

Did You Know That *UGLY* SIGN LITTER Is Also ILLEGAL?

Posting roadside signs is a violation of Prince George's County Code. Violators face a fine of up to \$1,000 per location a sign is posted.

Instead of littering the landscape, advertise your goods and services on social media, community listservs, bargain consumer websites such as Craig's List or buy ads in local newspapers.

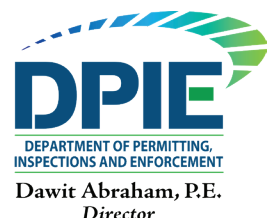

**Don't
litter the
landscape.**
