# Get to Know Your New Routes

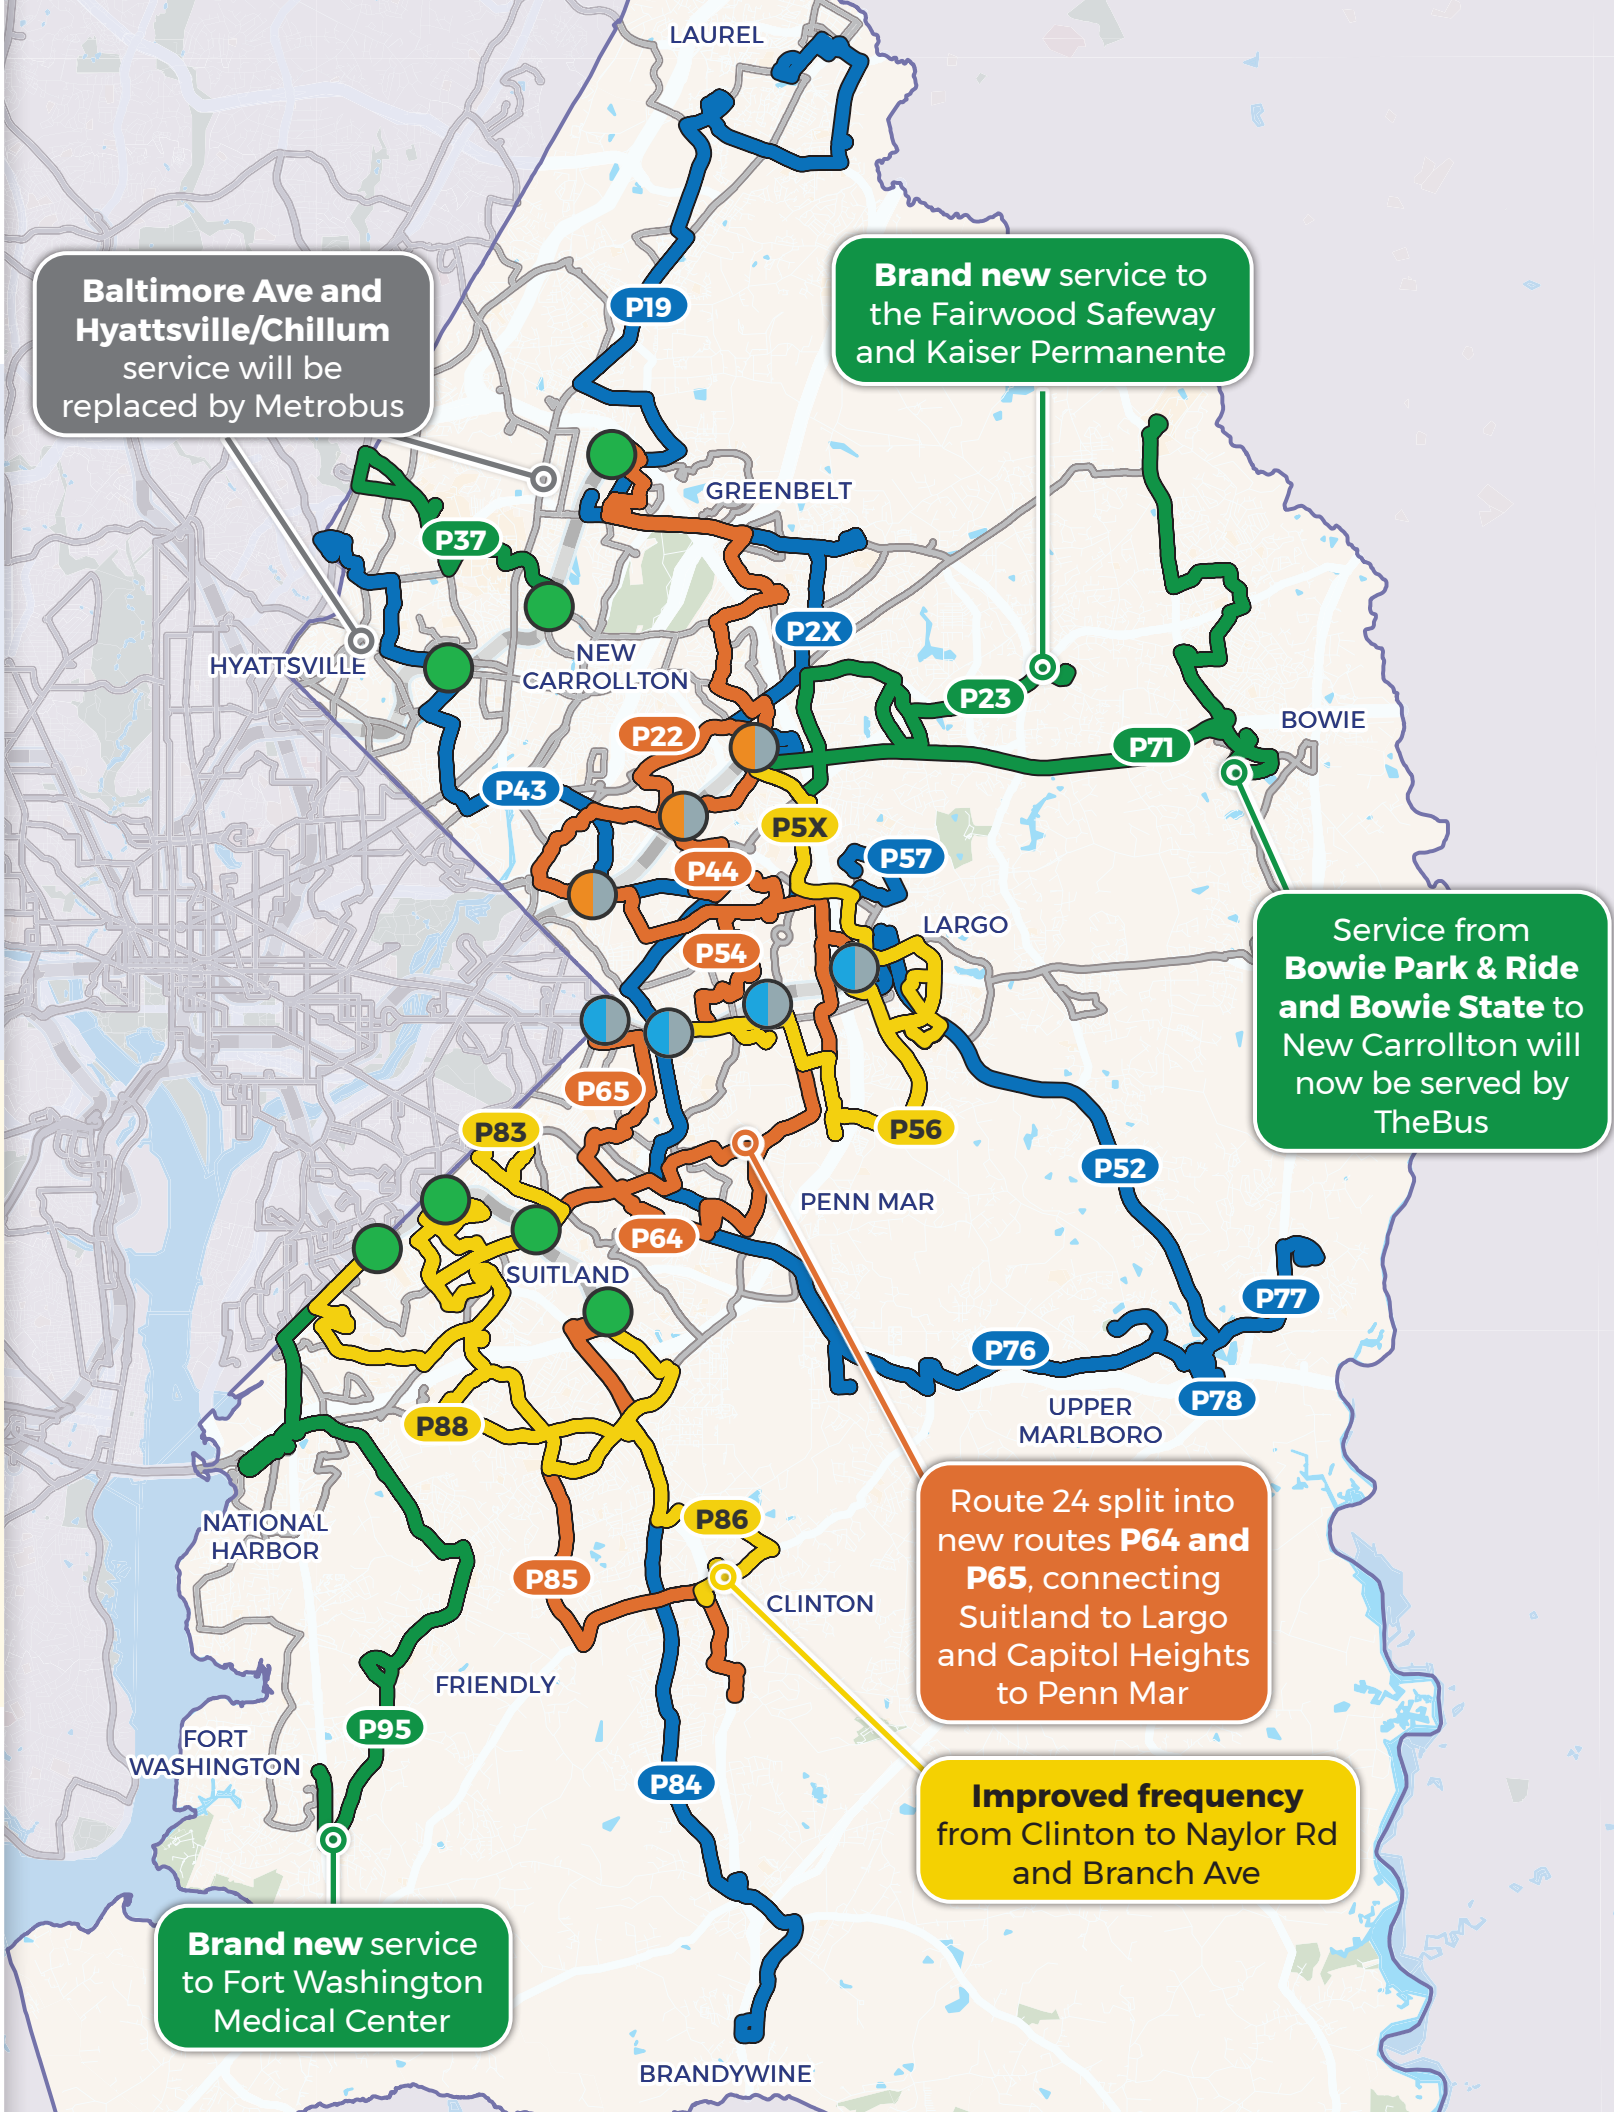

## ROUTES WITH NO ROUTING CHANGES

Some routes have adjusted frequencies, hours of operation, or schedules.

- P19** Same routing as the existing **Route 61**.
- P2X** Same routing as the existing **Route 15X**.
- P43** Same routing as the existing **Route 18**.
- P52** Same routing as the existing **Route 21**.
- P57** Same routing as the existing **Route 28**.
- P76** Same routing as the existing **Route 20**.
- P77** Same routing as the existing **Route 53**.
- P78** Same routing as the existing **Route 51X**.
- P84** Same routing as the existing **Route 36**.

## ROUTES WITH SIMPLE ROUTING CHANGES

- P5X** Similar routing to the existing **Route 21X** with minor changes between Largo Metro and Prince George's Community College to improve reliability.
- P56** Same routing as the existing **Route 26** extended west on weekdays to Addison Rd Metro via Walker Mill Dr.
- P83** Same routing as the existing **Route 34** extended to Naylor Rd Metro via Iverson Mall and Hillcrest Heights.
- P86** Similar routing to the existing **Route 32** rerouted in Hillcrest Heights to connect the neighborhood with Marlow Heights Shopping Center.
