plans are designed to achieve neighborhood revitalization, economic development and job-creation objectives primarily within low and moderate-income areas of the County. Each of the capital construction projects included in the Annual Action Plan is incorporated into the CIP by inclusion of the federal programs section.
