PRINCE GEORGE'S COUNTY  
POLICE DEPARTMENT

**ANNUAL REPORT**

# FIRST TO SERVE

## Mission Statement

To work in partnership with the citizens of Prince George's County toward providing a safe environment and enhancing the quality of life consistent with the values of our community.

## Vision Statement

The Prince George's County Police Department will foster a relationship with its community that is rooted in mutual trust, respect and pride. We strive to value the dignity and rights of all our employees and citizens in creating an environment where responsibility and service reflect justice and equity. We pledge to provide determination, inspiration and compassion to fulfill the mission of this department.

# OATH OF OFFICE

I DO SOLEMNLY SWEAR OR AFFIRM THAT I WILL SUPPORT THE CONSTITUTION OF THE UNITED STATES, AND THAT I WILL BE FAITHFUL AND BEAR TRUE ALLEGIANCE TO THE STATE OF MARYLAND AND SUPPORT THE CONSTITUTION AND LAWS THEREOF, AND THAT I WILL SUPPORT THE CHARTER AND LAWS OF PRINCE GEORGE'S COUNTY; AND THAT I WILL, TO THE BEST OF MY SKILL AND JUDGMENT, DILIGENTLY, FAITHFULLY AND WITHOUT PARTIALITY OR PREJUDICE EXECUTE THE OFFICE OF POLICE OFFICER FOR PRINCE GEORGE'S COUNTY, ACCORDING TO THE CONSTITUTION AND LAWS OF THE STATE, AND THE CHARTER, AND LAWS OF PRINCE GEORGE'S COUNTY.

## Message from the County Executive

When we take a moment to reflect on last year, we are proud of the tremendous progress that we have collectively made after facing some of our most difficult and challenging times. We have continued our efforts to improve the overall quality of life of our residents, and we know that we could not have accomplished so much without the brave men and women of the Prince George's County Police Department (PGPD). As your County Executive and as a proud Prince Georgian, I am grateful for the dedication and commitment of our sworn and civilian members who work tirelessly to keep our communities safe.

We faced many challenges last year in addressing the rise in crime, but the men and women of this department continued to fulfill their oath to serve and protect our residents. We implemented a juvenile curfew to protect our children and engage parents and family members in their safety and wellbeing, which required the men and women of PGPD to take on additional responsibilities. This curfew enforcement effort required a great deal of coordination and collaboration, but PGPD came together and made our County proud.

As we continue to forge ahead, we know that we have so much to look forward to in Prince George's County. We are doing everything we can to make sure our Police Department has what they need to keep our residents safe. We are continuing to implement recommendations from our Police Reform Work Group that will help to transform our Police Department so that it will serve as a national model for community policing.

We are also keeping up our investments in public safety, allocating \$394.7 million for our Police Department in the Fiscal Year 2024 proposed budget. This funding will support four new recruit classes so that we can continue to grow and improve our public safety efforts. In addition, we have allocated \$640,000 to continue providing recruitment incentives for new officers that join PGPD. All of these efforts work toward our collective goal of engaging the best and brightest individuals that will be proud to serve Prince George's County.

As we look forward to all that is to come this year, and anticipate the challenges ahead, I am confident that the collective efforts of our County Government, our Police Department, and our community will help us continue to move Prince George's County forward in a positive way. The work that the men and women of the Prince George's County Police Department do each and every day is crucial to the safety and well-being of our residents. I am Prince George's Proud to recognize them for their service and sacrifice to our community.

## Message from the Deputy Chief Administrative Officer for Public Safety and Homeland Security

Calendar Year 2022 was a very complex year as reform and community policing became the focus and voice of our citizens as well as the media. As Deputy Chief Administrative Officer for Public Safety and Homeland Security, seeing the vision that Chief Malik Aziz strategically implemented was extraordinary. I am Prince George's proud to see the devoted men and women of the Prince George's County Police Department embrace our communities and be First To Serve. Chief's goals to reduce crime, decrease drug overdoses, to increase access to services, improve communication and address the issues and needed reform that concern our Prince George's family are being achieved day by day.

Leadership is the key to success. Chief Aziz has great people both sworn and civilian that support his plan and works tirelessly to implement his strategic initiatives. This 2022 Annual Report articulates our successful journey to "better policing."

Change, however, does not come easy. In 2022 to find immediacy to the issue of juvenile crime the County Executive implemented a 'juvenile curfew'. This was a tool that parents, grandparents and guardians could use to keep children at home and not on the street late at night. The police department handled the curfew with respect and guiding hands.

As the Chief continues his impressive work in Prince George's County, I know that new ideas and plans are on the way. Additional meetings and personal contact with our citizens and faith based leaders, wonderful initiatives like food and toy giveaways, blood drives, neighborhood walks, and community podcasts featuring "The Best" of Prince George's County is the best of community policing. All are innovative and effective ways to serve our diverse people.

I am honored and so very fortunate to work with the men and women of the Prince George's County Police Department. I hope all who are reading this 2022 Annual Report will join me in thanking Chief Aziz and the entire police department for their commitment. Let them know that they have our support now and every day going forward. And, let me be the first... THANK YOU FOR YOUR SERVICE TO THE PEOPLE OF PRINCE GEORGE'S COUNTY.

**Chief Malik Aziz**  
Chief of Police

## Message from the Chief of Police

To the Residents and Employees of Prince George's County,

As the Police Chief of the Prince George's County Police Department, I am honored to present our 2022 Annual Report. This document is a tribute to the outstanding men and women of our department who exemplify the highest standards of integrity and professionalism in policing. Their unwavering commitment is the bedrock upon which this report is built, offering a comprehensive overview of our crime initiatives, community programs, and a reflection on the significant successes and challenges faced by our various divisions and units.

The year 2022 has been one of considerable challenges, with the rise in violent crime and the ongoing battle against the COVID-19 pandemic. Despite these obstacles, our department has remained steadfast, combating these issues head-on. Notably, juvenile crime has continued to rise, but within these challenges, we have seen glimmers of hope and resilience as young individuals in our community have risen above these difficult circumstances.

Our focus remains firmly on Accountability, Responsibility, Transparency, Transformation, and Trust. These pillars are critical for a modern, progressive police department, and we strive to embody these values every day. Community engagement is at the heart of our approach to policing, guiding our actions and ensuring that we remain connected to those we serve.

