How to read this list. Projects are listed in the order ranked by the Prince George's County Continuum of Care. HUD funds Tier 1 projects first, subject to threshold review. Tier 2 projects compete nationally for remaining funds based on CoC score and project rank. A project marked **Tier 1 / Tier 2** straddles the tier line, so part of its request falls in each tier.

Component: PH-PSH = Permanent Supportive Housing; TH = Transitional Housing; SSO = Supportive Services Only; HMIS = Homeless Management Information System. **Funding source:** CoC = Continuum of Care Program; YHDP = Youth Homelessness Demonstration Program; DV = Domestic Violence Bonus. **Project type:** Renewal = continuing project; New = new project; Reallocation = new project funded with resources reallocated from existing projects.
