EQUAL EMPLOYMENT OPPORTUNITY COMMISSION (EEOC) WORKSHARING AGREEMENT -- \$57,000

The U.S. Equal Employment Opportunity Commission (EEOC) provides financial assistance through a worksharing agreement. These funds are provided as a result of investigations conducted by the Office of Human Rights with regard to allegations of discrimination on the basis of race, color, religion, sex (including pregnancy), national origin, age (40 or older), disability or genetic information that occur in Prince George's County. The EEOC reimburses the Office of Human Rights a fixed amount per case.

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — To provide civil and human rights protection for County residents in order to ensure equality

Objective 1.1 — To reduce acts of discrimination within the County.

Trend and Analysis

The Office of Human Rights (OHR) receives cases in two ways, inquiries made to the OHR and the transfer of cases from the U.S. Equal Employment Opportunity Commission (EEOC). Cases that are formalized through the OHR occur between zero to nine times per week. The EEOC may transfer any number of cases at any time. Although many factors dictate the rate of closure, the target time frame is 180 business days. Factors that dictate the time frame for closure are: receipt of the requested information; availability of requested witness interviews; receipt of subpoenaed information; and receipt of supplemental information. The number of cases reflected below represents cases in an investigative status prior to the beginning of FY 2024, as well as cases opened and investigated during FY 2024. The total investigations completed and signed, and the case closure rate reflects these factors.

During FY 2024, the Human Trafficking Division leveraged partnerships and coordinated efforts to revitalize the PGCHTTF to six active committees that include law enforcement, legislative, public outreach and training, victim services, labor and data and analytics. The Human Trafficking Division and the PGCHTTF developed a proposal for legislation to prohibit County contractors and subcontractors from engaging in sex and labor trafficking. The Task Force continues to encourage meaningful collaboration and partnerships, develop more coordinated information sharing techniques and establish continuity in community outreach and stakeholder trainings. As part of the implementation, the LACP was also tasked with providing policy guidance, training and technical support to County government entities. The LACP also manages compliance monitoring, complaint investigation and enforcement and community outreach to the County's limited English proficient (LEP) and non-English proficient (NEP) residents. In 2020, the act was amended to strengthen and expand the program and to include other government entities.

Language access compliance is accomplished when limited English Proficient (LEP) and non-English proficient (NEP) individuals can interact efficiently in their language of preference with the entity's employees and participate in the entity programs and services at the same level as the English-speaking individuals.