We have made significant strides in police reform, propelled by the support of our Honorable County Executive Ms. Angela Alsobrooks and the Police Reform Workgroup. This transformative period has been energizing, driving us to adopt new approaches and policies that reflect the needs and values of our community.

I extend my deepest gratitude to our patrol officers and non-sworn staff, whose dedication and hard work form the backbone of our department. The efforts of our Homicide Division, Carjacking and WAVE teams, and COPS officers have been instrumental in maintaining safety and order. Our Citizens Police Academy and Community First initiatives have elevated our community engagement efforts, and the Bureau of Administration has shown exceptional dedication, particularly in the Police Personnel Division.

Our approach to policing is multifaceted, intertwining crime prevention, enforcement, and community policing. These elements are not mutually exclusive but work in harmony to create a safe and secure environment. Moreover, we place a strong emphasis on the mental health, wellness, and safety of our personnel, recognizing that our effectiveness is deeply rooted in their well-being.

Our commitment to serving the community remains unwavering, and it is this dedication that positions the Prince George's County Police Department as a leader among law enforcement agencies. Looking forward, I am filled with optimism for our future and the continued service to our community.

## Our Values

### **Professionalism**

We are committed to providing professional law enforcement services by highly trained personnel accountable to our community.

Silver Medal of Valor

On July 3, 2021, shortly after midnight, Sergeant Santino Green conducted a traffic stop in Hyattsville. While Sergeant Green was speaking with the driver, he observed the front seat passenger preparing to flee. Sergeant Jason Swope arrived on scene and immediately went to the passenger side of the vehicle. The passenger quickly tried to exit the vehicle. Sergeant Swope put his hand on the door to keep it closed. The passenger forcibly pushed the door open, striking Sergeant Swope and a struggle ensued.

For his decisive actions and courage, during this extremely dangerous incident, Sergeant Santino Green earned a Silver Medal of Valor. For their heroic actions, while facing a deadly threat, Sergeant Jason Swope and Corporal John Taylor

earned the Gold Medal of Valor. In addition, Chief Aziz named Sergeant Jason Swope and Corporal John Taylor the Prince George's County Police Department's 2021 Police Officers of the Year.

## Police Chiefs' Association of Prince George's County

On June 22, 2022, the Police Chief's Association of Prince George's County (PCAPG) hosted their annual awards ceremony. During that event, several of our officers were recognized for their exemplary performance with the following awards:

**Corporal Charles Cooper**  
Bureau of Patrol  
2021 Officer of the Year

**Detective Mohammed Ashkar**  
Bureau of Investigation and  
Forensic Science  
2021 Investigator of the Year

**Corporal Jaron Black**  
Office of the Chief  
2021 Community Services  
Officer of the Year

Corporal Cooper's actions throughout the year have yielded 30 arrests resulting in the recovery of 24 firearms, 25,543 grams of drugs, and more than \$53,000 in U.S. dollars. Due to his dedication, crime statistics have been driven down and the quality of life in this community has been greatly improved.

Detective Ashkar's tenacity and keen investigative skills have led to numerous arrests and the seizure of drugs and five firearms. Due to his hard work, illegal activity and violent crimes have been significantly reduced throughout the county.

Corporal Black embodies community-oriented policing and exemplifies the importance of developing positive relationships with our residents. He not only formed a program called T-TAC (Talk to a Cop), but he also made it his personal mission to bridge the gap between youth and members of law enforcement, which he does with our PAL programs, summer camps, donation drives and giveaways.

During this event, Mrs. Valencia Ivey, from our Records - Management Division – Teletype Section, and her daughter also accepted the Association's Hall of Fame Award on behalf of her late husband, Chief Edward Earl "Chap" Ivey Jr., of the Fairmount Heights Police Department. Chief Ivey passed away on June 14, 2022.

## Juvenile Curfew

On Monday September 5, 2022, Prince George's County Executive, Angela Alsobrooks implemented a juvenile curfew ordinance to ensure the safety and well-being of our young residents. The announcement launched a new approach to reduce crime in the County as August 2022 marked the deadliest month in the County with 24 killing investigated by PGPD. Chief Aziz noted that "We cannot arrest our way out of this". As of September 2022, 430 juveniles were arrested, nearly doubling the number from the previous year. The curfew aimed to reduce crime, protect juveniles from potential harm, and maintain community tranquility during specific hours.

The key points regarding the juvenile curfew in Prince George's County were as follows:

- **Curfew Hours:** The curfew applied to individuals under the age of 18 and specified certain hours during which they were restricted from being in public places without adult supervision.
- **Weekday Curfew Hours:** Sunday through Thursday, the curfew hours typically began at 11:00 PM and lasted until 6:00 AM the following day.

- **Weekend Curfew Hours:** On Fridays and Saturdays, the curfew hours usually started at midnight and extended until 6:00 AM the next morning.

**Exceptions:** The curfew ordinance included exceptions for juveniles engaged in certain activities or under specific circumstances. Some common exceptions may include:

- When accompanied by a parent, guardian, or responsible adult.
- Traveling to or from work, a school-sanctioned activity, or a religious event.
- In case of an emergency or when authorized by a law enforcement officer.

**Penalties:** Violations of the curfew ordinance could result in penalties for both the juvenile and their parents or guardians. The penalties may vary but often included warnings, fines, mandatory community service, and required parental attendance at counseling programs.

As a result of the Juvenile Curfew, there was a **21%** decrease in carjackings and a **6%** decrease in overall violent crime.

# Prince George's County Juvenile Curfew

Prince George's County is enforcing a 30-day curfew for youth ages 16 and under beginning  
**Friday, September 9, at 11:59pm.**

This measure is being put in place to protect our children, after a continued rise in violent crime by juveniles and August being the deadliest month in the County's history. We are asking our village to please help us keep our children safe!

# 1

## Who Does This Apply To?

- Youth ages 16 and under

# 2

## What Are The Curfew Hours?

- Sunday-Thursday:  
**10pm to 5am**
- Friday & Saturday:  
**11:59pm to 5am**

# 3

## How Is This Being Enforced?

- Police officers are focused on education first; if youth are in public spaces during curfew hours, police will educate them on the curfew and tell them to go home, and notify a parent/guardian
- If a youth is found in violation of the curfew again, a parent/guardian is notified. Officers will remain with the youth for up to approximately 2 hours while trying to contact a parent/guardian. If a parent/guardian cannot be located, the youth will be transferred to the Department of Social Services for further assistance.

