

# Non-Departmental

## MISSION AND SERVICES

---

Non-Departmental is used to manage resources and indirect costs for activities that are not specifically associated with one department or agency. The Office of Management and Budget (OMB) has the primary responsibility for the activity in Non-Departmental. OMB collaborates with the Office of the County Executive, the Legislative Branch, the Office of Finance and the Office of Central Services to plan and direct Non-Departmental transactions.

## STRUCTURE

There are four primary areas in Non-Departmental: Debt Service, Grants and Transfers, Operational Expenditures and Contingency.

- Debt Service – manages the County's debt issuance plan and monitors related principal and interest payments.
- Grants and Transfers – administers County contributions to various community organizations, Community Television, Economic Development Corporation, Financial Services Corporation, Employ Prince George's and Experience Prince George's. It also provides transfers to various capital improvement projects.
- Operational Expenditures – manages operational transactions that are not agency specific including office space and utilities, special compliance efforts, retiree benefits, equipment leases and special lease obligations including the University of Maryland Capital Region Medical Center.
- Contingency – provides resources for costs related to unsettled collective bargaining agreements, designated operating activities and unanticipated employee separation costs.

## FY 2023 KEY NOTATIONS

- Distributed over \$9.9 million to community-based organizations for various programs serving County residents.
- Funding provided opportunities for County youth to participate in career development, life-training skills and summer employment opportunities.
- Allocated \$4.4 million of grant support to County Development Disabilities Administration (DDA) Service providers.

## FY 2024 FISCAL OVERVIEW

- \$10.0 million allocated for grants to community organizations.
- \$45.9 million to address resource levels for retiree life and health benefits.
- \$8.2 million for operating costs associated with the speed camera program and other fine programs.
- \$10.7 million for transfers to the Capital Improvement Program (CIP).
- \$9.5 million provided to the County's economic development and tourism agencies.
- \$2.5 million for Youth Employment Program to support jobs for County youth.

## FY 2024 BUDGET SUMMARY

The FY 2024 approved General Fund budget for Non-Departmental is \$386,032,500, an increase of \$22,461,800 or 6.2% over the FY 2023 approved budget.

**FY 2024 Debt Issuance Plan**

Prince George’s County plans to issue new general obligation bonds of approximately \$247.1 million in FY 2024. The main factor behind the debt issuance continues to be the construction of public schools, followed by road repair and roadway enhancements. The County’s current bond rating is AAA by all major bond rating agencies.

**Outstanding General Fund Direct Debt**

Direct Debt is debt incurred by Prince George’s County government in its own name. The gross outstanding general fund debt, the amount that would be due if 100% of the principal were due on June 30, includes the County’s general obligation bonds, Revenue Authority revenue bonds and Maryland Local Government Insurance Trust obligations issued for self-insurance liability funding.

Net Direct Debt is gross debt less (1) gross debt payable primarily from user charges or other identified debt-supporting revenue streams and (2) gross debt reimbursable from the State of Maryland. This represents total direct debt excluding self-supporting

debt. On June 30, 2020, it was \$1,530.2 million; on June 30, 2021, it was \$1,588.5 million; and on June 30, 2022, it increased to \$1,707.7 million. These figures exclude overlapping debt of the Industrial Development Authority (IDA) Lease Revenue Bonds.

**Overlapping Debt**

In addition to the direct debt, the County has formally agreed to pay the Industrial Development Authority of Prince George’s County for the payments due on lease revenue bonds through annual lease payments. The Authority uses the lease payments made by the County to retire its outstanding debt. Most of the proceeds of the debt issued by the Authority were used to build the Prince George’s County Courthouse in Upper Marlboro. On June 30, 2018, the County had no outstanding general fund net overlapping debt. In FY 2019, the Revenue Authority assumed responsibility for all IDA assets and liabilities, including the refinancing of all outstanding debt. As authorized by CR-69-2017, the IDA was terminated upon the extinguishing of all IDA obligations. The County started remitting payments to the Revenue Authority in FY 2019.

### Debt Service and Other Payments

When debt is issued, the County is given a debt service payment schedule similar to amortization payments provided to a citizen when funds are borrowed to purchase a home or a car. The County is required to budget annually for the payment of principal and interest due on the amount of debt that it has incurred along with the annual premium payments and lease payments described under "Other Obligations." (Revenue Authority debt and certain other lease payments are shown under Other Non Departmental.)

From time to time, the County reviews its debt to see if it should restructure or refinance the debt to minimize its cost or to maximize cash flow requirements. A similar technique is used by the taxpayer who refinances his or her mortgage when interest rates are lowered, resulting in a reduced monthly payment. Alternatively, the taxpayer may choose the lower interest rate and opt for

the same monthly payment and thus pay off his or her debt much quicker.

In general, the County is obligated for its first payment of interest six months after debt is issued; the first payment of principal is due twelve months after the debt is issued.

