

KEEP YOUR PRESCRIPTION MEDICATION SAFE!

Safely store or dispose of any unused and/or unwanted medication to prevent accidental poisonings, prescription misuse, and overdoses. Do your part, keep your family and community safe!

Store medication out of reach and sight, preferably in a locked place. Put it away after each use, keep medication inventory, and consider a lock box.

Safely dispose of unused/unwanted medication:

Mix unused/unwanted medication with wet cat litter or coffee grounds in a sealable bag and throw it in the trash. **DO NOT FLUSH; flushing harms our waterways.**

Attend National Prescription Drug Take Back Day on the last Saturday of April and October. This event allows you to drop off any unused/unwanted medications, vapes, and electronic smoking devices via drive-thru for safe disposal.

Visit one of our year-round drop boxes in Prince George's County:

- Prince George's Waste Management Division
- 3500 Brown Station Road, Upper Marlboro, MD
- DEA Drop Box, District 8 Section
- 8803 Police Plaza, Upper Marlboro, MD

Find a year-round drop box near you: health.mypgc.us/DrugPrevention or check for a drop box outside of your local police department.