**Penalties will apply to parents and operators of businesses open to the public**

**1st violation:**  
Written notice  
and warning

## Subsequent violations: Civil fines

- First offense: **\$50**
- Second offense: **\$100**
- Third & subsequent offenses: **\$250**

# 4

## Are There Exceptions?

- Youth is accompanied by parent/guardian or authorized adult
- Youth is on an errand as direct by parent until 12:30am
- Youth is exercising First Amendment rights
- Youth is returning home within one hour and on direct route from school, religious or voluntary association activity, or public entertainment like a movie, play or sporting event
- Youth is at or heading to/from a place of employment
- With parent consent, youth is engaged in interstate travel

## Budget and Fleet

In FY 2022, compensation expenditures decrease **4.6%** under the FY 2021 approved budget due to an increase in attrition and salary lapse and reduced funding for vacant positions. Compensation includes funding for three new positions to support race and equity outreach and provide mental health services to officers. Fringe benefit expenditures decrease **3.9%** under the FY 2021 budget to align with anticipated compensation costs.

### General Fund Expenditures by Category

Category	FY 2020 Budget	FY 2020 Estimate	FY2021 Approved	FY20-FY21 Change Amount (\$) (%)	
Compensation	\$198,869,600	\$191,828,500	\$189,800,200	-\$9,069,400	-4.6%
Fringe Benefits	\$115,145,400	\$111,156,700	\$110,653,300	-\$4,492,100	-3.9%

Operating expenditures increase 5.5% over the FY 2021 budget primarily due to an increase in new recruitment efforts and community outreach programs and OIT technology cost allocation charges. Capital outlay expenditures are removed from the FY 2022 budget. Recoveries remain at the FY 2021 budgeted level.

# Body Worn Cameras at a Glance

In January of 2022, Prince George's County Police Department completed the deployment of body worn cameras (BWCs) to officers assigned to eight Patrol Divisions, the Special Operations Division, and School Resource Officers. These officers were all issued a Panasonic Arbitrator MK3. At that time, approximately 750 officers had a BWC.

Throughout the remainder of 2022, we began to issue BWCs to those assigned to specialty and investigative components, including the Gang Unit, Carjacking Task Force, Fugitive Apprehension Unit, Community Action Teams, and the Community Engagement Unit. By the end of 2022, approximately 850 BWCs had been issued.

All the above BWCs are the Panasonic MK3, but during 2022 a couple of changes happened. Panasonic separated their video products into a different sub-company, called i-PRO. Around that same time, a new BWC was created and is now being offered. That BWC is called the i-PRO BWC4000. The new BWC offers several improvements. It includes a 12-hour detachable battery, the ability to classify videos using a convenient LCD menu. For improved audio

recording, the 4000 model has four microphones with advanced noise reduction. The new model works with our existing video storage. An agreement with i-PRO will

be providing replacement BWCs to Prince Georges County at a great cost savings. They have agreed to swap out approximately 900 of the cameras at no cost, and the only expense to the County will be for charging docks and associated peripherals. It is anticipated that the update to BWC4000 will be completed during 2023.

## Media Relations Division

The Media Relations Division (MRD) is tasked with overseeing communication between the Department and the community, primarily through the use of social media and the news media. The members of MRD are dedicated and highly trained individuals who know the importance of using both social media and news media to keep the public informed of the Department's activities and critical investigations. The public's perception and image of the Department is largely dependent on the hard work of MRD.

Working directly with the media is still an essential function of any law enforcement agency, especially during important news events that impact the community. Like many other police departments, we utilize social media more than ever before. MRD social media accounts, such as Twitter, has become an essential communication tool for us to relay the information out to the media and the public in a timely manner.

### What we Provide:

**Transparency** – explain laws and procedures with the public, while also making sure to correct any false narratives or incorrect information that may have been given out by the news media.

**On-line Communication** - Twitter is a highly effective tool for crisis communications in law enforcement. One of the most important aspects of a positive rapport between police and the media is the need to spread news-worthy information quickly and accurately. Today, Twitter has become our go-to source for the news media seeking official police information about important events to share with the public.

**Professionalism** – Often, the members of MRD operate under highly-charged, emotional and stressful situations, from our press conferences to on-scene live interviews, to our social media content. All messaging is done with professionalism, accuracy, and extreme sensitivity, that reflects their dedication to the overall mission and the citizens we serve.

## Prince George's County Crime Solvers

Prince George's County Crime Solvers encourages citizens of the community to assist law enforcement in the fight against crime. Anyone with information about criminal activity, wanted fugitives or a crime can submit a tip, anonymously, without the fear of retaliation, to Crime Solvers and we will get your information to the appropriate detectives to investigate, without revealing your identity.

If the information you (the "tipster") provided is helpful and leads to an arrest, the recovery of weapons, narcotics, stolen property or the capture of a wanted fugitive, you could be eligible to receive a cash reward of **up to \$2,500**.

Crime doesn't pay, but we do! Crime Solvers offers the only option that keeps you anonymous and puts cash in your pockets!

### "Crime Solvers works!"

In 2022, 725 tips were received. Those tips from the community resulted in the closure in six homicide, four robbery, and five drug trafficking cases. Two fugitives were apprehended, and eight illegal guns were seized. A tip also

led detectives to the person responsible for a 2020 homicide that occurred in Landover and to the vehicle involved in a fatal pedestrian hit and run accident.

In 2022, \$55,750 in reward money was rewarded.

On October 5, 2022, we hosted our annual golf tournament. The golf tournament is our largest fundraiser each year. The money raised from that event is used to pay out rewards for tips that lead to arrests for crimes in Prince George's County.

You can also support Prince George's County Crime Solvers by becoming a sponsor or making a donation at <https://www.pgcrimesolvers.com/become-a-sponsor>

On December 6, 2022, Crime Solvers hit the road when evidence vans were newly wrapped with information to promote anonymous tip submissions and awareness about the crime-fighting program.

