

The Department of Permitting, Inspections and Enforcement (DPIE)

Posting Illegal Signs IS EXPENSIVE!

Posting illegal signs in Prince George's County is a waste of money, as well as a violation of County code.

County staff will find them and rip them down.

Those who post them face a fine of up to \$1,000 per location.

Save your money. Advertise on social media, list servs and consumer websites.

Don't litter the landscape.

The dumpster tells the story: Scofflaws lose thousands of \$\$\$ when County staff purge local roadways of illegal signs.