### Recoveries

Portions of the debt and obligations related to mass transit are retired through dedicated tax levies. In addition, the County receives certain payments by the State of Maryland for a portion of the Industrial Development Authority (IDA) lease payments. Starting from FY 2001, school surcharge revenues have been used to offset part of the cost of new school construction. Starting in FY 2007, part of the telecommunications tax revenues that are set aside each year in a separate capital project fund have been used to support school construction bonds.

### Debt Service General Fund Sources

Highway User Revenue is allocated between the Highway Maintenance Division in the Department of Public Works and Transportation and debt service for roads.

### Debt Levels

The County's Net Direct Debt has grown due to the rising needs for capital projects, in particular school construction. The County plans to keep its debt levels below its self-imposed and statutory limits.

#### Notes:

- (1) Population estimates are from the U.S. Census Bureau, Population Estimates Branch. The fiscal year 2022 population estimate is from the American Communities Survey, U.S. Census Bureau for 2021.
- (2) Beginning in fiscal year 2002, real property assessed value in Maryland has been adjusted from approximately 40% of market value to full market value (100%) by the State Department of Assessments and Taxation. Personal property assessed value remains unchanged at full market value.
- (3) The amount of net direct debt represents the County's general obligation bonded debt which excludes the Primary Government's Stormwater Management Enterprise Fund bonds paid with dedicated tax collections, Solid Waste Management System bonds repaid from user charges, debt for parks reimbursed by the joint venture M-NCPPC, debt for mass transit reimbursed by the WSTC (joint venture), debt for school facilities paid by school surcharge, and debt for school facilities funded by telecommunications tax. It includes Parking Authority's (component unit) bonded debt.

### General Fund Insurance (Self-Insurance Fund) -- \$10,400,000

General Fund Insurance is managed by the Risk Management Unit in the Office of Finance. It insures fire, casualty, automobile, and public losses. The Self-Insurance Fund is composed of the following governmental entities: the County, the Community College, the Memorial Library System, and the Board of Education. Contribution levels are based on the results of an annual actuarial study.

### Judgments and Losses -- \$200,000

This appropriation represents contingent small claims payouts by the County.

### Postage -- \$2,700,000

Postage costs reflect projected expenditure levels for postage.

### Equipment Leases -- \$26,723,000

The FY 2024 expenditures include the principal and interest costs of the 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020 and 2021 lease purchase payments. It also includes resources for voting machine rentals.

### Other Leases -- \$30,607,800

The Office of Central Services is responsible for maintaining the County's lease agreements for various locations. Funding is included to support ten County leases. In addition to the cost of County leases, funding is also included for debt service payments due on lease revenue bonds issued to support expansions of the Hyattsville and Upper Marlboro Justice Centers. Additionally, this category includes funding to support debt service costs for various public finance transactions including the Regional Medical Center.

**Utilities -- \$17,114,000**

Utility costs reflect projected expenditure levels for electricity, gas, oil, and propane used by the County and to support anticipated costs for the Cheverly hospital.

**Streetlights -- \$1,800,000**

Projected energy costs for streetlights maintained by the County.

**Traffic Signals -- \$100,000**

Operational funding for traffic signals provided by the County for vehicular and pedestrian safety.

**Miscellaneous Expenses -- \$17,080,100**

This category includes resources for general and administrative services related to the implementation of the County's strategic plan and collection of emergency transportation fees. This budget also includes costs for payments to the State for the State Department of Assessments and Taxation (\$2.8 million in FY 2024); also includes funding for local business assistance program (\$3.0 million in FY 2024), local business bond fund (\$3.0 million in FY 2024), fair election fund (\$400,000) and camera incentive program (\$250,000).

The FY 2024 approved grant budget remains unchanged from FY 2023 approved budget. The FY 2023 estimate reflects funding received from the State and federal governments to address the COVID-19 pandemic. The primary sponsor for the majority of these program initiatives is the U.S. Treasury Department. The American Rescue Plan Act (ARPA) also known as the State and Local Fiscal Recovery Fund (SLFRF program) is the remaining COVID-19 program funded and underway as the remaining COVID-19 Recovery Reponse programs begin to phase out. The following grant programs have phased out: the Coronavirus Aid, Relief and Economic Securities Act (CARES) Act-Coronavirus Relief Fund, the Maryland Department of Commerce COVID-19 Restaurant Assistance Program, Online Sales and Telework, Pulse Point Marketing and the Prince George's County Hotel Relief Fund. Please refer to Appendix A - Grant Programs for the detailed agency spending of the American Rescue Plan Act grant program funds. Additionally, please note that Non-Departmental also maintains two lines of appropriation authority - Public/Private Partnerships and Unanticipated Grants/Interim Appropriation - that agencies may request for unanticipated grant awards received after budget adoption. This line of appropriation authority allows agencies to begin program/project implementation upon award while official legislative approval is requested and adopted via resolution.