## Office of Community First

### Police Athletic/Activities League

In 2022, the Office of Community First, through the Police Athletic/Activities League (PAL), provided over 12 programs and countless community events, across Prince George's County, and the state of Maryland, serving more than 1,000 youth. They held fishing excursions, rode go-karts, played laser tag, stayed 4 nights at Cal Ripken Summer Baseball Camp in Aberdeen, MD, spent 4 nights at the National Police Athletic/Activities League Youth Summit in Potomac, MD, went snow tubing over the winter, attended a NATS game in DC and climbed the ropes at The Chesapeake Bay Outdoor Adventure Park.

On May 22, 2022, the Prince George's County Police Athletic/Activities League was excited to open the Robert Callaway Sr. Field at Barlowe Road. This field was built, in partnership with the Cal Ripken, Sr. Foundation, providing a safe space for youth and law enforcement officers to engage in positive activities such as baseball, softball and kickball. This field is a vital asset to the mission, of not only PAL, but the Prince George's County Police Department, to enhance and expand the philosophy of community policing.

The Back-to-School Celebration is PAL's largest sponsored event, serving over 600 youth, by providing each child with a backpack and supplies needed to start the school year. It is so important that our youth have the necessary tools to excel in their education. This event is also about bringing communities and families together to have fun and relax before we close out summer. We had basketball games on the "Dream Court," the grill was fired up serving hot dogs and hamburgers, the

gaming trailer was plugged, kickball was happening on the baseball field, and the DJ was hyping up the crowd. We just want to say Thank You to all our wonderful partners and volunteers who helped make this event a huge success.

## Triad/Seniors and Law Enforcement Together

Triad/Seniors and Law Enforcement Together (SALT) is a cooperative effort of law enforcement agencies, senior citizens, and senior organizations, focused on reducing crimes against our most vulnerable citizens: our seniors. The goal of Triad/SALT is to reduce the fear of crime and victimization among seniors by increasing awareness of scams and frauds targeting them, strengthening communication between the Department and our seniors, and educating them on local and state resources that are available to them in the community.

## Faith and Blue

Beginning, October 8 through October 11, 2022, the Prince George's County Police Department partnered with the faith-based community to celebrate National Faith & Blue Weekend. During this years' Faith & Blue celebration, we hosted several community events with our faith-based partners. PGPD hosted the following activities:

**Division I – Hyattsville** partnered with Saint Bernard's Catholic Church to host a food drive. When people have access to food, they are able to be engaged members of their communities.

**Division II – Bowie** partnered with First Baptist Church of Glenarden, Reid Temple AME Church, Remnant Fellowship Worship Center, and Greater Morning Star to host a community fair and giveaway.

**Division III – Landover** partnered with First Baptist Church of Highland Park, City of Praise Family Ministries, Impact One Church, and Discover Community Church to host a prayer service for all public safety officials.

**Division IV – Oxon Hill** partnered with St Stephan's Baptist Church, legislators and community members to offer free health screenings and connect community members to the information and resources they need.

**Division V – Clinton** partnered with the Tree of Life Christian Ministries to host a family fun day. The community members united with faith-based leaders, elected officials and law enforcement officials to establish unity in our community.

**Division VI – Beltsville** partnered with Beltsville Seventh-Day Adventist Church to host a food drive to support the local needs within the community.

**Division VII – Fort Washington** partnered with Breath of Life Seventh-Day Adventist Church to host a public safety informational expo.

**Division VIII – Westphalia** partnered with Greater People's Union Baptist Church and other faith leaders to host a school supply drive and community day.

# Real Talk

In 2022, Chief Aziz unveiled a new initiative called “Real Talk”. Real Talk was designed to engage youth and young adults throughout the county in direct dialogue with the Prince George’s County Police Department about various issues regarding youth and police interactions, through dialogue that focused on changing the perceptions of law enforcement officials and improving interactions between our youth and the police. Since its inception, the Department has conducted approximately 10 Real Talk events in partnership with the Cheltenham Youth Facility, Prince George’s County Circuit Court, Prince George’s County Public School System and various community and civic associations.

## ***Real Talk conversations have proven to:***

**Build Trust:** By engaging in open and respectful conversations, law enforcement officials can establish trust and rapport with youth and young adults. The sessions have bridged the gap between law enforcement and individuals who may have had negative experiences or negative perceptions of the police.

**Encourage Rehabilitation and Reintegration:** Through Real Talk conversations, officers gained a better understanding of the experiences, challenges, and needs of those youth and young adults who were previously incarcerated, but hoped to reenter our community as productive citizens. The knowledge gained from these conversations can aid in the development of effective rehabilitation and reintegration programs, tailored to address the specific circumstances and issues faced by young individuals within the criminal justice system.

**Provide Mentorship and Guidance:** Police officers serve as positive role models and provide our youth and young adults with the support and encouragement they may need to make positive changes.

**Prevent Recidivism:** By engaging in Real Talk conversations, police officers can address some of the societal pressures that often negatively impact the youth and young adults in our community. By addressing these underlying issues and connecting young individuals with appropriate resources and support systems, police officers can play a crucial role in reducing recidivism rates.

It’s important to note that these conversations are approached with empathy, respect, and a focus on establishing mutual trust and respect. Through Real Talk, our goal is to foster positive change, promote understanding, and contribute to the overall well-being of our youth, young adults, and the community.

## Citizens Police Academy

Our Citizens Police Academy is a 13-week program designed to give the participants a working knowledge of the Prince George's County Police Department. It consists of a series of classes and discussions held once a week. Our goals are to help the community and police:

- Understand each other better
- Communicate better
- Partner together to solve problems

The Academy has graduated hundreds of participants since September 1992.

### What You Will Learn

You will learn about important issues in policing, such as:

- How investigations work
- What domestic violence is and how we handle these situations
- How we process a crime scene
- How we de-escalate situations and when force is used

### Benefits

Complete the Academy and:

- Gain a deeper interest in the issues of your community
- Meet and connect with officers in a positive and engaging environment
- Receive a certificate, academy t-shirt, and a class photo
- Join the Academy Alumni Association for further learning

Most importantly, we will work together to identify problems and solutions to community issues.

### How To Apply

There are two academy sessions every year and each class size is limited to approximately 30 students. There is **NO COST** to anyone who lives or work in Prince George's County.

Our training sessions are held in-person. Classes meet for 13-weeks on **Monday evenings**. The session is completed with a small commencement ceremony.