- P88** Similar routing to the existing **Route 33** rerouted to serve Iverson St and Southview Dr.

## ROUTES WITH MAJOR ROUTING CHANGES

- P22** Similar routing to the existing **Route 16** extended south to Cheverly Metro via Landover Hills on weekdays and rerouted out of Berwyn Heights. Metrobus **P14** will replace Berwyn Heights service.
- P44** Merges parts of existing **Route 27** and existing Metrobus **Route F12** by connecting Downtown Largo, Palmer Park, Kent Village, Landover Metro, Pennsy Dr, and New Carrollton. Service in Dodge Park is discontinued.
- P54** Similar routing to the existing **Route 23** but will not serve Hill Rd and Walker Mill Dr. **Route P56** will replace Walker Mill Dr service.
- P64** Similar routing to the existing **Route 24** between Forestville and Central Ave. North of Central Ave, route is rerouted to serve Largo Metro. South of Forestville, route is extended to serve Suitland Metro via Penn Mar Shopping Center and Hil Mar Dr. The western portion of **Route 24** will be served by **Route P65**.
- P65** Similar routing to the existing **Route 24** between Capitol Heights and Forestville, extended to serve Penn Mar Shopping Center. The eastern portion of **Route 24** will be served by **Route P64**.
- P85** Similar routing to the existing **Route 30** but shortened to run between Southern Maryland Regional Hospital and Branch Ave Metro. **Route P86** will replace service between Clinton, Camp Springs, and Marlow Heights Shopping Center. **Route P83** will replace service between Iverson Mall and Suitland Metro.

## NEW ROUTES

These routes are largely restructured from existing Metrobus routes.

- P23** New route from New Carrollton to Fairwood Parkway via Annapolis Rd, providing brand new service to the Fairwood Safeway and Kaiser Permanente. May be of interest to current customers on Metrobus **Routes F13** and **B24**.
- P37** New route from College Park Metro to New Hampshire Ave via the University of Maryland and National Archives II. May be of interest to current customers on Metrobus **Route C8**.
- P71** New route connecting New Carrollton, Bowie Park & Ride, and Bowie State. May be of interest to current customers on Metrobus **Routes B21, B22, and B24**.
- P95** New route connecting Southern Ave Metro, Oxon Hill Park & Ride, Friendly, and Fort Washington, providing brand new service to the Fort Washington Medical Center. May be of interest to current customers on **Route 35** and Metrobus **Route W14**.
