PREPARE PRINCE GEORGE'S

EMERGENCY PREPAREDNESS

The Office of Homeland Security (OHS), Emergency Management Division (EMD) is committed to fostering connections with Prince George's County residents, community leaders, organizations, homeowner's associations, civic associations, and houses of worship. Through various outreach events and educational activities, our team actively seeks to build stronger relationships and enhance community involvement.

To request outreach services such as preparedness presentations, participating in a table/information booth event, guest speaker, or to request resource materials, please submit requests by using the QR Code linked to our Outreach Request Form. This convenient process enables residents and organizations to easily connect with our team for support and collaboration.

TOPICS INCLUDE:

- Community Emergency Response Team
- Public Outreach & Education