Session 47 - December 19, 2022 graduates

## Psychological Services Division

The Psychological Services Division (PSD) serves as a trusted resource for employees of the Department and their immediate family members. Staff assigned to PSD are responsible for providing clinical treatment, case management, crisis services, spiritual support, and psychological training and education to all members.

### Clinical Services

In 2022, our clinical staff provided in-office services to 249 clients and conducted **1922** sessions. The clinical services provided include, but are not limited to, ongoing therapeutic treatment; crisis intervention on critical incidents such as barricades and departmental shootings; and stress and crisis management debriefings. Clinicians also provide classroom instruction to every basic officer training academy class, advanced officer training class, partner agencies, and the Crisis Management Team. A clinician and peer coordinator are on-call 24 hours a day to respond to all employee crises.

### Special Programs

The Special Programs Unit is responsible for managing the Chaplain Corps, Peer Support Team, and Therapy Dog. They also provide case management to officers who may not need clinical treatment and ensure that Chaplains and Peer Support Team members are deployed to crisis situations, as requested. The Special Programs Coordinators also work closely with the clinical staff to manage all callouts, debriefs, and training requests.

### Cordico App

Created specifically for our employees, the Prince George's County Police Department Wellness App was developed by Cordico to deliver a variety of resources – all which have been vetted by Psychological Service Division staff members, to ensure the providers are culturally competent to the needs of law enforcement personnel. Access is available to every employee and their spouse. Direct access to service providers is available.

Anonymous Self-assessments are available for

- Stress
- Substance abuse
- Depression

**Peer Support**

## Meet “Pete” Our Support Therapy Dog

The Psychological Services Division added a new resource to the unit's growing list of capabilities. Scientific studies have shown that as little as three minutes of contact with a therapy dog during a traumatic incident can begin to release hormones that protect against the long-term negative effects of “fight or flight.” Pete has already been deployed nearly one hundred times and has provided therapy assistance to other agencies including the United States Capitol Police, Calvert County Sheriff's Office, Charles County Sheriff's Office, and several other therapeutic establishments.

“Pete” is a nationally certified therapy dog who is assigned to the Psychological Services Division and has certifications through the American Kennel Club. Therapy dog “Pete” is tasked with providing emotional support to employees of the Police Department and can be frequently found performing station visits, visiting roll calls, assisting at critical incidents, and providing support during therapy sessions. “Pete” is handled by Corporal Tyler Hunter.

## Training and Education Division

The Training and Education Division provides recruit officers with instruction in a variety of subjects to include emergency vehicle operation, defensive tactics, arrest procedures, traffic law, criminal law, community policing, mental health response and crisis intervention.

In 2022, the Police Training Academy proudly announced the graduation of the following sessions:

### SESSION 146

On January 5, 2022, 23 recruits from Session 146, of the 23 graduates, 18 joined us here at the Prince George's County Police Department.

EPO SESSION 147-B

On May 6, 2022, an additional seven members of EPO Session 147-B took the oath of office during their graduation ceremony and were welcomed to our agency!

## SESSION 147

On September 28, 2022 37 recruits from Session 147, of the 37 graduates, 26 joined us here at the Prince George's County Police Department.

**WE WELCOME OUR NEWEST MEMBERS OF THE PGPD FAMILY!**

## Records Management Division

The Records Management Division is the official repository for all police reports generated by the Prince George's County Police Department. Staff are also responsible for handling MPIA requests, expungements, subpoenas, NCIC entries and validations, vehicle impounds and repossessions, and visa immigration requests. The Records Manager serves as the Department's Custodian of Records and certifies all reports and digital data for court as true, correct, complete, and kept in the normal course of business

In 2022, the Division handled 26, 113 requests and inquiries. They also introduced Request – A – Report, which allows citizens the ability to request and receive their reports online: Scan the QR code or [click here](#).

## Recruiting and Background Division

Our Recruiting Division was extremely busy in 2022. In collaboration with the Prince George's County Council, the Department began offering hiring bonuses up to \$10,000 for newly hired entry level police officers and \$15,000 for lateral officers. New applicants were also introduced to a new age and gender-neutral entry level physical fitness test.

Our recruiters also expanded their recruiting efforts to military installations colleges and universities including Bowie State University, the University of Maryland Eastern Shore, the University of Baltimore, and FAMU.

On March 30th, Chief Aziz signed the 30x30 Initiative Pledge committing the Prince George's County Police Department to improve the representation and experiences of women in our Department by

- Taking measures to increase the representation of women in all our ranks
- Ensuring that our policies and procedures are free of all bias
- Promoting the equitable hiring, retention, and promotion of women officers
- Ensuring our culture is inclusive, respectful, and supportive of all women in their respective roles and ranks throughout the Department

**PRINCE GEORGE'S COUNTY POLICE DEPARTMENT**

**30x30**

The Prince George's County Police Department is proud to be a member of the 30x30 initiative. Our goal is to increase the representation of women in our police recruit classes to 30% by 2030, and to ensure police policies and culture intentionally support the success of qualified women officers throughout their careers. Let's make it happen!

The 30x30 Initiative seeks to increase the representation of women in police department recruit classes to 30% by 2030. The Initiative focuses its efforts on recruitment, hiring, development, and retention to eliminate the barriers that keep women from joining policing agencies or make it harder for them to advance to leadership positions.

While women make up only **12%** of sworn officers in the a United States, the Prince George's County Police Department remains **above national average with 208 women** making **14%** of our sworn members.

On September 28, 2022, members of the Arson Task Force arrested two individuals who broke into the Global Food Mart located at 5470 St. Barnabas Road, Oxon Hill, Maryland 20745. One of the Defendants broke into the location and blew up the ATM with a homemade explosive device, while another Defendant remained inside of a vehicle looking out for responding law enforcement officers. The Arson Task Force was able to safely take the Defendants into custody as they attempted to flee the scene. Prior to making this arrest, the Arson Task Force had investigated a total of six ATM explosions in Prince George's County. After making this arrest, there were no more incidents in Prince George's County involving ATM explosions.

