**NOTICE OF COMMUNITY PUBLIC MEETING  
ON THE  
PRINCE GEORGE'S COUNTY  
HOUSING AND COMMUNITY DEVELOPMENT  
COUNTY FISCAL YEARS 2026-2030  
CONSOLIDATED PLAN  
AND  
ANALYSIS OF IMPEDIMENTS TO FAIR HOUSING CHOICE**

Prince George's County is seeking the input of the County's residents as part of a multi-year process to update its Consolidated Plan and Analysis of Impediments to Fair Housing Choice for Fiscal Years 2026-2030. The Consolidated Plan is a five-year plan that documents the county and community development needs, outlines strategies to address those needs, and identifies program accomplishments. The Analysis of Impediments to Fair Housing is a review of the obstacles that could impede affirmatively furthering fair housing and develops actions to address those barriers.

The purpose of the public meeting is to provide citizens with the opportunity to address housing and community development needs and the development process for proposed activities.

Your time and participation would be greatly appreciated. The benefits of participating include:

- Learning about Consolidated Plans and Analyses of Impediments.
- Informing the County how it should prioritize its federal funding for housing and community development.
- Help identify and prioritize needs, proposed projects, the use of funds, and program performance.

**Please note that this Public Meeting will be held in conjunction with the Prince George's County Analysis of Impediments to Fair Housing Choice.**
