Remember to Always...

PYP: Permit Your Projects!

Residential and commercial construction projects require building permits from DPIE!

You Need a Permit Before:

- Improving your kitchen
- Renovating a bathroom
- Finishing your basement
- Building a chairlift, ramp or deck
- Erecting a fence taller than 4 feet
- Adding an addition
- Constructing a large shed, carport, garage or driveway, and more

Visit the DPIE Website at dpie.mypgc.us
or call 301-883-2050 for information.

Don't forget to let DPIE check your work!