### The Arson Task Force was assigned as the lead investigative unit for the following Major Cases:

- ✓ Molotov Cocktail Cases
- ✓ ATM Explosive Cases
- ✓ Volunteer Fire Fighter Serial Arson Cases
- ✓ Multi-Jurisdictional Arson Cases
- ✓ Stolen Police/Fire Department Radio Cases
- ✓ Stolen Fire Department Property Cases

## Special Operations Division

The Special Operations Division consists of the Aviation Section, Canine Section, Emergency Services Team, Motors Unit, Traffic Enforcement Unit, Collision Analysis and Reconstruction Unit, Marine Unit, National Harbor Unit, Special Services Section, and the Crossing Guard Unit.

### Aviation Section

The Aviation Section received another first-place international airborne public safety award. This makes it their 7th award, leading some in the Airborne Public Safety Community to consider them, one of the best in the Nation. The FAA considers the section a model for following the FAA's "Fly Neighborly" program. Prince George's County leads the region once again for no reported helicopter noise complaints in 2022. The Aviation Section also continues to utilize their drone program to fill support gaps in airborne services.

## Canine Section

The Canine Unit is home to our specially trained four-legged officers and their handlers. These unique teams perform a wide variety of functions every day, including building searches and scent tracking, in which they search for suspects involved in crimes, or missing persons who may be in danger. They also use their special skills to locate evidence, detect controlled dangerous substances, and find explosive devices. In addition, the Canine Unit also conducts routine patrol and demonstrates the capabilities of canines during community events to enhance police-community relations.

### National Harbor Unit

The National Harbor, the premier resort destination, saw a return to normalcy in 2022. Visitors from across the nation and internationally flocked to the Harbor to visit the MGM National Harbor Casino, the Gaylord National Resort, and the Tanger Outlets.

In 2022, the National Harbor hosted the grand opening of Spirit Park which boasts the largest outdoor American Flag on the east coast, as well as several community events to include the Cal Ripken, Jr. Youth Fishing Derby at the Public Safety Pier, a lantern festival, and the Polar Bear Plunge.

National Harbor Unit Officers are responsible for delivering police services to the residents, visitors and businesses within the County's "Crown Jewel."

## National Harbor's Spirit Park

Situated on 1,776 acres (in honor of Independence Day), Spirit Park features a 50 x 80 foot custom made flag soaring on flagpole 177 feet 7 inches tall (first Flag Day was June 14, 1777). Surrounded by 13 smaller flags (representing the original colonies), the flag at Spirit Park is one of the largest in the nation. Spirit Park also includes an amphitheater with six rows of seating (representing the number of white stripes on the flag) and a 50-foot round stage representing the 50 states.

The park officially opened with a special dedication ceremony on Veteran's Day, November 11th. During this ceremony, Chief Aziz presented the widow of our fallen officer, Sergeant Ramzziddin, with the American flag previously flown at our Fallen Hero's Memorial.

## Information Technology Division

The Information Technology Division's (ITD) mission is to function as the Department's primary oversight and management point on all technology-related issues. ITD coordinates and supports all phases of planning, assessing, selecting, implementing, and integrating all technology utilized by the Department. This includes management of employee network access and system accounts.

ITD also functions as the Department's liaison to the County's Office of Information Technology (OIT). OIT is responsible for the oversight enterprise-level technology and architecture deployed on a County level

### Advancements in Employee Support

In 2022, ITD undertook the task of utilizing technology to improve the services provided to the Department. ITD realized a more responsive approach was needed to assist employees with accomplishing their jobs.

Utilizing the Microsoft SharePoint software, ITD created a comprehensive Intranet sharing site, which is accessible to all Department employees. Once the main site was operational, ITD then utilized customer service request (CSR) software and developed multiple service request types. Employees now use CSR for requesting assistance with technology problems, tracking search warrant executions, submitting change of addresses, notifying of the birth/death of family

members, confirming yearly medical examinations, and in the case of certain Specialty Units, tracking daily workload. All the information previously maintained on servers was relocated to allow access from virtually anywhere!

In addition to the new comprehensive SharePoint site, ITD also began work and assisted with many technology projects starting now and carrying forward into next year. Examples include a new electronic District Court summons management system, a secondary employment tracking system, a short-code SMS texting program being used for employee recruiting, and an on-line community survey application.

## Joint Analysis Intelligence Center

The Joint Analysis Intelligence Center (JAIC) is the analytical and statistical arm of the Department. The JAIC analyzes data from Computer Aided Dispatching (CAD) calls for service, police case reports, arrest reports, and various databases to provide in-depth analyses of crime trends and associated geographical mapping.

The Unit also responds to requests for Department crime data from community organizations, local business groups, and other law enforcement agencies, acts as a clearinghouse for Law Enforcement information being disseminated between local, State, and Federal law enforcement agencies, and acts as the Department's liaison to the federal Law Enforcement Notification System (LENS).

### Law Enforcement Notification System

The Law Enforcement Notification System (LENS) is a federal system which provides local law enforcement with real-time information on federal offenders currently on supervision with the U.S. Courts. Qualifying offenders include those convicted of certain drug trafficking crimes, crimes of violence, sex offenses and internet child pornography offenses included as part of the Sex Offender Registration and Notification Act. The JAIC processes these notifications to provide officers the ability to easily search for and identify those offenders that reside within the jurisdiction of the Prince George's County Police Department.

### Records Management System Administration Unit

The Records Management System Administration Unit is responsible for the maintenance and continued development of the programs and databases utilized by the Department to document crime reports, arrests, vehicle impounds, and other reports. The Unit manages accounts for over **4,500** users and ensures the interoperability between the Department and the **30+** municipal police departments and other agencies within the County. The Unit is also responsible for crime reporting under the Federal Uniform Crime Reporting Program. In 2022, the Unit reviewed **50,544** police reports for compliancy with UCR standards.

### Telephone Reporting Unit

The Telephone Reporting Unit's primary purpose is to provide a convenient way for citizens to file police reports for incidents that do not require the presence of a police officer, such as thefts, frauds, auto thefts, vandalism, telephone harassment, and lost property. This allows for a more efficient use of police resources, as patrol officers can then prioritize responses to emergency calls. In 2022, the Unit handled **314,060** calls and authored **4,043** police reports, accounting for **7.4%** of incidents reported in 2022.

## The Gun Intelligence Section

The Prince George's County Police Gun Intelligence Section/ATF Task Force is responsible for identifying and conducting investigations into gun trafficking and firearm related crimes in Prince George's County. Through their ongoing collaborations with other local and federal law enforcement agencies, members of the unit share resource, gun crime intelligence, and strategies for reducing firearm violence.

The Gun Intelligence Section also focused on gun violence prevention through community outreach. During 2022, the Gun Intelligence Section, in partnership with Prince George's County Crime Solvers, participated in several community events to include gun prevention rallies, National Night Out and Faith and Blue weekend. At these events, literature was distributed to the public detailing how to anonymous report information about illegal firearms in the community.

## StarChase

StarChase is a pursuit mitigation and vehicle tracking device that the Prince George's County Police Department began using in November 2022. Officers who have been trained in the use of the system have a launcher installed in the front of their assigned police vehicle. When an officer has probable cause to believe that a vehicle or its occupants are involved in any crime, the launcher allows them to fire a GPS enabled tracking dart, which affixes itself to the vehicle in question with an industrial strength adhesive. Officers are then able to track the location of the vehicle via an online mapping system. This system provides officers with a means of locating possible offenders without having to engage in vehicle pursuits, thus eliminating the risks that are posed to themselves and the community by engaging in high-speed pursuits.

## Division II – Bowie

### History

On November 1st, 1962, Division II - Bowie opened its first police station at the Bel Air Mansion in Bowie. It was the first substation dedicated to serving the citizens of Bowie. The building was shared with the City of Bowie and only had enough space for a supervisor's office, a small roll call room, records, a Justice of the Peace office, and a clerk's office. The building did not have any holding cells or room for detectives. The current Division II-Bowie station held its grand opening ceremony in 1976.

### Location

Division II - Bowie is located in the eastern region of the County and is bordered to the northeast by Anne Arundel County. Communities within Division II - Bowie include Bowie, Glenn Dale, Greenbelt, Kettering, Largo, Lanham, Mitchellville, New Carrollton, Seabrook, Springdale, Upper Marlboro, and Woodmore.

## Division III – Landover

### History

Prior to the creation of Division III - Landover, the entirety of Prince George's County was served by two police stations; the first serving the northern section on the county based out of Hyattsville, and the second serving the southern section of the county based out of Upper Marlboro. Between 1950 and 1960 Prince George's County saw incredible growth, urbanization, and a population explosion of 163,000 people. This spurred the need for the creation of a third station to be opened in the County. In early 1953 Division III - Landover was opened on Addison Road. This new facility also served to centralize the police departments headquarters, central records, all detectives, and communications sections. Outgrowing that facility, in the early 1990's, Division III - Landover moved to its current location on Barlowe Road. Division III – Landover is our only police facility with a juvenile processing center.

### Location

Division III - Landover is located in the north-eastern region of the County and is bordered to the northwest and southwest by Washington, D.C. Communities within Division III include Carmody Hills, Chapel Oaks, Dodge Park, Fairmont Heights, Glenarden, Kentland, Landover, Palmer Park, and Seat Pleasant

### Attractions & Landmarks

- FedEx Field, home of the Washington Commanders football team, which attracts sports and entertainment enthusiasts from around the globe
- The Wayne K Curry Sports and Learning Complex
- City of Praise - one of Prince George's County's largest ministries
- First Baptist Church of Highland Park - one of Prince George's County's largest ministries

### Community Events

In 2022, Division III – Landover's events included an Ice Cream social in the park, basketball instruction at a summer camp, and the donation of fully decorated Christmas trees to local families.

## Division IV - Oxon Hill

### History

The Division IV - Oxon Hill police station was first opened on June 22, 1963, in a renovated two-story house, to service the southern portion of the County during a period of rapid population growth brought about by the opening of the Woodrow Wilson Bridge in 1961. The original structure was expanded in 1966 and remained in use until 1982 when it was torn down during a renovation. The rebuilt station remained in use until 2000 when it was replaced by a new facility located in Eastover Shopping Center. Division IV - Oxon Hill is also home to a growing Hispanic and Filipino population.

### Location

Division IV - Oxon Hill is located in the south-western region of the County and is bordered to the west by Washington, D.C. Communities within Division IV - Oxon Hill include Camp Springs, Glassmanor, Hillcrest Heights, Forest Heights, Marlow Heights, Morningside, Oxon Hill, Suitland, and Temple Hills.

### Attractions & Landmarks

- Ebenezer A.M.E. Church - one of Prince George's County's largest ministries
- From the Heart Church Ministries - one of Prince George's County's largest ministries
- Joint Base Andrews – US military base and home of Air Force One
- National Harbor – premiere destination of MGM National Harbor Casio
- Gaylord National Resort and Convention Center
- Tanger Outlets
- Rosecroft Raceway - established in 1949, live horseracing venue

### Community Events

2022 was an exciting year for the Division IV – Oxon Hill communities. Several community walks were conducted, backpacks filled with school supplies to help get kids ready for the first day of school were given out, and assorted multi-cultural events with the Hispanic and Filipino communities held.

## Division VI – Beltsville

### History

The Division VI – Beltsville building was first opened as the Chestnut Hills Elementary School in 1957 and remained open until 1981. During that time, Prince George's County was looking to expand their library system and the Prince George's County Police Department was looking to open a new northern station to better serve the ever-growing population. Due to the TRIM tax reform in the 1970s, there was not enough money in the budget. The Police Department and library agreed to share the abandoned Chestnut Hills Elementary School building. The building was renovated, and the new Division VI – Beltsville police station was opened on November 14, 1982. The new Division covered a portion of the northern part of the county that was previously patrolled by Division I – Hyattsville, significantly improving response times.

### Location

Division VI – Beltsville is located in the northernmost region of the County and is bordered to the west by Montgomery County, to the north by Howard County, and to the east by Anne Arundel County. Communities within Division VI – Beltsville include unincorporated Laurel, Beltsville, Calverton, and Greenbelt.

### Attractions & Landmarks

- Astrodon Johnstoni – State of Maryland's official dinosaur discovered in 1858
- Beltsville Agricultural Research Center – USDA research center
- National Agricultural Library - one of five national libraries in the United States

### Community Events

## Division VIII - Westphalia

### History

On October 3, 2019, the Prince George's County Police Department held a ceremonial ribbon cutting at the new Division VIII – Westphalia Station. Covering 18 square miles, Division VIII – Westphalia is the busiest station in the County and serves those neighborhoods once serviced by the Division III – Landover Station. The creation of Division VIII – Westphalia enhanced community engagement, improved response times and police services for the residents living there. Division VIII – Westphalia not only brought the Department closer to the community, but it also signaled to the those assigned to Division VIII – Westphalia that their tireless work is now matched by a facility that exudes the same excellence they display every single day in our beautiful County.

### Location

Division VIII – Westphalia is located in the north-eastern region of the County and is bordered to the northwest and southwest by Washington, D.C. Communities within Division VIII – Westphalia include Capitol Heights, District Heights, Forestville, Suitland, and Westphalia.

### Attractions and Landmarks

- NOAA Office of Satellite and Product Operations Facility
- Prince George's County Police Headquarters
- U.S. Census Bureau
- Walker Mill Regional Park

### Community Events

In 2022, Division VIII - Westphalia hosted a youth game night, a Bike & Roll Safety Day, bingo with seniors, Operation Chill was a hit on a hot day, and food basket distribution with Operation Ernie's Plate.

## Division Investigation Sections

The Bureau of Patrol Investigation Section is an important component of each Patrol Division. A police detective is a specialized law enforcement professional responsible for investigating crimes, following-up with victims, gathering evidence, and identifying crime trends and suspects. With their expertise in investigative techniques, they play a crucial role in solving criminal cases and ensuring justice. Police detectives employ various strategies to uncover the truth, contributing to the safety and security of the communities they serve. Detectives proactively focus on video footage and tips from the community of crimes and attempted crimes uploaded to apps like NextDoor for suspect information and descriptions.

They also distribute B.O.L.O. (Be On The Lookout) fliers to their fellow officers, department leadership, and the community while conducting neighborhood canvasses. These partnerships are vital to investigating those crimes which impact our citizens of

Prince George's County like assaults, burglaries and break-ins, citizen robberies, destructions of property, telephone harassments, stalking and missing persons cases.

Through the cooperative efforts of Detectives, from the Bureau of Patrol Investigation Sections, and the community, continued crime reduction and the successful prosecution of criminal cases can be achieved, enhancing the public safety and quality of life in our neighborhoods.

### Spotlight

Division VI – Beltsville After noticing an increase in air bag thefts plaguing their Division, Detectives from the Division VI – Beltsville Investigation Section partnered with several components of the Department to combat the issue. Through the course of their investigative and collaborative efforts, they were able to arrest 2 suspects and recover 30 air bags and 1 firearm.

## Community Oriented Policing Services

The Prince George's County Police Department is a Community Policing and Engagement Department. We are committed to partnering with the community to identify crime related problems, determine their root causes, and work together toward applying solutions to permanently reduce or eliminate these problems.

When members of a community and law enforcement work together to improve the quality of life in that community, the benefits of Community Policing are realized. Through Community Oriented Policing Service (COPS) initiatives, our officers

are integrated into the community's day-to-day activities by attending community meetings and participating in other neighborhood initiatives. By working together with community members and other stakeholders, they strive to resolve issues that affect the quality of life in the community.

Each Patrol Division has their own COPS Officers dedicated to addressing the needs and concerns of their communities.

## School Liaison Unit

On October 9th, 2022, the School Resource Officer program was centralized under the Bureau of Patrol as the School Liaison Unit. Prior to centralization, each individual School Resource Officer (SRO) was assigned to the Patrol Division in which their school was located. Centralizing everyone has streamlined the Department's ability to communicate with administrators and other representatives of the Prince George's County Public School System. The School Liaison Unit is organized into three squads: Northern, Central, and Southern. This ensures that the School Resource officers can work effectively and efficiently with students, school administrators, and school security to provide a safer school environment and achieve identified goals.

The School Liaison Unit currently provides SROs to 18 public high schools and 3 middle schools in the County. Additional middle schools are provided coverage in a roving capacity by a dedicated SRO in each of the three regions.

Each SRO takes pride in their role promoting school safety and working with school officials to ensure students have a proper learning environment. Our SROs are active participants in the Law Enforcement Explorer Program, Police Athletic League, and

also volunteer with sports and activity clubs at their respective schools. As embedded members of the school community, our SROs have expanded our ability to bring awareness to these programs and have fostered long-term positive and professional relationships with our youth.

Our SROs are helping to shape the minds of the future!

## In Remembrance of Sheriff Melvin C. High

On November 17, 2022, Melvin C. High, beloved Sheriff and former Chief of Police for the Prince George's County Police Department, passed away at the age of 78.

He began his 53-year law enforcement career with the Metropolitan Police Department (MPD), in Washington D.C. from 1969 until 1993. During that time, he rose through the ranks and retired as Assistant Chief of Police and second in command. He was responsible for implementation of MPD's first community policing initiative, CEP (Community Empowerment Policing).

From 1993 to 2003, he served as the first black Chief of Police for the Norfolk Police Department, in Virginia. He developed Norfolk's first community policing initiative, PACE (Police Assisted Community Enforcement). He introduced crime prevention strategies such as CRO (Community Resource Officers), SRO (School Resource Officers), Police Cadets, mobile office programs, and the expansion of tactical crime prevention efforts. He revised recruitment and retention strategies that brought the Department to full staffing, and increased the number of women, black, and civilian professional staff.

In 2003, he was appointed Chief of Police of the Prince George's County Police Department where he served until 2008. Under Chief High's leadership, PGPD's crime-fighting infrastructure was rebuilt, with investment in vehicles, equipment, and technology. PGPD was first in the region to launch a sophisticated marketing campaign to hire 150 new officers every year for five years, an effort that resulted in the hiring of 1,000 new police officers,

bringing its complement to over 1,600 to mitigate the effect of retirements and other attrition. He created the Office of Professional Responsibility and other PGPD reforms that brought crime to its lowest level in 35 years by 2009.

In 2010, Melvin High was elected and sworn in as the Sheriff for Prince George's County. He was finishing his third term and set to retire at the time of his passing. In honor of his leadership and legacy, a leadership award was named after him. At each Prince George's County Police graduation, one student officer is chosen to receive "the leadership award."

On September 28, 2022, the award was renamed, "The Melvin C. High Leadership Award." The Melvin C. High Leadership award is given to the student officer who exemplifies the most exceptional leadership amongst their peers throughout their time in the academy. The first recipient of the Melvin C. High Leadership Award was Police Officer Chaudlier A. Shepherd, from Session 147.
